<b>9 LIABILITIES AGAINST PENDING PETITIONS IN THE COURTS</b>			

Provision for Federal Excise Duty	9.1	<u>191,258</u>	<u>191,258</u>
-----------------------------------	-----	----------------	----------------

- 9.1** The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16% on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double

# Atlas Fund of Funds

taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Honourable Supreme Court of Pakistan which is pending adjudication.

However, as a matter of abundant caution provision for FED on remuneration of the Management Company amounting to Rs. 191,258 (representing provision upto August 30, 2013 the date of revocation of the Fund) is currently being retained in these special purpose financial statements as the matter is pending before the Honourable Supreme Court of Pakistan.

- 9.2 The amount representing the liability in respect of provision for FED which has been set aside and is placed in avenues permitted by the SECP as explained in note 1.5 to these special purpose financial statements.
