#### CHAIRMAN'S REVIEW

It is my pleasure to present the un-audited financial statements of Atlas Fund of Funds for the half year ended 31 December 2011 of the FY 2011-12.

#### The Economy

The economy of Pakistan, despite internal and external challenges, is gradually picking pace with signs of moving towards sustainable growth. During the period July-December FY 12, the total exports stood at US\$ 11.24 billion, as compared to US\$ 10.82 billion last year. During July-December FY 12, foreign remittances reached the record level of US\$ 6.32 billion, which is 19.35% higher than the remittances during the corresponding period last year. CPI inflation during July-December FY 12 averaged 10.87% as compared to 14.32% during July-December FY 11. The SBP maintained status quo on the discount rate keeping it constant at 12% under its latest monetary policy statement announced on 30 November 2011. In pursuing this stance, the SBP did acknowledge risk of resurgence of medium term inflationary pressures and challenges in preserving foreign exchange reserves. The SBP reduced its policy rate by 200 bps to 12% in FY 12 so far with an objective to support revival of private investment in the economy.

### Fund Operations

The Net Asset Value per certificate of your Fund has increased by 2.94% to Rs.8.56 as of 31 December 2011. During the period under review, the benchmark Closed End Funds Market Capitalization has decreased by 10.25% from Rs.13.1 billion as on 30 June 2011 to Rs.11.8 billion as on 31 December 2011. The Fund has continued to provide for Workers Welfare Fund as a matter of abundant caution. The provision stood at Rs.4.40 million on 31 December 2011. The petition filed by the Company with the Honorable High Court of Sindh is pending adjudication.

The ATFF's total exposure in Mutual Funds was 98.07% of the net assets. The total investment in closed-end funds that are trading at attractive discounts stood at 38% of the net assets. ATFF's Dividend income and interest income stood at Rs.32.05 million and Rs.1.9 million respectively for the period under review. The net assets of your Fund stood at Rs.382.24 million as of 31 December 2011.

Certificate Holders' Resolution approving Conversion to open end fund or revoking the scheme

Under Clause 65 of the Non Banking Finance Companies & Notified Entities Regulations, 2008 (NBFC Regulations, 2008), the Management Company of ATFF will be required to hold a meeting and seek the approval of the certificate holders whether to convert the ATFF into an open end fund, or revoke it, within five years from 21 November 2007, or the date of launch, whichever is later, in accordance with the manner prescribed in the said Clause. The convening of such meeting of certificate holders shall fall due in the current calendar year. The Management Company of your Fund shall comply with relevant requirements of the NBFC Regulations, 2008 in this regard.

The closed end funds are quoted at substantial discount to their net asset values (NAV). On opening or revoking of the closed end funds, the value of certificates of the funds quoted at discount is likely to be released. As on 31 December 2011 the certificates of ATFF were quoted at Rs.5.50, whereas the NAV was Rs.8.56 based on market value of investment in closed end funds. The re-stated NAV of ATFF, based on NAV of the invested closed end funds excluding PICIC Growth Fund (PGF) and PICIC Investment Fund (PIF), works out to Rs.9.56 per certificate on 31 December 2011. The latter value is likely to be released if the Fund and the invested closed end funds are converted into open end funds or revoked. It is clarified that PGF and PIF have been taken at their market values, as these funds hold certain frozen shares whose holding these funds are likely to maintain, as per the terms and conditions under which management rights of these funds were transferred from Investment Corporation of Pakistan to the private sector asset management company. Such closed end funds holding frozen shares in their portfolio have exemption from holding the meeting of their certificate/share holding under clause 65 of NBFC Regulations, 2008 seeking approval for converting the fund into an open end fund or to revoke the scheme till it is mandatory on these funds to hold the frozen shares in their portfolios.

### Ratings

The Pakistan Credit Rating Agency Limited (PACRA) has assigned an asset manager rating of "AM2-" (AM Two Minus) to Atlas Asset Management Limited (AAML). The rating denotes the Company's very strong capacity to manage the risks inherent in asset management and meets high investment management industry standards and benchmarks. The annual review by the rating agency is currently in process.

The rating of the Fund is pending since FY 2007-08 due to some issues in the categorization of the Fund. The Management Company has also referred the matter to the Mutual Funds Association of Pakistan, to enable resolution of the matter, however, there being no other Fund in this category, rating is not presently facilitated by the rating agencies.

### Future Outlook

A relatively larger external current account deficit in FY 2012 would require higher financial inflows to maintain foreign exchange reserves. Given the scheduled increase in repayments of outstanding loans in second half of FY 2012, realization of substantial foreign flows, especially the proceeds of assumed privatization receipts, Euro bond, Coalition Support Fund, and 3G license fees, becomes important for strengthening the external position. In the recent past, the Pak Rupee has come under pressure against the greenback. The exchange rate is kept under close watch by the SBP with regular interventions to keep the currency range-bound.

The Fund is committed to prudent investment procedures and will continue to provide consistent long term returns to the investors.

### AUDITORS' REPORT TO THE CERTIFICATE HOLDERS ON REVIEW OF INTERIM FINANCIAL INFORMATION

#### Introduction

We have reviewed the accompanying condensed interim statement of assets and liabilities of Atlas Fund of Funds as at 31 December 2011 and the related condensed interim statements of income, comprehensive income, distribution, cash flows and movement in certificate holders' fund, together with the notes forming part thereof (here-in-after referred to as "interim financial information") for the six-months' period then ended. Management is responsible for the preparation and presentation of this interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this interim financial information based on our review.

#### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

#### Emphasis of matter

We draw attention to note 1.4 of the condensed interim financial information which states that the Management Company of the Fund is required to hold a meeting of certificate holders to seek approval regarding conversion of the Fund into an open end collective investment scheme or revoke the Fund. However, this condensed interim financial information has been prepared on a going concern basis for the reasons given in the above referred note.

### NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED) FOR THE HALF YEAR ENDED 31 DECEMBER 2011

### 1. LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Atlas Fund of Funds (the Fund), is a closed end mutual fund established under a Trust Deed executed between Atlas Asset Management Limited (AAML) as management company and Central Depository Company of Pakistan Limited (CDC) as trustee on 29 May 2004. CDC voluntarily resigned on 23 February 2007 as trustee and MCB Financial Services Limited (MCBFSL) was appointed as the trustee with effect from that date. The Trust Deed was revised through the Deed of Change of Trustee and First Supplemental Trust Deed dated 23 February 2007 with the approval of SECP. The investment activities and administration of the Fund are managed by Atlas Asset Management Limited situated at Ground Floor, Federation House, Shahrae Firdousi, Clifton, Karachi.
- 1.2 The certificates of the Fund were offered for public subscription in December 2004. The certificates of the Fund are listed on the Karachi Stock Exchange (Guarantee) Limited.
- 1.3 According to the Trust Deed, the objective of the Fund is to provide investors one window facility to invest in a diversified portfolio of securities offering consistent return and growth. The Fund aims to deliver this objective mainly by investing in closed end mutual funds to take advantage of availability of such securities at discount to Net Asset Value (NAV). Depending upon the market opportunity, the management company may defer investment in closed end mutual funds and invest in open ended mutual funds, cash and/or near cash instruments including cash in bank accounts (excluding Term Deposit Receipts), and treasury bills not exceeding ninety days maturity. The investment objectives and policies are more fully defined in the Fund's offering document.
- 1.4 As per clause 65 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, an Asset Management Company managing a closed end fund shall, from the expiry of every five years from 21 November 2007 or the date of launch of the fund whichever is later, hold within one month of such period a meeting of the certificate holders to seek their approval (by special resolution) to convert the closed end fund into an open end scheme or revoke the closed end scheme. Accordingly, the Fund is required to hold such meeting of certificate holders within the time frame specified under the above regulation.

The future operations of the Fund are dependent on the above referred approval from the Certificate holders of the Fund, who may decide in favour of conversion to open end fund, or revocation of the Fund. The Management Company believes that the revocation of the Fund will not have any material impact on the carrying amounts of assets and liabilities for the reason that such values are not materially different from the expected realizable / settlement amounts of the assets and liabilities of the Fund. Accordingly, these condensed interim financial statements have been prepared on a going concern basis.

### 2. BASIS OF PREPARATION

- 2.1 These condensed interim financial statements have been prepared in accordance with International Accounting Standard 34 "Interim Financial Reporting", the requirements of the Trust Deed, the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and directives issued by the SECP. In case where requirements differ, the requirements of the Trust Deed, the NBFC Rules, the NBFC Rules, the NBFC Regulations or the requirements of the said directives prevail.
- 2.2 These condensed interim financial statements do not include all the information and disclosures required in the annual financial statements and should be read in conjunction with the financial statements of the Fund for the year ended 30 June 2011.
- 2.3 These condensed interim financial statements are unaudited but subject to limited scope review by the auditors.

### 3. ACCOUNTING POLICIES

The accounting policies adopted in the preparation of these condensed interim financial statements are consistent with those of the previous financial year except as follows:

New and amended standards and interpretations

The Fund has adopted the following amended IFRS and IFRIC interpretation which became effective during the period:

- IFRS 7 Financial Instruments: Disclosures
- IAS 24 Related Party Disclosures (Revised)
- IFRIC 14 Prepayments of a Minimum Funding Requirement (Amendment)

In May 2010, International Accounting Standards Board (IASB) issued amendments to various standards primarily with a view to removing inconsistencies and clarifying wording. These improvements are listed below:

- IFRS 7 Financial Instruments Disclosures Clarification of disclosures
- IAS 1 Presentation of Financial Statements Clarification of statement of changes in equity
- IAS 34 Interim Financial Reporting Significant events and transactions
- IFRIC 13 Customer Loyalty Programmes Fair value of award credits

The adoption of the above standards, amendments, interpretations and improvements did not have any effect on the condensed interim financial statements.

6.1 The Finance Act 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it may be construed that all Collective Investment Schemes / Mutual Funds (CISs) / Pension Funds whose income exceeds Rs.0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a Constitutional Petition has been filed by certain CISs through their trustees in the Honorable High Court of Sindh (SHC), challenging the applicability of WWF to the CISs / Pension Funds, which is pending adjudication. However, without prejudice to the above, the Management Company made a provision for WWF contribution in the annual financial statements for the year ended 30 June 2010.

6.1 Subsequent to the year ended 30 June 2010, a clarification was issued by the Ministry of Labour and Manpower (the Ministry) which stated that mutual funds are not liable to contribute to WWF on the basis of their income. In December 2010 the Ministry filed its response against the Constitutional Petition requesting the Court to dismiss the same, whereafter, show cause notices were issued by Federal Board of Revenue (FBR) to several mutual funds (CISs) / Pension Funds for the collection of WWF. In respect of such show cause notices, certain Mutual Funds (CISs) / Pension Funds have been granted stay by Honorable SHC on the basis of the pending Constitutional Petition as referred above.

Subsequent to the year ended 30 June 2011, the Honorable Lahore High Court (LHC) in a Constitutional Petition relating to the amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act, 2008, has declared the said amendments as unlawful and unconstitutional. The Management Company is hopeful that the decision of the LHC, will lend further support to the Constitutional Petition, which is pending in the SHC. However, pending the decision of the said Constitutional Petition, the Management Company, as a matter of abundant caution, has decided to continue to maintain the provision for WWF amounting to Rs.4,397,929 (30 June 2011: Rs.4,098,591) in these condensed interim financial statements.
