Chairman's Review

It is my pleasure to present to you the Annual Reports of Atlas Sovereign Liquid Fund (ASLF), Atlas Money Market Fund (AMF), Atlas Income Fund (AIF) and Atlas Stock Market Fund (ASMF) for the financial year ended June 30, 2018.

THE ECONOMY

The economy registered a GDP growth rate of 5.80% in FY18 that is a 13-year high, which was 5.40% in FY17. Industrial sector has shown growth on the back of rise in large-scale manufacturing (LSM increased by 6.00% YoY during July to May 2017-18), coupled with a recovery in mining activities and continued surge in construction activities. Average Consumer Index (CPI) inflation was below the target of 6.00% standing at 3.92% for the year. During FY18, the current account deficit was recorded at US\$ 17.99 billion as compared to US\$ 12.62 billion in the same period last year. The foreign exchange reserves of the country stood at US\$ 16.4 billion as on June 29, 2018 with SBP's share of US\$ 9.79 billion in the total liquid foreign exchange reserves. Foreign remittances for FY18 stood at US\$ 19.62 billion, which was an increase of 1.4% YoY compared to the corresponding period last year despite the decline in new labor proceeding abroad. The SBP in its latest monetary policy statement as on July 14, 2018 decided to increase policy rate by 100bps to 7.5% which is a cumulative increase of 175 bps since January, 2018.

THE MONEY MARKET

The Consumer Price Index (CPI) on average was recorded at 3.92% during financial year 2017-18, as compared to 4.16% for the financial year 2016-17. The YoY uptick in inflation was due to global revival of international crude oil prices, along with rise in domestic demand due to pick up of economic activities. The government passed on the increase of fuel prices to domestic consumer, however, stable food prices offset the impact of the rise in petroleum rates.

The growth in money supply (M2) witnessed an increase of 9.71% during 2017-18, which is Rs. 1,416.3 billion against the expansion of 13.69% (Rs. 1,756.0 billion) in the comparable period last year. Net Foreign Assets (NFA) declined by Rs. 472.8 billion during nine months 2017-18 as against the net contraction of Rs. 284.8 billion in the comparable period of fiscal year 2016-17. This is mainly due to high financing needs for current account deficit and foreign debt servicing payments. Net Domestic Asset (NDA) of banking system grew by 8.9% or Rs. 1,243.7 billion during nine months 2017-18 as against an increase of 8.8% or Rs. 1,040.9 billion during the corresponding period last year. Overall NDA of the banking sector remained balanced due to steady demand for private sector and Public Sector Enterprises (PSEs) credit and increase in government borrowing from the banking sector. Credit to private sector was Rs. 469.2 billion during nine months 2017-18 as against credit of Rs. 438.6 billion during the corresponding period last year due to favorable macroeconomic indicators, accommodative monetary policy and historic low policy rate especially during early periods of the fiscal year.

During the year, the cautious monetary policy was centered on consolidating the gains from historic-low policy rate at 5.75% till January, FY18 and striking a balance between subdued inflation and emerging pressures on external accounts. The SBP changed the monetary policy stance in January 2018 by 25 bps to 6 percent to anchor expected rise in inflation in view of reversal of international oil and commodities prices and to address domestic demand pressure as well as exchange rate movement. In March 2018, the Monetary Policy Committee decided to maintain policy rate at 6.0 percent for the next two months to see impact of policy. However, The Central Bank increased the policy rate by 50bps to 6.50% under its monetary policy statement announced on May 25, 2018. The central bank's decision was based on (i) rising international oil prices which may translate into inflationary pressures going forward (ii) elevated aggregate demand which has kept imports high offsetting the impact of growth in exports worsening the current account deficit and (iii) a lack of foreign inflows amidst absence of triggers. Pakistan's foreign exchange reserves have decreased to US\$ 16.4 billion at June end 2018 compared to US\$ 21.4 billion at June end 2017. The level of foreign exchange reserves declined on the back of widening current account deficit not being fully offset by financial inflows despite growth in export earnings and remittance inflows.

THE STOCK MARKET

The KSE-100 index decreased from 46,565.29 points as on June 30, 2017 to 41,910.90 points as on June 30, 2018, decreasing by 10.00%. The average volumes during the year decreased by 56% to 175 million shares from 399 million shares traded last year. Net Foreign portfolio outflow during the year was recorded at US\$289 million compared to outflow of US\$652 million last year. On the local front Insurance Companies, and Companies were the most active participants investing US\$204 million and US\$100 million during the period. Broker Proprietary Trading Accounts, Mutual Funds and Banks/DFIs, on the other hand, reduced their exposure in the equity market by US\$44 million, US\$35 million and US\$10 million, respectively.

During the period the sectors that outperformed the market were Oil and Gas Exploration, Fertilizer, Chemical, Textile Spinning and Banks that posted 20.2%, 3.4%, 0.5%, -7.1% and -9.8% returns, respectively. Oil & Gas Exploration sector outperformed the market due to increase in international crude oil prices by 54% during the year and 16% devaluation of PKR against US\$ that will bode well for the profitability of E&P companies. Fertilizer sector increased on improving fundamentals as Urea inventory glut subsided and price of Urea was increased by Rs.200/bag, partly to offset the impact of withdrawn cash subsidy (Rs.100/bag), on tighter Urea market. Sectors that remained subdued were Cement, Refinery, Engineering, Automobile Assemblers, Power Generation & Distribution, Textiles Composite, Oil and Gas Marketing and Pharmaceuticals posting -41.9%, -39.8%, -31.7%, -30.1%, -20.3%, -19.0%, -15.8% and -14.8% returns, respectively. Cement sector underperformed due to rise in international coal price that increased by 26% YoY and lower local retention prices of cement. Refineries declined on reduced demand for Furnace oil (FO) as government shifts its focus to generate electricity from FO based power plants to LNG and Coal based power plants. Pharmaceutical declined on depreciation of PKR against US\$ which will make procurement expensive for the companies as majority of the raw material is imported.

Four new listing on the stock exchange during FY 2017-18 were Habib Metro Modaraba, Orient Rental Modaraba, Matco Foods Limited and AGP Limited. The amounts raised through IPO/Offer for Sale of Habib Metro Modaraba, Orient Rental Modaraba, Matco Foods Limited and AGP Limited were Rs. 90 million, Rs. 150 million, Rs. 758 million and Rs. 2,800 million respectively. As on June 30, 2018 the market capitalization of Habib Metro Modaraba, Orient Rental Modaraba, Matco Foods Limited and AGP Limited were Rs. 300 million, Rs. 769 million, Rs. 4,381 million and Rs. 24,861 million, respectively. Four new companies were listed on the stock exchange during 2016-17, namely, TPL Properties Ltd, Loads Ltd, Roshan Packages Ltd and Pakistan Stock Exchange Limited. The amounts raised through IPO by TPL Properties Ltd, Loads Ltd, Roshan Packages Ltd and Pakistan Stock Exchange Limited were Rs. 697 million, Rs. 1,700 million, Rs. 2,803 million and Rs. 4,488 million respectively.

Overall the measures taken in the fiscal budget announced by the government bodes well for the corporate sector. The government in the budget reduced corporate tax rate for non-banking companies where corporate tax rate will be reduced by 1% every year reaching 25% in tax year 2023 from 30% in tax year 2018. Super tax will be abolished in phased manner where it will be reduced by 1% every year. Government also abolished withholding tax of 5% on issuance of bonus shares. Tax on undistributed profits is reduced from 7.5% to 5% where the condition of distributing 40% of after tax profits was reduced to 20%.

MUTUAL FUND TAXATION

FINANCE ACT 2018

Following amendments related to mutual fund industry were introduced in the Income Tax Ordinance, 2001 through Finance Act 2018, whereby:

- The existing limit on investment of Rs.1,500,000 in securities or insurance premium has being increased to Rs.2,000,000.
- The rate of income tax on dividend for companies having filer status from Money Market Mutual Funds, income fund, REIT scheme or any other fund (other than stock fund) was reduced from 25% to 15%.

WORKER'S WELFARE FUND (WWF)

Against the decision of the Honorable Supreme Court of Pakistan (SCP) that declared the amendments made in the Finance Acts 2006 and 2008 pertaining to WWF as illegal citing that WWF was not in the nature of tax and could, therefore, not have been introduced through money bills, the Federal Board of Revenue (FBR) has filed a review petition in the SCP, which is pending for hearing. The Mutual Funds Association of Pakistan (MUFAP) consulted both legal and tax advisors who gave the opinion that the judgment has removed the very basis on which the demands were raised, therefore, there was no longer any liability against the mutual funds under the WWF Ordinance. Based on legal opinion, the entire provision against WWF held by the Mutual Funds and Voluntary Pension Funds till June 30, 2015 were reversed on January 12, 2017.

SINDH WORKER'S WELFARE FUND (SWWF)

As a consequence of the 18th amendment to the Constitution of Pakistan, Workers' Welfare Fund became a provincial subject. In May, 2015 the Sindh Assembly passed the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) imposing SWWF on many entities, including financial institutions.

The Sindh Revenue Board (SRB) demanded the SWWF from mutual funds on the plea that mutual funds are defined as financial institution under The Financial Institutions (Recovery of Finances) Ordinance, 2001. MUFAP has collectively on behalf of asset management companies contested that mutual funds are not financial institutions or industrial establishments but were pass through investment vehicles and did not employ workers. Mutual funds are also not included in the definition of financial institutions in the Companies Act, 2017. MUFAP has taken up the matter with the Sindh Finance Division for resolution of the matter. Although, based on legal opinion, SWWF is not applicable on mutual funds MUFAP has recommended that the provision in respect of SWWF should be made on a prudent basis with effect from the date of enactment of the SWWF Act, 2014 (i.e. starting from May 21, 2015). Accordingly, the provision for SWWF is being made on a daily basis going forward.

FEDERAL EXCISE DUTY (FED)

The Finance Act, 2013 imposed Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMC's) with effect from June 13, 2013 and this was withdrawn on June 30, 2016. On September 04, 2013 a constitutional petition was filed in SHC jointly by various AMC's, challenging the levy of FED. In a separate petition the Honorable Sindh High Court declared that the FED was unconstitutional and cannot be charged where provinces are collecting sales tax. The Federation has filed an appeal in the Honorable Supreme Court of Pakistan. However, without prejudice, the mutual funds and pension funds have on prudent basis maintained the provision for FED till June 30, 2016.

WITHHOLDING TAX

With effect from July 01, 2015, FBR has required all entities whose income are exempt from income tax to obtain income tax exemption certificates from concerned Commissioner of Income Tax (CIT) by virtue of provision in section 159 of the Income Tax Ordinance, 2001 (Ordinance). So far Mutual Funds and approved pension funds were automatically allowed exemption from withholding tax by virtue of clause 47(B) of Part IV of the Second Schedule to Ordinance. The Company along with other AMCs filed a petition in the Honorable Sindh High Court against the new requirement of FBR. The Honorable Sindh High Court decided that the requirement of obtaining exemption certificate will apply to those entities as well whose income are otherwise exempt from tax. Thereafter, the company has filed a petition in the Supreme Court of Pakistan, on April 20, 2016 and the hearing is still pending. In the meanwhile mutual funds are obtaining exemption certificates from Commissioner of Income Tax. However, any tax withheld is refundable.

ACCOUNTING FOR ELEMENT OF INCOME

To maintain same rate of dividend (dividend equalization) the income contributed on units issued less income paid out on units redeemed (together referred as element of income) during a financial year is transferred to Income Statement. The balance in the Income Statement (of which element of income is a part) after setting off the expenses is distributed as dividend that is subjected to income tax at the applicable rate.

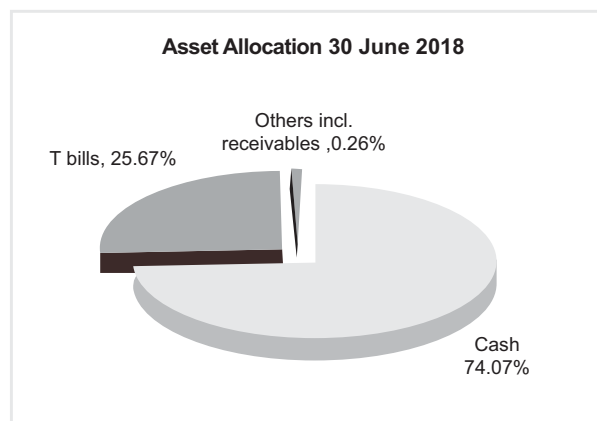

The SECP vide its statutory notification (S.R.O) no. 756(I) / 2017 dated August 03, 2017 has amended the NBFC Regulations. The amendment has been done in consultation with the Institute of Chartered Accountants of Pakistan, keeping in view the International Financial Reporting Standards. According to the amendment the "element of income" contributed on units to be issued and paid out on redemption is defined as transaction of capital nature and its receipt and payment is to be taken to Unit Holders' Fund.

The net element of income that was till the close of last financial year recognized in the income statement as an equalization account will not be available for payment as dividend on units, contributing to element of income. Accordingly dividend amount will vary with the dates of issue of units. To maintain same ex-dividend net asset value of all units outstanding on accounting date, net element of income contributed on issue of units lying in Unit Holders' Fund will be refunded on units in the same proportion as dividend bears to accounting income available for distribution.

SECP vide its e-mail dated March 21, 2018, addressed MUFAP, to inform that they have no objection on the proposed accounting treatment and disclosure of element of income in the financial statements. Final Element of Income Circular dated March 21, 2018 as circulated by MUFAP includes Accounting and Tax treatment for Element of Income and Capital Gains in the prices of units Issued less those in units redeemed.

FUND OPERATIONS - ASLF

The Net Asset Value per unit of the Fund increased by 5.00% to Rs. 105.00 per unit as on June 30, 2018. FUTURE OUTLOOK

In recent years Pakistan economy has continued its growth momentum due to better availability of energy, improving security situation and low international commodity prices. Economic activity has been strong as there is growth in industrial output as depicted in LSM index led by improvement in energy supply, infrastructure investment tied to economic corridor project CPEC, and higher credit offtake. However, slowdown in real sector growth may be witnessed next year as shortage of water is likely to constrain agriculture production, and manufacturing sector may show slowdown owing to high base-effect and on-going monetary tightening that could reduce demand. Moreover, higher domestic petroleum prices due to rising international oil prices and devaluation of Pak Rupee is likely to put pressure on inflation in coming months. Going forward, exchange rate flexibility and active monetary management is going to help arrest widening current account deficit while helping sustain growth momentum in medium term without posing a risk to economic stability. Going forward, continuous external flow would be required to maintain the stable balance of payments position. Shifting focus towards making the exports competitive through devaluation of currency and rebates, would strengthen the external sector outlook over medium to long term.

خدا جب دیتا ہے تو چھپر پھاڑ کے دیتا ہے

When god decides to give you something he overwhelms you

The Funds are committed to prudent investment procedures and will continue to provide consistent long term returns to the investors.

ACKNOWLEDGEMENT

I would like to thank the Securities and Exchange Commission of Pakistan, the Board of Directors, and the Group Executive Committee for their help, support and guidance. I also thank the financial institutions and the unit holders for their help, support and the confidence reposed in the Fund and the Chief Executive Officer and his management team for their hard work, dedication and sincerity of purpose.

Fund Manager's Report

Atlas Sovereign Liquid Fund (ASLF) is an Open-ended Money Market Fund. The objective of ASLF is to provide unit-holders competitive returns with low risk and high liquidity by investing primarily in short-term Government Securities. The Fund will invest 70% of assets - based on quarterly average investments calculated on daily basis in authorized short term Government Securities and remaining in short term money market investment avenues with a maximum time to maturity of six months and weighted average time to maturity of ninety days. This is intended to reduce risk while maintaining liquidity. The Fund's investment strategy will be based on fundamental credit analysis of counter parties.

The Benchmark for "Atlas Sovereign Liquid Fund" is 30% that would be an average of "3-Month deposit rates of three scheduled banks (AA and above rated) as selected by MUFAP" for the period of return; and 70% that would be an average of "3 Month PKRV rate".

The Consumer Price Index (CPI) on average was recorded at 3.92% during FY2017-18, as compared to 4.16% for the financial year 2016-17. The YoY uptick in inflation was due to global revival of international crude oil prices, along with rise in domestic demand due to pick up of economic activities. The government passed on the increase of fuel prices to domestic consumer, however, stable food prices offset the impact of the rise in petroleum rates.

During the year, the cautious monetary policy was centered on consolidating the gains from historic-low policy rate at 5.75 percent till January, FY2017-18 and striking a balance between subdued inflation and emerging pressures on external accounts. The SBP changed the monetary policy stance in January 2018 by 25 bps to 6 percent to anchor expected rise in inflation in view of reversal of international oil and commodities prices and to address domestic demand pressure as well as exchange rate movement. In March 2018, the Monetary Policy Committee decided to maintain policy rate at 6.0 percent for the next two months to see impact of policy. However, The Central Bank increased the policy rate by 50bps to 6.50% under its monetary policy statement announced on May 25, 2018. The central bank's decision was based on (i) rising international oil prices which may translate into inflationary pressures going forward (ii) elevated aggregate demand which has kept imports high offsetting the impact of growth in exports worsening the current account deficit and (iii) a lack of foreign inflows amidst absence of triggers. Pakistan's foreign exchange reserves have decreased to US\$ 16.4 billion at June end 2018 compared to US\$ 21.4 billion at June end 2017. The level of foreign exchange reserves declined on the back of widening current account deficit not being fully offset by financial inflows despite growth in export earnings and remittance inflows.

The Net Asset Value per unit of the Fund increased by 5.00% to Rs. 105.00 per unit as on June 30, 2018. The benchmark 30% of average 3-Month deposit rates of three scheduled banks (AA and above rated as selected by MUFAP) and 70% average 3 Month PKRV rate for the period of return stood at 5.36%. During the year the quarterly average exposure of treasury bills in ASLF stood at 80.07%. The ASLF's total exposure in cash deposits stood at 74.07% and 25.67% in Treasury Bills. ASLF presents a good investment opportunity for investors to earn attractive returns while maintaining high liquidity with low risk. The Net Assets of the Fund stood at Rs. 358.20 million, with 3.41 million units outstanding as of June 30, 2018.

Breakdown of Unit holding by size:

Type of investor	No. of Investors	Amount of Investment (Rs.)	Percentage
Individual	29	2,900,901	0.81%

Retirement Funds	2	174,011,723	48.58%
Total	36	358,196,767	100.00 %

The Fund has made provision against SWWF, which up till June 30, 2018 amounted to Rs. 1,037,698 (Rs. 0.30 per unit). The Scheme has also held provision for FED liability that amounted to Rs. 905,341 up till June 30, 2016. (Rs. 0.27 per unit as on June 30, 2018)

The Board of Directors of Atlas Asset Management Limited, the Management Company of Atlas Sovereign Liquid Fund has approved a final cash dividend of Rs 4.75 per unit for full year (4.75% on the face value of Rs. 100 per unit).

The Total Expense Ratio (TER) of the Fund is 1.25% including Government levy, SWWF and SECP Fee of 0.26%.

During the year under review, the Investment Committee held 34 meetings to review investment of the Fund and the Risk Committee held 22 meetings to review risk management.

INDEPENDENT AUDITOR'S REPORT

To the Unit holders of Atlas Sovereign Liquid Fund Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Atlas Sovereign Liquid Fund** (the Fund), which comprise the statement of financial position as at June 30, 2018, and the statement of income, comprehensive income, cash flows and movement in unit holders' fund for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, or give a true and fair view of the financial position of the Fund as at June 30, 2018, and of its financial performance, its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter	How the matter was addressed in our audit
1. Existence and valuation of debt securities	
<p>As disclosed in note 5 to the accompanying financial statements of the Fund for the year ended 30 June 2018, the investments held by the Fund comprised of debt instruments which represent significant percentage of the total assets of the Fund as at the year end.</p> <p>In view of the significance of these debt instruments in relation to the total assets and the NAV of the Fund, we have consider the existence and valuation of such debt instruments as a key audit matter.</p>	<p>We performed a combination of audit procedures focusing on the existence and valuation of debt instruments. Our key procedure included the following:</p> <ul style="list-style-type: none">- We tested controls over acquisition, disposals and periodic valuation of debt instruments portfolio.- We performed substantive audit procedures on year-end balance of portfolio including review custodian's statement, related reconciliations and re-performance of debt instruments valuations on the basis of prices provided by the Mutual Funds Association of Pakistan (MUFAP).- We assessed the Fund's compliance with the requirements of Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the Regulations) in relation to the concentration of debt instruments and exposure limits prescribed in such Regulations and the applicability of disclosures in this regard.- We also evaluated the adequacy of the overall disclosures in the financial statements in respect of the debt instruments portfolio in accordance with the requirements of the Regulations.

Key Audit Matter	How the matter was addressed in our audit
2. Amendment to the NBFC Regulations, 2008	
<p>As disclosed in note 3.14 to the accompanying financial statements of the Fund for the year ended 30 June 2018, the Securities and Exchange Commission of Pakistan through its SRO no. 756(I)/2017 dated 03 August 2017 made certain amendments in the Non-Banking Finance Companies and Notified Entities Regulation, 2008 (the NBFC Regulations).</p> <p>These amendments are considered significant to our audit because application of the said amendments resulted in change in accounting policy relating to presentation "element of income / loss" in the financial statements and certain additional disclosures with respect to 'Income Statement' and 'Statement of Movement in Unit Holders' Fund' (the Statements).</p>	<p>We assessed the appropriateness of the recognition, measurement and presentation of "element of income / loss" in accordance with the amended provisions of the NBFC Regulations. We also considered the guidelines issued by MUFAP in respect of the accounting for element of income / loss as per the revised Regulations and assessed its implementation by the Fund.</p> <p>We evaluated the adequacy of disclosures regarding the change in accounting policy with respect to element of income / loss in accordance with the requirements of the relevant financial reporting standards and the guidance issued by MUFAP in relation thereto</p>

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material

if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partner on the audit resulting in this independent auditor's report is Arslan Khalid.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

1. LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Atlas Sovereign Liquid Fund (the Fund) is an open ended Fund constituted by a Trust Deed entered into on 19 August, 2014 between Atlas Asset Management Limited (AAML) as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the trustee. The Trust Deed has been revised through the First Supplemental Trust Deed dated 23 May 2017 and the offering document has been revised through First Supplement dated 24 March 2015, Second Supplement dated 3 August 2015, Third Supplement dated 23 June 2016, Fourth Supplement dated 13 October 2016, Fifth Supplemental dated 2 June 2017 and 6th Supplemental dated 18 April 2018 with the approval of the Securities and Exchange Commission of Pakistan (SECP). The investment activities and administration of the Fund are managed by AAML situated at Ground Floor, Federation House, Shahrae Firdousi, Clifton, Karachi.
- 1.2 The Fund is categorised as a 'money market scheme' by the Board of Directors pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered for public subscription on a continuous basis from 01 December 2014 and are transferable and redeemable by surrendering them to the Fund.
- 1.3 According to the Trust Deed, the objective of the Fund is to provide unit-holders competitive returns with low risk and high liquidity. The Fund aims to deliver this objective by investing primarily in short term Government securities, bank deposits (excluding TDRs), treasury bills, money market placements, deposits, certificates of deposits (CoDs), certificate of musharikas (CoMs), commercial papers and reverse repo with weighted average time to maturity of net assets not exceeding 90 days and in case of a single asset, maximum time to maturity of six months. The investment objectives and policies are more fully defined in Fund's Offering document.
- 1.4 Titles to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- The Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of directives issued under the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the IFRSs, the provisions of and directives issued under the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

New Standards, Interpretations and Amendments

The Fund has adopted the following accounting standard and the amendments and interpretation of IFRSs which became effective for the current year:

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

Standard

IAS 7 Statement of Cash Flows - Disclosure Initiative - (Amendment)

IAS 12 Income Taxes – Recognition of Deferred Tax Assets for Unrealized losses (Amendments)

The adoption of the above amendments to accounting standards did not have any effect on the financial statements.

2.2 Standards, interpretations and amendments to published approved accounting standards that are not yet effective:

2.2.1 The following standards, amendments and interpretations with respect to the approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standard or interpretation:

Standard, interpretation or amendment		Effective date (accounting periods beginning on or after)
- IFRS 2	Share-based Payments – Classification and Measurement of Share- based Payments Transactions (Amendments)	01 January 2018
- IFRS 4	Insurance Contracts: Applying IFRS 9 Financial Instruments with IFRS 4 Insurance Contracts - (Amendments)	01 January 2018
- IFRS 9	Financial Instruments	01 July 2018
- IFRS 9	Prepayment Features with Negative Compensation - (Amendments)	01 January 2019
- IFRS 10	Consolidated Financial Statements and IAS 28 Investment in Associates and Joint Ventures - Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendment)	Not yet finalized
- IFRS 15	Revenue from Contracts with Customers	01 July 2018
- IFRS 16	Leases	01 January 2019
- IAS 19	Plan Amendment, Curtailment or Settlement (Amendments)	01 January 2019
- IAS 28	Long-term Interests in Associates and Joint Ventures - (Amendments)	01 January 2019
- IAS 40	Investment Property: Transfers of Investment Property (Amendments)	01 January 2018
- IFRIC 22	Foreign Currency Transactions and Advance Consideration	01 January 2018
- IFRIC 23	Uncertainty over Income Tax Treatments	01 January 2019

The above standards and amendments are not expected to have any material impact on the Fund's financial statements in the period of initial application. However, the Fund is currently evaluating the requirements of IFRS-9 and potential impact on the financial statements of the Fund.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

2.3 Critical accounting estimates and judgments

The preparation of financial statements in accordance with the approved accounting standards as applicable in Pakistan requires the management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the result of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The areas involving a degree of judgment or complexity, or areas where estimates and assumptions are significant to the financial statements are as follow:

- Classification and valuation of investments (note 3.1.1, 3.1.4 and 5)
- Impairment of financial assets (note 3.1.5)
- Taxation (note 3.8 and 16)
- Provisions (note 3.6 and 11.1)

2.4 Accounting convention

These financial statements have been prepared under the historical cost convention except that certain investments have been carried at fair values.

2.5 Functional and presentation currency

These financial statements are presented in Pakistani Rupees which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out as below. These policies have been applied consistently to all years except for the changes in accounting policies as explained in the note 3.14 below.

3.1 Financial assets

3.1.1 Classification

The management determines the appropriate classification of the financial assets of the Fund in accordance with the requirements of International Accounting Standard (IAS) 39: 'Financial Instruments: Recognition and Measurement' at the time of the purchase of the financial assets and re-evaluates this classification on a regular basis. The classification depends on the purpose for which the financial assets are acquired. The financial assets of the Fund are categorised as follows :

a) Financial assets at fair value through profit or loss

These are acquired principally for the purpose of generating profit from short-term fluctuations in prices.

b) Loans and receivables

These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

c) Available-for-sale

These are those non-derivative financial assets that are designated as available for sale or are not classified as (a) financial assets at fair value through profit or loss, or (b) loans and receivables. These are intended to be held for an indefinite period of time which may be sold in response to the needs for liquidity or change in price.

3.1.2 Regular way contracts

All regular way purchases / sales of investments are recognised on the trade date, i.e. the date on which the Fund commits to purchase / sell the investment. Regular way purchases / sales of investments require delivery of securities within two days after transaction date as per the stock exchange regulations.

3.1.3 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value and transaction costs are expensed in the income statement.

3.1.4 Subsequent measurement

Subsequent to initial recognition, financial assets are valued as follows:

a) Financial assets at fair value through profit or loss' and 'available-for-sale financial assets'

Basis of valuation of government securities

The investment of the Fund in government securities is valued on the basis of rates announced by the Financial Markets Association of Pakistan.

Net gains and losses arising on changes in the fair values of financial assets carried 'at fair value through profit or loss' are taken to the Income Statement.

Net gains and losses arising from changes in fair value of 'available-for-sale financial assets' are taken to the Statement of Comprehensive Income' as 'other comprehensive income' until these are derecognised or impaired. At this time, the cumulative gain or loss previously recognised as 'other comprehensive income' is transferred to the Income Statement as capital gain / (loss).

b) Loans and receivables

These are carried at amortised cost using the effective interest method.

Gains or losses are recognised in the Income Statement through the amortisation process or when the financial assets carried at amortised cost are derecognised or impaired.

3.1.5 Impairment

The Fund assesses at each reporting date whether there is objective evidence that the financial asset or a group of financial assets is impaired. In case of equity securities classified as available-for-sale, a significant or prolonged decline in the fair value of the security below its cost is considered, among other indicators, as an indicator that the securities are impaired. If any such evidence exists for available-for-sale financial assets, the cumulative loss measured as the difference between the acquisition cost and the current fair value, less any impairment loss on that financial asset previously recognised in income statement is reclassified from unit holders' fund to 'income statement'. Impairment losses recognised on equity instruments are not reversed through the income statement.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

For financial assets classified as 'loans and receivables', a provision for impairment is established when there is objective evidence that the Fund will not be able to collect all amounts due according to the original terms. The amount of the provision is determined based on the provisioning criteria specified by the SECP.

3.1.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the investments have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership.

3.1.7 Derivatives

Derivative instruments are initially recognised at fair values and subsequent to initial measurement each derivative instrument is remeasured to its fair value and the resultant gain or loss is recognised in the income statement. Presently, the Fund does not have any derivative instrument.

3.2 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. Any gain on derecognition of financial liability is taken to income statement.

3.3 Issue and redemption of units

Units issued are recorded at the offer price determined by the management company for the applications received by the distribution company / management company during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load and provision of any duties and charges if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price applicable to units for which the distribution company / management company receives redemption application during business hours of that day. The redemption price is equal to NAV as of the close of the business day, less an amount as the management company may consider to be an appropriate provision of duties and charges.

3.4 Revenue recognition

- Capital gains / (losses) arising on sale of investments are included in the income statement on the date at which the transaction takes place.
- Income from investments in government securities is recognised on an accrual basis using effective interest method at the rate of return implicit in the instrument.
- Unrealised gains / (losses) arising on re-measurement of investments classified as 'financial assets at fair value through profit or loss' are included in the income statement in the period in which they arise.
- Interest income on bank balances and term deposits is recognised on an accrual basis.

3.5 Expenses

All expenses chargeable to the Fund including remuneration of management company, trustee and annual fee of the SECP are recognised in the income statement on an accrual basis.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

3.6 Provisions

Provisions are recognised when the Fund has a present, legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.7 Deferred formation cost

Formation cost refers to all the preliminary and floatation expenses of the Fund incurred upto the initial issue of units to the extent allowable under the NBFC Regulations. These costs are being amortised over a period of five years commencing from December 2014, in accordance with the requirements of the NBFC Regulations. These expenses were paid off by the management company and are re imburseable to it by the Fund.

3.8 Taxation

The Fund is exempt from taxation under Clause 99 of the Part I of the 2nd Schedule of the Income Tax Ordinance, 2001, subject to the condition that not less than 90% of its accounting income excluding realised and unrealised capital gains for the year is distributed amongst the Fund's unit holders. The Fund intends to avail this exemption for current and future periods. Accordingly, no provision is made for current and deferred taxation in these financial statements.

3.9 Offsetting of financial assets and liabilities

Financial assets and financial liabilities are offset and the net amount reported in the statement of assets and liabilities when there is a legally enforceable right to set off the recognised amount and the Fund intends to either settle on a net basis, or to realise the asset and settle the liability simultaneously.

3.10 Distribution to unit holders

Distribution to unit holders is recognised upon declaring and approval by the Distribution Committee of the Board of Directors of Management Company under powers delegated to them by the Board of Directors of the Management Company or declaration and approval by the Board of Director of the Management Company.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the period in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.11 Net asset value per unit

The net asset value (NAV) per unit disclosed in the statement of assets and liabilities is calculated by dividing the net assets of the Fund by the number of units in issue at the year end.

3.12 Earnings per unit

Earnings per unit (EPU) has not been disclosed as in the opinion of the management the determination of cumulative weighted average number of outstanding units for calculation EPU is not practicable.

3.13 Cash and cash equivalents

These comprise balances with banks, cheques in hand and short-term highly liquid investments with original maturities of three months or less.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

3.14 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

The SECP through its SRO no. 756(I)/2017 dated August 03, 2017 has made certain amendments in the NBFC Regulations with respect to the accounting treatment and disclosure requirements as summarized below:

(a) The notification includes a definition and explanation relating to "element of income" and excludes the element of income from the expression "accounting income" as described in Regulation 63 (amount distributable to unit holders) of the NBFC Regulations. As per the notification, element of income represents the difference between net assets value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting year.

(b) The revised regulations also specify that element of income is a transaction of capital nature and the receipt and payment of element of income shall be taken to unit holders' fund.

(c) The regulations also require certain additional disclosures with respect to 'Income Statement' and 'Statement of Movement in Unit Holders' Fund', whereas disclosure with respect to 'Distribution Statement' has been deleted in the revised regulations.

Previously, the net element of income / (loss) and capital gains / (losses) relating to units issued and redeemed during an accounting year was recognised in the Income Statement.

The above changes resulted in a change in accounting policy with respect to the presentation element of income / (loss) and capital gains / (loss). As required by IAS 8: 'Accounting Policies, Changes in Accounting Estimates and Errors', a change in accounting policy requires retrospective application as if that policy had always been applied. However, the Management Company has applied the above changes in accounting policy, including the additional disclosures requirements in the 'Income Statement' and 'Statement of Movement in Unit Holders' Fund', prospectively from July 1, 2017 as required by SECP vide its SRO no. 756(I)/2017 dated August 03, 2017. Accordingly, corresponding figures have not been restated.

Had the element of income been recognised as per the previous accounting policy, the income of the Fund would have been higher by Rs. 2.49 million. However, the change in accounting policy does not have any impact on the 'Cash Flow Statement', the 'net assets attributable to the unit holders' and 'net asset value per unit' as shown in the 'Statement of Assets and Liabilities' and 'Statement of Movement in Unit Holders' Fund'. The change has resulted in inclusion of certain additional disclosures / new presentation requirements in the 'Income Statement' and 'Statement of Movement in Unit Holders' Fund which have been incorporated in these statements.

Additionally, the revised regulations required that for the purpose of maintaining the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund will be refunded on units in the same proportion as dividend bears to accounting income available for distribution.

The income paid on redemption of units during the year will be considered as distribution of income during the year and therefore, will be deducted from the net income to arrive at the income available for distribution to the unit holders at the end of the year. MUFAP, in consultation with the SECP, has specified the methodology of determination of income paid on units redeemed during the year which has been followed by the Fund.

6.1 As per Clause 47(B) of part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to collective investment schemes (CISs) are exempt from withholding tax under section 151. However, during the year ended 30 June 2016, several Companies (including banks) deducted withholding tax on profit on bank deposits paid to the Fund based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated 12 May 2015.

In this connection, a petition has been filed in the Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other Asset Management Companies) to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Pending resolution of the matter, the cumulative amount of withholding tax deducted on profit received by the Fund on bank deposits till 30 June 2017 has been shown as other receivables as, in the opinion of the management, the amount of tax deducted at source will be refunded.

8.1 In accordance with the provisions of the NBFC Regulations amended vide SRO 1160(1)/2015 dated 25 November 2015, the Management Company is entitled to receive a remuneration at the rate not exceeding 1% of the average annual net assets in case of money market schemes. Previously, the Management Company was entitled to receive a remuneration during the first five years of the Fund, at the rate not exceeding 3% of the average annual net assets of the Fund and thereafter, at the rate of 2% of such assets. Accordingly, the Management Company has charged its remuneration at the rate of 0.45% (2017: 0.45%) per annum of the average annual net assets of the year. The fee is payable to the Management Company monthly in arrears.

8.2 During the year, an amount of Rs. 175,151 (2017: Rs. 497,336) was charged on account of sales tax on remuneration of the Management Company levied through Sindh Sales Tax on Services Act, 2011 and an amount of Rs. 296,691 (2017: Rs.384,846) has been paid to the Management Company which acts as a collecting agent.

8.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) with effect from 13 June 2013. As the asset management services rendered by the Management Company of the Fund are already subject to provincial sales tax on services levied by the Sindh Revenue Board, which is being charged to the Fund as explained in note 8.2 above, the Management Company was of the view that further levy of FED was not justified.

On 4 September 2013, a Constitutional Petition was filed in the Honourable Sindh High Court (SHC) jointly by various asset management companies, together with their representative Collective Investment Schemes through their trustees, challenging the levy of FED.

During the previous year, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

With effect from 1 July 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from 1 July 2016. However, as a matter of abundant caution the provision for FED made for the period from 13 June 2013 till 30 June 2016 amounting to Rs 0.905 million (30 June 2017: Rs 0.905 million) is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the said provision for FED not been maintained, the net asset value of the Fund as at 30 June 2018 would have been higher by Rs. 0.27 per unit (30 June 2017: Re. 0.40 per unit).

8.4 ACCOUNTING AND OPERATIONAL CHARGES

In accordance with the provisions of the NBFC Regulations, 2008 (amended vide S.R.O 1160(I) / 2015 dated 25 November 2015), the Management Company of the Fund is entitled to reimbursement of fees and expenses in relation to registrar services, accounting, operation and valuation services related to the Fund upto the maximum of 0.1% of the average annual net assets of the Scheme or actual whichever is less. Accordingly, the Management Company has charged accounting and operational charges to the Fund in respect of the back office accounting function to an independent service provider.

Provision for Sindh Workers' Welfare Fund	11.1	1,037,698	739,107
		1,563,353	5,632,496

11.1 As a consequence of the 18th amendment to the Constitution of Pakistan, in May 2015 the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) had been passed by the Government of Sindh as a result of which every industrial establishment located in the Province of Sindh, the total income of which in any accounting year is not less than Rs 0.50 million, is required to pay Sindh Workers' Welfare Fund (SWWF) in respect of that year a sum equal to two percent of such income. The matter was taken up by the MUFAP with the Sindh Revenue Board (SRB) collectively on behalf of various asset management companies and their CISs whereby it was contested that mutual funds should be excluded from the ambit of the SWWF Act as these were not industrial establishments but were pass through investment vehicles and did not employ workers. The SRB held that mutual funds were included in the definition of financial institutions as per the Financial Institution (Recovery of Finances) Ordinance, 2001 and were, hence, required to register and pay SWWF under the SWWF Act. However, it may be stated that under Companies Act, 2017 mutual funds are explicitly excluded from the definition of financial institution. Thereafter, MUFAP has taken up the matter with the Sindh Finance Ministry to have CISs / mutual funds excluded from the applicability of SWWF. In view of the above developments regarding the applicability of SWWF on CISs / mutual funds, the MUFAP recommended that as a matter of abundant caution provision in respect of SWWF should be made on a prudent basis with effect from the date of enactment of the Sindh WWF Act, 2014 (i.e. starting from May 21, 2015).

In view of the above developments regarding the applicability of WWF and SWWF on CISs / mutual funds. MUFAP has recommended the following to all its members on 12 January 2017:

- based on legal opinion, the entire provision against WWF held by the CISs till 30 June 2015 should be reversed on 12 January 2017; and
- as a matter of abundant caution, the provision in respect of SWWF should be made with effect from the date of enactment of the SWWF Act, 2014 (i.e. starting from 21 May 2015) on 12 January 2017.

Accordingly, on 12 January 2017 the provision for WWF was reversed and the provision for SWWF was made for the period from 21 May 2015 to 12 January 2017. Thereafter, the provision for SWWF is being made on a daily basis going forward.

The above decisions were communicated to the SECP and the Pakistan Stock Exchange Limited on 12 January 2017 and the SECP vide its letter dated 1 February 2017 has advised MUFAP that the adjustments relating to the above should be prospective and supported by adequate disclosures in the financial statements of the CISs/ mutual funds.

Had the provision for SWWF not been recorded in these financial statements of the Fund, the net asset value of the Fund as at 31 March 2018 would have been higher by Re. 0.30 per unit (30 June 2017: Re. 0.32 per unit).

16 TAXATION

16.1 The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unitholders. Since the management has distributed the required minimum percentage of income earned by the Fund during the year ended 30 June 2018 subsequent thereto to the unit holders in the manner as explained above, no provision for taxation has been made in these financial statements during the year.

19 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

19.1 The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the management company, Fund's constitutive documents and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, credit risk and liquidity risk arising from the financial instruments it holds.

19.2 Market risk

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as interest rates, foreign exchange rates and equity prices.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in the market interest rates. As of 30 June 2018, the Fund is exposed to such risk in respect of bank balances. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within acceptable limits.

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds balances with banks which expose the Fund to cash flow interest rate risk. In case of 100 basis points increase in market interest rates as at 30 June 2018, with all other variables held constant, the net income for the year and net assets would have been higher by Rs. 2,679,459 (2017: Rs. 2,636,182). In case of 100 basis points decrease in market interest rates as at 30 June 2017, with all other variables held constant, the net income for the year and net assets would have been lower by Rs. 2,679,459 (2017: Rs. 2,636,182).

b) Sensitivity analysis for Fixed rate instruments

Presently, the Fund holds treasury bills which exposes the Fund to fair value interest rate risk. In case of 100 basis points increase in market interest rates as at 30 June 2018, with all other variables held constant, the net income for the year and net assets would have been lower by Rs. 0.93 million (2017: Nil). In case of 100 basis points decrease in market interest rates as at 30 June 2018 with all other variables held constant, the net income for the year and net assets would have been higher by Rs. 0.93 million (2017: Nil).

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

The composition of the fund's investment portfolio and interest rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of 30 June 2018 is not necessarily indicative of the impact on the Fund's net assets of the future movements in interest rates.

Yield / interest rate sensitivity position for on balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off balance sheet instruments is based on settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at 30 June 2018 can be determined as follows: The Fund's interest rate sensitivity related to financial assets and financial liabilities as at 30 June 2018 can be determined as follows:

(ii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

(iii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instruments will fluctuate because of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

19.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets in short-term instruments in order to maintain liquidity.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

19.4 Credit risk

Credit risk arises from the inability of the issuers of the instruments or the counter party to fulfil their obligations. The Fund is exposed to credit risk with respect to its bank balances, interest accrued. The Fund's policy is to enter into financial contracts in accordance with the interest risk management policies and investment guidelines approved by the Investment Committee. As of 30 June 2018, 25.93% (2017: Nil%) of Fund's net assets are invested in government securities. The Fund's maximum exposure to credit risk (excluding government securities) as of 30 June 2018 amounts to Rs. 268,631,511 (2017: Rs. 268,084,986).

19.4.1 Credit quality of financial assets

The credit quality of financial assets that are neither past due nor impaired can be assessed by reference to external credit ratings or to historical information about counterparty default rates. Banks with which the Fund has maintained balances are rated AA+ / AAA / AA. The credit risk associated with government securities is limited as these are guaranteed by the Federal Government.

19.5 Fair value of financial instruments

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Fair value of government securities is determined by reference to the quotation obtained from the brokers on the Reuters page. The fair values of financial assets and liabilities of the Fund, other than government securities, approximate their carrying amount due to short-term maturities of these instruments.

19.6 Fair value hierarchy

The Fund uses the following hierarchy for disclosure of the fair value of financial instruments by valuation technique:

Level 1: quoted prices in active markets for identical assets.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs which have a significant effect on the recorded fair value that are not based on observable market data.

As at 30 June 2018, the Fund has investments 'at fair value through profit or loss' measured using level 2 valuation technique.

20 UNIT HOLDERS FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. They are entitled to distributions and to payment of a proportionate share based on the Fund's net asset value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restrictions on the subscription and redemption of units. As required under NBFC Regulations, every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of scheme. The Fund has maintained and complied with the requirement of minimum fund size during the current year.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 19, the Fund endeavours to invest the subscriptions received in appropriate investments while maintaining sufficient liquidity to meet redemption requests, such liquidity being augmented by short-term borrowings or disposal of investments where necessary.

Fund Manager's Report

Atlas Money Market Fund (AMF) is an Open-ended Money Market Fund. The investment objective of AMF is to provide its unit-holders competitive returns from a portfolio of low risk, short duration assets while maintaining high liquidity. The Fund will invest the entire assets in authorized short term money market investment avenues with a maximum time to maturity of six months and weighted average time to maturity of ninety days. This is intended to reduce risk while maintaining liquidity. The Fund's investment strategy will be based on fundamental credit analysis of counter parties. Specifically, the investment strategy will seek to invest in those money market instruments that offer attractive market returns and are issued by sponsors with good credit rating, strong financials and ability to repay.

The Benchmark for "Atlas Money Market Fund" is 30% that would be an average of "3-Month deposit rates of three scheduled banks (AA and above rated) as selected by MUFAP" for the period of return; and 70% that would be an average of "3 Month PKRV rate".

The Consumer Price Index (CPI) on average was recorded at 3.92% during financial year 2017-18, as compared to 4.16% for the financial year 2016-17. The YoY uptick in inflation was due to global revival of international crude oil prices, along with rise in domestic demand due to pick up of economic activities. The government passed on the increase of fuel prices to domestic consumer, however, stable food prices offset the impact of the rise in petroleum rates.

During the year, the cautious monetary policy was centered on consolidating the gains from historic-low policy rate at 5.75% till January, FY18 and striking a balance between subdued inflation and emerging pressures on external accounts. The SBP changed the monetary policy stance in January 2018 by 25 bps to 6 percent to anchor expected rise in inflation in view of reversal of international oil and commodities prices and to address domestic demand pressure as well as exchange rate movement. In March 2018, the Monetary Policy Committee decided to maintain policy rate at 6.0 percent for the next two months to see impact of policy. However, The Central Bank increased the policy rate by 50bps to 6.50% under its monetary policy statement announced on May 25, 2018. The central bank's decision was based on (i) rising international oil prices which may translate into inflationary pressures going forward (ii) elevated aggregate demand which has kept imports high offsetting the impact of growth in exports worsening the current account deficit and (iii) a lack of foreign inflows amidst absence of triggers. Pakistan's foreign exchange reserves have decreased to US\$ 16.4 billion at June end 2018 compared to US\$ 21.4 billion at June end 2017. The level of foreign exchange reserves declined on the back of widening current account deficit not being fully offset by financial inflows despite growth in export earnings and remittance inflows.

The Net Asset Value per unit of the Fund increased by 5.49% to Rs. 529.42 per unit as on June 30, 2018. The benchmark 30% of average 3-Month deposit rates of three scheduled banks (AA and above rated as selected by MUFAP) and 70% average 3 Month PKRV rate for the period of return stood at 5.36%. During the year the monthly average exposure of treasury bills in AMF stood at 50.20%. The AMF's total exposure in cash deposits stood at 99.93% and the remaining in others including receivables. AMF's presents a good investment opportunity for investors to earn attractive returns while maintaining high liquidity with low risk. The Net Assets of the Fund stood at Rs. 13.16 billion, with 24.86 million units outstanding as of June 30, 2018.

The Board of Directors of Atlas Asset Management Limited, the Management Company of Atlas Money Market Fund has approved a final cash dividend of Rs 27.00 per unit for full year (5.40% on the face value of Rs. 500 per unit).

TRUSTEE REPORT TO THE UNIT HOLDERS

Report of the Trustee pursuant to Regulation 41(h) and Clause 9 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We, Central Depository Company of Pakistan Limited, being the Trustee of Atlas Money Market Fund (the Fund) are of the opinion that Atlas Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2018 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

INDEPENDENT AUDITOR'S REPORT

To the Unitholders of Atlas Money Market Fund Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Atlas Money Market Fund** ("the Fund"), which comprise the statement of assets and liabilities as at June 30, 2018, and the income statement, statement of comprehensive income, statement of movement in unit holders' funds and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2018, and of its financial performance, its cash flows and transactions for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

S. No	Key Audit Matter	How the matter was addressed in our audit
1	Amendments to NBFC Regulations, 2008 (Refer note 3.9 to the annexed financial statements) The Securities and Exchange Commission of Pakistan through its notification [SRO 756(I)/2017] dated August 3, 2017 made certain amendments in the Non-Banking Finance Companies and Notified Entities Regulations, 2008. The impacts of these amendments have been incorporated in the financial statements of the Fund for the year ended June 30, 2018. These amendments mainly includes changes with respect to recognition, measurement and presentation of "element of income", addition of certain disclosures with respect to 'Income Statement' (relating to allocation of net income for the year) and 'Statement of Movement in Unit Holders' Fund'. The Fund has changed its accounting policy during the current year in respect of accounting for "element of income" consequent to the issuance of the above mentioned notification. The change in accounting policy has been applied prospectively from July 1, 2017 based on the clarification issued by the SECP. With this change in accounting policy the element of income which was previously recognized as part of the income for the year	<p>We understood the requirements of the SECP notification and made inquiries from the management in respect of their methodology for implementing the changes with respect to recording of element of income.</p> <p>We performed walkthrough tests for ensuring compliance with the revised requirements and in this respect obtained reports of distribution of income and refund of capital by the Fund.</p> <p>We verified transactions on a test basis with the underlying records of the reports provided by the management to assess their compliance with the revised regulations. We recalculated the profit available for distribution taking into account amount already distributed at the time of redemption.</p> <p>We verified the accuracy of the management report for allocation of distributable amount between "distribution out of income" and "refund of capital". This included testing the parameters of the report.</p> <p>We verified disclosures relating to change in accounting policy to ensure that these are in compliance with the applicable accounting and reporting framework.</p>

S. No	Key Audit Matter	How the matter was addressed in our audit
	<p>in the Income Statement is now considered as a "capital contribution" and taken to the Statement of Movement in Unit Holders' Fund. Element of income is explained in note 3.9.</p> <p>The SECP notification also stipulates that the accounting income available for distribution as appearing in the "Income Statement" excludes income already paid on units redeemed during the year. Accordingly, the net amount appearing on the "Income Statement" after deducting the income already paid on units redeemed is to be considered as the distributable amount.</p> <p>In order to avail tax exemption, the Fund has to distribute 90 percent of its accounting income (excluding realised and unrealised capital gains). However, at the time of distribution of income, the element of income contributed on issue of units recognized in the equity during the year is required to be refunded on the units in the same proportion in which income is distributed from the Income Statement i.e after taking into account the amount of income already paid on units redeemed. Management has developed a system for carrying out the calculations for such distributions.</p> <p>These calculations are important from the point of view of ensuring compliance with the applicable requirements. The above matters are significant accounting and regulatory developments / events for the mutual fund industry affecting the financial statements for the current year and therefore we considered these developments as key audit matter.</p>	<p>We understood the requirements of the SECP notification and made inquiries from the management in respect of their methodology for implementing the changes with respect to recording of element of income.</p> <p>We performed walkthrough tests for ensuring compliance with the revised requirements and in this respect obtained reports of distribution of income and refund of capital by the Fund.</p> <p>We verified transactions on a test basis with the underlying records of the reports provided by the management to assess their compliance with the revised regulations. We recalculated the profit available for distribution taking into account amount already distributed at the time of redemption.</p> <p>We verified the accuracy of the management report for allocation of distributable amount between "distribution out of income" and "refund of capital". This included testing the parameters of the report.</p> <p>We verified disclosures relating to change in accounting policy to ensure that these are in compliance with the applicable accounting and reporting framework.</p>
2	Net Asset Value	
	<p>(Refer notes 4 to the financial statements)</p> <p>The balances with banks constitute the most significant component of the net asset value. The balances with banks as at June 30, 2018 amounted to Rs 13.224 billion.</p> <p>The proper valuation of balances with banks for the determination of NAV of the Fund as at June 30, 2018 was considered a high risk area and therefore we considered this as a key audit matter.</p>	<p>We performed the following audit procedures:</p> <ul style="list-style-type: none"> • Tested the design and operating effectiveness of the key controls for valuation of investments; • Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2018 and reconciled it with the books and records of the Fund; • Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; and • Obtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the management company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with board of directors of the management company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the management company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the management company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirement

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is Salman Hussain.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

1. LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Atlas Money Market Fund (the Fund) is an open-ended Fund constituted under a Trust Deed entered into on 4 December 2009 between Atlas Asset Management Limited (AAML) as the Management Company and the Central Depository Company of Pakistan Limited (CDC) as the trustee. The offering document of the Fund has been revised through the First, Second, Third and Fourth Supplements dated 24 March 2015, 3 August 2015, 30 September 2016 and 2 June 2017 respectively, with the approval of the Securities and Exchange Commission of Pakistan (SECP). The registered office of AAML is situated at Ground Floor, Federation House, Shahrae Firdousi, Clifton, Karachi.
- 1.2 The Fund has been categorised as a 'money market scheme' by the Board of Directors pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund were initially offered for public subscription at a par value of Rs 500 per unit on 20 January 2010. Thereafter, the units are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.
- 1.3 According to the trust deed, the objective of the Fund is to provide its investors competitive returns from a portfolio of low risk, short duration assets while maintaining high liquidity. The Fund aims to deliver this objective mainly by investing in government securities, cash and near cash instruments which include cash in bank accounts, treasury bills, deposits with scheduled banks, certificates of deposit (CODs), certificates of Musharaka (COMs), commercial papers, and reverse repo; with a weighted average time to maturity of not more than 90 days and in case of a single asset, maximum time to maturity of six months. The investment objectives and policy are explained in the Fund's offering document.
- 1.4 The titles to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited (CDC) as the Trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

The following standards, interpretations and amendments with respect to accounting and reporting standards were effective during the current year:

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

Standard, interpretation or amendment	Effective date (accounting periods beginning on or after)
- Amendment to IAS 7, 'Cashflow statements', regarding the disclosure initiative.	01 January 2017
- Annual improvements 2014-2016 IFRS 12, 'Disclosure of interests in other entities'.	01 January 2017

The adoption of the above amendments and improvements to accounting and reporting standards and interpretations did not have any effect on the financial statements of the Fund for the year ended 30 June 2017.

2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new and amended standards and interpretations that are mandatory for the accounting period beginning on or after July 1, 2018 but are considered not to be relevant or to have any significant effect on the Fund's operations and are, therefore, not disclosed in these financial statements.

Further, the following new standards have been notified by the SECP for the purpose of applicability in Pakistan:

Standard, interpretation or amendment	Effective date (accounting periods beginning on or after)
- IFRS 9 - Financial Instruments	01 July 2018
- IFRS 15 - Revenue from Contracts with Customers	01 July 2018
- IFRS 16 - Leases	01 January 2019

Management expects to apply these standards as in the year in which they become effective. These standards may impact the financial statements of the Fund on adoption.

Further SECP vide its letter dated November 21, 2017 accepted the request of Mutual Funds Association of Pakistan (MUFAP) for relaxation from the applicability of provisions relating to impairment under IFRS 9 "Financial Instruments" on the mutual funds. Management also expects that changes in classification and measurement requirements of IFRS 9 will not have a significant impact on the financial statements of the Fund.

2.4 Critical accounting estimates and judgments

The preparation of financial statements in accordance with the accounting and reporting standards as applicable in Pakistan requires the management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the result of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification and valuation of investments and provision there against (notes 3.2 and 5) and taxation (notes 3.12 and 17).

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention except that certain investments have been carried at fair values.

2.6 Functional and presentation currency

These financial statements are presented in Pakistani Rupees which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years except for the changes in accounting policies as explained in notes 3.9.1 and 3.9.2 below.

3.1 Cash and cash equivalents

These comprise balances with banks, cheques in hand and short-term highly liquid investments with original maturities of three months or less.

3.2 Financial assets

3.2.1 Classification

The management determines the appropriate classification of the financial assets of the Fund in accordance with the requirements of International Accounting Standard (IAS) 39: 'Financial Instruments: Recognition and Measurement' at the time of the purchase of the financial assets and re-evaluates this classification on a regular basis. The classification depends on the purpose for which the financial assets are acquired. The financial assets of the Fund are categorised as follows:

a) Financial assets at fair value through profit or loss

These are acquired principally for the purpose of generating profit from short-term fluctuations in prices.

b) Loans and receivables

These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market.

c) Available-for-sale

These are those non-derivative financial assets that are designated as available for sale or are not classified as (a) financial assets at fair value through profit or loss, or (b) loans and receivables. These are intended to be held for an indefinite period of time which may be sold in response to the needs for liquidity or change in price.

3.2.2 Regular way contracts

All regular way purchases / sales of financial assets are recognised on the trade date, i.e. the date on which the Fund commits to purchase / sell the assets. Regular way purchases / sales of assets require delivery of securities within two days after the transaction date as per the stock exchange regulations.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

3.2.3 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value and transaction costs are expensed in the Income Statement.

3.2.4 Subsequent measurement

Subsequent to initial recognition, financial assets are valued as follows:

a) Financial assets at fair value through profit or loss' and 'available-for-sale financial assets'

Basis of valuation of government securities

The investment of the Fund in government securities is valued on the basis of rates announced by the Financial Markets Association of Pakistan.

Net gains and losses arising on changes in the fair values of financial assets carried 'at fair value through profit or loss' are taken to the Income Statement.

Net gains and losses arising from changes in fair value of 'available-for-sale financial assets' are taken to the Statement of Comprehensive Income' as 'other comprehensive income' until these are derecognised or impaired. At this time, the cumulative gain or loss previously recognised as 'other comprehensive income' is transferred to the Income Statement as capital gain / (loss).

b) Loans and receivables

These are carried at amortised cost using the effective interest method.

Gains or losses are recognised in the Income Statement through the amortisation process or when the financial assets carried at amortised cost are derecognised or impaired.

3.2.5 Impairment

The Fund assesses at each reporting date whether there is objective evidence that the financial asset or a group of financial assets is impaired. If any such evidence exists for available-for-sale financial assets, the cumulative loss measured as the difference between the acquisition cost and the current fair value, less any impairment loss on that financial asset previously recognised in income statement is reclassified from unit holders' fund to 'income statement'.

For financial assets classified as 'loans and receivables', a provision for impairment is established when there is an objective evidence that the Fund will not be able to collect all amounts due according to the original terms. The amount of the provision is determined based on the provisioning criteria specified by the SECP.

3.2.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the investments have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership.

3.2.7 Derivatives

Derivative instruments are initially recognised at fair values and subsequent to initial measurement each derivative instrument is remeasured to its fair value and the resultant gain or loss is recognised in the Income Statement.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

3.3 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired.

3.4 Offsetting of financial assets and liabilities

Financial assets and financial liabilities are offset and the net amount reported in the statement of assets and liabilities when there is a legally enforceable right to set off the recognised amount and the Fund intends to either settle on a net basis, or to realise the asset and settle the liability simultaneously.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Net asset value per unit

The Net Asset Value (NAV) per unit disclosed in the statement of assets and liabilities is calculated by dividing the net assets of the Fund by the number of units in issue at the year end.

3.7 Issue and redemption of units

Units issued are recorded at the offer price determined by the Management Company for the applications received by the Management Company / distributors during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load and provision of any duties and charges if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price applicable to units for which the Management Company / distributors receives redemption application during business hours of that day. The redemption price is equal to NAV as of the close of the business day, less an amount as the Management Company may consider to be an appropriate provision of duties and charges.

3.8 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Distribution Committee of the Board of Directors of the Management Company under the powers delegated to them by the Board of Directors of the Management Company or declaration and approval by the Board of Directors of the Management Company. Based on Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the period in which such distributions are declared and approved by the Board of Directors of the Management Company.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

3.9 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

The Securities and Exchange Commission of Pakistan through its SRO 756(I)/2017 dated August 3, 2017 has made certain amendments in the NBFC Regulations. The notification includes a definition and explanation relating to "element of income" and excludes the element of income from the expression "accounting income" as described in regulation 63 (amount distributable to unit holders) of the NBFC Regulations. As per the notification, element of income represents the difference between net assets value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting period. Further, the revised regulations also specify that element of income is a transaction of capital nature and the receipt and payment of element of income shall be taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund will be refunded on units in the same proportion as dividend bears to accounting income available for distribution. MUFAP, in consultation with the SECP, has specified methodology of determination of income paid on units redeemed during the year under which such income is paid on gross element received and is calculated from the latest date at which the Fund achieved net profitability during the year. Furthermore, the revised regulations also require certain additional disclosures with respect to 'Income Statement' (relating to allocation of net income for the year) and 'Statement of Movement in Unit Holders' Fund', whereas disclosure with respect to 'Distribution Statement' has been deleted in the revised regulations.

Previously, an equalisation account called the 'element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed' was created, in order to prevent the dilution of per unit income and distribution of income already paid out on redemption. The net element of income / (loss) and capital gains / (losses) relating to units issued and redeemed during the accounting period which pertained to unrealised appreciation / (diminution) held in the Unit Holder's Fund was recorded in a separate account and any amount remaining in this reserve account at the end of the accounting period (whether gain or loss) was included in the amount available for distribution to the unitholders. The remaining portion of the net element of income / (loss) and capital gains / (losses) relating to units issued and redeemed during an accounting period was recognised in the Income Statement.

As required by IAS 8: 'Accounting Policies, Changes in Accounting Estimates and Errors', a change in accounting policy requires retrospective application as if that policy had always been applied. However, the Management Company has applied the above changes in accounting policy, including the additional disclosure requirements in the 'Income Statement' and 'Statement of Movement in Unit Holders' Fund', prospectively from July 1, 2017 based on a clarification issued by the SECP. Accordingly, corresponding figures have not been restated. The 'Distribution Statement' for the comparative period has not been presented as it has been deleted as a result of the amendments made in the NBFC Regulations through the aforementioned SRO issued by the SECP.

Had the element of income been recognised as per the previous accounting policy, the income of the Fund would have been higher by Rs 135.477 million net off charge for SWWF with immaterial effect on the 'net assets attributable to the unit holders' and NAV per unit of the Fund as disclosed in the 'Statement of Assets and Liabilities' and 'Statement of Movement in Unit Holders' Fund' respectively. However, the change in accounting policy does not have any impact on the 'Cash Flow Statement'. The change has resulted in inclusion of certain additional disclosures / new presentation requirements in the 'Income Statement' and 'Statement of Movement in Unit Holders' Fund which have been incorporated in these statements.

3.10 Revenue recognition

- Interest income on bank balances and term deposits is recognised on an accrual basis.
- Income from investments in government securities is recognised on an accrual basis using the effective interest method at the rate of return implicit in the instrument.
- Capital gains / (losses) arising on sale of investments are recorded at the date on which the transaction takes place.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

- Unrealised gains / (losses) arising on re-measurement of investments classified as 'financial assets at fair value through profit or loss' are recorded in the period in which these arise.
- Element of income / loss and capital gains / losses in prices of units issued less those in units redeemed is recognised when the units are issued and redeemed at the transaction date.

3.11 Expenses

All expenses chargeable to the Fund are recognised in the Income Statement on an accrual basis.

3.12 Taxation

Current

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend.

Deferred

The Fund provides for deferred taxation using the balance sheet liability method on all major temporary differences between the amounts used for financial reporting purposes and the amounts used for taxation purposes. In addition, the Fund also records deferred tax asset on unutilised tax losses to the extent that it is probable that the related tax benefit will be realised. However, the Fund has not recognised any amount in respect of deferred tax in these financial statements as the Fund intends to continue availing the tax exemption in future years by distributing at least ninety percent of its accounting income for the year as reduced by capital gains, whether realised or unrealised, to its unit holders every year as cash dividend.

3.13 Earnings per unit

Earnings / (loss) per unit is calculated by dividing the net income of the year before taxation of the Fund by the weighted average number of units outstanding during the year.

This denotes Rs Nil (2017: Rs 94.067 million), Nil (2017: Rs 7.936 million) and Rs Nil (2017: Rs 2.817 million) in respect of units issued to the unit holders of Atlas Stock Market Fund, Atlas Islamic Stock Fund and Atlas Gold Fund respectively.

	Note	2018 ----- Rupees -----	2017 -----
7 OTHER RECEIVABLES			
Other receivables	7.1	3,586,604	6,032,954

7.1 As per Clause 47(B) of part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to collective investment schemes (CISs) are exempt from withholding tax under section 151. However, during the year ended 30 June 2016, several Companies (including banks) deducted withholding tax on profit on bank deposits paid to the Fund based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT) / 2008-VOL.II-66417-R dated 12 May 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced by the withholder.

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On 28 January 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Supreme Court of Pakistan by the funds together with other CISs (managed by the Management Company and other Asset Management Companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the cumulative amount of withholding tax deducted on profit received by the Fund on bank deposits till 30 June 2018 has been shown as other receivables as, in the opinion of the management, the amount of tax deducted at source will be refunded.

Sindh Sales Tax payable on accounting and operational charges		-	33,259
		30,963,521	26,120,150

8.1 During the year ended 30 June 2018, the Management Company has charged its remuneration at the rate of 0.45% (2017: 0.45%) per annum of the average net assets for the year. The fee is payable to the Management Company monthly in arrears.

8.2 During the year, an amount of Rs. 6,000,267 (2017: Rs. 3,025,424) was charged on account of sales tax on remuneration of the Management Company levied through Sindh Sales Tax on Services Act, 2011 and an amount of Rs. 5,531,598 (2017: Rs. 2,952,267) was paid to the Management Company which acts as a collecting agent.

8.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) with effect from 13 June 2013. As the asset management services rendered by the Management Company of the Fund are already subject to provincial sales tax on services levied by the Sindh Revenue Board, which is being charged to the Fund as explained in note 8.2, the Management Company was of the view that further levy of FED was not justified.

On 4 September 2013, a Constitutional Petition was filed in the Honourable Sindh High Court (SHC) jointly by various asset management companies, together with their representative Collective Investment Schemes through their trustees, challenging the levy of FED.

During the year ended 30 June 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

With effect from 1 July 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from 1 July 2016. However, as a matter of abundant caution the provision for FED made till 30 June 2016 amounting to Rs 20.429 million (30 June 2017: Rs 20.429 million) is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the said provision for FED not been maintained, the net asset value of the Fund as at 30 June 2018 would have been higher by Re. 0.82 (30 June 2017: Rs. 2.21) per unit.

		31,820,642	44,812,894

- 12.1 As a consequence of the 18th amendment to the Constitution of Pakistan, in May 2015 the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) had been passed by the Government of Sindh as a result of which every industrial establishment located in the Province of Sindh, the total income of which in any accounting year is not less than Rs. 0.50 million, was required to pay Sindh Workers' Welfare Fund (SWWF) in respect of that year a sum equal to two percent of such income. The matter was taken up by the MUFAP with the Sindh Revenue Board (SRB) collectively on behalf of various asset management companies and their CISs whereby it was contested that mutual funds should be excluded from the ambit of the SWWF Act as these were not industrial establishments but were pass through investment vehicles and did not employ workers. The SRB held that mutual funds were included in the definition of financial institutions as per the Financial Institution (Recovery of Finances) Ordinance, 2001 and were, hence, required to register and pay SWWF under the SWWF Act. Thereafter, MUFAP had taken up the matter with the Sindh Finance Ministry to have CISs / mutual funds excluded from the applicability of SWWF. In view of the above developments

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

regarding the applicability of SWWF on CIsS/mutual funds, MUFAP recommended that as a matter of abundant caution, provision in respect of SWWF should be made on a prudent basis with effect from the date of enactment of the SWWF Act, 2014 (i.e. starting from May 21, 2015).

In the repealed Companies Ordinance, 1984 and the now applicable Companies Act, 2017, mutual funds have not been included in the definition of "financial institutions". The MUFAP has held the view that SWWF is applicable on asset management companies and not on mutual funds.

Had the provision for SWWF not been recorded in the financial statements of the Fund for the period from May 21, 2015 to June 30, 2018, the net asset value of the Fund as at June 30, 2018 would have been higher by Re. 0.56 per unit (2017: Re 0.29 per unit).

13 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at 30 June 2018 and 30 June 2017.

14 ACCOUNTING AND OPERATIONAL CHARGES

In accordance with the provisions of the NBFC Regulations, 2008 (amended vide S.R.O 1160(I) / 2015 dated 25 November 2015), the Management Company of the Fund is entitled to reimbursement of fees and expenses in relation to registrar services, accounting, operation and valuation services related to the Fund upto a maximum of 0.1% of the average annual net assets of the Scheme or actual whichever is less.

Keeping in view the aforementioned provisions, the Management Company charged accounting and operational charges to the Fund.

	649,338	1,804,667

16 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at 30 June 2018 is 0.65% (2017: 0.88%) after netting off 0.25% (2017: 0.21%) representing government levies on the Fund such as provision for Sindh Workers' Welfare Fund, sales taxes, annual fee to the SECP, etc. This ratio is within the maximum limit of 2% prescribed under the NBFC Regulations for a collective investment scheme categorised as a money market scheme.

17 TAXATION

17.1 The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unitholders. Since the management has declared the required minimum percentage of income earned by the Fund subsequent to the year ended 30 June 2018 to the unit holders in the manner as explained above, no provision for taxation has been made in these financial statements during the year.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

21 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, Fund's constitutive documents and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

21.1 Market risk

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as interest rates, foreign exchange rates and equity prices.

Market risk comprises of three types of risks: yield / interest rate risk, currency risk, and price risk.

(i) Yield / interest rate risk

Yield / interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in the market interest rates. As of 30 June 2018, the Fund is exposed to such risk in respect of balances with other banks. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within acceptable limits.

a) Sensitivity analysis for variable rate instruments

As at 30 June 2018, the Fund holds balances with banks which expose the Fund to cash flow interest rate risk. In case of 100 basis points increase / decrease in market interest rates as at 30 June 2018, with all other variables held constant, the net income for the year and net assets would have been higher / lower by Rs. 132,004,711 (2017: Rs 45,828,545).

b) Sensitivity analysis for fixed rate instruments

As at 30 June 2018 & 30 June 2017 the Fund does not have any instrument which expose it to fair value interest rate risk.

The composition of the Fund's investment portfolio and interest rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of 30 June 2018 and 30 June 2017 is not necessarily indicative of the impact on the Fund's net income for the year and net assets of the future movements in interest rates.

Yield / interest rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at 30 June 2018 and 30 June 2017 can be determined as follows:

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

(ii) **Currency risk Foreign**

Foreign currency risk is the risk that the fair value or future cash flows of a financial instruments will fluctuate because of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and, hence, is not exposed to such risk.

(iii) **Price risk**

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Fund does not have any instrument as at 30 June 2018 which expose it to price risk.

21.2 **Liquidity risk**

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest a majority of its assets in short-term instruments in order to maintain liquidity.

The Fund can borrow in the short-term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

21.3 Credit risk

Credit risk arises from the inability of the issuers of the instruments or the counter party to fulfil their obligations. The Fund is exposed to credit risk with respect to its bank balances and profit receivable on bank deposits. The Fund's policy is to enter into financial contracts in accordance with the interest risk management policies and investment guidelines approved by the Investment Committee. As at 30 June 2018, the Fund did not hold investments in government guaranteed securities. Furthermore, the Fund's maximum exposure to credit risk as of 30 June 2018 amounts to Rs. 13,229,143,212 (2017: Rs 4,702,013,016).

Credit quality of financial assets

The credit quality of financial assets that are neither past due nor impaired can be assessed by reference to external credit ratings or to historical information about counterparty default rates. The credit risk associated with government securities is limited as these are guaranteed by the Federal Government. As at 30 June 2018, the Fund did not hold investments in government guaranteed securities. Banks with which the Fund has maintained balances are rated as follows:

Rating	2018	2017
AA+	1.20%	12.72%
AAA	98.80%	87.28%
	100.00%	100.00%

22 FAIR VALUE MEASUREMENT

Fair value is the amount for which an asset could be exchanged or a liability settled between knowledgeable willing parties in an arm's length transaction. Consequently, differences can arise between carrying values and the fair value of financial assets and financial liabilities.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The Fund carries investments in government securities at fair values which are categorised as financial assets at fair value through profit or loss. The fair values of these securities are determined by reference to the rates announced by the Financial Marketing Association of Pakistan. The fair values of all other financial assets and liabilities of the Fund approximate their carrying amounts due to short-term maturities of these instruments.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at 30 June 2018, the Fund does not have any assets or liabilities that are measured at fair values using the aforementioned valuation techniques.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

23 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. These units are entitled to distributions and to payment of a proportionate share based on the Fund's net asset value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restrictions on the subscription and redemption of units. As required under NBFC Regulations, every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirement of minimum fund size at all times.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 21, the Fund endeavours to invest the subscriptions received in appropriate investments while maintaining sufficient liquidity to meet redemption requests, such liquidity being augmented by short-term borrowings or disposal of investments where necessary.

Fund Manager's Report

Atlas Income Fund (AIF) is an Open-ended Income Fund. The objective of AIF is to achieve a good rate of current income along with capital preservation and to provide investors with liquidity and the facility to join or leave the fund at their convenience. The Fund primarily invests in a diversified portfolio of long, medium and short term fixed income instruments. The Fund's strategy is based on the conviction that economic environment drives long term performance, and that active management of credit risk can produce consistently superior results. Fundamental and market analysis are used to identify overall portfolio, bond market sectors, yield curve and credit positioning to provide high and sustainable rates of return. The fund employs strategies such as overall portfolio duration and yield curve positioning to deal with market and reinvestment risks.

Atlas Income Fund performance benchmark is average Six Months KIBOR (offer) rate.

The Consumer Price Index (CPI) on average was recorded at 3.92% during financial year 2017-18, as compared to 4.16% for the financial year 2016-17. The YoY uptick in inflation was due to global revival of international crude oil prices, along with rise in domestic demand due to pick up of economic activities. The government passed on the increase of fuel prices to domestic consumer, however, stable food prices offset the impact of the rise in petroleum rates.

During the year, the cautious monetary policy was centered on consolidating the gains from historic-low policy rate at 5.75% till January, FY18 and striking a balance between subdued inflation and emerging pressures on external accounts. The SBP changed the monetary policy stance in January 2018 by 25 bps to 6 percent to anchor expected rise in inflation in view of reversal of international oil and commodities prices and to address domestic demand pressure as well as exchange rate movement. In March 2018, the Monetary Policy Committee decided to maintain policy rate at 6.0 percent for the next two months to see impact of policy. However, The Central Bank increased the policy rate by 50bps to 6.50% under its monetary policy statement announced on May 25, 2018. The central bank's decision was based on (i) rising international oil prices which may translate into inflationary pressures going forward (ii) elevated aggregate demand which has kept imports high offsetting the impact of growth in exports worsening the current account deficit and (iii) a lack of foreign inflows amidst absence of triggers. Pakistan's foreign exchange reserves have decreased to US\$ 16.4 billion at June end 2018 compared to US\$ 21.4 billion at June end 2017. The level of foreign exchange reserves declined on the back of widening current account deficit not being fully offset by financial inflows despite growth in export earnings and remittance inflows.

AIF's Net Asset Value increased by 4.82% to Rs. 536.95 as on June 30, 2018. The benchmark average six months KIBOR rate stood at 6.35% during the period under review. AIF's current asset allocation is 2.16% in Treasury Bills, 2.28% in MTS, 26.96% in TFC/Sukuks, 66.56% in cash/deposits and 1.16% in Commercial Paper. The Net Assets of the Fund stood at Rs 6.74 billion with 12.55 million units outstanding as of June 30, 2018.

AIF return was lower than the benchmark. During the year, duration was reduced in AIF to lower the interest rate risk on account of worsening external account balance and possible resurgence in inflation which may lead to increase in interest rates.

TRUSTEE REPORT TO THE UNIT HOLDERS

Report of the Trustee pursuant to Regulation 41(h) and Clause 9 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We, Central Depository Company of Pakistan Limited, being the Trustee of Atlas Income Fund (the Fund) are of the opinion that Atlas Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2018 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Karachi: 11 September 2018

Aftab Ahmed Diwan
Chief Executive Officer
Central Depository Company of Pakistan Limited

INDEPENDENT AUDITOR'S REPORT

To the Unit holders of Atlas Income Fund Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Atlas Income Fund** (the Fund), which comprise the statement of financial position as at June 30, 2018, and the statement of income, comprehensive income, cash flows and movement in unit holders' fund for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, or give a true and fair view of the financial position of the Fund as at June 30, 2018, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

Key Audit Matter	How our audit addressed the key audit matter
1. Existence and valuation of debt securities	
<p>As disclosed in note 5 to the accompanying financial statements of the Fund for the year ended 30 June 2018, the investments held by the Fund comprised of debt instruments which represent significant percentage of the total assets of the Fund as at the year end</p> <p>In view of the significance of these debt instruments in relation to the total assets and the NAV of the Fund, we have consider the existence and valuation of such debt instruments as a key audit matter</p>	<p>We performed a combination of audit procedures focusing on the existence and valuation of debt instruments. Our key procedure included the following:</p> <ul style="list-style-type: none">- We tested controls over acquisition, disposals and periodic valuation of debt instruments portfolio.- We performed substantive audit procedures on year-end balance of portfolio including review custodian's statement, related reconciliations and re-performance of debt instruments valuations on the basis of prices provided by the Mutual Fund Association of Pakistan (MUFAP).- We considered credit impairment provisions in respect of debt securities which have been classified and reported under default category by MUFAP at the valuation date and assessed the adequacy of the impairment provision against such securities with reference to the requirements laid down by the Securities and Exchange Commission of Pakistan's circular No. 33 of 2012.

Key Audit Matter	How our audit addressed the key audit matter
	<ul style="list-style-type: none"> - We assessed the Fund's compliance with the requirements of Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the Regulations) in relation to the concentration of debt instruments and exposure limits prescribed in such Regulations and the applicability of disclosures in this regard. - We also evaluated the adequacy of the overall disclosures in the financial statements in respect of the debt instruments portfolio in accordance with the requirements of the Regulations.
2. Amendment to the NBFC Regulations, 2008	
<p>As disclosed in note 3.12 to the accompanying financial statements of the Fund for the year ended 30 June 2018, the Securities and Exchange Commission of Pakistan through its SRO no. 756(I)/2017 dated 03 August 2017 made certain amendments in the Non-Banking Finance Companies and Notified Entities Regulation, 2008 (the NBFC Regulations).</p> <p>These amendments are considered significant to our audit because application of the said amendments resulted in change in accounting policy relating to presentation "element of income / loss" in the financial statements and certain additional disclosures with respect to 'Income Statement' and 'Statement of Movement in Unit Holders' Fund' (the Statements).</p>	<p>We assessed the appropriateness of the recognition, measurement and presentation of "element of income / loss" in accordance with the amended provisions of the NBFC Regulations. We also considered the guidelines issued by MUFAP in respect of the accounting for element of income / loss as per the revised Regulations and assessed its implementation by the Fund.</p> <p>We evaluated the adequacy of disclosures regarding the change in accounting policy with respect to element of income / loss in accordance with the requirements of the relevant financial reporting standards and the guidance issued by MUFAP in relation thereto.</p>

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other matter

The financial statements of the Fund for the year ended 30 June 2017, were audited by another auditor who expressed an unmodified opinion on those statements on 13 September 2017.

The engagement partner on the audit resulting in this independent auditor's report is Arslan Khalid.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Atlas Income Fund (the Fund) is an open ended mutual fund constituted under a Trust Deed entered into on 20 February 2003 between Atlas Asset Management Limited (AAML) as the Management Company and MCB Financial Services Limited (MCBFSL) as the Trustee. MCBFSL resigned on 11 June 2005 as the trustee and the Central Depository Company of Pakistan Limited (CDC) was appointed in its place with effect from that date. The Trust Deed has been revised through the Deed of Change of Trustee and the First, Second, Third, Fourth and Fifth Supplemental Trust Deeds dated 11 June 2005, 29 October 2007, 23 June 2010, 12 November 2010 and 23 May 2017 respectively with the approval of the Securities and Exchange Commission of Pakistan (SECP). Furthermore, the Offering Document of the Fund has been revised through the First, Second, Third, Fourth, Fifth, Sixth, Seventh, Eighth, Ninth, Tenth and Eleventh Supplements dated 21 June 2005, 29 October 2007, 29 February 2008, 23 June 2010, 12 November 2010, 14 October 2013, 24 March 2015, 3 August 2015, 13 April 2016, 29 September 2016 and 2 June 2017 respectively with the approval of the SECP. The investment activities and administration of the Fund are managed by Atlas Asset Management Limited situated at Ground Floor, Federation House, Shahrae Firdousi, Clifton, Karachi.
- 1.2 The Fund has been categorised as an 'income scheme' by the Board of Directors of the Management Company pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund were initially offered for public subscription at a par value of Rs 500 per unit. Thereafter, the units are being offered for public subscription on a continuous basis from 22 March 2004 and are transferable and redeemable by surrendering them to the Fund.
- 1.3 According to the trust deed, the objective of the Fund is to provide investors one window facility to invest in a diversified portfolio offering good returns and consistent growth. The Fund aims to deliver this objective mainly by investing in Government securities, cash in bank accounts, Certificate of Investments (COIs), money market placements, deposits, Certificates of Deposits (CODs), Certificates of Musharikas (COMs), Term Deposit Receipts (TDRs), commercial papers, reverse repos, term finance certificates (TFCs) / sukuks, transactions on Margin Trading System (MTS), spread transactions and any other instruments that may be allowed by the SECP. The investment objectives and policies are explained in the Fund's offering document.
- 1.4 The titles to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited (CDC) as the Trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of directives issued under the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the IFRSs, the provisions of and directives issued under the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

New Standards, Interpretations and Amendments

The Fund has adopted the following accounting standard and the amendments and interpretation of IFRSs which became effective for the current year:

Standard

IAS 7 Statement of Cash Flows - Disclosure Initiative - (Amendment)

IAS 12 Income Taxes – Recognition of Deferred Tax Assets for Unrealized losses (Amendments)

The adoption of the above amendments to accounting standards did not have any effect on the financial statements.

2.2 Standards, interpretations and amendments to published approved accounting standards that are not yet effective:

2.2.1 The following standards, amendments and interpretations with respect to the approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standard or interpretation:

Standard, interpretation or amendment	Effective date (accounting periods beginning on or after)
- IFRS 2: Share-based Payments – Classification and Measurement of Share-based Payments Transactions (Amendments)	01 January 2018
- IFRS 4 Insurance Contracts: Applying IFRS 9 Financial Instruments with IFRS 4 Insurance Contracts - (Amendments)	01 January 2018
- IFRS 9 - Financial Instruments	01 July 2018
- IFRS 9 - Prepayment Features with Negative Compensation - (Amendments)	01 January 2019
- IFRS 10 Consolidated Financial Statements and IAS 28 Investment in Associates and Joint Ventures - Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendment)	Not yet finalized
- IFRS 15 - Revenue from Contracts with Customers	01 July 2018
- IFRS 16 - Leases	01 January 2019
- IAS 19 - Plan Amendment, Curtailment or Settlement (Amendments)	01 January 2019

- IFRIC 22 Foreign Currency Transactions and Advance Consideration	01 January 2018
- IFRIC 23 Uncertainty over Income Tax Treatments	01 January 2019

The above standards and amendments are not expected to have any material impact on the Fund's financial statements in the period of initial application. However, the Fund is currently evaluating the requirements of IFRS-9 and potential impact on the financial statements of the Fund.

2.3 Critical accounting estimates and judgments

The preparation of financial statements in accordance with the approved accounting standards as applicable in Pakistan requires the management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The areas involving a degree of judgment or complexity, or areas where estimates and assumptions are significant to the financial statements are as follow:

- Classification and valuation of investments (note 3.1.1, 3.1.4 and 5)
- Impairment of financial assets (note 3.1.5)
- Taxation (note 3.11 and 19)
- Provisions (note 3.5, 5.9 and 12.1)

2.4 Accounting convention

These financial statements have been prepared under the historical cost convention except that investments have been carried at fair values.

2.5 Functional and presentation currency

These financial statements are presented in Pakistani Rupees, which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out as below. These policies have been applied consistently to all years except for the changes in accounting policies as explained in the note 3.12 below.

3.1 Financial assets

3.1.1 Classification

The management determines the appropriate classification of the financial assets of the Fund in accordance with the requirements of International Accounting Standard (IAS) 39: 'Financial Instruments: Recognition and Measurement' at the time of the purchase of the financial assets and re-evaluates this classification on a regular basis. The classification depends on the purpose for which the financial assets are acquired. The financial assets of the Fund are categorised as follows:

a) Financial assets at fair value through profit or loss

These are acquired principally for the purpose of generating profits from short-term fluctuations in prices.

b) Loans and receivables

These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market.

c) Available-for-sale

These are those non-derivative financial assets that are designated as available for sale or are not classified as (a) financial assets at fair value through profit or loss, or (b) loans and receivables. These are intended to be held for an indefinite period of time which may be sold in response to the needs for liquidity or change in price.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

3.1.2 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset. Regular way purchases / sales of assets require delivery of securities within two days from the transaction date as per the stock exchange regulations.

3.1.3 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

3.1.4 Subsequent measurement

Subsequent to initial recognition, financial assets are valued as follows:

a) 'Financial assets at fair value through profit or loss' and 'available-for-sale financial assets'

Basis of valuation of debt securities

The investments of the Fund in debt securities is valued on the basis of rates determined by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by the SECP for valuation of debt securities. In the determination of the rates MUFAP takes into account the holding pattern of these securities and categorises them as traded, thinly traded and non-traded securities.

Basis of valuation of government securities

The investments of the Fund in government securities is valued on the basis of rates announced by the Financial Markets Association of Pakistan.

Basis of valuation of equity securities

The investments of the Fund in equity securities are valued on the basis of closing quoted market prices available at the stock exchange. A security listed on the stock exchange is valued at the closing price determined by such exchange in accordance with its regulations.

Net gains and losses arising from changes in the fair value of financial assets carried 'at fair value through profit or loss' are taken to the Income Statement.

Net gains and losses arising from changes in the fair value of available-for-sale financial assets are taken to the 'statement of comprehensive income' until these are derecognised or impaired. At this time, the cumulative gain or loss previously recognised directly in the 'statement of comprehensive income' is transferred to the Income Statement.

b) Loans and receivables

These are carried at amortised cost using the effective interest method.

Gains or losses are recognised in the Income Statement through the amortisation process or when the financial assets carried at amortised cost are derecognised or impaired.

3.1.5 Impairment

The Fund assesses at each reporting date whether there is objective evidence that a financial asset or a group of financial assets is impaired. If such an indication exists, the recoverable amount of such asset is estimated. An impairment loss is recognised whenever the carrying amount of an asset exceeds the recoverable amount.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

a) Available-for-sale financial assets

Impairment loss on equity securities

In case of equity securities classified as available-for-sale, a significant or prolonged decline in the fair value of the security below its cost is considered in determining whether the security is impaired. If the evidence of impairment exists, the cumulative loss measured as the difference between the acquisition cost and the current fair value, less any impairment loss on that financial asset previously recognised in the Income Statement is reclassified from 'unit holders' fund' to the Income Statement. Impairment losses recognised in the Income Statement on equity securities are not reversed through the Income Statement.

Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the Income Statement.

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, in accordance with the provisioning policy duly approved by the Board of Directors and placed by the Management Company on its website.

b) Loans and receivables

For financial assets classified as 'loans and receivables', a provision for impairment is established when there is an objective evidence that the Fund will not be able to collect all amounts due according to the original terms. The amount of the provision is determined based on the provisioning criteria specified by the SECP.

3.1.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the Income Statement.

3.1.7 Derivatives

Derivative instruments are initially recognised at fair value and subsequent to initial measurement each derivative instrument is remeasured to its fair value and the resultant gain or loss is recognised in the Income Statement.

3.2 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the Income Statement.

3.3 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

3.4 Margin Trading System

Transactions of purchase under Margin Trading System (MTS) of marketable securities are entered into contracted rates for specified periods of time. Securities purchased under MTS are not recognised in the Statement of Assets and Liabilities. The amount paid under such agreements is recognised as receivable in respect of MTS. Profit is recognised on an accrual basis using the effective interest method. Cash releases are adjusted against the receivable as a reduction in the amount of receivable. The maximum maturity of an MTS contract is 60 calendar days out of which 25 percent exposure is automatically released at expiry of every 15th day from the day of contract.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Net asset value per unit

The Net Asset Value (NAV) per unit as disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.7 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the application received by the Management Company / distributors during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load and provision of any duties and charges if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price applicable to units for which the Management Company / distributors receive redemption application during business hours of that day. The redemption price is equal to NAV as of the close of the business day, less an amount as the Management Company may consider to be an appropriate provision of duties and charges.

3.8 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Distribution Committee of the Board of Directors of the Management Company under powers delegated to them by the Board of Directors of the Management Company or declaration and approval by the Board of Directors of the Management Company.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the period in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.9 Revenue recognition

- Capital gains / (losses) arising on sale of investments are recorded at the date at which the transaction takes place.
- Income from investments in term finance certificates / sukuks and government securities is recognised on an accrual basis using effective interest method at the rate of return implicit in the instrument.
- Unrealised gains / (losses) arising on re-measurement of investments classified as 'financial assets at fair value through profit or loss' are recorded in the period in which these arise.
- Interest income on bank balances, term deposits and MTS transactions is recognised on an accrual basis.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

3.10 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

3.11 Taxation

Current

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend.

Deferred

The Fund provides for deferred taxation using the balance sheet liability method on all major temporary differences between the amounts used for financial reporting purposes and the amounts used for taxation purposes. In addition, the Fund also records deferred tax asset on unutilised tax losses to the extent that it is probable that the related tax benefit will be realised. However, the Fund has not recognised any amount in respect of deferred tax in these financial statements as the Fund intends to continue availing the tax exemption in future years by distributing at least ninety percent of its accounting income for the year as reduced by capital gains, whether realised or unrealised, to its unit holders every year as cash dividend.

3.12 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

The SECP through its SRO no. 756(I)/2017 dated August 03, 2017 has made certain amendments in the NBFC Regulations with respect to the accounting treatment and disclosure requirements as summarized below:

(a) The notification includes a definition and explanation relating to "element of income" and excludes the element of income from the expression "accounting income" as described in Regulation 63 (amount distributable to unit holders) of the NBFC Regulations. As per the notification, element of income represents the difference between net assets value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting year.

(b) The revised regulations also specify that element of income is a transaction of capital nature and the receipt and payment of element of income shall be taken to unit holders' fund.

(c) The regulations also require certain additional disclosures with respect to 'Income Statement' and 'Statement of Movement in Unit Holders' Fund', whereas disclosure with respect to 'Distribution Statement' has been deleted in the revised regulations."

Previously, the net element of income / (loss) and capital gains / (losses) relating to units issued and redeemed during an accounting year was recognised in the Income Statement.

The above changes resulted in a change in accounting policy with respect to the presentation element of income / (loss) and capital gains / (loss). As required by IAS 8: 'Accounting Policies, Changes in Accounting Estimates and Errors', a change in accounting policy requires retrospective application as if that policy had always been applied. However, the Management Company has applied the above changes in accounting policy, including the additional disclosures requirements in the 'Income Statement' and 'Statement of Movement in Unit Holders' Fund', prospectively from July 1, 2017 as required by SECP vide its SRO no. 756(I)/2017 dated August 03, 2017. Accordingly, corresponding figures have not been restated.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

Had the element of income been recognised as per the previous accounting policy, the income of the Fund would have been higher by Rs. 150.5 million. However, the change in accounting policy does not have any impact on the 'Cash Flow Statement', the 'net assets attributable to the unit holders' and 'net asset value per unit' as shown in the 'Statement of Assets and Liabilities' and 'Statement of Movement in Unit Holders' Fund'. The change has resulted in inclusion of certain additional disclosures / new presentation requirements in the 'Income Statement' and 'Statement of Movement in Unit Holders' Fund which have been incorporated in these statements.

Additionally, the revised regulations required that for the purpose of maintaining the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund will be refunded on units in the same proportion as dividend bears to accounting income available for distribution.

The income paid on redemption of units during the year will be considered as distribution of income during the year and therefore, will be deducted from the net income to arrive at the income available for distribution to the unit holders at the end of the year. MUFAP, in consultation with the SECP, has specified the methodology of determination of income paid on units redeemed during the year which has been followed by the Fund.

- 7.1 As per clause 47(B) of part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to collective investment schemes (CISs) are exempt from withholding tax under section 151. However, during the year ended 30 June 2016, withholding tax on profit on bank deposits and debt securities paid to the Fund was deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated 12 May 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholders. The amount of tax withheld on profit on bank deposits and debt securities as at 30 June 2018 amounts to Rs 2.80 million and Rs 5.37 million respectively.

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On 28 January 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all Funds managed by the Company to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other Asset Management Companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit received by the Fund on bank deposits and debt securities has been shown as other receivables as at 30 June 2018 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

		33,860,303	34,141,339

8.1 In accordance with the provisions of the NBFC Regulations, 2008 vide SRO 1160(1)/2015 dated 25 November 2015, the Management Company is entitled to receive a remuneration at the rate not exceeding 1.50% of the average annual net assets in case of income schemes. Previously, the Management Company was entitled to receive a remuneration during the first five years of the Fund, at the rate not exceeding 3% of the average annual net assets of the Fund and, thereafter, at the rate of 2% of such assets. Accordingly, the Management Company has charged its remuneration at the rate of 0.80% (2017: 0.80%) per annum of the average annual net assets of the year. The fee is payable to the Management Company monthly in arrears.

8.2 During the year, an amount of Rs.10,213,525 (2017: Rs 9,483,626) was charged on account of sales tax on remuneration of the Management Company levied through Sindh Sales Tax on Services Act, 2011, and an amount of Rs.10,236,876 (2017: Rs. 9,335,444) has been paid to the Management Company which acts as a collecting agent.

8.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) with effect from 13 June 2013. As the asset management services rendered by the Management Company of the Fund were already subject to provincial sales tax on services levied by the Sindh Revenue Board (as explained in note 8.2 above) which is being charged to the Fund, the Management Company was of the view that further levy of FED was not justified.

On 4 September 2013, a Constitutional Petition was filed in the Honourable Sindh High Court (SHC) jointly by various asset management companies, together with their representative Collective Investment Schemes through their trustees, challenging the levy of FED.

During the previous year, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

With effect from 01 July 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from 1 July 2016. However, as a matter of abundant caution the provision for FED made for the period from 13 June 2013 till 30 June 2016 amounting to Rs 23.583 million (30 June 2017: Rs 23.583 million) is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Has the said provision for FED not been recorded in the financial statements of the Fund, the net asset value of the Fund as at 30 June 2018 would have been higher by Rs. 1.88 per unit (30 June 2017: Rs 0.96 per unit).

		41,827,392	110,634,308

12.1 As a consequence of the 18th amendment to the Constitution of Pakistan, in May 2015 the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) was passed by the government of Sindh as a result of which every industrial establishment located in the Province of Sindh, the total income of which in any accounting year is not less than Rs 0.50 million, is required to pay Sindh Workers' Welfare Fund (SWWF) in respect of that year a sum equal to two percent of such income. The matter was taken up by the MUFAP with the Sindh Revenue Board (SRB) collectively on behalf of various asset management companies and their CISs whereby it was contested that mutual funds should be excluded from the ambit of the SWWF Act as these were not industrial establishments but were pass through investment vehicles and did not employ workers. The SRB held that mutual funds were included in the definition of financial institutions as per the Financial Institution (Recovery of Finances) Ordinance, 2001 and were, hence, required to register and pay SWWF under the SWWF Act. However, it may be stated that under the Companies Act, 2017 mutual funds are explicitly excluded from the definition of financial institution. Thereafter, MUFAP took up the matter with the Sindh Finance Ministry to have CISs / mutual funds excluded from the applicability of SWWF.

In view of the above developments regarding the applicability of WWF and SWWF on CISs / mutual funds, MUFAP has recommended the following to all its members on 12 January 2017:

- based on legal opinion, reverse the entire provision against WWF on 12 January 2017 held by the CISs till 30 June 2015; and
- as a matter of abundant caution, create provision in respect of SWWF on 12 January 2017 with effect from the date of enactment of the SWWF Act, 2014 (i.e. starting from 21 May 2015).

The above decisions were communicated to the SECP and the Pakistan Stock Exchange Limited on 12 January 2017 in response to which the SECP vide its letter dated 1 February 2017 advised MUFAP that the adjustments relating to the above should be prospective and supported by adequate disclosures in the financial statements of the CISs / mutual funds.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

Accordingly, necessary adjustments in this respect were recorded in the books of the Fund on 12 January 2017 whereby the entire provision for WWF was reversed and the provision for SWWF was made for the period from 21 May 2015 to 12 January 2017. Thereafter, the provision for SWWF is being made by the Fund on a daily basis going forward.

Had the provision for SWWF not been recorded in these financial statements of the Fund, the net asset value of the Fund as at 30 June 2018 would have been higher by Rs. 1.81 per unit (30 June 2017: Rs. 0.54 per unit).

17 ACCOUNTING AND OPERATIONAL CHARGES

In accordance with the provisions of the NBFC Regulations, 2008 (amended vide S.R.O 1160(I) / 2015 dated 25 November 2015), the Management Company of the Fund is entitled to reimbursement of fees and expenses in relation to registrar services, accounting, operation and valuation services related to the Fund upto a maximum of 0.1% of the average annual net assets of the Scheme or actual whichever is less. Accordingly, the Management Company has charged accounting and operational charges to the Fund in respect of the back office accounting function to an independent service provider.

18 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at 30 June 2018 is 1.34% (30 June 2017:1.55%) which includes 0.29% (30 June 2017:0.35%) representing government levies on the Fund such as provision for Sindh Workers' Welfare Fund, sales taxes, annual fee to the SECP, etc. This ratio is within the maximum limit of 2% prescribed under the NBFC Regulations for a collective investment scheme categorised as an income scheme.

19 TAXATION

The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unitholders. Since the management has distributed the required minimum percentage of income earned by the Fund for the year ended 30 June 2018 subsequent there to the unit holders in the manner as explained above, no provision for taxation has been made in these financial statements during the year.

20 EARNINGS PER UNIT

Earnings per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating earnings per unit is not practicable.

21 TRANSACTIONS WITH RELATED PARTIES / CONNECTED PERSONS

21.1 Connected persons include Atlas Asset Management Limited being the Management Company, the Central Depository Company Limited being the Trustee, other collective investment schemes managed by the Management Company, any person or company beneficially owning directly or indirectly ten percent or more of the capital of the Management Company or the net assets of the Fund, directors and their close family members and key management personnel of the Management Company.

24 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, Fund's constitutive documents and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

24.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal guidelines established by the Investment Committee.

Market risk comprises of three types of risks: yield / interest rate risk, currency risk, and price risk.

(i) Yield / interest rate risk

Yield / interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. As of 30 June 2018, the Fund is exposed to such risk on its balances held with banks, investments in term finance and sukuk certificates and investments in government securities. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds KIBOR based term finance and sukuks certificates and balances with banks which expose the Fund to cash flow interest rate risk. In case of 100 basis points increase/decrease in applicable rates on the last repricing date with all other variables held constant, the net income for the year and net assets of the Fund would have been higher/lower by Rs. 66.592 million (2017: Rs. 6.151 million).

b) Sensitivity analysis for fixed rate instruments

As at 30 June 2018, the Fund holds market treasury bills which are classified as financial assets at fair value through profit or loss' exposing the Fund to fair value interest rate risk. In case of 100 basis points increase in rates announced by the Financial Markets Association of Pakistan for market treasury bills and with all other

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

variables held constant, the net income for the year and net assets of the Fund would have been lower by Rs. 1.5 million (2017: Rs. 0.179 million). In case of 100 basis points decrease in those rates, the net income for the year and net assets of the Fund would have been higher by Rs. 1.5 million (2017: Rs. 0.179 million).

The composition of the Fund's investment portfolio, KIBOR rates and the rates announced by the Financial Markets Association of Pakistan are expected to change over time. Accordingly, the sensitivity analysis prepared as of 30 June 2018 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

Yield / interest rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at 30 June 2018 can be determined as follows:

(ii) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

(iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Fund is exposed to equity price risk on investments held by the Fund and classified as 'available-for-sale'. Being an Income Fund, the Fund does not generally have any investment in equity securities and is, thus, not exposed to equity price risk other than on its investments in shares of Agritech Limited received as part of settlement agreement finalised between Azgard Nine Limited and its creditors, which carried a market value of Rs. Nil on 30 June 2018 (2017: Rs. 2.717 million).

In case of 5% increase / decrease in PSX 100 index on 30 June 2018, with all other variables held constant, the total comprehensive income of the Fund for the year would increase / decrease by Rs. Nil (2017: Rs. 135,854) and the net assets of the Fund would increase / decrease by the same amount as a result of gains / losses on equity securities classified as available-for-sale.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

The analysis is based on the assumption that equity index had increased / decreased by 5% with all other variables held constant and all the Fund's equity instruments moved according to the historical correlation with the index. This represents management's best estimate of a reasonable possible shift in the PSX 100 Index, having regard to the historical volatility of the index. The composition of the Fund's investment portfolio and the correlation thereof to the PSX 100 Index, is expected to change over time. Accordingly, the sensitivity analysis prepared as of 30 June 2018 is not necessarily indicative of the effect on the Fund's net assets of future movements in the level of the PSX 100 Index.

24.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. Its policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month:

24.3 Credit risk

24.3.1 Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due. The table below analyses the Fund's maximum exposure to credit risk:

	2018	2017
	Rupees	
Bank balances and term deposits	4,566,844,339	9,679,898,539
Investments in debt instruments	1,929,069,837	1,779,325,142
Receivable against issue of units	-	43,351,347
Receivable against Margin Trading System	156,652,992	260,438,209
Interest / profit accrued	49,472,429	56,382,183
Deposits	2,850,000	74,463,580
	6,704,889,597	11,893,859,000

The maximum exposure to credit risk before any credit enhancement as at 30 June 2018 is the carrying amount of the financial assets. Investment in government securities, however, are not exposed to credit risk and have been excluded from the above analysis as these are guaranteed by the Government of Pakistan.

There is a possibility of default by participants or failure of the financial market / stock exchanges, the depositories, the settlements or clearing systems, etc. Settlement risk on equity securities is considered minimal because of inherent controls established in the settlement process. The Fund's policy is to enter into financial contracts in accordance with internal risk management policies and instruments guidelines approved by the Investment Committee.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

24.3.2 Credit quality of financial assets

The Fund's significant credit risk (excluding credit risk relating to settlement of equity securities) arises mainly on account of its placements with banks and investments in term finance and sukuk certificates. The credit rating profile of banks and issuers of TFCs is as follows:

Rating	% of financial assets exposed to credit risk	
	2018	2017
AAA	48.25	56.30
AA+	37.06	21.63
AA	2	15.70
AA-	12.25	5.92
A+	0.82	0.45
	100.00	100.00

24.3.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors affect the group of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's investments in term finance and sukuk certificates are broadly diversified thereby mitigating any significant concentration of credit risk. The table below analyses the Fund's concentration of credit risk by industrial distribution for its exposure in term finance and sukuk certificates:

	% of debt instruments	
	2018	2017
Banks	89.18	100.00
Fertilizers	10.82	0.00
	100.00	100.00

25 FAIR VALUE MEASUREMENT

Fair value is the amount for which an asset could be exchanged or a liability settled between knowledgeable willing parties in an arm's length transaction. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at 30 June 2018 and 30 June 2017, the Fund held the following financial instruments measured at fair values:

	Level 1	Level 2 Rupees	Level 3
2018			
At fair value through profit or loss	-	2,077,435,737	-

26 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. These units are entitled to dividends and to payment of a proportionate share based on the Fund's Net Asset Value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restriction on the subscription and redemption of units. As required under the NBFC Regulations, 2008 every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirement of minimum fund size at all times.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 24, the Fund endeavours to invest the subscriptions received in appropriate investment avenues while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by disposal of investments or short-term borrowings, where necessary.

Fund Manager's Report

Atlas Stock Market Fund (ASMF) is an open-ended equity fund. The Fund aims to achieve appreciation in the value of amount invested along with modest income and to provide the investors with liquidity and the facility to join or leave the fund at their convenience. ASMF investment strategy is based on the belief that fundamental economic and sector analysis drives long term out performance, and that active portfolio management can produce consistently superior results than those produced through passive management. The Fund emphasizes medium to long-term investment views and involves the application of relative value analysis to industry sectors.

KSE- 100 Index serves as the performance benchmark of Atlas Stock Market Fund.

The KSE-100 index decreased from 46,565.29 points as on June 30, 2017 to 41,910.90 points as on June 30, 2018, decreasing by 10.00%. The average volumes during the year decreased by 56% to 175 million shares from 399 million shares traded last year. Net Foreign portfolio outflow during the year was recorded at US\$289 million compared to outflow of US\$652 million last year. On the local front Insurance Companies, and Companies were the most active participants investing US\$204 million and US\$100 million during the period. Broker Proprietary Trading Accounts, Mutual Funds and Banks/DFIs, on the other hand, reduced their exposure in the equity market by US\$44 million, US\$35 million and US\$10 million, respectively.

During the period the sectors that outperformed the market were Oil and Gas Exploration, Fertilizer, Chemical, Textile Spinning and Banks that posted 20.2%, 3.4%, 0.5%, -7.1% and -9.8% returns, respectively.

The Net Asset Value per unit of ASMF decreased by 4.75% to Rs.620.86 as on June 30, 2018. The benchmark KSE-100 index decreased by 10.00% during the same period. The major outperformers for the index were PPL, POL, BAHF, EFERT, FFC, OGDC, PAKT, BAFL and HMB as they contributed approximately 3,064 points to the index. Decline in share price of HBL, LUCK, UBL, DGKC, PAEL, HUBC, HCAR, MLCF, SNGP and FCCL led index to shed 4,876 points.

The ASMF's equity portfolio exposure was mainly in Commercial Bank, Oil & Gas Exploration and Fertilizer sectors. ASMF strategy will continue to focus on dividend plays and stocks, which are trading at relatively cheap multiples with earning growth prospects. The Net Assets of the Fund stood at Rs 5.38 billion, with 8.66 million units outstanding as of June 30, 2018.

TRUSTEE REPORT TO THE UNIT HOLDERS

Report of the Trustee pursuant to Regulation 41(h) and Clause 9 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We, Central Depository Company of Pakistan Limited, being the Trustee of Atlas Stock Market Fund (the Fund) are of the opinion that Atlas Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2018 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

INDEPENDENT AUDITOR'S REPORT

To the Unit holders of Atlas Stock Market Fund Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Atlas Stock Market Fund** (the Fund), which comprise the statement of financial position as at June 30, 2018, and the statement of income, comprehensive income, cash flows and movement in unit holders' fund for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, or give a true and fair view of the financial position of the Fund as at June 30, 2018, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

Key Audit Matter	How our audit addressed the key audit matter
1. Existence and valuation of equity investments	
<p>As disclosed in note 5 to the accompanying financial statements of the Fund for the year ended 30 June 2018, the investments held by the Fund comprised of listed shares which represent 91.94% of the total assets of the Fund as at the year end.</p> <p>In view of the significance of investments in relation to the total assets and the Net Asset Value (NAV) of the Fund, we have</p>	<p>We performed a combination of audit procedures focusing on the existence and valuation of investments. Our key procedure included the following:</p> <ul style="list-style-type: none">- We tested controls over acquisition, disposals and periodic valuation of instruments portfolio.- We performed substantive audit procedures on year-end balance of portfolio including review of custodian's statement, related reconciliations and re-performance of investment valuations on the basis of quoted market prices at the Pakistan Stock Exchange Limited as at 30 June 2018.- We assessed the Fund's compliance with the requirements of Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the Regulations) in relation to the concentration of investments and exposure limits prescribed in such Regulations and the applicability of disclosures in this regard.

Key Audit Matter	How our audit addressed the key audit matter
	<ul style="list-style-type: none"> - We also evaluated the adequacy of the overall disclosures in the financial statements in respect of the investment portfolio in accordance with the requirements of the Regulations.
2. Amendment to the NBFC Regulations, 2008	
<p>As disclosed in note 3.9 to the accompanying financial statements of the Fund for the year ended 30 June 2018, the Securities and Exchange Commission of Pakistan through its SRO no. 756(I)/2017 dated 03 August 2017 made certain amendments in the Non-Banking Finance Companies and Notified Entities Regulation, 2008 (the NBFC Regulations).</p> <p>These amendments are considered significant to our audit because application of the said amendments resulted in change in accounting policy relating to presentation "element of income / loss" in the financial statements and certain additional disclosures with respect to 'Income Statement' and 'Statement of Movement in Unit Holders' Fund' (the Statements).</p>	<p>We assessed the appropriateness of the recognition, measurement and presentation of "element of income / loss" in accordance with the amended provisions of the NBFC Regulations. We also considered the guidelines issued by Mutual Funds Association of Pakistan (MUFAP) in respect of the accounting for element of income / loss as per the revised Regulations and assessed its implementation by the Fund.</p> <p>We evaluated the adequacy of disclosures regarding the change in accounting policy with respect to element of income / loss in accordance with the requirements of the relevant financial reporting standards and the guidance issued by MUFAP in relation thereto.</p>

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other matter

The financial statements of the Fund for the year ended 30 June 2017, were audited by another auditor who expressed an unmodified opinion on those statements on 13 September 2017.

The engagement partner on the audit resulting in this independent auditor's report is Arslan Khalid.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Atlas Stock Market Fund (the Fund) is an open ended Mutual Fund constituted under a Trust Deed entered into on 29 May 2004 between Atlas Asset Management Limited (AAML) as the management company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The Trust Deed has been revised through the First, Second, Third, Fourth, Fifth AND Sixth Supplemental Trust Deeds dated 21 June 2005, 24 July 2006, 29 October 2007, 6 March 2008, 4 December 2009 and 23 May 2017 respectively, with the approval of the Securities and Exchange Commission of Pakistan (SECP). The Offering Document has been revised through the First, Second, Third, Fourth, Fifth, Sixth, Seventh, Eighth, Ninth, Tenth and Eleventh Supplements dated 21 June 2005, 24 July 2006, 29 October 2007, 6 March 2008, 4 December 2009, 14 October, 2013, 24 March 2015, 03 August 2015, 29 September 2016, 2 June 2017 and 25 May 2018 respectively, with the approval of the SECP. The registered office of AAML is situated at Ground Floor, Federation House, Shahrae Firdousi, Clifton, Karachi.
- 1.2 The Fund has been categorised as an 'equity scheme' by the Board of Directors of the Management Company pursuant to the provisions contained in Circular 7 of 2009. The Fund is listed on the Pakistan Stock Exchange Limited. The units of the Fund were initially offered for public subscription at a par value of Rs. 500 per unit. Thereafter, the units are being offered to the public for subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.
- 1.3 According to the trust deed, the objective of the Fund is to provide investors one window facility to invest in a diversified portfolio of equity securities offering consistent returns and growth. The Fund aims to deliver this objective mainly by investing in equity securities of companies that are paying regular dividend, have growth prospects or are actively traded. Any amounts which have not been invested in equity securities may be invested in liquid instruments including bank deposits (excluding TDRs) and treasury bills not exceeding 90 days maturity. The investment objectives and policies are more fully defined in the Fund's Offering Document.
- 1.4 Titles to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of directives issued under the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the IFRSs, the provisions of and directives issued under the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

New Standards, Interpretations and Amendments

The Fund has adopted the following accounting standard and the amendments and interpretation of IFRSs which became effective for the current year:

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

Standard

IAS 7 Statement of Cash Flows - Disclosure Initiative - (Amendment)

The above standards and amendments are not expected to have any material impact on the Fund's financial statements in the period of initial application. However, the Fund is currently evaluating the requirements of IFRS-9 and potential impact on the financial statements of the Fund.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

2.3 Critical accounting estimates and judgments

The preparation of financial statements in accordance with the approved accounting standards as applicable in Pakistan requires the management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The areas involving a degree of judgment or complexity, or areas where estimates and assumptions are significant to the financial statements are as follow:

- Classification and valuation of investments (note 3.2.1, 3.2.4 and 5)
- Impairment of financial assets (note 3.2.5)
- Taxation (note 3.12 and 17)
- Provisions (note 3.5 and 11.1)

2.4 Accounting convention

These financial statements have been prepared under the historical cost convention except that certain investments have been carried at fair values.

2.5 Functional and presentation currency

These financial statements are presented in Pakistani Rupees, which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out as below. These policies have been applied consistently to all years except for the changes in accounting policies as explained in the note 3.9 below.

3.1 Cash and cash equivalents

These comprise balances with banks, cheques in hand and short-term highly liquid investments with original maturities of three months or less.

3.2 Financial assets

3.2.1 Classification

The management determines the appropriate classification of the financial assets of the Fund in accordance with the requirements of International Accounting Standard (IAS) 39: 'Financial Instruments: Recognition and Measurement' at the time of the purchase of the financial assets and re-evaluates this classification on a regular basis. The classification depends on the purpose for which the financial assets are acquired. The financial assets of the Fund are categorised as follows :

a) Financial assets at fair value through profit or loss

These are acquired principally for the purpose of generating profit from short-term fluctuations in prices.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

b) Loans and receivables

These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market.

c) Available-for-sale

These are those non-derivative financial assets that are designated as available-for-sale or are not classified as (a) financial assets at fair value through profit or loss, or (b) loans and receivables. These are intended to be held for an indefinite period of time which may be sold in response to the needs for liquidity or change in price.

3.2.2 Regular way contracts

All regular way purchases / sales of financial assets are recognised on the trade date, i.e. the date on which the Fund commits to purchase / sell the financial assets. Regular way purchases / sales of financial assets require delivery of securities within two days after the transaction date as per the stock exchange regulations.

3.2.3 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value and transaction costs are expensed in the Income Statement.

3.2.4 Subsequent measurement

Subsequent to initial recognition, financial assets are valued as follows:

a) 'Financial assets at fair value through profit or loss' and 'available-for-sale financial assets'

Basis of valuation of equity securities

The investments of the Fund in equity securities are valued on the basis of closing quoted market prices available at the stock exchange. A security listed on the stock exchange shall be valued at the closing price determined by such exchange in accordance with its regulations.

Net gains and losses arising on changes in the fair values of financial assets carried 'at fair value through profit or loss' are taken to the Income Statement.

Net gains and losses arising from changes in fair value of 'available-for-sale financial assets' are taken to the Statement of Comprehensive Income as 'other comprehensive income' until these are derecognised or impaired. At this time, the cumulative gain or loss previously recognised as 'other comprehensive income' is transferred to the Income Statement as capital gain / (loss).

b) Loans and receivables

These are carried at amortised cost using the effective interest method.

Gains or losses are recognised in the Income Statement through the amortisation process or when the financial assets carried at amortised cost are derecognised or impaired.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

3.2.5 Impairment

The Fund assesses at each reporting date whether there is objective evidence that the financial asset or a group of financial assets is impaired. In case of equity securities classified as available-for-sale, a significant or prolonged decline in the fair value of the security below its cost is considered, among other indicators, as an indicator that the securities are impaired. If any such evidence exists for available-for-sale financial assets, the cumulative loss measured as the difference between the acquisition cost and the current fair value, less any impairment loss on that financial asset previously recognised in income statement is reclassified from unit holders' fund to Income Statement. Impairment losses recognised on equity instruments are not reversed through the Income Statement.

For financial assets classified as 'loans and receivables', a provision for impairment is established when there is objective evidence that the Fund will not be able to collect all amounts due according to the original terms. The amount of the provision is determined based on the provisioning criteria specified by the SECP.

3.2.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the investments have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership.

3.2.7 Derivatives

Derivative instruments are initially recognised at fair values and subsequent to initial measurement each derivative instrument is remeasured to its fair value and the resultant gain or loss is recognised in the Income Statement.

3.3 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired.

3.4 Offsetting of financial assets and liabilities

Financial assets and financial liabilities are only offset and the net amount reported in the statement of assets and liabilities when there is a legally enforceable right to set off the recognised amount and the Fund intends to either settle on a net basis, or to realise the asset and settle the liability simultaneously.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Net asset value per unit

The net asset value (NAV) per unit disclosed in the statement of assets and liabilities is calculated by dividing the net assets of the Fund by the number of units in issue at the year end.

3.7 Issue and redemption of units

Units issued are recorded at the offer price determined by the Management Company / distributors for the application received during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load and provision of any duties and charges if applicable. The sales load is payable to the Management Company / distributors.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

Units redeemed are recorded at the redemption price applicable to units for which the Management Company / distributors receive redemption applications during business hours of that day. The redemption price is equal to the NAV as of the close of the business day, less an amount as the management company may consider to be an appropriate provision of duties and charges.

3.8 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Distribution Committee of the Board of Directors of the Management Company under the powers delegated to them by the Board of Directors of the Management Company or declaration and approval by the Board of Directors of the Management Company.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the period in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.9 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

The SECP through its SRO no. 756(I)/2017 dated August 03, 2017 has made certain amendments in the NBFC Regulations with respect to the accounting treatment and disclosure requirements as summarized below:

(a) The notification includes a definition and explanation relating to "element of income" and excludes the element of income from the expression "accounting income" as described in Regulation 63 (amount distributable to unit holders) of the NBFC Regulations. As per the notification, element of income represents the difference between net assets value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting year.

(b) The revised regulations also specify that element of income is a transaction of capital nature and the receipt and payment of element of income shall be taken to unit holders' fund.

(c) The regulations also require certain additional disclosures with respect to 'Income Statement' and 'Statement of Movement in Unit Holders' Fund', whereas disclosure with respect to 'Distribution Statement' has been deleted in the revised regulations.

Previously, the net element of income / (loss) and capital gains / (losses) relating to units issued and redeemed during an accounting year was recognised in the Income Statement.

The above changes resulted in a change in accounting policy with respect to the presentation element of income / (loss) and capital gains / (loss). As required by IAS 8: 'Accounting Policies, Changes in Accounting Estimates and Errors', a change in accounting policy requires retrospective application as if that policy had always been applied. However, the Management Company has applied the above changes in accounting policy, including the additional disclosures requirements in the 'Income Statement' and 'Statement of Movement in Unit Holders' Fund', prospectively from July 1, 2017 as required by SECP vide its SRO no. 756(I)/2017 dated August 03, 2017. Accordingly, corresponding figures have not been restated.

Had the element of income been recognised as per the previous accounting policy, the income of the Fund would have been higher by Rs. 12.30 million. However, the change in accounting policy does not have any impact on the Cash Flow Statement, the 'net assets attributable to the unit holders' and 'net asset value per unit' as shown in the Statement of Assets and Liabilities and 'Statement of Movement in Unit Holders' Fund'. The change has resulted in inclusion of certain additional disclosures / new presentation requirements in the 'Income Statement' and 'Statement of Movement in Unit Holders' Fund' which have been incorporated in these statements.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

Additionally, the revised regulations required that for the purpose of maintaining the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund will be refunded on units in the same proportion as dividend bears to accounting income available for distribution.

The income paid on redemption of units during the year will be considered as distribution of income during the year and therefore, will be deducted from the net income to arrive at the income available for distribution to the unit holders at the end of the year. MUFAP, in consultation with the SECP, has specified the methodology of determination of income paid on units redeemed during the year which has been followed by the Fund.

3.10 Revenue recognition

- Gains or losses on sale of investments are included in the Income Statement in the period in which these arise.
- Dividend income is recognised when the right to receive the dividend is established.
- Interest income on bank balances, placements and deposits is recognised on an accrual basis.
- Unrealised gains / losses arising on revaluation of investments classified as 'at fair value through profit or loss' is included in the Income Statement in the period in which these arise.

3.11 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

3.12 Taxation

Current

The Fund is exempt from taxation under Clause 99 of the Part I of the 2nd Schedule of the Income Tax Ordinance, 2001, subject to the condition that not less than 90% of its accounting income excluding realised and unrealised capital gains for the year is distributed amongst the Fund's unit holders. The Fund intends to avail this exemption for current and future periods. Accordingly, no provision is made for current and deferred taxation in these financial statements.

Deferred

The Fund provides for deferred taxation using the balance sheet liability method on all major temporary differences between the amounts used for financial reporting purposes and the amounts used for taxation purposes. In addition, the Fund also records deferred tax asset on unutilised tax losses to the extent that it is probable that the related tax benefit will be realised. However, the Fund has not recognised any amount in respect of deferred tax in these financial statements as the Fund intends to continue availing the tax exemption in future years by distributing at least ninety percent of its accounting income for the year as reduced by capital gains, whether realised or unrealised, to its unit holders every year as cash dividend.

3.13 Earnings per unit

Earnings per unit (EPU) has not been disclosed as in the opinion of the management the determination of cumulative weighted average number of outstanding units for the calculation of EPU is not practicable.

5.4 The investment in equity securities include the bonus shares having market value of Rs.0.94 million withheld by the investee companies, as issuance of bonus shares has been made taxable through Finance Act, 2014.

The management of the Fund jointly with other asset management companies and Mutual Funds Association of Pakistan, have filed various petitions in Honorable Sindh High Court challenging the levy of withholding of income tax on Bonus shares received by mutual funds based on the principle that exemption is already given to mutual funds

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

under clause 99 of Part I and clause 47B of Part IV of the Second Schedule of the Income Tax Ordinance, 2001. The Honorable Sindh High Court has granted stay orders while the matter is still pending adjudication.

The Honorable Supreme Court in its decision dated June 27, 2018 in a case held that the suits which are already pending or shall be filed in future, must only be maintained / entertained on the condition that a minimum of 50% of the tax calculated by the tax authorities is deposited with the authorities. In pursuance of said Supreme Court order, SHC issued notices of hearing for cases of tax related matters and held that Plaintiffs are directed to deposit 50% of amount claimed by the tax department, if the deposits are not made within time, the suits stand dismissed as not maintainable. MUFAP discussed this matter with the lawyer alongwith members of the AMC's, and it was agreed that 50% of the said tax withheld amount must have to be deposited, in order of saving our remaining 50% withheld tax amount. The lawyer vide its letters dated August 16, 2018 has directed share registrars to deposit 50% of tax withheld in FBR accounts, in respect of all bonus shares cases.

- 6.1 As per clause 47(B) of part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to collective investment schemes (CISs) are exempt from withholding tax under sections 150 and 151. However, during the year ended 30 June 2016, several companies (including banks) deducted withholding tax on dividend and profit on bank deposits paid to the Fund based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated 12 May 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholders. The amount of tax withheld during the year on dividend and profit on bank deposits aggregates to Rs.10.269 million (June 30, 2017: Rs. 10.269 million) and Rs. 0.641 million (June 30, 2017: Rs. 0.641 million) respectively.

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On 28 January 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all Funds managed by the Company to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other Asset Management Companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted from dividend and profit received on bank deposits by the Fund has been shown as other receivables as at 30 June 2018 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

7.1 As per the amendments made in the NBFC Regulations, 2008 vide SRO 1160 (1) / 2015 dated 25 November 2015, the Management Company is entitled to a remuneration equal to an amount not exceeding 2% of the average annual net assets in case of equity schemes. Previously, the Management Company was entitled to receive a remuneration during the first five years of the Fund, at a rate not exceeding 3% of the average annual net assets of the Fund and thereafter, at a rate of 2% of such assets. Accordingly, the Management Company has charged its remuneration at a rate of 2% (2017: 2%) per annum of the average annual net assets of the Fund for the year. The fee is payable to the Management Company monthly in arrears.

7.2 During the year, an amount of Rs. 13,971,239 (2017: Rs. 13,911,175) was charged on account of sales tax on remuneration of the Management Company levied through Sindh Sales Tax on Services Act, 2011 and an amount of Rs. 14,032,852 (2017: Rs. 13,594,208) has been paid to the Management Company which acts as a collecting agent.

7.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) with effect from 13 June 2013. As the asset management services rendered by the Management Company of the Fund were already subject to provincial sales tax on services levied by the Sindh Revenue Board, which is being charged to the Fund, the Management Company was of the view that further levy of FED was not justified.

On 4 September 2013, a Constitutional Petition was filed in the Honourable Sindh High Court (SHC) jointly by various asset management companies, together with their representative Collective Investment Schemes through their trustees, challenging the levy of FED.

During the previous year, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

With effect from 01 July 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from 1 July 2016. However, as a matter of abundant caution the provision for FED made for the period from 13 June 2013 till 30 June 2016 amounting to Rs 20.302 million (30 June 2017: Rs 20.302 million) is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the said provision for FED not been recorded in the financial statements of the Fund, the net asset value of the Fund as at 30 June 2018 would have been higher by Rs. 2.34 (30 June 2017: Rs 2.45) per unit.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

- 11.1** As a consequence of the 18th amendment to the Constitution of Pakistan, in May 2015 the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) had been passed by the government of Sindh as a result of which every industrial establishment located in the Province of Sindh, the total income of which in any accounting year is not less than Rs 0.50 million, is required to pay Sindh Workers' Welfare Fund (SWWF) in respect of that year a sum equal to two percent of such income. The matter was taken up by the MUFAP with the Sindh Revenue Board (SRB) collectively on behalf of various asset management companies and their CISs whereby it was contested that mutual funds should be excluded from the ambit of the SWWF Act as these were not industrial establishments but were pass through investment vehicles and did not employ workers. The SRB held that mutual funds were included in the definition of financial institutions as per the Financial Institution (Recovery of Finances) Ordinance, 2001 and were, hence, required to register and pay SWWF under the SWWF Act. Thereafter, MUFAP has taken up the matter with the Sindh Finance Ministry to have CISs / mutual funds excluded from the applicability of SWWF.

In view of the above developments regarding the applicability of WWF and SWWF on CISs / mutual funds, MUFAP has recommended the following to all its members on 12 January 2017:

- based on legal opinion, the entire provision against WWF held by the CISs till 30 June 2015 should be reversed on 12 January 2017; and
- as a matter of abundant caution, the provision in respect of SWWF should be made with effect from the date of enactment of the SWWF Act, 2014 (i.e. starting from 21 May 2015) on 12 January 2017.

The above decisions were communicated to the SECP and the Pakistan Stock Exchange Limited on 12 January 2017 in response to which the SECP vide its letter dated 1 February 2017 advised MUFAP that the adjustments relating to the above should be prospective and supported by adequate disclosures in the financial statements of the CISs / mutual funds.

Accordingly, necessary adjustments in this respect were recorded in the books of the Fund on 12 January 2017 whereby the entire provision for WWF was reversed and the provision for SWWF was made for the period from 21 May 2015 to 12 January 2017. Thereafter, the provision for SWWF is being made by the Fund on a daily basis going forward.

Had the provision for SWWF not been recorded in these financial statements, the net asset value of the Fund as at 30 June 2018 would have been higher by Rs. 4.49 per unit (30 June 2017: Rs. 4.68 per unit)

12 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at 30 June 2018 and 30 June 2017.

13 ACCOUNTING AND OPERATIONAL CHARGES

In accordance with the provisions of the NBFC Regulations, 2008 (amended vide S.R.O 1160(I) / 2015 dated 25 November 2015), the Management Company of the Fund is entitled to reimbursement of fees and expenses in relation to registrar services, accounting, operation and valuation services related to the Fund upto a maximum of 0.1% of the average annual net assets of the Scheme or actual whichever is less. Accordingly, the Management Company has charged accounting and operational charges to the Fund.

14 ADVERTISEMENT AND MARKETING EXPENSES

In connection with Regulation 60(3)(v) of the NBFC Regulations, SECP has issued Circular No. 40 of 2016 dated December 30, 2016 (later amended vide Circular No. 05 of 2017 dated February 13, 2017) whereby it has prescribed certain conditions on Asset Management Companies (AMCs) for charging selling and marketing expenses to collective investment schemes (CISs). In accordance with the provisions contained in these circulars, selling and marketing expenses will be allowed initially for a period of three years (from 1 January 2017 till 31 December 2019) to be charged to open end equity, asset allocation and index funds upto a maximum of 0.4% per annum of net assets of the fund or actual expenses, whichever is less.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

The management has also carried out an exercise to identify expenses of the Management Company (on the basis of criteria mentioned in the above circular and approved plan) that can be charged to the Fund. As the actual expenses incurred by the Management Company that are allowable to be allocated to the Fund for the year ended 30 June 2018 are lower than 0.4% per annum of net assets of the Fund. Accordingly, with effect from 1 July 2017, the Management Company has charged expenses in the Fund on the actual basis being lower than the allowed limit.

15 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at 30 June 2018 is 2.78% (30 June 2017:3.63%) which includes 0.41% (30 June 2017: 1.10%) representing government levies on the Fund such as sales taxes, annual fee to the SECP, etc. This ratio is within the maximum limit of 4% prescribed under the NBFC Regulations for a collective investment scheme categorised as an equity scheme.

18 TAXATION

18.1 The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unitholders. Since the Fund has incurred net loss for the year hence, no distribution has been made by the Fund.

18.2 During the year ended 30 June 2014, the Additional Commissioner Inland Revenue amended the return of income filed by the Fund in respect of Tax Years 2012 under Section 120 of the Income Tax Ordinance, 2001. The tax assessing officer concluded that bonus issues declared by the Fund should not have been considered as distribution of the accounting income while claiming exemption available under Clause 99 of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001, as the Fund had not deducted withholding tax from bonus distributions. Consequently, the tax assessing officer raised demands aggregating to Rs. 48.146 million (including Rs. 2.653 million relating to Workers' Welfare Fund) on the Fund. Similar amendments were made to returns filed by several mutual funds in the industry.

This industry issue was examined by legal experts and tax advisors and there was unanimity of view that under the provisions of Clause 99 applicable upto 30 June 2014, the tax department's contentions were primarily erroneous and not tenable under the law. Subsequently, through the Finance Act, 2014, an amendment was made in Clause 99, whereby issuance of bonus units would not be considered towards distribution of 90% of income, and only cash dividend would be taken into consideration for computation of 90% distribution to claim exemption. Appropriate appellate and executive remedies were adopted to resolve the matter.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

During the year ended 30 June 2015, the Commissioner Inland Revenue - Appeals (CIR - Appeals) decided the matter in favour of the Fund and annulled the assessment order but maintained the levy of WWF. The Fund filed an appeal in the Appellate Tribunal Inland Revenue (ATIR) against the order of the CIR - Appeals with respect to the maintenance of levy of WWF. The tax assessing officer also filed an appeal in the ATIR against the order of annulment of assessment order passed by the CIR - Appeals. On March 14, 2017, ATIR upheld the decision of Commissioner (Appeals).

In respect of the levy of WWF, the Honourable Supreme Court had held the amendments made by the Finance Acts 2006 and 2008 to be unlawful and ultra vires the Constitution as detailed in note 11.1. Therefore, the ATIR has remanded back the matter to the Taxation Officer with the directions to decide the issue following the recent judgment of the Apex Court. Based on the opinion of the tax advisors of the Fund, the management believes that the levy of WWF will be deleted upon re-adjudication in light of the judgement of the Honourable Supreme Court.

19 EARNINGS PER UNIT

Earnings per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating earnings per unit is not practicable.

22 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, Fund's constitutive documents and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, credit risk and liquidity risk arising from the financial instruments it holds.

22.1 Market risk

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as interest rates, foreign exchange rates and equity prices.

Market risk comprises of three types of risks: yield / interest rate risk, currency risk, and price risk.

(i) Yield / interest rate risk

Yield / interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in the market interest rates. As of 30 June 2018, the Fund is exposed to interest rate risk on its balances held with banks. The investment committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within acceptable limits.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds balances with banks which expose the Fund to cash flow interest rate risk. In case of 100 basis points increase in market interest rates as at 30 June 2018, with all other variables held constant, the net income for the year and net assets would have been higher by Rs. 5,034,490 (2017: Rs 6,573,729). In case of 100 basis points decrease in market interest rates as at 30 June 2018, with all other variables held constant, the net income for the year and net assets would have been lower by Rs. 5,034,490 (2017: Rs 6,573,729).

b) Sensitivity analysis for fixed rate instruments

Presently, the Fund does not hold any fixed rate instrument that may expose the Fund to fair value interest rate risk.

As stated above out of the total financial assets of Rs. 5,458,071,109 (2017: Rs. 5,581,600,566), assets aggregating to Rs. 503,449,049 (2017: Rs. 657,372,935) are subject to yield / interest rate risk. These represents bank balance having effective yield of 4.00% to 7.35% (2017: 3.75% to 6.60%).

The composition of the Fund's investment portfolio and profit rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of 30 June 2018 is not necessarily indicative of the impact on the Fund's net assets of the future movement in profit rates.

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

(iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Fund is exposed to equity price risk on investments held by the Fund and classified as 'at fair value through profit or loss'. To manage its price risk arising from investments in equity securities, the Fund diversifies its portfolio within the eligible stocks prescribed in the Trust Deed. The NBFC Regulations also limit individual equity securities to no more than 10% of net assets and issued capital of the investee company and sector exposure limit to 30% of the net assets.

In case of 5% increase / decrease in PSX 100 index on 30 June 2018, with all other variables held constant, net income of the Fund for the period would increase / decrease by Rs. 247,004,574 (2017: Rs. 257,099,855) and the net assets of the Fund would increase / decrease by the same amount as a result of gains / losses on equity securities at fair value through profit or loss.

The analysis is based on the assumption that equity index had increased / decreased by 5% with all other variables held constant and all the Fund's equity instruments moved according to the historical correlation with the index. This represents management's best estimate of a reasonable possible shift in the PSX 100 Index, having regard to the historical volatility of the index. The composition of the Fund's investment portfolio and the correlation thereof to the PSX 100 Index, is expected to change over time. Accordingly, the sensitivity analysis prepared as of 30 June 2017 is not necessarily indicative of the effect on the Fund's net assets of future movements in the level of the PSX 100 Index.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

22.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to settlement of equity securities and to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is to invest the majority of its assets in investments that are traded in an active market and can be readily disposed of. The Fund's securities are considered readily realisable as these are listed on the Pakistan Stock Exchange.

The Fund can borrow in the short term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was required to be obtained by the Fund during the current year. In addition, as required by SECP, the Fund has arranged committed credit lines from a financial institution equivalent to 10% of net assets of the Fund.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month:

22.3 Credit risk

Credit risk arises from the inability of the issuers of the instruments or the counter party to fulfil their obligations. The Fund is exposed to credit risk with respect to its bank balances, dividend receivable, receivable against sale of investments, receivable against sale of units and security deposit. Credit risk also arises from the inability of the relevant brokerage house or the counter party to fulfil their obligations. There is a possibility of default by participants or failure of the financial markets / stock exchanges, the depositories, the settlements or clearing system, etc. The settlement risk of default on equity securities is considered minimal due to inherent systematic measures taken therein. The Fund's policy is to enter into financial contracts in accordance with internal risk management policies and instrument guidelines approved by the Investment Committee. The Fund's maximum exposure to credit risk as of 30 June 2018 amounts to Rs. 517,979,630 (2017: Rs. 709,603,468).

22.3.1 Credit quality of financial assets

The Fund's significant credit risk (excluding credit risk relating to settlement of equity securities) arises mainly on account of its placements in banks. The credit rating profile of balances with banks is as follows:

Ratings of banks with which amounts are placed	% of financial assets exposed to credit risk	
	2018	2017
AA	0.20	16.33
AA+	99.38	0.01
AAA	0.42	83.66
	100.00	100.00

The maximum exposure to credit risk before any credit enhancement as at 30 June 2018 is the carrying amount of the financial assets. Investments in equity securities, however, are not exposed to credit risk.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2018

Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial assets is mainly held with, diverse credit worthy counter parties.

23 FAIR VALUE MEASUREMENTS

Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable willing parties in an arm's length transaction. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not significantly different from book value.

23.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: Quoted price (unadjusted) in an active market for identical assets or liabilities;
- Level 2: Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: Inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The Fund only invests in listed equity securities the fair values of which are based on level 1 valuation technique.

24 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. They are entitled to distributions and to payment of a proportionate share based on the Fund's net asset value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restrictions on the subscription and redemption of units. As required under NBFC Regulations, every open-end scheme shall maintain a fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has maintained and complied with the requirement of minimum fund size during the current year.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 22, the Fund endeavours to invest the subscriptions received in appropriate investments while maintaining sufficient liquidity to meet redemption requests, such liquidity being augmented by short-term borrowings or disposal of investments where necessary.

کارپوریٹ نظم و ضبط:

کمپنی کارپوریٹ نظم و ضبط کے معیارات، ضابطہ اخلاق اور بہترین کاروباری طریقوں پر سختی سے عمل کرنے پر یقین رکھتی ہے۔ اور یہ سب اٹلس گروپ کی کاروباری تہذیب کا ایک جزو لاینفک ہے۔ جولائی ۲۰۱۲ء میں کارپوریٹ نظم و ضبط کے اصولوں کی منظوری دی گئی جس میں بورڈ کے ممبران، ملازمین اور کمپنی پر مختلف حلقوں، آپس کے معاملات اور معاشرے کی فلاح و بہبود کے سلسلے میں عائد کردہ فرائض اور ذمہ داریوں کو صراحت کے ساتھ بیان کر دیا گیا ہے۔ یہ ضابطہ اخلاق کمپنی کی ویب سائٹ پر دستیاب ہے۔

مفاد کو اس سال کردہ ایس ای سی پی لیٹر نمبر ۲۰۱۸ء/۳۴۶/مفاد/آر ایس/ایس سی ڈی مورخہ ۱۸ اپریل ۲۰۱۸ء کے مطابق جس کے تحت غیر محدود مجموعی سرمایہ کاری منصوبہ نیز غیر مندرج منجمنت کمپنیاں، جو اس طرح کے مجموعی سرمایہ کاری منصوبہ چلا رہی ہیں، نئی لسٹنگ کمپنیز (ضابطہ برائے انتظامی تشکیل) کے قواعد و ضوابط ۲۰۱۷ء کی ضروریات سے مستثنیٰ ہیں۔

بورڈ کے ڈائریکٹران کی جانب سے توثیق نامہ

بورڈ آف ڈائریکٹرز تصدیق کرتا ہے کہ (اے ایس ایل ایف)، (اے ایم ایف)، (اے آئی ایف) اور (اے ایس ایم ایف) کے:

- ☆ منتظم کمپنی کی جانب سے تیار کردہ مالیاتی گوشوارے تمام فنڈز کی کارکردگی، سالانہ آمدنی، کیش فلو اور یونٹ ہولڈرز کے سرمائے میں نقل و حرکت کی ایک منصفانہ تصویر پیش کرتے ہیں۔
- ☆ تمام فنڈز کے کھاتوں کو مناسب طریقہ سے تیار کیا گیا ہے۔
- ☆ گوشواروں کی تیاری میں حساب داری کے اصولوں کو تسلسل کے ساتھ لاگو کیا جا رہا ہے اور گوشواروں کی تیاری میں احتیاط اور فہم فراست کا استعمال کیا جا رہا ہے۔
- ☆ گوشواروں کی تیاری میں وہ بین الاقوامی معیارات جو پاکستان میں لاگو ہوتے ہیں، کو مد نظر رکھا گیا ہے اگر اگر کہیں انحراف ہوا ہے تو اسے مناسب طریقے سے ظاہر کر دیا گیا ہے۔
- ☆ اندرونی نظم و ضبط کا نظام مؤثر نگرانی میں مستحکم بنیادوں پر نافذ ہے۔
- ☆ فنڈز کے مستقبل بنیادوں پر جاری رہنے پر کوئی شبہ نہیں ہے۔
- ☆ کارپوریٹ نظم و ضبط کے اصولوں سے، جن کی تفصیل لسٹنگ قواعد میں دی گئی ہے، کوئی انحراف نہیں کیا گیا ہے۔
- ☆ اہم مالیاتی اعداد و شمار / کارکردگی کے چارٹ، (اے ایس ایل ایف)، (اے ایم ایف)، (اے آئی ایف)، اور (اے ایس ایم ایف) کی سالانہ رپورٹس کے صفحات ۲۳، ۵۹، ۹۸، اور ۱۴۷ پر علی الترتیب شائع کئے گئے ہیں۔
- ☆ کفالتی فنڈ کی سرمایہ کاری کی قدر کے گوشوارے کا اطلاق میوچل فنڈ پر نہیں ہوتا کیوں کہ ملازمین کے ریٹائرمنٹ فوائد سے متعلق اخراجات منتظم کمپنی برداشت کرتی ہے۔
