

HALF YEARLY REPORT

31 December 2012

(UN-AUDITED)

Vision

To be a market leader in providing quality fund management services with customer satisfaction as our premier goal.

Mission Statement

We are committed to offering our investors the best possible returns on a diverse range of products; to meeting not only the customers' current and future requirements, but also exceeding their expectations. We aim to be the company with which people prefer to do business. We are committed to providing a stimulating and challenging environment in which all our people can be valuable contributors to the achievement of our vision, while achieving career progression and job satisfaction. We recognize that our success comes from our people. We are committed to the highest ethical and fiduciary standards and firmly believe that by placing the best interests of our clients first, we will also serve the best interest of our employees, our shareholders, and the communities in which we operate.

CHAIRMAN'S REVIEW

It is my pleasure to present the un-audited financial statements of Atlas Fund of Funds for the half year ended 31 December 2012 of the FY 2012-13.

THE ECONOMY

During the period July-December FY 2012-13, the total exports stood at US\$ 12.05 billion, as compared to US\$ 11.20 billion last year. During July - December FY 2012-13, foreign remittances reached the record level of US\$ 7.12 billion, which is 12.51% higher than the remittances during the corresponding period last year. The current account marked a surplus of US\$ 250 million for the first half of the FY 2012-13, as compared to a deficit of US\$ 2,426 million witnessed in the corresponding period last year. The foreign exchange reserves of the country stood at US\$ 13.81 billion as of 28 December 2012. The decline in CPI inflation is considerably faster than earlier estimates. The year - on - year CPI inflation for December 2012 stands at 7.9%. This broad based deceleration in inflation is now expected to keep the average inflation for FY 2012-13 below the 9.5% target for the year. The SBP has reduced its policy rate by 150 bps in August 2012, 50 bps in October 2012 and 50 bps in December 2012, that is, from 12% to currently 9.50%.

FUND OPERATIONS

The Net Asset Value per certificate of Atlas Fund of Funds (ATFF) has increased by 17.67% to Rs.10.91 as of 31 December 2012. During the period under review, the benchmark Closed End Funds Market Capitalization has increased by 23.39% from Rs.14 billion as on 30 June 2012 to Rs.17.4 billion as on 31 December 2012. The ATFF's total exposure in mutual funds was 86.08% of the Net Assets. The total investment in closed - end funds that are trading at discount stood at 41.19% of the Net Assets. ATFF's Dividend Income and Interest Income stood at Rs.25.49 million and Rs.2.51 million respectively for the period under review. The Net Assets of the Fund stood at Rs.458.11 million as of 31 December 2012.

REVOCATION AND WINDING UP OF THE FUND

As per the requirements of Clause 65 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (NBFC Regulations, 2008) [as amended through SRO 1492(1)/2012 dated 26 December 2012], an Asset Management Company managing a closed end fund was required to convene, by 31 January 2013, a General meeting of the certificate holders to seek their approval, to convert the closed end fund into an open end scheme, or to revoke the closed end scheme. The amended Regulation 65 stipulates that the decision of the certificate holders of the closed end fund either for conversion, or for revocation of the Fund shall be passed through simple majority of the certificate holders of the Fund present in the meeting, by casting vote in person, or by proxy, or through postal vote. In accordance with the above, the Management Company of the Fund held such meeting of Certificate holders on 30 January 2013.

In the meeting the certificate holders of the Fund were required to pass one of the two resolutions, as under:

- Resolution A to revoke and wind up the Scheme
- Resolution B to convert the closed end Scheme into an Open end Scheme

In the General Meeting, the Certificate holders of the Fund, through simple majority of 54.11% in value of the Certificate holders voting at the meeting by casting vote in person, or by proxy, or in writing through post, approved Resolution A for the revocation and winding up of the Fund. The management company will undertake its further responsibilities towards the revocation and winding up proceedings up of the Fund as per the provisions of Regulation 65(3) and 65(4) of the NBFC Regulations, 2008, after seeking necessary approvals from the SECP and in consultation with the Trustees of the Fund. According to Resolution A, the revocation and winding up may involve an interim distribution by disposing the assets of the Fund not invested in other closed end funds. In respect of the assets invested in other closed end schemes, the Management Company in the interest of the Certificate holders may hold them till these are converted into open end funds and after the back end load is not applicable on redemption. The Fund is invested in four Closed end funds.

The particulars of proceedings at General Meetings of these funds is given as under:

Closed end Schemes	General Meeting held on	Decision at Meeting	Back end Load applicable on redemption
JS Growth Fund	30 January 2013	No decision reached	 20% of NAV per unit, on redemption within twelve months of conversion.
JS Value Fund Limited	31 January 2013	Conversion into Open end Scheme	 20% of NAV per unit, on redemption within twelve months of conversion.
Meezan Balanced Fund	31 January 2013	Conversion into Open end Scheme	 10% of NAV per unit, on redemptions within six months of conversion 5% of NAV per unit, on redemptions after six months but within one year of conversion.
PICIC Energy Fund	31 January 2013	Conversion into Open end Scheme	 10% of NAV per unit on redemptions within one year of conversion.

To get the better value on realization of the closed end schemes, it may be advisable to hold till back end load is no longer available. Further, the position is not clear in case of JS Growth Fund, where according to the announcement of the Management Company, neither the resolution for conversion of the fund into open end scheme nor winding up could get the assent of a 50% of the total number of certificate holders as required in the resolution. We are hoping that the matter would be resolved as per the requirements of Clause 65 of the NBFC Regulations, 2008.

The market value of the certificates of the ATFF as on 31 December 2012 was Rs.10 each, whereas the NAV on the same date was Rs.10.91, based on market values of the closed end schemes. However, the NAV of the Fund based on NAV of closed end schemes works out to Rs.12.20. It will be our endeavor to get you back the best of value on winding up.

RATINGS

As per the latest finalized rating of May 2012, the Pakistan Credit Rating Agency Limited (PACRA) has maintained the asset manager rating of Atlas Asset Management Limited (AAML) at "AM2-" (AM Two Minus). The rating denotes the Company's very strong capacity to manage the risks inherent in asset management and meets very high investment management industry standards and benchmarks. The annual rating review is currently under finalization.

The rating of the Fund is pending since FY 2007-08 due to some issues in the categorization of the Fund. The Management Company has also referred the matter to the Mutual Funds Association of Pakistan, to enable resolution of the matter, however, there being no other Fund in this category, rating is not presently facilitated by the rating agencies.

FUTURE OUTLOOK

Overall economy has been performing well due to strong exports growth, high remittances, and inflation well below the target level. Foreign inflows have helped limiting the impact of external debt repayments on foreign exchange reserves. Going forward, there is a need to ensure availability of energy, better tax collection capability, and reduction in fiscal borrowing. A sustainable reduction in fiscal borrowings from the banking system needs fiscal reforms. Resolution of circular debt is a key to availability of energy and new investment in the sector. There is also a need to encourage private sector credit off take and foreign investment, by creating enabling environment.

The Fund is committed to prudent investment procedures and will continue to provide better value on winding up.

(Whoever seeks gets it)

ACKNOWLEDGEMENT

I would like to thank the Securities and Exchange Commission of Pakistan, the Board of Directors, and the Group Executive Committee for their help, support and guidance. I also thank the financial institutions and the certificate holders for their help, support and the confidence reposed in the Fund and the Chief Executive Officer, Mr. M. Habib-ur-Rahman and his management team for their hard work, dedication, and sincerity of purpose.

Karachi: 12 February 2013

Yusuf H. Shirazi Chairman

REPORT OF THE TRUSTEE TO THE CERTIFICATE HOLDERS

Report of the Trustee Pursuant to Regulation 41 (h) of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

Atlas Fund of Funds, a close-end Scheme established under a Trust Deed dated May 29, 2004 executed between Atlas Asset Management Limited, as the Management Company and Central Depository Company of Pakistan Limited, as the Trustee.

As per the Deed of change of Trustee and amendment of Trust Deed dated February 23, 2007, Central Depository Company of Pakistan Limited retired as the Trustee and MCB Financial Services Limited was appointed as the Trustee of Atlas Fund of Funds.

- 1. Atlas Asset Management Limited, the Management Company of Atlas Fund of Funds has, in all material respects, managed Atlas Fund of Funds during the period ended 31 December 2012 in accordance with the provisions of the following:
 - (i) Investment limitations imposed on the Asset Management Company and the Trustee under the trust deed and other applicable laws;
 - (ii) the valuation or pricing is carried out in accordance with the deed and any regulatory requirement;
 - (iii) and any regulatory requirement.

For the purpose of information, the attention of certificate holders is drawn towards auditors' report and note 1.4 to the condensed interim financial information which highlights that this condensed interim financial statements have not been prepared on a going concern basis in view of the decision taken in the general meeting of certificate holders for revoking the fund. However, no adjustments are required in the condensed interim financial statements as assets and liabilities are stated at values at which they are expected to be realized or settled.

Khawaja Anwar Hussain Chief Executive Officer MCB Financial Services Limited Dated: February 19, 2013 Karachi

INDEPENDENT AUDITORS' REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL INFORMATION TO THE CERTIFICATE HOLDERS

Introduction

We have reviewed the accompanying condensed interim statement of assets and liabilities of Atlas Fund of Funds as at December 31, 2012 and the related condensed interim income statement, condensed interim statement of comprehensive income, condensed interim distribution statement, condensed interim statement of movement in Certificate holders' funds and condensed interim cash flow statement together with the notes forming part thereof (here-in-after referred to as the 'condensed interim financial information'), for the half year ended December 31, 2012. The Management Company (Atlas Asset Management Limited) is responsible for the preparation and presentation of this condensed interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this condensed interim financial information based on our review. The figures of the condensed interim income statement and condensed interim statement of comprehensive income for the quarter ended December 31, 2012 have not been reviewed, as we are required to review only the cumulative figures for the period ended December 31, 2012.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information as of and for the half year ended December 31, 2012 is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

Emphasis of Matter

We draw attention to note 1.4 of the condensed interim financial information which highlights that this condensed interim financial information has not been prepared on a going concern basis in view of the decision taken in the general meeting of the certificate holders for revoking the Fund. However, no adjustments are required in the condensed interim financial information as the assets and liabilities are stated at values at which they are expected to be realised or settled. Our conclusion is not qualified in respect of this matter.

Other Matter

The financial statements of Atlas Fund of Funds for the year ended June 30, 2012 and six months ended December 31, 2011 were respectively audited and reviewed by another firm of Chartered Accountants whose reports dated September 5, 2012 and February 23, 2012 expressed an unqualified opinion and conclusion respectively on those financial statements.

For Atlas Asset Management Limited (Management Company)

M. Habib-ur-Rahman Chief Executive Officer Yusuf H. Shirazi Chairman

NOTES TO AND FORMING PART OF THESE CONDENSED INTERIM FINANCIAL STATEMENTS (UNAUDITED) FOR THE HALF YEAR ENDED 31 DECEMBER 2012

1. LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Atlas Fund of Funds (the Fund), is a closed end mutual fund established under a Trust Deed executed between Atlas Asset Management Limited (AAML) as management company and Central Depository Company of Pakistan Limited (CDC) as trustee on 29 May 2004. CDC voluntarily resigned on 23 February 2007 as trustee and MCB Financial Services Limited (MCBFSL) was appointed as the trustee with effect from that date. The Trust Deed was revised through the Deed of Change of Trustee and First Supplemental Trust Deed dated 23 February 2007 with the approval of SECP. The investment activities and administration of the Fund are managed by Atlas Asset Management Limited situated at Ground Floor, Federation House, Shahrae Firdousi, Clifton, Karachi.
- 1.2 The certificates of the Fund were offered for public subscription in December 2004. The certificates of the Fund are listed on the Karachi Stock Exchange (Guarantee) Limited.
- 1.3 According to the Trust Deed, the objective of the Fund is to provide investors one window facility to invest in a diversified portfolio of securities offering consistent return and growth. The Fund aims to deliver this objective mainly by investing in closed end mutual funds to take advantage of availability of such securities at discount to Net Asset Value (NAV). Depending upon the market opportunity, the management company may defer investment in closed end mutual funds and invest in open ended mutual funds, cash and/or near cash instruments including cash in bank accounts (excluding Term Deposit Receipts), and treasury bills not exceeding ninety days maturity. The investment objectives and policies are more fully defined in the Fund's offering document.
- 1.4 Application of Regulation 65 of NBFC Regulations, 2008 and subsequent event

Clause 65 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, as amended through SRO 1492(1)/2012 dated 26 December 2012, requires an Asset Management Company managing a closed end fund, to convene, by 31 January 2013, a General meeting of the certificate holders to seek their approval, to convert the closed end fund into an open end scheme or revoke the closed end scheme. The amended Regulation 65 stipulates that the decision of the certificate holders of the closed end fund either for conversion, or for revocation of the Fund shall be passed through simple majority of the certificate holders of the Fund present in the meeting, by casting vote in person, or by proxy, or through postal vote. In accordance with the above, the Management Company of the Fund held such meeting of certificate holders on 30 January 2013.

In the General Meeting of the Certificate holders of the Fund held on 30 January 2013, the Certificate holders of the Fund, through simple majority of 54.11% in value of the Certificate holders voting at the meeting by casting vote in person, or by proxy, or in writing through post, approved Resolution A for the revocation and winding up of the Fund, in compliance with Regulation 65 of the Non Banking Finance Companies & Notified Entities Regulations, 2008. The management company will undertake its further responsibilities towards the revocation and winding up proceedings of the Fund as per the provisions of Regulation 65(3) and 65(4) of the NBFC Regulations, 2008, after seeking necessary approvals from the SECP and in consultation with the Trustees of the Fund.

In view of the fact that the Certificate holders have decided to revoke the Fund, it does not remain a going concern and accordingly these condensed interim financial statements have not been prepared on a going concern basis. The Management Company believes that such revocation dose not have any material impact on the carrying amounts of assets and liabilities for the reason that such values are not materially different from the expected realizable/settlement amounts of the assets and liabilities of the Fund.

2. BASIS OF PREPARATION

2.1 These condensed interim financial statements have been prepared in accordance with International Accounting Standard - 34 "Interim Financial Reporting", the requirements of the Trust Deed, the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and directives issued by the SECP. In case where requirements differ, the requirements of the Trust Deed, the NBFC Rules, the NBFC Rules, the NBFC Regulations or the requirements of the said directives prevail.

These condensed interim financial statements do not include all the information and disclosures required in the annual financial statements and should be read in conjunction with the financial statements of the Fund for the year ended 30 June 2012.

These condensed interim financial statements are unaudited but subject to limited scope review by the auditors.

2.2 Standards, interpretations and amendments to published approved accounting standards that are effective in the current period

The following new standards and amendments to existing standards are mandatory for the first time for the financial period beginning on or after 1 July 2012:

The Fund has adopted the following amendments to IFRSs which became effective for the current period:

IAS 1 – Presentation of Financial Statements – Presentation of items of other comprehensive income (Amendment)

IAS 12 - Income Taxes - Recovery of Underlying Assets (Amendment)

The adoption of the above amendments did not have any effect on the condensed interim financial statements.

3. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies applied for the preparation of these condensed interim financial statements are the same as those applied in the preparation of the annual published financial statements of the Fund for the year ended 30 June 2012.

The preparation of these condensed interim financial statements in conformity with approved accounting standards requires management to make estimates, assumptions and use judgments that affect the application of policies and reported amounts of assets and liabilities and income and expenses. Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. Revisions to accounting estimates are recognised prospectively commencing from the period of revision.

The significant judgments made by management in applying the accounting policies and the key sources of estimation uncertainty were the same as those that applied to financial statements as at and for the year ended 30 June 2012.

The financial risk management objectives and policies are consistent with those disclosed in the annual financial statements of the Fund for the year ended 30 June 2012.

4. BANK BALANCES	Note	31 December 2012 Un-audited Ruj	30 June 2012 Audited pees

		7,546,659	6,360,098

6.1 The Finance Act 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it may be construed that all Collective Investment Schemes / Mutual Funds (CISs) / Pension Funds whose income exceeds Rs.0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a Constitutional Petition has been filed by certain CISs through their trustees in the Honorable High Court of Sindh (SHC), challenging the applicability of WWF to the CISs / Pension Funds, which is pending adjudication. However, without prejudice to the above, the Management Company has been providing for WWF contribution since the financial year ended 30 June 2010.

In the year 2010, a clarification was issued by the Ministry of Labour and Manpower (the Ministry) which stated that mutual funds are not liable to contribute to WWF on the basis of their income. In December 2010 the Ministry filed its response against the Constitutional Petition requesting the Court to dismiss the same, whereafter, show cause notices were issued by Federal Board of Revenue (FBR) to several Mutual Funds (CISs)/Pension Funds for the collection of WWF. In respect of such show cause notices, certain Mutual Funds (CISs)/Pension Funds have been granted stay by Honorable SHC on the basis of the pending Constitutional Petition as referred above.

Subsequent to the year ended 30 June 2011, the Honorable Lahore High Court (LHC) in a Constitutional Petition relating to the amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act, 2008, has declared the said amendments as unlawful and unconstitutional. The Management Company is hopeful that the decision of the LHC, will lend further support to the Constitutional Petition, which is pending in the SHC. However, pending the decision of the said Constitutional Petition, the Management Company, as a matter of abundant caution, has decided to continue to maintain the provision for WWF amounting to Rs.7,153,846 (30 June 2012: Rs.5,679,308) in these condensed interim financial statements. Had the same not been made the net asset value per unit of the Fund would have been higher by Re.0.17 (30 June 2012: Re.0.14) per unit.

7. REPURCHASE OF OWN CERTIFICATES

This represents investment made by the Fund in its own certificates, as permitted under Regulation 55(11) of the NBFC Regulations, read with SECP's Circular 14 of 2009 dated 09 May 2009, and as approved by the SECP vide their letter no.NBFC/MF-RS/AFOF/221/2009 dated 13 February 2009.

9. TAXATION

The Fund's income is exempt from Income Tax as per Clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains whether realised or unrealised is distributed amongst the certificate holders. Further, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute 90% of the net accounting income, other than unrealized capital gains to the certificate holders. The management intends to distribute at least 90% of the Fund's net accounting income earned by the year end, if any, to the certificate holders. Accordingly, no provision has been made for taxation in these condensed interim financial statements.
