# MANAGING TO THE CORE!

Even the most seemingly diminutive of creatures, hold for us an education. They exhibit qualities of organization that are indeed inspirational. Planning, teamwork and controlling are attributes of a successful and solid organizational structure. At Atlas Funds these elements form the core of our institution.

# Company Profile

Atlas Asset Management Limited (AAML), an Atlas Group Company, was incorporated on 20th August, 2002 as an unlisted public limited company. AAML as a Non-Banking Finance Company (NBFC) is licensed & regulated by Securities & Exchange Commission of Pakistan to perform Asset Management and Investment Advisory Services as per the NBFC (Establishment and Regulations) Rules, 2003 & NBFC and Notified Entities Regulations, 2008 and as a Pension Fund Manager to manage voluntary pension funds (under Voluntary Pension System Rules, 2005). AAML is a wholly owned subsidiary of Shirazi Investments (Pvt.) Limited. AAML manages assets on behalf of retirement funds, welfare organizations, insurance companies, multinationals, NBFCs and individuals.

AAML is a wholly owned subsidiary of Shirazi Investments (Pvt.) Limited (SIL). As the parent company, SIL sponsors Atlas Group projects. Atlas Group is a diversified group dealing in engineering, financial services, power generation, real estate & trading.

AAML strives to be a market leader in providing quality fund management services with customer satisfaction as its aim, and is consistently committed to offering its investors the best possible risk adjusted returns on a diverse range of products, meeting not only the customers' current requirements but also exceeding their future expectations. With its strong emphasis on systems and controls, quality human resource and backing of Atlas Group, AAML enjoys a distinct advantage.

## Vision

To be a market leader in providing quality fund management services with customer satisfaction as our premier goal.

Mutual Funds | Investment Plans | Pension Funds

## Creativity

The ability to creatively inspire innovation and the will to foster positive social and environmental change

# Mission

We are committed to offering our investors the best possible risk adjusted returns on a diverse range of products, providing a stimulating and challenging environment for our employees, and committing to the highest ethical and fiduciary standards. We firmly believe that by placing the best interests of our clients first, we will also serve the best interest of our employees, our shareholders and the communities in which we operate.

# Chairman's Review

It is my pleasure to present to you the Annual Reports of Atlas Money Market Fund (AMF), Atlas Sovereign Fund (ASF), Atlas Income Fund (AIF) and Atlas Stock Market Fund (ASMF) for the financial year ended June 30, 2019.

## THE ECONOMY

Pakistan's GDP witnessed growth of 3.29% in FY19 as compared to 5.80% in preceding year, reflecting a broad-based softening in domestic demand as monetary and fiscal policies have been tightened to contain macroeconomic imbalances. Average Consumer Price Index (CPI) inflation was within the target of 6.50% to 7.50% standing at 7.34% for the year. During FY19, the current account deficit was recorded at US\$ 13.51 billion as compared to US\$ 19.90 billion in the same period last year. The foreign exchange reserves of the country stood at US\$ 14.48 billion as of June, 2019 with SBP's share of US\$ 7.28 billion in the total liquid foreign exchange reserves. Foreign remittances for FY19 stood at US\$ 21.84 billion, which was an increase of 9.68% YoY compared to the corresponding period last year. The SBP in its latest monetary policy statement as on July 16, 2019 decided to increase policy rate by 100bps to 13.25% which is a cumulative increase of 750 bps since January, 2018.

## THE MONEY MARKET

The Consumer Price Index (CPI) on average was recorded at 7.34% during financial year 2018-19, as compared to 3.92% for the financial year 2017-18. The YoY upsurge in inflation rate was due to Pak rupee depreciation and increase in energy and food prices.

The growth in money supply (M2) witnessed an increase of 11.26% during 2018-19, which is Rs. 1,801.33 billion against the expansion of 9.71% (Rs. 1,416.28 billion) in preceding period last year. Net Foreign Assets (NFA) declined by Rs. 1,298.67 billion during 2018-19 as against the net contraction of Rs. 810.47 billion in the comparable period of fiscal year 2017-18. Net Domestic Asset (NDA) of banking system grew by 19.13% or Rs. 3,099.10 billion during 2018-19 as against an increase of 15.93% or Rs. 2,226.75 billion during the corresponding period last year. Overall NDA of the banking sector increased due to steady demand for private sector and Public Sector Enterprises (PSEs) credit and increase in government borrowing from the banking sector. Credit to private sector increased by Rs. 693.54 billion in FY19 due to high working capital requirement of corporates.

## THE STOCK MARKET

The KSE-100 index decreased from 41,910.90 points as on June 29, 2018 to 33,901.58 points as on June 28, 2019, decreasing by 19.11%. The average volumes during the year decreased by 11.07% to 155.21 million shares from 174.53 million shares traded last year. Net Foreign portfolio outflow during FY19 was recorded at US\$356 million compared to outflow of US\$289 million in FY18. On the local front Individuals, Insurance Companies and Companies were the most active participants investing US\$166 million, US\$150 million and US\$111 million during FY19. Mutual Funds and Broker Proprietary Trading Accounts were net sellers US\$146 million and US\$15 million, respectively.

During the period, the sectors that outperformed the market were Textile Composite, Fertilizer and Commercial Banks that posted 4.24%, -12.34% and -12.99% returns, respectively. Fertilizer sector outperformed KSE-100 index on the back of improved profitability due to uptick in retail prices by 28% to Rs.1880/bag, partly to offset the impact of withdrawn cash subsidy (Rs.156/bag) and increase in gas prices (Rs.100/bag). Commercial Banks performed on account of 5.75% hike in policy rate during FY19 by the monetary policy committee of the State Bank of Pakistan. Sectors that remained subdued were Power Generation & Distribution Companies, Cement, Automobile Assemblers, Oil and Gas Marketing Companies, Refinery and Engineering posting -21.89%, -33.55%, -34.41%, -42.36%, -56.42%, and -60.52% returns, respectively. Oil & Gas Marketing Companies underperformed KSE-100 index due to economic slowdown and 58% decline in sales volume of furnace oil as the country shifted away from furnace oil based power generation to LNG and local coal based power generation in FY19. Cement sector underperformed due to subdued local demand and lower local retention prices of cement. Refineries underperformed due to reduced demand for furnace oil on account of reduced dependence upon furnace oil based power generation. Engineering sector underperformed due to increase in cost of imported raw material post PKR devaluation against US\$ coupled with negative demand outlook in long/flat steel.

During FY19, scrips that outperformed the KSE-100 index were LOTCHEM, MEBL, GATM, SYS, BAHF, ENGRO, EFERT, BAFL, HUBC, OGDC, BWCL and MTL posting 38.64%, 35.40%, 15.63%, 6.30%, 2.43%, 0.26%, -1.55%, -3.5%, -8.33%, -8.75%, -13.79% and -18.39% returns, respectively. Scrips that underperformed KSE-100 index were NRL, HASCOL, CHCC, INIL, KTML, UNITY, DGKC, PAEL, FCCL, LUCK and POL posting -73.57%, -69.55%, -66.35%, -65.15%, -52.31%, -49.90%, -47.92%, 43.54%, -25.59%, -23.9% and -21.28% returns, respectively.

During FY19, new listings on the stock exchange were At-Tahur Limited and Interloop Limited. The amounts raised through IPO were Rs. 770 million and Rs. 5,025 million, respectively. As on June 30, 2019, the market capitalization of At-Tahur Limited and Interloop Limited were Rs. 2,891 million and 38,488, respectively. During FY18, new listings/IPOs were Habib Metro Modaraba, Orient Rental Modaraba, Matco Foods Limited and AGP Limited. The amounts raised through IPO/Offer for Sale of Habib Metro Modaraba, Orient Rental Modaraba, Matco Foods Limited and AGP Limited were Rs. 90 million, Rs. 150 million, Rs. 758 million and Rs. 2,800 million, respectively.

---

The government of Pakistan in its budget FY 2019-2020 fixed corporate tax rate at 29% against the previous government's diminishing corporate tax rate structure proposed in FY 2018-2019 budget where corporate tax rate would have been reduced by 1% every year reaching 25% in tax year 2023 from 30% in tax year 2018. The government increased minimum turnover tax rates across the board, increasing the rate applicable on Oil & Gas Marketing Companies from 0.50% to 0.75% of revenue, while the rate applicable on other companies was increased from 1.25% to 1.50% of revenue.

## **MUTUAL FUND INDUSTRY**

The assets under management (AUMs) for the mutual funds industry decreased by 11.24% to Rs. 541.46 billion in June 30, 2019 from Rs.610.07 billion in June 30, 2018. Equity funds (both Conventional and Shariah Compliant) dominated the AUMs of the mutual fund industry with largest share of 31% of total industry and stood at Rs. 170 billion. Money Market funds (both Conventional and Shariah Compliant) stood at Rs 161.19 billion representing industry share of 30%, followed by Income Funds (both Conventional and Shariah Compliant) that stood at Rs. 102.31 billion with industry share of 19%. The outflows were seen in the equity fund category over the year with majority of it being shifted towards short-term fixed income securities as the stock market remained volatile on the expectation of increase in policy rate during the fiscal year.

## **MUTUAL FUND TAXATION**

### **FINANCE ACT 2019**

Following amendments related to mutual fund industry were introduced in the Income Tax Ordinance, 2001 through Finance Act 2019, whereby:

- Tax on Dividend for Individual investor increased to 15% from 10%.
- The investors whose names do not appear on Active Taxpayers List (ATL), their tax rates will be enhanced by 100% (double). On filing of returns, the taxpayers are entitled to claim refund of withholding tax in excess of their tax liability.

## **WORKER'S WELFARE FUND (WWF)**

Against the decision of the Honorable Supreme Court of Pakistan (SCP) that declared the amendments made in the Finance Acts 2006 and 2008 pertaining to WWF as illegal citing that WWF was not in the nature of tax and could, therefore, not have been introduced through money bills, the Federal Board of Revenue (FBR) has filed a review petition in the SCP, which is pending for hearing. The Mutual Funds Association of Pakistan (MUFAP) consulted both legal and tax advisors who gave the opinion that the judgment has removed the very basis on which the demands were raised, therefore, there was no longer any liability against the mutual funds under the WWF Ordinance. Based on legal opinion, the entire provision against WWF held by the Mutual Funds and Voluntary Pension Funds till June 30, 2015 were reversed on January 12, 2017.

## **SINDH WORKER'S WELFARE FUND (SWWF)**

As a consequence of the 18th amendment to the Constitution of Pakistan, Workers' Welfare Fund became a provincial subject. In May, 2015 the Sindh Assembly passed the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) imposing SWWF on many entities, including financial institutions.

The Sindh Revenue Board (SRB) demanded the SWWF from mutual funds on the plea that mutual funds are defined as financial institution under The Financial Institutions (Recovery of Finances) Ordinance, 2001. MUFAP has collectively on behalf of asset management companies contested that mutual funds are not financial institutions or industrial establishments but were pass through investment vehicles and did not employ workers. Mutual funds are also not included in the definition of financial institutions in the Companies Act, 2017. MUFAP has taken up the matter with the Sindh Finance Division for resolution of the matter. Although, based on legal opinion, SWWF is not applicable on mutual funds MUFAP has recommended that the provision in respect of SWWF should be made on a prudent basis with effect from the date of enactment of the SWWF Act, 2014 (i.e. starting from May 21, 2015). Accordingly, the provision for SWWF is being made on a daily basis going forward.

---

## FEDERAL EXCISE DUTY (FED)

The Finance Act, 2013 imposed Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMC's) with effect from June 13, 2013 and this was withdrawn on June 30, 2016. On September 04, 2013 a constitutional petition was filed in SHC jointly by various AMC's, challenging the levy of FED. In a separate petition the Honorable Sindh High Court declared that the FED was unconstitutional and cannot be charged where provinces are collecting sales tax. The Federation has filed an appeal in the Honorable Supreme Court of Pakistan. However, without prejudice, the mutual funds and pension funds have on prudent basis maintained the provision for FED till June 30, 2016.

## WITHHOLDING TAX

With effect from July 01, 2015, FBR has required all entities whose income are exempt from income tax to obtain income tax exemption certificates from concerned Commissioner of Income Tax (CIT) by virtue of provision in section 159 of the Income Tax Ordinance, 2001 (Ordinance). So far Mutual Funds and approved pension funds were automatically allowed exemption from withholding tax by virtue of clause 47(B) of Part IV of the Second Schedule to Ordinance. The Company along with other AMCs filed a petition in the Honorable Sindh High Court against the new requirement of FBR. The Honorable Sindh High Court decided that the requirement of obtaining exemption certificate will apply to those entities as well whose income are otherwise exempt from tax. Thereafter, the company has filed a petition in the Supreme Court of Pakistan, on April 20, 2016 and the hearing is still pending. In the meanwhile mutual funds are obtaining exemption certificates from Commissioner of Income Tax. However, any tax withheld is refundable.

## FUND OPERATIONS - AMF

The Net Asset Value per unit of the Fund increased by 8.87% to Rs. 503.12 per unit as on June 30, 2019. The benchmark 30% of average 3-Month deposit rates of three scheduled banks (AA and above rated as selected by MUFAP) and 70% average 3 Month PKRV rate for the period stood at 8.74%. The AMF's total exposure in cash deposits stood at 99.87% and the remaining in others including receivables. AMF presents a good investment opportunity for investors to earn attractive returns while maintaining high liquidity with low risk. The Net Assets of the Fund stood at Rs 10.24 billion, with 20.35 million units outstanding as of June 30, 2019.

The Investment Committee of Atlas Asset Management Limited, the Management Company of Atlas Money Market Fund, under the authority delegated by the Board of Directors of Atlas Asset Management Limited has approved aggregated interim distribution of Rs. 42.55 per unit for the period ended June 30, 2019 (8.51% on the face value of Rs. 500 per unit).

The Fund has made provision against SWWF, which up till June 30, 2019 amounted to Rs. 38,941,269 (Rs. 1.91 per unit). The Scheme has held provision for FED liability that amounted to Rs. 20,428,502 up till June 30, 2016 (Rs.1.00 per unit as on June 30, 2019)

## FUND OPERATIONS - ASF

The Net Asset Value per unit of the Fund increased by 7.71% to Rs. 100.33 per unit as on June 30, 2019. The benchmark average six months PKRV rate stood at 9.31% during the period under review. The ASF's total exposure in PIBs stood at 22.05% and 76.99% in short term deposits with banks/ cash. ASF presents a good investment opportunity for investors to earn attractive returns with medium term investment horizon. The Net Assets of the Fund stood at Rs 2.30 billion, with 22.94 million units outstanding as of June 30, 2019.

The Investment Committee of Atlas Asset Management Limited, the Management Company of Atlas Sovereign Fund, under the authority delegated by the Board of Directors of Atlas Asset Management Limited has approved aggregated interim distribution of Rs 7.50 per unit for the period ended June 30, 2019 (7.5% on the face value of Rs. 100 per unit). The Fund has made provision against SWWF, which up till June 30, 2019 amounted to Rs. 1,976,156 (Rs. 0.09 per unit). The Scheme has also held provision for FED liability that amounted to Rs. 905,341 up till June 30, 2016. (Rs.0.04 per unit as on June 30, 2019)

## FUND OPERATIONS - AIF

AIF's Net Asset Value per unit increased by 7.33% to Rs. 513.41 as on June 30, 2019. The benchmark average six months KIBOR rate stood at 10.22% during the period under review. AIF's current asset allocation is 1.59% in Treasury bills, 0.13% in MTS, 31.00% in TFC/Sukuks, 45.58% in cash/deposits and 19.42% in PIBs. The Net Assets of the Fund stood at Rs 2.99 billion with 5.82 million units outstanding as of June 30, 2019.

The Investment Committee of Atlas Asset Management Limited, the Management Company of Atlas Income Fund, under the authority delegated by the Board of Directors of Atlas Asset Management Limited has approved aggregated interim distribution of Rs 36.50 per unit for the period ended June 30, 2019 (7.3% on the face value of Rs. 500 per unit).

The Fund has made provision against SWWF, which up till June 30, 2019 amounted to 28,626,992 (Rs. 4.92 per unit). The Scheme has held provision for FED liability that amounted to Rs. 23,582,971 up till June 30, 2016. (Rs. 4.05 per unit as on June 30, 2019)

## FUND OPERATIONS - ASMF

The Net Asset Value per unit of ASMF decreased by 18.83% to Rs. 503.96 as on June 30, 2019. The benchmark KSE-100 index decreased by 19.11% during the same period. The KSE-100 index decreased from 41,910.90 points as on June 30, 2018 to 33,901.58 points as on June 30, 2019. The ASMF's equity portfolio exposure was mainly in Commercial Bank, Oil & Gas Exploration and Fertilizer sectors.

ASMF's strategy will continue to focus on dividend plays and stocks, which are trading at relatively cheap multiples with earning growth prospects. The Net Assets of the Fund stood at Rs 5.04 billion, with 10.00 million units outstanding as of June 30, 2019.

The Fund has made provision against SWWF, which up till June 30, 2019 amounted to Rs. 38,835,533 (Rs. 3.88 per unit). The Scheme has held provision for FED liability that amounted to Rs. 20,301,988 up till June 30, 2016. (Rs. 2.03 per unit as on June 30, 2019)

## RATINGS

### • Asset Manager Rating

The Pakistan Credit Rating Agency Limited (PACRA) maintained asset manager rating of Atlas Asset Management Limited (AAML) to "AM2+" (AM Two Plus). The rating denotes high quality as the asset manager meets high investment management industry standards and benchmarks with noted strengths in several of the rating factors.

### • Fund Stability Rating - ASF

PACRA has assigned a stability rating of "AA (f)" (Double A - fund rating) to the Fund. The Fund's rating denotes a very strong capacity to manage relative stability in returns and very low exposure to risks.

---

- **Fund Stability Rating - AMF**

PACRA has assigned a stability rating of "AA (f)" (Double A - fund rating) to the Fund. The Fund's rating denotes a very strong capacity to manage relative stability in returns and very low exposure to risks.

- **Fund Stability Rating - AIF**

PACRA has assigned a stability rating of "AA- (f)" (Double A Minus - fund rating) to the Fund. The Fund's rating denotes a very strong capacity to manage relative stability in returns and very low exposure to risk

## **FUTURE OUTLOOK**

The recent corrective actions which mainly includes monetary policy tightening, exchange rate adjustments and measures to boost exports would help in overcoming economic challenges. The significant decrease in the current account deficit supported by lower international oil prices and expected rise in exports on the back of export-friendly policies will ease pressure on external account. Furthermore, aid package given by UAE and Saudi Arabia has given much needed respite to the dwindling foreign exchange reserves. Moreover, recent induction into the IMF program will also help shore up foreign currency reserves as IMF will help mobilize further financing from multilateral and bilateral creditors and will unlock the potential inflows from international bond market as foreign investors tend to be more confident in IMF programs. Going forward, government's focus towards export oriented policies will be instrumental in reducing current account deficit. However, continuous external flow would be required to maintain the stable balance of payments position over medium to long term.

ع خدا رحمت کن دای عاشقان پاک طینات را

God, please have mercy on these lovers of clean intention

## **ACKNOWLEDGEMENT**

I would like to thank the Securities and Exchange Commission of Pakistan, the Board of Directors, and the Group Executive Committee for their help, support and guidance. I also thank the financial institutions and the unit holders for their help, support and the confidence reposed in the Fund and the Chief Executive Officer, Mr. Muhammad Abdul Samad and his management team for their hard work, dedication, and sincerity of purpose.

Karachi: 26 September 2019

Units outstanding at year end	20,351,995	24,859,132	22,936,104	3,411,400	5,820,926	12,545,428	10,009,549	8,657,936

## REVOCATION OF ATLAS GOLD FUND

AGF has been revoked on November 3, 2017 and is no longer offered to investors. An amount of Rs. 210.29 million has been paid to investors against final settlement. However, there is a claim for refund of tax amounting to Rs. 0.33 million and also there are provisions in the books for Federal Excise Duty and Sindh Workers' Welfare Fund amounting to Rs. 2.19 million that has been made as an abundant precaution. Once these issues are resolved a further payment will be made to unit holders.

## INCOME DISTRIBUTION - AMF

The Investment Committee of the Management Company of AMF, under the authority delegated to them by the Board of Directors, approved an aggregate interim distribution of Rs. 42.55 per unit (2018: Rs. 27.00 per unit for full year) for the FY 2018-19. The total payout for the year works out to 8.51% (2018: 5.40%) on the face value of Rs. 500 per unit.

## INCOME DISTRIBUTION - ASF

The Investment Committee of the Management Company of ASF, under the authority delegated to them by the Board of Directors, approved an aggregate interim distribution of Rs. 7.50 per unit (2018: Rs. 4.75 per unit for full year) for the FY 2018-19. The total payout for the year works out to 7.50% (2018: 4.75%) on the face value of Rs. 100 per unit.

## INCOME DISTRIBUTION - AIF

The Investment Committee of the Management Company of AIF, under the authority delegated to them by the Board of Directors, approved an aggregate interim distribution of Rs. 36.50 per unit (2018: Rs. 24.00 per unit for full year) for the FY 2018-19. The total payout for the year works out to 7.30% (2018: 4.80%) on the face value of Rs.500 per unit.

---

## **INCOME DISTRIBUTION - ASMF**

The Board of Directors of AAML, the Management Company of ASMF, in their meeting held on July 04, 2019 announced NIL distribution per unit (for full year) for the financial year ended June 30, 2019 (2018: Nil per unit) as the Fund suffered a loss when reduced by realized and unrealized capital gains.

## **CHAIRMAN'S REVIEW**

The review included in the Annual Report of AMF, ASF, AIF and ASMF deals inter alia with the performance of these Funds for the year and future prospects. The directors endorse the contents of the review.

## **CORPORATE GOVERNANCE**

The Company strongly believes in following the highest standards of Corporate Governance, ethics, and good business practices, which are an integral part of the Atlas Group Culture. The Code of Conduct of the Company, approved in July 2012, defines the obligations and responsibilities of all - the Board members, the employees, and the Company towards the various stakeholders, each other, and the society as a whole. The Code of Conduct is available on the Company's website.

With regards to SECP letter No. SCD/RS/MUFAP/346/2018 dated April 18, 2018 addressed to MUFAP, whereby open ended collective investment schemes as well as unlisted asset management companies, managing such collective investment schemes, are exempted from the requirement of the new Listing Companies (Code of Corporate Governance) Regulations, 2017.

## **STATEMENT BY THE BOARD OF DIRECTORS**

The Board of Directors states for AMF, ASF, AIF and ASMF that:

- The financial statements, prepared by the Management Company of these funds present fairly their state of affairs, the results of operations, comprehensive income for the year, cash flows, and movement in Unit Holders' Funds.
- Proper books of account of these Funds have been maintained.
- Appropriate accounting policies have been consistently applied in the preparation of the financial statements and accounting estimates are based on reasonable and prudent judgment.
- International Financial Reporting Standards, as applicable in Pakistan, have been followed in the preparation of the financial statements and any departure therefrom has been adequately disclosed.
- The system of internal control is sound in design and has been effectively implemented and monitored.
- There is no doubt about the Funds' ability to continue as a going concern.
- Statutory payments, taxes, levies properly disclosed in the Financial Statements.
- Summaries of key financial data/ performance tables of AMF, ASF, AIF and ASMF are annexed on pages 23, 58, 99 and 145 respectively, of the Annual Report.
- The statement as to the value of investments of provident fund is not applicable in the case of these funds as these relate to retirement benefits to the employees of the Management Company, and are not chargeable to these Funds.
- The pattern of unit holdings is appended as notes 22, 22, 27 and 24 respectively, to the financial statements of AMF, ASF, AIF and ASMF.

## **BOARD OF DIRECTORS OF THE MANAGEMENT COMPANY AND COMMITTEES THEREOF**

The Board of Directors of the Management Company comprises of one executive and six non-executive directors. The Board of Directors of AAML include: Mr. Yusuf H. Shirazi, Chairman, Mr. Fahim Ali Khan, Director, Mr. M. Habib-ur-Rahman, Director, Mr. Tariq Amin, Independent Director, Mr. Ali H. Shirazi, Director, Ms Zehra Naqvi, Independent Director and Mr. Muhammad Abdul Samad, Chief Executive Officer.

Six Board Meetings were held and attended during FY 2018-19. The particulars of the dates of meetings, and the directors attending, as required under the NBFC Regulations, 2008, are appended as note 26, 26, 31 and 28 respectively to the financial statements of AMF, ASF, AIF and ASMF.

## Fund Manager's Report

Atlas Money Market Fund (AMF) is an Open-ended Money Market Fund. The investment objective of AMF is to provide its unit-holders competitive returns from a portfolio of low risk, short duration assets while maintaining high liquidity. The Fund will invest the entire assets in authorized short term money market investment avenues with a maximum time to maturity of six months and weighted average time to maturity of ninety days. This is intended to reduce risk while maintaining liquidity. The Fund's investment strategy will be based on fundamental credit analysis of counter parties. Specifically, the investment strategy will seek to invest in those money market instruments that offer attractive market returns and are issued by sponsors with good credit rating, strong financials and ability to repay.

The Benchmark for "Atlas Money Market Fund" is 30% that would be an average of "3-Month deposit rates of three scheduled banks (AA and above rated) as selected by MUFAP" for the period of return; and 70% that would be an average of "3 Month PKRV rate".

The Consumer Price Index (CPI) on average was recorded at 7.34% during financial year 2018-19, as compared to 3.92% for the financial year 2017-18. The YoY upsurge in inflation rate was due to Pak rupee depreciation and increase in energy and food prices.

During the year, SBP has significantly tightened monetary policy, and allowed greater flexibility in the exchange rate adjustments to curb excessive aggregate demand and move towards macroeconomic stabilization. The SBP changed the monetary policy stance since January 2018 by increasing 650 basis points as on June 30, 2019 to anchor expected rise in inflation in view of reversal of international oil and commodities prices. In recent monetary policy announced on July 16, 2019, SBP further increased the policy rate by another 100 bps to 13.25%. The decision was taken on account of upside inflationary pressures from exchange rate depreciation since the last MPC meeting on 20th May 2019 and the likely increase in near term inflation from the one-off impact of recent adjustments in utility prices and other measures in the FY20 budget. Going forward, the MPC will be ready to take action depending on economic developments and data outturns. Unanticipated increases in inflation that adversely affect the inflation outlook may lead to further modest tightening. On the other hand, a greater than expected softening in domestic demand and downward revision in projected inflation would also provide grounds for easing monetary conditions.

The Net Asset Value per unit of the Fund increased by 8.87% to Rs. 503.12 per unit as on June 30, 2019. The benchmark 30% of average 3-Month deposit rates of three scheduled banks (AA and above rated as selected by MUFAP) and 70% average 3 Month PKRV rate for the period stood at 8.74%. The AMF's total exposure in cash deposits stood at 99.87% and the remaining in others including receivables. AMF presents a good investment opportunity for investors to earn attractive returns while maintaining high liquidity with low risk. The Net Assets of the Fund stood at Rs 10.24 billion, with 20.35 million units outstanding as of June 30, 2019.

The Investment Committee of Atlas Asset Management Limited, the Management Company of Atlas Money Market Fund, under the authority delegated by the Board of Directors of Atlas Asset Management Limited has approved aggregated interim distribution of Rs 42.55 per unit for the period ended June 30, 2019 (8.51% on the face value of Rs. 500 per unit).

**Breakdown of Unit Holding by size:**

<b>Type of Investor</b>	<b>No. of Investors</b>	<b>Amount of Investment (Rs.)</b>	<b>Percentage (%)</b>
Individuals	643	603,890,620	5.90%
Associated Companies / Directors	11	3,773,101,683	36.85%
Insurance Companies	2	11,621,695	0.11%
Retirement Funds	16	547,207,481	5.34%
Public Limited Companies	28	5,276,976,911	51.54%
Others	4	26,705,357	0.26%
<b>Total</b>	<b>704</b>	<b>10,239,503,747</b>	<b>100.00%</b>

The Fund has made provision against SWWF, which up till June 30, 2019 amounted to Rs. 38,941,269 (Rs. 1.91 per unit). The Scheme has held provision for FED liability that amounted to Rs. 20,428,502 up till June 30, 2016 (Rs.1.00 per unit as on June 30, 2019)

The Total Expense Ratio (TER) of the Fund is 0.95% including reversal representing Government levy, SWWF and SECP Fee of 0.32%.

During the year under review, the Investment Committee held forty-nine meetings to review investment of the Fund and the Risk Committee held twenty meetings to review risk management.

## TRUSTEE REPORT TO THE UNIT HOLDERS

### **Report of the Trustee pursuant to Regulation 41(h) and Clause 9 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008**

We, Central Depository Company of Pakistan Limited, being the Trustee of Atlas Money Market Fund (the Fund) are of the opinion that Atlas Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2019 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Karachi: 27 September 2019

**Badiuddin Akber**  
Chief Executive Officer  
**Central Depository Company of Pakistan Limited**

# INDEPENDENT AUDITOR'S REPORT

## To the Unitholders of Atlas Money Market Fund Report on the Audit of the Financial Statements

### Opinion

We have audited the financial statements of **Atlas Money Market Fund** ("the Fund"), which comprise the statement of assets and liabilities as at June 30, 2019, and the income statement, statement of comprehensive income, statement of movement in unit holders' funds and cash flow statement for the year then ended, and notes to and forming part of the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2019, and of its financial performance, its cash flows and transactions for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

S. No	Key Audit Matter	How the matter was addressed in our audit
1	<b>Net Asset Value</b>	
	(Refer notes 4 to the annexed financial statements)  The balances with banks constitute the most significant component of the net asset value (NAV). The balances with banks as at June 30, 2019 amounted to Rs. 10.339 billion. The existence of balances with banks for the determination of NAV of the Fund as at June 30, 2019 was considered a high risk area and therefore we considered this as a key audit matter.	Our audit procedures included the following: <ul style="list-style-type: none"><li>• Obtained independent confirmations for verifying the existence of the balances with banks as at June 30, 2019 and reconciled it with the books and records of the Fund; and</li><li>• Obtained bank reconciliation statements and tested reconciling items on a sample basis.</li></ul>

### Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

---

## **Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the management company is responsible for overseeing the Fund's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We communicate with board of directors of the management company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the management company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the management company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in

---

extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirement**

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008. The engagement partner on the audit resulting in this independent auditor's report is Salman Hussain.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## 1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Atlas Money Market Fund (the Fund) is an open-ended Fund constituted under a trust deed entered into on 4 December 2009 between Atlas Asset Management Limited (AAML) as the Management Company and the Central Depository Company of Pakistan Limited (CDC) as the trustee. The offering document of the Fund has been revised through the First, Second, Third and Fourth Supplements dated 24 March 2015, 3 August 2015, 30 September 2016 and 2 June 2017 respectively, with the approval of the Securities and Exchange Commission of Pakistan (SECP). The registered office of AAML is situated at Ground Floor, Federation House, Shahrae Firdousi, Clifton, Karachi.
- 1.2 The Fund has been categorised as a 'money market scheme' by the Board of Directors pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund were initially offered for public subscription at a par value of Rs 500 per unit on 20 January 2010. Thereafter, the units are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.
- 1.3 According to the trust deed, the objective of the Fund is to provide its investors competitive returns from a portfolio of low risk, short duration assets while maintaining high liquidity. The Fund aims to deliver this objective mainly by investing in government securities, cash and near cash instruments which include cash in bank accounts, treasury bills, deposits with scheduled banks, certificates of deposit (CODs), certificates of Musharaka (COMs), commercial papers, and reverse repo; with a weighted average time to maturity of not more than 90 days and in case of a single asset, maximum time to maturity of six months. The investment objectives and policy are explained in the Fund's offering document.
- 1.4 The titles to the assets of the Fund are held in the name of the Central Depository Company Limited (CDC) as the Trustees of the Fund.

## 2 BASIS OF PREPARATION

### 2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and

The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

### 2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

Effective from July 01, 2018, the Fund has adopted IFRS 9: "Financial Instruments" which has replaced IAS 39: "Financial Instruments: Recognition and Measurement". The standard addresses recognition, classification, measurement and derecognition of financial assets and financial liabilities. The standard has also introduced a new impairment model for financial assets which requires recognition of impairment charge based on 'expected credit losses' (ECL) approach rather than 'incurred credit losses' approach, as previously given under IAS 39. However, the SECP vide its letter dated November 21, 2017, has deferred the applicability of requirements relating to impairment

---

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

for debt securities on mutual funds till further instructions. Currently, the Asset Management Companies are required to continue to follow the requirements of Circular 33 of 2012 for impairment of debt securities. Furthermore, the ECL has an impact on all other assets of the Fund which are exposed to credit risk. However, majority of the assets of the Fund other than debt securities (for which there is a separate criteria as mentioned above) which are exposed to credit risk, pertain to counter parties which have high credit rating. Therefore, the management believes that the impact of ECL would be very minimal and hence, the same has not been accounted for in these financial statements.

IFRS 9 has provided a criteria for debt securities whereby debt securities are either classified as (a) amortised cost or (b) at fair value through other comprehensive income "(FVOCI)" or (c) at fair value through profit or loss (FVTPL) based on the business model of the entity. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Furthermore, the collection of contractual cash flows for debt securities is only incidental to achieving the Fund's business model's objective.

IFRS 9 requires securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis to be recognised as FVTPL. The management considers its investment in debt securities being managed as a group of assets whose performance is measured based on fair value and hence has classified them as FVTPL. Accordingly, the Fund's investment portfolio continues to be classified as fair value through profit or loss and other financial assets which are held for collection continue to be measured at amortised cost.

The adoption of IFRS 9 did not have any impact on classification and measurement of financial assets and financial liabilities on the date of its adoption.

- 2.2.1** There are certain other amended standards, amendments and interpretations that are mandatory for the Fund's accounting period beginning on or after July 1, 2018 but are considered not to be relevant or do not have any significant effect on the Fund's operations and are, therefore, not disclosed in these financial statements.

**2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective:**

The following amendments to published accounting and reporting standards would be effective from the dates mentioned below against the respective amendments:

Standard, interpretation or amendment	Effective date
- IFRS 9 - 'Financial instruments' (amendment)	January 1, 2019
- IAS 1 - 'Presentation of financial statements' (amendment)	January 1, 2020
- IAS 8 - 'Accounting policies, change in accounting estimates and errors' (amendment)	January 1, 2020

The Management is currently in the process of assessing the full impact of these amendments on the financial statements of the Fund.

- 2.3.1** There are certain other standards, amendments and interpretations that are mandatory for the Fund's accounting period beginning on or after July 1, 2019 but are considered not to be relevant or will not have any significant effect on the Fund's operations and are, therefore, not disclosed in these financial statements.

**2.4 Critical accounting estimates and judgments**

The preparation of financial statements in accordance with the accounting and reporting standards as applicable in Pakistan requires the management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the result of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

---

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification and valuation of investments and provision there against (notes 3.2 and 5) and taxation (notes 3.12 and 15).

## **2.5 Accounting convention**

These financial statements have been prepared under the historical cost convention except that certain investments have been carried at fair values.

## **2.6 Functional and presentation currency**

These financial statements are presented in Pakistani Rupees which is the Fund's functional and presentation currency.

## **3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years except for the changes in accounting policies as explained in notes 2.2 and 3.2 to the financial statements.

### **3.1 Cash and cash equivalents**

These comprise balances with banks, cheques in hand and short-term highly liquid investments with original maturities of three months or less.

### **3.2 Financial assets**

#### **3.2.1 Classification and subsequent measurement**

##### **Debt instruments**

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- amortised cost
- at fair value through other comprehensive income "(FVOCI)"
- at fair value through profit or loss (FVTPL)

based on the business model of the entity.

However, IFRS 9 also provides an option whereby securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognised at FVTPL. Therefore the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVTPL.

#### **3.2.2 Impairment**

The Fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The Fund recognises a loss allowance for such losses at each reporting date. The measurement of ECL reflects:

- An unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- The time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

The 12 months ECL is recorded for all financial assets in which there is no significant increase in credit risk from the date of initial recognition, whereas a lifetime ECL is recorded for all remaining financial assets.

---

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## **3.2.3 Impairment loss on debt securities**

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the Income Statement.

As allowed by the SECP, the Management Company may make provision against debt securities over and above the minimum provision requirement prescribed by the SECP, in accordance with the provisioning policy duly approved by the Board of Directors.

## **3.2.4 Regular way contracts**

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset.

## **3.2.5 Initial recognition and measurement**

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

## **3.2.6 Derecognition**

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the Income Statement.

## **3.2.7 Derivatives**

Derivative instruments are initially recognised at fair value and subsequent to initial measurement each derivative instrument is remeasured to its fair value and the resultant gain or loss is recognised in the Income Statement.

## **3.3 Financial liabilities**

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired.

## **3.4 Offsetting of financial assets and liabilities**

Financial assets and financial liabilities are offset and the net amount reported in the statement of assets and liabilities when there is a legally enforceable right to set off the recognised amount and the Fund intends to either settle on a net basis, or to realise the asset and settle the liability simultaneously.

## **3.5 Provisions**

Provisions are recognised when the Fund has a present, legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and

---

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

a reliable estimate of the amount of obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

### 3.6 Net asset value per unit

The Net Asset Value (NAV) per unit disclosed in the statement of assets and liabilities is calculated by dividing the net assets of the Fund by the number of units in issue at the year end.

### 3.7 Issue and redemption of units

Units issued are recorded at the offer price determined by the Management Company for the applications received by the Management Company / distributors during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load and provision of any duties and charges if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price applicable to units for which the Management Company / distributors receives redemption application during business hours of that day. The redemption price is equal to NAV as of the close of the business day, less an amount as the Management Company may consider to be an appropriate provision of duties and charges.

### 3.8 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Board of Directors of the Management Company. Based on the Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the year in which such distributions are declared and approved by the Board of Directors of the Management Company.

### 3.9 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between net assets value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund will be refunded on units in the same proportion as dividend bears to accounting income available for distribution.

### 3.10 Revenue recognition

- Interest income on bank balances and term deposits is recognised on an accrual basis.
- Income from investments in government securities is recognised on an accrual basis using the effective interest method at the rate of return implicit in the instrument.
- Capital gains / (losses) arising on sale of investments are recorded at the date on which the transaction takes place.
- Unrealised gains / (losses) arising on re-measurement of investments classified as 'financial assets at fair value through profit or loss' are recorded in the period in which these arise.

### 3.11 Expenses

All expenses chargeable to the Fund are recognised in the Income Statement on an accrual basis.

### 3.12 Taxation

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

Tax Ordinance, 2001 subject to the condition that not less than 90 percent of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

## 3.13 Earnings per unit

Earnings / (loss) per unit is calculated by dividing the net income of the year before taxation of the Fund by the weighted average number of units outstanding during the year.

		2019	2018
	Note	Rupees	Rupees
<b>4 CASH AND BANK BALANCES</b>			
Balances with banks in savings accounts	4.1	10,287,871,465	13,200,471,066

<b>6 OTHER RECEIVABLES</b>			
Other receivables	6.1	6,100,073	3,586,604

6.1 As per clause 47(B) of part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to collective investment schemes (CISs) are exempt from withholding tax under section 151 and 150. However, withholding tax on profit on debt paid to the Fund was deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated 12 May 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholder. The tax withheld as at June 30, 2019 amounts to Rs 6.100 million (Rs 3.586 million).

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other Asset Management Companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit on debt has been shown as other receivables as at June 30, 2019 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

7	PAYABLE TO ATLAS ASSET MANAGEMENT LIMITED - MANAGEMENT COMPANY (Related party)	Note	2019	2018
			----- Rupees -----	-----
	Remuneration of the Management Company	7.1	4,302,315	5,483,460
	Sindh Sales Tax payable on remuneration of the Management Company	7.2	3,679,463	3,833,012
	Federal Excise Duty payable on remuneration of the Management Company	7.3	20,428,502	20,428,502
	Accounting and operational charges payable	12	956,069	1,218,547
			<b>29,366,349</b>	<b>30,963,521</b>

7.1 During the year ended 30 June 2019, the Management Company has charged its remuneration at the rate of 0.45% (2018: 0.45%) per annum of the average net assets for the year. The fee is payable to the Management Company monthly in arrears.

7.2 During the year, an amount of Rs. 8,532,191 (2018: Rs. 6,000,267) was charged on account of sales tax on remuneration of the Management Company levied through Sindh Sales Tax on Services Act, 2011 and an amount of Rs. 8,685,740 (2018: Rs. 5,531,598) was paid to the Management Company which acts as a collecting agent.

7.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended 30 June 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from 1 July 2016. However, as a matter of abundant caution the provision for FED made till 30 June 2016 amounting to Rs 20.429 million (30 June 2018: Rs 20.429 million) is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the said provision for FED not been maintained, the net asset value of the Fund as at 30 June 2019 would have been higher by Rs. 1.00 (30 June 2018: Re. 0.82) per unit.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

8	PAYABLE TO THE CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE	Note	2019 ----- Rupees -----	2018 ----- Rupees -----
	Trustee fee	8.1	758,573	916,063
	Sindh Sales Tax on trustee fee	8.2	98,614	119,088
			<b>857,187</b>	<b>1,035,151</b>

8.1 The Trustee is entitled to monthly remuneration for services rendered to the Fund under the provisions of the trust deed as follows:

On net assets	Tariff per annum
- upto Rs 1,000 million	0.15% per annum of net assets
- Rs 1,000 million to Rs 10,000 million	Rs 1.50 million plus 0.075% per annum of net assets exceeding Rs 1,000 million
- exceeding Rs 10,000 million	Rs 8.25 million plus 0.06% per annum of net assets exceeding Rs 10,000 million

8.2 During the year ended 30 June 2019, an amount of Rs. 1,430,125 (2018: Rs 1,067,440) was charged on account of sales tax on remuneration of the Trustee levied through Sindh Sales Tax on Services Act, 2011 and an amount of Rs. 1,450,599 (2018: Rs 997,062) was paid to the Trustee which acts as a collecting agent.

9	PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN	Note	2019 ----- Rupees -----	2018 ----- Rupees -----
	Annual fee payable	9.1	10,938,706	7,692,651

9.1 In accordance with the NBFC Regulations, 2008, a collective investment scheme classified as a money market scheme is required to pay the Securities and Exchange Commission of Pakistan an amount equal to 0.075% of the average annual net assets of the Fund as annual fee.

10	ACCRUED EXPENSES AND OTHER LIABILITIES	Note	2019 ----- Rupees -----	2018 ----- Rupees -----
	Auditors' remuneration payable		618,300	461,455
	Printing charges payable		77,972	226,417
	Withholding tax payable		18,170,295	30,775
	Capital gain tax payable		1,108,008	16,823,435
	Provision for Sindh Workers' Welfare Fund	10.1	38,941,269	13,923,061
	Zakat payable		8,609	-
	Fund rating fee payable		-	355,499
			<b>58,924,453</b>	<b>31,820,642</b>

10.1 As a consequence of the 18th amendment to the Constitution of Pakistan, in May 2015 the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) had been passed by the Government of Sindh as a result of which every industrial establishment located in the Province of Sindh, the total income of which in any accounting year is not less than Rs 0.50 million, was required to pay Sindh Workers' Welfare Fund (SWWF) in respect of that year a sum equal to two percent of such income. The matter was taken up by the MUFAP with the Sindh Revenue Board (SRB) collectively on behalf of various asset management companies and their CISs whereby it was contested that mutual funds should be excluded from the ambit of the SWWF Act as these were not industrial establishments but were pass through investment vehicles and did not employ workers. The SRB held that mutual funds were included in the definition of

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

financial institutions as per the Financial Institution (Recovery of Finances) Ordinance, 2001 and were, hence, required to register and pay SWWF under the SWWF Act. Thereafter, MUFAP had taken up the matter with the Sindh Finance Ministry to have CISs / mutual funds excluded from the applicability of SWWF. In view of the above developments regarding the applicability of SWWF on CISs/mutual funds, MUFAP recommended that, as a matter of abundant caution, provision in respect of SWWF should be made on a prudent basis with effect from the date of enactment of the SWWF Act, 2014 (i.e. starting from May 21, 2015).

Had the provision for SWWF not been recorded in the financial statements of the Fund for the period from May 21, 2015 to June 30, 2019, the net asset value of the Fund as at June 30, 2019 would have been higher by Rs. 1.91 per unit (2018: Re 0.56 per unit).

## 11 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at 30 June 2019 and 30 June 2018.

## 12 ACCOUNTING AND OPERATIONAL CHARGES

Uptil June 19, 2019 in accordance with Regulation 60 of the NBFC Regulations, the Management Company was entitled to charge expenses related to registrar services, accounting, operations and valuation services, related to a Collective Investment Scheme (CIS) at the rate of 0.1% of the average annual net assets of the scheme or actual whichever is less. During the year, SECP vide SRO 639 dated June 20, 2019 has removed the maximum cap of 0.1%. Accordingly, the Management Company can now charge actual expenses related to registrar services, accounting, operations and valuation services to the CIS with effect from June 20, 2019.

However, the management continued to charge expenses at the rate of 0.1 percent of the average annual net assets of the Fund for both the periods i.e from July 1, 2018 to June 19, 2019 and from June 20, 2019 to June 30, 2019, being lower than actual expenses.

## 13 AUDITORS' REMUNERATION

	2019	2018
	----- Rupees -----	
Annual audit fee	315,000	357,443
Half yearly review of condensed interim financial information	157,500	157,500
Other Certifications	50,000	40,000
Out of pocket expenses	50,000	50,000
Sindh Sales Tax on services	45,800	44,395
Prior year adjustment	(95,595)	-
	<b>522,705</b>	<b>649,338</b>

## 14 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2019 is 0.95% (2018: 0.65%) which includes 0.32% (2018: 0.25%) representing government levies on the Fund such as provision for Sindh Workers' Welfare Fund (if any), sales taxes, federal excise duties, annual fee to the SECP, etc. This ratio is within the maximum limit of 2.5% prescribed under the NBFC Regulations for a collective investment scheme categorised as a money market scheme.

## 15 TAXATION

**15.1** The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unitholders. Since the management has paid the required minimum percentage of income earned by the Fund during the year ended 30 June 2019 to the unit holders in the manner as explained above, no provision for taxation has been made in these financial statements during the year.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## 16 EARNINGS PER UNIT

Earnings per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating earnings per unit is not practicable.

## 17 TRANSACTIONS WITH RELATED PARTIES / CONNECTED PERSONS

- 17.1** Connected persons include Atlas Asset Management Limited being the Management Company, the Central Depository Company of Pakistan Limited being the Trustee, other collective investment schemes managed by the Management Company, any person or company beneficially owning directly or indirectly ten percent or more of the capital of the Management Company or the net assets of the Fund, directors and their close family members and key management personnel of the Management Company.
- 17.2** Transactions with connected persons essentially comprise sale and repurchase of units, fee on account of managing the affairs of the Fund, sales load and other charges and distribution payments to connected persons. The transactions with connected persons are in the normal course of business, at contracted rates and at terms determined in accordance with market rates.
- 17.3** Remuneration to the Management Company and the Trustee of the Fund is determined in accordance with the provisions of the NBFC Regulations, 2008 and the Trust Deed.
- 17.4** The details of transactions carried out by the Fund with connected persons during the year and balances with them as at year end are as follows:

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## 19 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, Fund's constitutive documents and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

### 19.1 Market risk

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as interest rates, foreign exchange rates and equity prices.

Market risk comprises of three types of risks: yield / interest rate risk, currency risk, and price risk.

#### (i) Yield / interest rate risk

Yield / interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in the market interest rates. As of 30 June 2019, the Fund is exposed to such risk in respect of balances with other banks. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within acceptable limits.

#### a) Sensitivity analysis for variable rate instruments

As at 30 June 2019, the Fund holds balances with banks which expose the Fund to cash flow interest rate risk. In case of 100 basis points increase / decrease in market interest rates as at 30 June 2019, with all other variables held constant, the net income for the year and net assets would have been higher / lower by Rs. 102,282,805 (2018: Rs 132,004,711).

#### b) Sensitivity analysis for fixed rate instruments

As at 30 June 2019 & 30 June 2018 the Fund does not have any instrument which expose it to fair value interest rate risk.

The composition of the Fund's investment portfolio and interest rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of 30 June 2019 and 30 June 2018 is not necessarily indicative of the impact on the Fund's net income for the year and net assets of the future movements in interest rates.

Yield / interest rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at 30 June 2019 and 30 June 2018 can be determined as follows:

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## (ii) Currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instruments will fluctuate because of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and, hence, is not exposed to such risk.

## (iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Fund does not have any instrument as at 30 June 2019 which expose it to price risk.

## 19.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest a majority of its assets in short-term instruments in order to maintain liquidity.

The Fund can borrow in the short-term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

## 19.3 Credit risk

Credit risk arises from the inability of the issuers of the instruments or the counter party to fulfil their obligations. The Fund is exposed to credit risk with respect to its bank balances and profit receivable on bank deposits. The Fund's policy is to enter into financial contracts in accordance with the interest risk management policies and investment guidelines approved by the Investment Committee. As at 30 June 2019, the Fund did not hold investments in government guaranteed securities. Furthermore, the Fund's maximum exposure to credit risk as of 30 June 2019 amounts to Rs. 10,349,423,761 (2018: Rs 13,229,143,212).

### Credit quality of financial assets

The credit quality of financial assets that are neither past due nor impaired can be assessed by reference to external credit ratings or to historical information about counterparty default rates. The credit risk associated with government securities is limited as these are guaranteed by the Federal Government. As at 30 June 2019, the Fund did not hold investments in government guaranteed securities. Banks with which the Fund has maintained balances are rated as follows:

Rating	2019	2018
AA	20.07%	0%
AA+	16.84%	1.20%
AAA	63.09%	98.80%
	<b>100.00%</b>	<b>100.00%</b>

## 20 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2019, the Fund did not have any financial instruments measured at fair value.

## 21 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. These units are entitled to distributions and to payment of a proportionate share based on the Fund's net asset value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restrictions on the subscription and redemption of units. As required under NBFC Regulations, every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirement of minimum fund size at all times.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 19, the Fund endeavours to invest the subscriptions received in appropriate investments while maintaining sufficient liquidity to meet redemption requests, such liquidity being augmented by short-term borrowings or disposal of investments where necessary.

## Fund Manager's Report

Atlas Sovereign Fund (ASF) is an Open-ended Income Fund. The objective of ASF is to provide unit-holders competitive returns with medium risk and high liquidity by investing in Government Securities and Debt Instruments. The Fund's strategy is based on the conviction that economic environment drives long term performance, and that active management of credit risk can produce consistently superior results. Fundamental and market analysis are used to identify overall portfolio, bond market sectors, yield curve and credit positioning to provide high and sustainable rates of return. The fund employs strategies such as overall portfolio duration and yield curve positioning to deal with market and reinvestment risks.

Atlas Sovereign Fund performance benchmark is average Six Months PKRV rates.

The Consumer Price Index (CPI) on average was recorded at 7.34% during financial year 2018-19, as compared to 3.92% for the financial year 2017-18. The YoY upsurge in inflation rate was due to Pak rupee depreciation and increase in energy and food prices.

During the year, SBP has significantly tightened monetary policy, and allowed greater flexibility in the exchange rate adjustments to curb excessive aggregate demand and move towards macroeconomic stabilization. The SBP changed the monetary policy stance since January 2018 by increasing 650 basis points as on June 30, 2019 to anchor expected rise in inflation in view of reversal of international oil and commodities prices. In recent monetary policy announced on July 16, 2019, SBP further increased the policy rate by another 100 bps to 13.25%. The decision was taken on account of upside inflationary pressures from exchange rate depreciation since the last MPC meeting on 20th May 2019 and the likely increase in near term inflation from the one-off impact of recent adjustments in utility prices and other measures in the FY20 budget. Going forward, the MPC will be ready to take action depending on economic developments and data outturns. Unanticipated increases in inflation that adversely affect the inflation outlook may lead to further modest tightening. On the other hand, a greater than expected softening of demand and downward revision in projected inflation would provide ground for easing monetary conditions.

The Net Asset Value per unit of the Fund increased by 7.71% to Rs. 100.33 per unit as on June 30, 2019. The benchmark average six months PKRV rate stood at 9.31% during the period under review. The ASF's total exposure in PIBs stood at 22.05% and 76.99% in short term deposits with banks/ cash. ASF presents a good investment opportunity for investors to earn attractive returns with medium term investment horizon. The Net Assets of the Fund stood at Rs 2.30 billion, with 22.94 million units outstanding as of June 30, 2019.

The Investment Committee of Atlas Asset Management Limited, the Management Company of Atlas Sovereign Fund, under the authority delegated by the Board of Directors of Atlas Asset Management Limited has approved aggregated interim distribution of Rs 7.50 per unit for the period ended June 30, 2019 (7.5% on the face value of Rs. 100 per unit).

---

**Breakdown of Unit Holding by size:**

Type of Investor	No. of Investors	Amount of Investment (Rs.)	Percentage (%)
Individual	47	326,116,893	14.17
Associated companies / Directors	7	1,699,859,915	73.87
Retirement Funds	5	275,209,579	11.96
<b>Total</b>	<b>60</b>	<b>2,301,236,691</b>	<b>100.00</b>

The Fund has made provision against SWWF, which up till June 30, 2019 amounted to Rs. 1,976,156 (Rs. 0.09 per unit). The Scheme has also held provision for FED liability that amounted to Rs. 905,341 up till June 30, 2016. (Rs.0.04 per unit as on June 30, 2019).

The Total Expense Ratio (TER) of the Fund is 1.1% including expenses representing Government levy, SWWF and SECP Fee of 0.31%.

During the year under review, the Investment Committee held forty-nine meetings to review investment of the Fund and the Risk Committee held twenty meetings to review risk management.

## TRUSTEE REPORT TO THE UNIT HOLDERS

### **Report of the Trustee pursuant to Regulation 41(h) and Clause 9 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008**

We, Central Depository Company of Pakistan Limited, being the Trustee of Atlas Sovereign Liquid Fund (the Fund) are of the opinion that Atlas Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2019 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Karachi: 27 September 2019

**Badiuddin Akber**  
Chief Executive Officer  
**Central Depository Company of Pakistan Limited**

# INDEPENDENT AUDITOR'S REPORT

## To the Unit holders of Atlas Sovereign Fund Report on the Audit of the Financial Statements

### Opinion

We have audited the financial statements of **Atlas Sovereign Fund** (the Fund), which comprise the statement of assets and liabilities as at 30 June 2019, and the income statement, statement of comprehensive income, cash flows statement and statement of movement in unit holders' fund for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at 30 June 2019, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No	Key audit matter	How our audit addressed the key audit matter
1	<b>Debt Investments</b>  As disclosed in note 5 to the accompanying financial statements of the Fund for the year ended 30 June 2019, the investments held by the Fund comprised of debt investments which represent significant portion of the total assets of the Fund as at the year end.  Further, the adoption of IFRS 9: Financial Instruments also required the re-assessment of the classification of investments held by the Fund.  In view of the above, we have considered this area as a key audit matter.	<p>We performed a combination of audit procedures focusing on the classification and measurement of debt investments. Our key procedure included the following:</p> <ul style="list-style-type: none"><li>• We tested controls over acquisition, disposals and periodic valuation of debt investments portfolio.</li><li>• We performed substantive audit procedures on year-end balance of portfolio including review of custodian's statement and valuations on such investments.</li><li>• We evaluated the appropriateness of the new accounting policies for classification and measurement of debt investments adopted by the Fund in accordance with the requirements of IFRS 9.</li><li>• We assessed the Fund's compliance with the requirements of Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the Regulations) in relation to the concentration of debt investments and exposure limits prescribed in such Regulations and the applicability of disclosures in this regard.</li><li>• We also evaluated the adequacy of the overall disclosures in the financial statements in respect of the debt investments portfolio in accordance with the requirements of the Regulations and applicable financial reporting standards.</li></ul>

---

## Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Fund's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.

- 
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 and the Non-Banking Finance Companies and Notified Entities Regulation, 2008.

The engagement partner on the audit resulting in this independent auditor's report is Arslan Khalid.

Karachi: 26 September 2019

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## 1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Atlas Sovereign Fund (the Fund) is an open ended Fund constituted by a trust deed entered into on 19 August 2014 between Atlas Asset Management Limited (AAML) as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the trustee. The Trust Deed has been revised through the First and Second Supplemental Trust Deeds dated 23 May 2017 and 03 September 2018 respectively, with the approval of the Securities and Exchange Commission of Pakistan (SECP). The Offering Document has been revised through the First, Second, Third, Fourth, Fifth, Sixth and Seventh Supplements dated 24 March 2015, 03 August 2015, 23 June 2016, 13 October 2016, 02 June 2017, 18 April 2018 and 20 August 2018 respectively, with the approval of the SECP. The registered office of AAML is situated at Ground Floor, Federation House, Shahrae Firdousi, Clifton, Karachi.
- 1.2 The Fund is categorised as an 'Income Scheme' effective from 02 January 2019 previously it was 'Money Market Scheme' by the Board of Directors pursuant to the provisions contained in Circular 7 of 2009. The units of the Fund are being offered for public subscription on a continuous basis from 01 December 2014 and are transferable and redeemable by surrendering them to the Fund. The Fund is listed on the Pakistan Stock Exchange Limited.
- 1.3 According to the amended Trust Deed, the objective of the Fund is to generate competitive returns by investing in Government Securities and Debt Instruments. The investment objectives and policies are more fully defined in Fund's Offering document.
- 1.4 Titles to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.

## 2 BASIS OF PREPERATION

### 2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

### 2.2 New / Revised Standards, Interpretations and Amendments

The Fund has adopted the following accounting standard and the amendments and interpretation of IFRSs which became effective for the current year:

IFRS 2 Share-based Payments – Classification and Measurement of Share-based Payments Transactions (Amendments)

---

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

IFRS 4 Insurance Contracts: Applying IFRS 9 Financial Instruments with IFRS 4 Insurance Contracts – (Amendments)

IFRS 9 Financial Instruments

IFRS 15 – Revenue from Contracts with Customers

IFRIC 22 Foreign Currency Transactions and Advance Consideration

IAS 40 Investment Property: Transfers of Investment Property (Amendments)

The adoption of the above amendments to accounting standards and interpretations did not have any effect on the financial statements other than IFRS 9 Financial Instruments as disclosed below:

### 2.2.1 IFRS 9 Financial Instruments

#### (a) Classification and measurement

Effective from 01 July 2018, the Fund has adopted IFRS 9: "Financial Instruments" which has replaced IAS 39: "Financial Instruments: Recognition and Measurement". The standard prescribes accounting and reporting requirements for recognition, classification, measurement and derecognition of financial assets and financial liabilities.

IFRS 9 has replaced current categories of financial assets (Fair Value Through Profit or Loss (FVTPL), Available For Sale (AFS), held-to-maturity and amortised cost) by the following classifications of Financial Assets:

- 1) Debt instruments at amortised cost
- 2) Debt instruments at Fair Value Through Other Comprehensive Income (FVOCI), with gains or losses recycled to profit or loss on derecognition
- 3) Equity instruments at FVOCI, with no recycling of gains or losses to profit or loss on derecognition
- 4) Financial assets at Fair Value through Profit or Loss

The accounting for financial liabilities remains largely the same as it was under IAS 39.

Under IFRS 9, the classification of debt instruments is based on two criteria, (a) the entity's business model for managing the assets; and (b) whether the instruments' contractual cashflows represent 'solely payments of principal and interest' on the principal amount outstanding (the 'SPPI criterion').

The classification and measurement requirements of IFRS 9 have been adopted retrospectively as of the date of initial application on 01 July 2018. However, the Fund has chosen to take advantage of the option not to restate comparatives as allowed under IFRS 9. Therefore, the 2018 figures are presented and measured under IAS 39. The following table shows the original measurement categories in accordance with IAS 39 and the new measurement categories under IFRS 9 for the Fund's financial assets and financial liabilities as at 01 July 2018:

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## Financial assets

01 July 2018	IAS 39 Classification	IAS 39 Measurement	IFRS 9 Classification	IFRS 9 Measurement
Bank balances	Loans and receivables	267,945,874	Amortised Cost	267,945,874
Investments	Held for trading*	100,782,300	Fair value through profit or loss*	92,878,298
Profit receivable on bank deposits	Loans and receivables	232.155	Amortised Cost	232.155

\*The financial assets held for trading continue to be measured at fair value through profit and loss under IFRS 9.

## Financial liabilities

All Financial liabilities which were previously classified as 'other financial liabilities' at amortised cost under IAS 39 continue to be classified as 'financial liabilities at amortised cost' under IFRS 9.

### (b) Impairment

In relation to the impairment of financial assets, IFRS 9 requires an expected credit loss model, as opposed to an incurred credit loss model.

SECP vide its letter no. SCD/AMCW/RS/MUFAP/2017-148 dated 21 November 2017 has deferred the applicability of above impairment requirements in relation to debt securities for mutual funds and accordingly, basis defined in Circular No. 33 of 2012 dated 24 October 2012 will be followed.

The management has made an assessment of impairment under expected credit loss model of IFRS 9 for financial assets (other than debt securities) and concluded that impact is not material to the financial statements.

## 2.3 Standards, interpretations and amendments to approved accounting standards that are not yet effective

The following standards, amendments and interpretations with respect to the approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standard or interpretation:

Standard or Interpretation	Effective date (annual periods beginning on or after)
IFRS 3 Definition of a Business (Amendments)	01 January 2020
IFRS 3 Business Combinations – Previously held interests in a joint operation	01 January 2019
IFRS Insurance Contracts – Applying IFRS 9 Financial Instruments with IFRS 4 Insurance Contracts (Amendments)	01 July 2019
IFRS 9 Financial instruments – Prepayment Features with Negative Compensation (Amendments)	01 January 2019
IFRS 10 Consolidated Financial Statements and IAS 28 Investment in Associates and Joint Ventures - Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendment)	Not yet finalized

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

<b>Standard or Interpretation</b>	<b>Effective date (annual periods beginning on or after)</b>
IFRS 11 Joint Arrangements –Previously held interests in a joint operation	01 January 2019
IFRS 16 - Leases	01 January 2019
Definition of Material – Amendments to IAS 1 and IAS 8	01 January 2019
IAS 12 Income Taxes – Income tax consequences of payments on financial instruments classified as equity	01 January 2019
IAS 19 - Plan Amendment, Curtailment or Settlement (Amendments)	01 January 2019
IAS 23 Borrowing Costs - Borrowing costs eligible for capitalisation	01 January 2019
IFRIC 23 Uncertainty over Income Tax Treatments	01 January 2019
IAS 28 - Long-term Interests in Associates and Joint Ventures – (Amendments)	01 January 2019

The above standards and amendments are not expected to have any material impact on the Fund's financial statements in the period of initial application.

In addition to the above standards and amendments, improvements to various accounting standards have also been issued by the IASB in December 2017. Such improvements are generally effective for accounting periods beginning on or after 01 January 2019 respectively. The Fund expects that such improvements to the standards will not have any impact on the Fund's financial statements in the period of initial application.

The IASB has also issued the revised Conceptual Framework for Financial Reporting (the Conceptual Framework) in March 2018 which is effective for annual periods beginning on or after 01 January 2020 for preparers of financial statements who develop accounting policies based on the Conceptual Framework. The revised Conceptual Framework is not a standard, and none of the concepts override those in any standard or any requirements in a standard. The purpose of the Conceptual Framework is to assist IASB in developing standards, to help preparers develop consistent accounting policies if there is no applicable standard in place and to assist all parties to understand and interpret the standards.

Further, following new standards have been issued by IASB which are yet to be notified by the SECP for the purpose of applicability in Pakistan.

<b>Standards</b>	<b>IASB Effective date (annual periods beginning on or after)</b>
IFRS 14 - Regulatory Deferral Accounts	01 January 2016
IFRS 17 - Insurance Contracts	01 January 2021

## 2.4 Critical accounting estimates and judgements

The preparation of financial statements in accordance with the accounting and reporting standards as applicable in Pakistan requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification, valuation and impairment of financial assets.

---

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## 2.5 Accounting convention

These financial statements have been prepared under the historical cost convention except that investments have been carried at fair value.

## 2.6 Functional and presentation currency

These financial statements are presented in Pakistani Rupees, which is the Fund's functional and presentation currency.

## 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years except for the changes in accounting policies as explained in note 3.1 below.

### 3.1 Financial instruments - Policy effective from 01 July 2018

In the current period, the Fund has adopted IFRS 9 Financial Instruments. Comparative figures for the year ended 30 June 2018 have not been restated as allowed by IFRS 9. Therefore, financial instruments in the comparative period are still accounted for in accordance with IAS 39 Financial Instruments: Recognition and Measurement.

#### a) Initial recognition and measurement

Financial assets and liabilities, with the exception of bank balances are initially recognised on the trade date, i.e., the date that the Bank becomes a party to the contractual provisions of the instrument. This includes regular way trades: purchases or sales of financial assets that require delivery of assets within the time frame generally established by regulation or convention in the market place. Bank balances are recognised when funds are transferred to the banks.

All financial instruments are measured initially at their fair value plus transaction costs, except in the case of financial assets and financial liabilities recorded at fair value through profit or loss.

#### b) Classification

In accordance with IFRS 9, the Fund classifies its financial assets and financial liabilities at initial recognition into the categories of financial assets and financial liabilities discussed below:

##### Financial assets

The Fund classifies its financial assets as subsequently measured at amortised cost or measured at fair value through profit or loss on the basis of both:

- The entity's business model for managing the financial assets; and
- The contractual cash flow characteristics of the financial asset.

##### Business model assessment

The Fund determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective.

The Fund's business model is not assessed on an instrument by instrument basis, but at a higher level of aggregated portfolios and is based on observable factors such as:

- the objectives for the portfolio, in particular, whether management's strategy focuses on earning contractual revenue, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of the liabilities that are funding those assets or realizing cash flows through the sale of the assets;

---

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

- How the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel;
- The risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way those risks are managed;
- How managers of the business are compensated (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected).

The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account. If cash flows after initial recognition are realised in a way that is different from the Fund's original expectations, the Fund does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

### **Assessments whether contractual cash flows are solely payments of principal and interest (SPPI)**

As a second step of its classification process the Fund assesses the contractual terms of financial to identify whether they meet the SPPI test.

Principal' for the purpose of this test is defined as the fair value of the financial asset at initial recognition and may change over the life of the financial asset (for example, if there are repayments of principal or amortisation of the premium/discount).

The most significant elements of interest within a lending arrangement are typically the consideration for the time value of money and credit risk. To make the SPPI assessment, the Fund applies judgement and considers relevant factors such as the currency in which the financial asset is denominated, and the period for which the interest rate is set.

In contrast, contractual terms that introduce a more than de minimis exposure to risks or volatility in the contractual cash flows that are unrelated to a basic lending arrangement do not give rise to contractual cash flows that are solely payments of principal and interest on the amount outstanding. In such cases, the financial asset is required to be measured at FVPL.

### **Financial assets measured (equity and debt Instruments) at fair value through profit or loss (FVPL)**

A financial asset is measured at fair value through profit or loss if:

- (a) Its contractual terms do not give rise to cash flows on specified dates that are solely payments of principal and interest (SPPI) on the principal amount outstanding; or
- (b) It is not held within a business model whose objective is either to collect contractual cash flows, or to both collect contractual cash flows and sell; or
- (c) At initial recognition, it is irrevocably designated as measured at FVPL when doing so eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise from measuring assets or liabilities or recognising the gains and losses on them on different bases.

### **Financial assets (debt Instruments) measured at amortised cost**

A debt instrument is measured at amortised cost if it is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Fund includes in this category accrued income and other receivables.

---

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## **Financial liabilities**

### **Financial liabilities measured at amortised cost**

This category includes all financial liabilities, other than those measured at fair value through profit or loss.

#### **c) Derecognition**

A financial asset (or, where applicable, a part of a financial asset or a part of a group of similar financial assets) is derecognised where the rights to receive cash flows from the asset have expired, or the Fund has transferred its rights to receive cash flows from the asset, or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement and the Fund has:

- (a) Transferred substantially all of the risks and rewards of the asset; or
- (b) Neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Fund has transferred its right to receive cash flows from an asset (or has entered into a pass-through arrangement), and has neither transferred nor retained substantially all of the risks and rewards of the asset nor transferred control of the asset, the asset is recognised to the extent of the Fund's continuing involvement in the asset. In that case, the fund also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the fund has retained. The Fund derecognises a financial liability when the obligation under the liability is discharged, cancelled or expired.

#### **d) Impairment of financial assets**

The Fund only considers expected credit losses for bank balances, trade and other receivables and measures expected credit losses on bank balances using the probability of default (PD) and loss given default (LGD) estimates using the published information about these risk parameters.

For trade and other receivables with no financing component and which have maturities of less than 12 months at amortised cost and, as such, the Fund has chosen to apply an approach similar to the simplified approach for expected credit losses on bank balances (ECL) under IFRS 9 to all its trade and other receivables. The Fund uses the provision matrix as a practical expedient to measuring ECLs on trade receivables, based on days past due for groupings of receivables with similar loss patterns. The provision matrix is based on historical observed loss rates over the expected life of the receivables and is adjusted for forward-looking estimates.

The expected credit losses in respect of debt securities are not considered since SECP vide its letter no. SCD/AMCW/RS/MUFAP/2017-148 dated 21 November 2017 has deferred the applicability of above impairment requirements in relation to debt securities for mutual funds and accordingly, basis defined in Circular No. 33 of 2012 dated 24 October 2012 will be followed.

#### **e) Offsetting of financial assets and liabilities**

Financial assets and financial liabilities are offset and the net amount is reported in the statement of assets and liabilities if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

---

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## **3.2 Financial instruments - Policy effective before 01 July 2018**

### **3.2.1 Financial assets**

#### **Classification**

The management determines the appropriate classification of the financial assets of the Fund in accordance with the requirements of International Accounting Standard (IAS) 39: 'Financial Instruments: Recognition and Measurement' at the time of the purchase of the financial assets and re-evaluates this classification on a regular basis. The classification depends on the purpose for which the financial assets are acquired. The financial assets of the Fund are categorised as follows :

#### **a) Financial assets at fair value through profit or loss**

These are acquired principally for the purpose of generating profit from short-term fluctuations in prices.

#### **b) Loans and receivables**

These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market.

#### **c) Available-for-sale**

These are those non-derivative financial assets that are designated as available for sale or are not classified as (a) financial assets at fair value through profit or loss, or (b) loans and receivables. These are intended to be held for an indefinite period of time which may be sold in response to the needs for liquidity or change in price.

### **3.2.2 Regular way contracts**

All regular way purchases / sales of investments are recognised on the trade date, i.e. the date on which the Fund commits to purchase / sell the investment. Regular way purchases / sales of investments require delivery of securities within two days after transaction date as per the stock exchange regulations.

### **3.2.3 Initial recognition and measurement**

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value and transaction costs are expensed in the income statement.

### **3.2.4 Subsequent measurement**

Subsequent to initial recognition, financial assets are valued as follows:

#### **a) Financial assets at fair value through profit or loss' and 'available-for-sale financial assets'**

##### **Basis of valuation of government securities**

The investment of the Fund in government securities is valued on the basis of rates announced by the Financial Markets Association of Pakistan.

Net gains and losses arising on changes in the fair values of financial assets carried 'at fair value through profit or loss' are taken to the Income Statement.

---

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

Net gains and losses arising from changes in fair value of 'available-for-sale financial assets' are taken to the Statement of Comprehensive Income' as 'other comprehensive income' until these are derecognised or impaired. At this time, the cumulative gain or loss previously recognised as 'other comprehensive income' is transferred to the Income Statement as capital gain / (loss).

### **b) Loans and receivables**

These are carried at amortised cost using the effective interest method.

Gains or losses are recognised in the Income Statement through the amortisation process or when the financial assets carried at amortised cost are derecognised or impaired.

### **3.2.5 Impairment**

The Fund assesses at each reporting date whether there is objective evidence that the financial asset or a group of financial assets is impaired. In case of equity securities classified as available-for-sale, a significant or prolonged decline in the fair value of the security below its cost is considered, among other indicators, as an indicator that the securities are impaired. If any such evidence exists for available-for-sale financial assets, the cumulative loss measured as the difference between the acquisition cost and the current fair value, less any impairment loss on that financial asset previously recognised in income statement is reclassified from unit holders' fund to 'income statement'. Impairment losses recognised on equity instruments are not reversed through the income statement.

For financial assets classified as 'loans and receivables', a provision for impairment is established when there is objective evidence that the Fund will not be able to collect all amounts due according to the original terms. The amount of the provision is determined based on the provisioning criteria specified by the SECP.

### **3.2.6 Derecognition**

Financial assets are derecognised when the rights to receive cash flows from the investments have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership.

### **3.2.7 Derivatives**

Derivative instruments are initially recognised at fair values and subsequent to initial measurement each derivative instrument is remeasured to its fair value and the resultant gain or loss is recognised in the income statement. Presently, the Fund does not have any derivative instrument.

### **3.2.8 Financial liabilities**

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. Any gain on derecognition of financial liability is taken to income statement.

### **3.3 Issue and redemption of units**

Units issued are recorded at the offer price determined by the management company for the applications received by the distribution company / management company during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load and provision of any duties and charges if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price applicable to units for which the distribution company / management company receives redemption application during business hours of that day. The redemption price is equal to NAV as of the close of the business day, less an amount as the management company may consider to be an appropriate provision of duties and charges.

---

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## 3.4 Revenue recognition

- Capital gains / (losses) arising on sale of investments are included in the income statement on the date at which the transaction takes place.
- Income from investments in government securities is recognised on an accrual basis using effective interest method at the rate of return implicit in the instrument.
- Unrealised gains / (losses) arising on re-measurement of investments classified as 'financial assets at fair value through profit or loss' are included in the income statement in the period in which they arise.
- Interest income on bank balances and term deposits is recognised on an accrual basis.

## 3.5 Expenses

All expenses chargeable to the Fund including remuneration of management company, trustee and annual fee of the SECP are recognised in the income statement on an accrual basis.

## 3.6 Provisions

Provisions are recognised when the Fund has a present, legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

## 3.7 Deferred formation cost

Formation cost refers to all the preliminary and floatation expenses of the Fund incurred upto the initial issue of units to the extent allowable under the NBFC Regulations. These costs are being amortised over a period of five years commencing from December 2014, in accordance with the requirements of the NBFC Regulations. These expenses were paid off by the Management Company and are re imbursable to it by the Fund.

## 3.8 Taxation

The income of the Fund is exempt from income tax under Clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed among the unit holders. The Fund intends to distribute such income by the year end in order to avail this tax exemption. Accordingly, no provision has been made for current and deferred taxation in these financial statements.

## 3.9 Distribution to unit holders

Distribution to unit holders is recognised upon declaring and approval by the Distribution Committee of the Board of Directors of Management Company under powers delegated to them by the Board of Directors of the Management Company or declaration and approval by the Board of Director of the Management Company.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the period in which such distributions are declared and approved by the Board of Directors of the Management Company.

## 3.10 Net asset value per unit

The net asset value (NAV) per unit disclosed in the statement of assets and liabilities is calculated by dividing the net assets of the Fund by the number of units in issue at the year end.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## 3.11 Earnings per unit

Earnings per unit (EPU) has not been disclosed as in the opinion of the management the determination of cumulative weighted average number of outstanding units for calculation of EPU is not practicable.

## 3.12 Cash and cash equivalents

These comprise balances with banks, cheques in hand and short-term highly liquid investments with original maturities of three months or less.

## 3.13 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

The Securities and Exchange Commission of Pakistan through its SRO 756(I)/2017 dated 03 August 2017 includes a definition and explanation relating to "element of income" and excludes the element of income from the expression "accounting income" as described in regulation 63 (amount distributable to unit holders) of the NBFC Regulations. As per the notification, element of income represents the difference between net assets value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting period. Further, the revised regulations also specify that element of income is a transaction of capital nature and the receipt and payment of element of income shall be taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund will be refunded on units in the same proportion as dividend bears to accounting income available for distribution. MUFAP, in consultation with the SECP, specified methodology of determination of income paid on units redeemed under which such income is paid on gross element received and is calculated from the latest date at which the Fund achieved net profitability during the year.

4 BANK BALANCES	Note	2019	2018

5.2.1 The cost of investments as on 30 June 2019 is Rs. 513,451,742 (30 June 2018: Rs. Nil).

5.2.2 These Pakistan Investment Bonds carry purchase yields ranging from 11.80% to 13.80% per annum and will mature between 12 July 2021 and 12 July 2023.

## 6 OTHER RECEIVABLES

	Note	2019 Rupees	2018
Other receivables	6.1	469,410	453,482

6.1 As per Clause 47(B) of part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to collective investment schemes (CISs) are exempt from withholding tax under section 151. However, during the year ended 30 June 2016, several Companies (including banks) deducted withholding tax on profit on bank deposits paid to the Fund based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated 12 May 2015.

In this connection, a petition has been filed in the Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other Asset Management Companies) to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

Second Schedule to the Income Tax Ordinance, 2001. Pending resolution of the matter, the cumulative amount of withholding tax deducted on profit received by the Fund on bank deposits till 30 June 2019 has been shown as other receivables as, in the opinion of the management, the amount of tax deducted at source will be refunded.

		2019	2018

<b>7 DEFERRED FORMATION COST</b>			
Deferred formation cost		260,000	520,000
Amortisation of formation cost		(260,000)	(260,000)
		<b>-</b>	<b>260,000</b>
<b>8 PAYABLE TO ATLAS ASSET MANAGEMENT LIMITED - MANAGEMENT COMPANY - RELATED PARTY</b>			
Remuneration of the Management Company	8.1	330,804	132,163
Sindh sales tax payable on remuneration of the Management Company	8.2	174,284	148,464
Federal excise duty payable on remuneration of the Management Company	8.3	905,341	905,341
Formation cost payable		260,000	520,000
Accounting and operational charges payable	8.4	184,254	29,377
		<b>1,854,683</b>	<b>1,735,345</b>

**8.1** In accordance with the offering document of the Fund, management fee is 10% of the Gross Earnings subject to a minimum fee of 0.45% of average daily Net Assets and maximum fee of 0.80% of average Annual Net Asset. The Management Company is entitled to charge a management fee 1.0% of average annual net assets of the Fund in case of Income schemes that is to be verified by the trustee and is paid in arrears on monthly basis. Provided that the Management Company may charge performance based or fixed fee or the combination of both which shall not exceed the limit prescribed in the regulation. Accordingly, the Management Company has charged its remuneration at the rate of 0.37% (2018: 0.45%) per annum of the average annual net assets of the year. The fee is payable to the Management Company monthly in arrears.

**8.2** During the year, an amount of Rs. 275,784 (2018: Rs. 175,151) was charged on account of sales tax on remuneration of the Management Company levied through Sindh sales tax on Services Act, 2011 and an amount of Rs. 249,964 (2018: Rs.296,691) has been paid to the Management Company which acts as a collecting agent.

**8.3** The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) with effect from 13 June 2013. As the asset management services rendered by the Management Company of the Fund are already subject to provincial sales tax on services levied by the Sindh Revenue Board, which is being charged to the Fund as explained in note 8.2 above, the Management Company was of the view that further levy of FED was not justified.

On 04 September 2013, a Constitutional Petition was filed in the Honourable Sindh High Court (SHC) jointly by various asset management companies, together with their representative Collective Investment Schemes through their trustees, challenging the levy of FED.

During the previous year, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

With effect from 01 July 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from 1 July 2016. However, as a matter of abundant caution the provision for FED made for the period from 13 June 2013 till 30 June 2016 amounting to Rs 0.905 million (30 June 2018: Rs 0.905 million) is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the said provision for FED not been maintained, the net asset value of the Fund as at 30 June 2019 would have been higher by Rs. 0.04 per unit (30 June 2018: Re. 0.27 per unit).

## 8.4 ACCOUNTING AND OPERATIONAL CHARGES

Uptil 19 June 2019 in accordance with Regulation 60 of the NBFC Regulations, the Management Company was entitled to charge expenses related to registrar services, accounting, operations and valuation services, related to a Collective Investment Scheme (CIS) at the rate of 0.1% of the average annual net assets of the scheme or actual whichever is less. During the year, SECP vide SRO 639 dated 20 June 2019 has removed the maximum cap of 0.1%. Accordingly, the Management Company can now charge actual expenses related to registrar services, accounting, operations and valuation services to the CIS with effect from 20 June 2019.

However, the management continued to charge expenses at the rate of 0.1% of the average annual net assets of the Fund for both the periods i.e from 01 July 2018 to 19 June 2019 and from 20 June 2019 to 30 June 2019, being lower than actual expenses.

	Note	2019 ----- Rupees -----	2018 ----- Rupees -----

Provision for Sindh Workers' Welfare Fund	11.1	1,976,156	1,037,698
		<b>16,508,933</b>	<b>1,563,353</b>

**11.1** As a consequence of the 18th amendment to the Constitution of Pakistan, in May 2015 the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) had been passed by the Government of Sindh as a result of which every industrial establishment located in the Province of Sindh, the total income of which in any accounting year is not less than Rs 0.50 million, is required to pay Sindh Workers' Welfare Fund (SWWF) in respect of that year a sum equal to two percent of such income. The matter was taken up by the MUFAP with the Sindh Revenue Board (SRB) collectively on behalf of various asset management companies and their CISs whereby it was contested that mutual funds should be excluded from the ambit of the SWWF Act as these were not industrial establishments but were pass through investment vehicles and did not employ workers. The SRB held that mutual funds were included in the definition of financial institutions as per the Financial Institution (Recovery of Finances) Ordinance, 2001 and were, hence, required to register and pay SWWF under the SWWF Act. However, it may be stated that under Companies Act, 2017 mutual funds are explicitly excluded from the definition of financial institution. Thereafter, MUFAP has taken up the matter with the Sindh Finance Ministry to have CISs / mutual funds excluded from the applicability of SWWF. In view of the above developments regarding the applicability of SWWF on CISs / mutual funds, the MUFAP recommended that as a matter of abundant caution provision in respect of SWWF should be made on a prudent basis with effect from the date of enactment of the Sindh WWF Act, 2014 (i.e. starting from May 21, 2015).

In view of the above developments regarding the applicability of WWF and SWWF on CISs / mutual funds. MUFAP has recommended the following to all its members on 12 January 2017:

- based on legal opinion, the entire provision against WWF held by the CISs till 30 June 2015 should be reversed on 12 January 2017; and
- as a matter of abundant caution, the provision in respect of SWWF should be made with effect from the date of enactment of the SWWF Act, 2014 (i.e. starting from 21 May 2015) on 12 January 2017.

Accordingly, on 12 January 2017 the provision for WWF was reversed and the provision for SWWF was made for the period from 21 May 2015 to 12 January 2017. Thereafter, the provision for SWWF is being made on a daily basis going forward.

The above decisions were communicated to the SECP and the Pakistan Stock Exchange Limited on 12 January 2017 and the SECP vide its letter dated 01 February 2017 has advised MUFAP that the adjustments relating to the above should be prospective and supported by adequate disclosures in the financial statements of the CISs/ mutual funds.

Had the provision for SWWF not been recorded in these financial statements of the Fund, the net asset value of the Fund as at 30 June 2019 would have been higher by Re 0.09 per unit (30 June 2018: Rs 0.30 per unit).

## 12 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at 30 June 2019 and 30 June 2018.

## 16 TAXATION

- 16.1** The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unitholders. Since the management has paid the required minimum percentage of income earned by the Fund during the year ended 30 June 2019 to the unit holders in the manner as explained above, no provision for taxation has been made in these financial statements during the year.

## 17 EARNINGS PER UNIT

Earnings per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating earnings per unit is not practicable.

## 18 TRANSACTIONS WITH RELATED PARTIES / CONNECTED PERSONS

- 18.1** Connected persons include Atlas Asset Management Limited being the Management Company, Central Depository Company Limited being the Trustee, other collective investment schemes managed by the Management Company, any person or company beneficially owning directly or indirectly ten percent or more of the capital of the Management Company or the net assets of the Fund and directors and key management personnel of the Management Company.
- 18.2** Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, other charges and distribution payments to connected persons. The transactions with connected persons are in the normal course of business, at contracted rates and at terms determined in accordance with market rates.
- 18.3** Remuneration to the Management Company and the Trustee of the Fund is determined in accordance with the provisions of the NBFC regulations and the Trust Deed.
- 18.4** The details of transactions carried out by the Fund with connected persons during the year and balances with them as at year end are as follows:

## 20 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

- 20.1** The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the management company, Fund's constitutive documents and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, credit risk and liquidity risk arising from the financial instruments it holds.

---

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## 20.2 Market risk

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as interest rates, foreign exchange rates and equity prices.

### (i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in the market interest rates. As of 30 June 2019, the Fund is exposed to such risk in respect of bank balances. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within acceptable limits.

### a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds balances with banks which expose the Fund to cash flow interest rate risk. In case of 100 basis points increase in market interest rates as at 30 June 2019, with all other variables held constant, the net income for the year and net assets would have been higher by Rs. 17,364,317 (2018: Rs. 2,679,459). In case of 100 basis points decrease in market interest rates as at 30 June 2017, with all other variables held constant, the net income for the year and net assets would have been lower by Rs. 17,364,317 (2018: Rs. 2,679,459 ).

### b) Sensitivity analysis for Fixed rate instruments

Presently, the Fund holds Pakistan investment bond which exposes the Fund to fair value interest rate risk. In case of 100 basis points increase in market interest rates as at 30 June 2019, with all other variables held constant, the net income for the year and net assets would have been lower by Rs. 5.905 million (2018: 0.93 million). In case of 100 basis points decrease in market interest rates as at 30 June 2019 with all other variables held constant, the net income for the year and net assets would have been higher by Rs. 5.905 million (2018: 0.93 million).

The composition of the fund's investment portfolio and interest rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of 30 June 2019 is not necessarily indicative of the impact on the Fund's net assets of the future movements in interest rates.

Yield / interest rate sensitivity position for on balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off balance sheet instruments is based on settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at 30 June 2019 can be determined as follows: The Fund's interest rate sensitivity related to financial assets and financial liabilities as at 30 June 2019 can be determined as follows:

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## (ii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## (iii) Currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instruments will fluctuate because of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

## 20.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets in short-term instruments in order to maintain liquidity.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

## 20.4 Credit risk

Credit risk arises from the inability of the issuers of the instruments or the counter party to fulfil their obligations. The Fund is exposed to credit risk with respect to its bank balances, interest accrued. The Fund's policy is to enter into financial contracts in accordance with the interest risk management policies and investment guidelines approved by the Investment Committee. As of 30 June 2019, 22.23% (2018: 25.93%) of Fund's net assets are invested in government securities. The Fund's maximum exposure to credit risk (excluding government securities) as of 30 June 2019 amounts to Rs. 1,808,214,535 (2018: Rs. 268,178,029).

### 20.4.1 Credit quality of financial assets

The Fund's significant credit risk (excluding credit risk relating to settlement of equity securities) arises mainly on account of its placements with banks. The credit rating profile of banks is as follows:

Ratings of amounts placed with banks	% of financial assets exposed to credit risk	
	2019	2018
AAA	35.74	97.80
AA+	44.07	1.89
AA	20.19	0.30
	<b>100</b>	<b>100</b>

The maximum exposure to credit risk before any credit enhancement as at 30 June 2019 is the carrying amount of the financial assets. None of these assets are impaired nor past due but not impaired.

All the balances with banks have investment grade rating and hence are classified as Stage 1 under IFRS 9.

### Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial assets is mainly held with, diverse credit worthy counter parties.

---

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## 20.5 Fair value of financial instruments

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Fair value of government securities is determined by reference to the quotation obtained from the brokers on the Reuters page. The fair values of financial assets and liabilities of the Fund, other than government securities, approximate their carrying amount due to short-term maturities of these instruments.

## 20.6 Fair value hierarchy

The Fund uses the following hierarchy for disclosure of the fair value of financial instruments by valuation technique:

Level 1 : quoted prices in active markets for identical assets;

Level 2 : other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly; and

Level 3 : techniques which use inputs which have a significant effect on the recorded fair value that are not based on observable market data.

As at 30 June 2019, the Fund has investments 'at fair value through profit or loss' measured using level 2 valuation technique. The investment of the Fund in government securities is valued on the basis of rates announced by the Financial Markets Association of Pakistan.

## 21 UNIT HOLDERS FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. They are entitled to distributions and to payment of a proportionate share based on the Fund's net asset value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restrictions on the subscription and redemption of units. As required under NBFC Regulations, every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of scheme. The Fund has maintained and complied with the requirement of minimum fund size during the current year.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 20, the Fund endeavours to invest the subscriptions received in appropriate investments while maintaining sufficient liquidity to meet redemption requests, such liquidity being augmented by short-term borrowings or disposal of investments where necessary.

## Fund Manager's Report

Atlas Income Fund (AIF) is an Open-ended Income Fund. The objective of AIF is to achieve a good rate of current income along with capital preservation and to provide investors with liquidity and the facility to join or leave the fund at their convenience. The Fund primarily invests in a diversified portfolio of long, medium and short term fixed income instruments. The Fund's strategy is based on the conviction that economic environment drives long term performance, and that active management of credit risk can produce consistently superior results. Fundamental and market analysis are used to identify overall portfolio, bond market sectors, yield curve and credit positioning to provide high and sustainable rates of return. The fund employs strategies such as overall portfolio duration and yield curve positioning to deal with market and reinvestment risks.

Atlas Income Fund performance benchmark is average Six Months KIBOR (offer) rate.

The Consumer Price Index (CPI) on average was recorded at 7.34% during financial year 2018-19, as compared to 3.92% for the financial year 2017-18. The YoY upsurge in inflation rate was due to Pak rupee depreciation and increase in energy and food prices.

During the year, SBP has significantly tightened monetary policy, and allowed greater flexibility in the exchange rate adjustments to curb excessive aggregate demand and move towards macroeconomic stabilization. The SBP changed the monetary policy stance since January 2018 by increasing 650 basis points as on June 30, 2019 to anchor expected rise in inflation in view of reversal of international oil and commodities prices. In recent monetary policy announced on July 16, 2019, SBP further increased the policy rate by another 100 bps to 13.25%. The decision was taken on account of upside inflationary pressures from exchange rate depreciation since the last MPC meeting on 20th May 2019 and the likely increase in near term inflation from the one-off impact of recent adjustments in utility prices and other measures in the FY20 budget. Going forward, the MPC will be ready to take action depending on economic developments and data outturns. Unanticipated increases in inflation that adversely affect the inflation outlook may lead to further modest tightening. On the other hand, a greater than expected softening in domestic demand and downward revision in projected inflation would also provide grounds for easing monetary conditions.

AIF's Net Asset Value per unit increased by 7.33% to Rs. 513.41 as on June 30, 2019. The benchmark average six months KIBOR rate stood at 10.22% during the period under review. AIF's current asset allocation is 1.59% in Treasury bills, 0.13% in MTS, 31.00% in TFC/Sukuks, 45.58% in cash/deposits and 19.42% in PIBs. The Net Assets of the Fund stood at Rs 2.99 billion with 5.82 million units outstanding as of June 30, 2019.

AIF return was lower than the benchmark. During the year, duration was reduced in AIF to lower the interest rate risk on account of worsening external account balance and possible resurgence in inflation which may lead to increase in interest rates.

The Investment Committee of Atlas Asset Management Limited, the Management Company of Atlas Income Fund, under the authority delegated by the Board of Directors of Atlas Asset Management Limited has approved aggregated interim distribution of Rs 36.50 per unit for the period ended June 30, 2019 (7.3% on the face value of Rs. 500 per unit).

The non-performing assets and provisions, are as detailed below:

(Rupees '000)

## TRUSTEE REPORT TO THE UNIT HOLDERS

### **Report of the Trustee pursuant to Regulation 41(h) and Clause 9 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008**

We, Central Depository Company of Pakistan Limited, being the Trustee of Atlas Income Fund (the Fund) are of the opinion that Atlas Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2019 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Karachi: 27 September 2019

**Badiuddin Akber**  
Chief Executive Officer  
**Central Depository Company of Pakistan Limited**

# INDEPENDENT AUDITOR'S REPORT

## To the Unit holders of Atlas Income Fund Report on the Audit of the Financial Statements

### Opinion

We have audited the financial statements of **Atlas Income Fund** (the Fund), which comprise the statement of assets and liabilities as at 30 June 2019, and the income statement, statement of comprehensive income, cash flows statement and statement of movement in unit holders' fund for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at 30 June 2019, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No	Key Audit Matter	How our audit addressed the key audit matter
1	<b>Debt Investments</b>  As disclosed in note 5 to the accompanying financial statements of the Fund for the year ended 30 June 2019, the investments held by the Fund comprised of debt investments which represent significant portion of the total assets of the Fund as at the year end.  Further, the adoption of IFRS 9: Financial Instruments also required the re-assessment of the classification of investments held by the Fund.  In view of the above, we have considered this area as a key audit matter.	<p>We performed a combination of audit procedures focusing on the classification and measurement of debt investments. Our key procedure included the following:</p> <ul style="list-style-type: none"><li>• We tested controls over acquisition, disposals and periodic valuation of debt investments portfolio.</li><li>• We performed substantive audit procedures on year-end balance of portfolio including review of custodian's statement and valuations on such investments.</li><li>• We evaluated the appropriateness of the new accounting policies for classification and measurement of debt investments adopted by the Fund in accordance with the requirements of IFRS 9.</li><li>• We assessed the Fund's compliance with the requirements of Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the Regulations) in relation to the concentration of debt investments and exposure limits prescribed in such Regulations and the applicability of disclosures in this regard.</li><li>• We also evaluated the adequacy of the overall disclosures in the financial statements in respect of the debt investments portfolio in accordance with the requirements of the Regulations and applicable financial reporting standards.</li></ul>

---

## Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Fund's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.

- 
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 and the Non-Banking Finance Companies and Notified Entities Regulation, 2008.

The engagement partner on the audit resulting in this independent auditor's report is Arslan Khalid.

Karachi: 26 September 2019

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## 1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Atlas Income Fund (the Fund) is an open ended mutual fund constituted under a Trust Deed entered into on 20 February 2003 between Atlas Asset Management Limited (AAML) as the Management Company and MCB Financial Services Limited (MCBFSL) as the Trustee. MCBFSL resigned on 11 June 2005 as the trustee and the Central Depository Company of Pakistan Limited (CDC) was appointed in its place with effect from that date. The Trust Deed has been revised through the Deed of Change of Trustee and the First, Second, Third, Fourth and Fifth Supplemental Trust Deeds dated 11 June 2005, 29 October 2007, 23 June 2010, 12 November 2010 and 23 May 2017 respectively with the approval of the Securities and Exchange Commission of Pakistan (SECP). Furthermore, the Offering Document of the Fund has been revised through the First, Second, Third, Fourth, Fifth, Sixth, Seventh, Eighth, Ninth, Tenth and Eleventh Supplements dated 21 June 2005, 29 October 2007, 29 February 2008, 23 June 2010, 12 November 2010, 14 October 2013, 24 March 2015, 3 August 2015, 13 April 2016, 29 September 2016 and 02 June 2017 respectively with the approval of the SECP. The investment activities and administration of the Fund are managed by Atlas Asset Management Limited situated at Ground Floor, Federation House, Shahrae Firdousi, Clifton, Karachi.
- 1.2 The Fund has been categorised as an 'income scheme' by the Board of Directors of the Management Company pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund were initially offered for public subscription at a par value of Rs 500 per unit. Thereafter, the units are being offered for public subscription on a continuous basis from 22 March 2004 and are transferable and redeemable by surrendering them to the Fund. The Fund is listed on the Pakistan Stock Exchange Limited.
- 1.3 According to the trust deed, the objective of the Fund is to provide investors one window facility to invest in a diversified portfolio offering good returns and consistent growth. The Fund aims to deliver this objective mainly by investing in Government securities, cash in bank accounts, Certificate of Investments (COIs), money market placements, deposits, Certificates of Deposits (CODs), Certificates of Musharikas (COMs), Term Deposit Receipts (TDRs), commercial papers, reverse repos, term finance certificates (TFCs) / sukuks, transactions on Margin Trading System (MTS), spread transactions and any other instruments that may be allowed by the SECP. The investment objectives and policies are explained in the Fund's offering document.
- 1.4 The titles to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited (CDC) as the Trustee of the Fund.

## 2 BASIS OF PREPARATION

### 2.1 Statement of compliance

"These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:"

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

### 2.2 New / Revised Standards, Interpretations and Amendments

The Fund has adopted the following accounting standard and the amendments and interpretation of IFRSs which became effective for the current year:

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

IFRS 2 Share-based Payments – Classification and Measurement of Share-based Payments Transactions (Amendments)

IFRS 4 Insurance Contracts: Applying IFRS 9 Financial Instruments with IFRS 4 Insurance Contracts – (Amendments)

IFRS 9 Financial Instruments

IFRS 15 – Revenue from Contracts with Customers

IFRIC 22 Foreign Currency Transactions and Advance Consideration

IAS 40 Investment Property: Transfers of Investment Property (Amendments)

The adoption of the above amendments to accounting standards and interpretations did not have any effect on the financial statements other than IFRS 9 Financial Instruments as disclosed below:

## 2.2.1 IFRS 9 Financial Instruments

### (a) Classification and measurement

Effective from 01 July 2018, the Fund has adopted IFRS 9: "Financial Instruments" which has replaced IAS 39: "Financial Instruments: Recognition and Measurement". The standard prescribes accounting and reporting requirements for recognition, classification, measurement and derecognition of financial assets and financial liabilities.

IFRS 9 has replaced current categories of financial assets (Fair Value Through Profit or Loss (FVPL), Available For Sale (AFS), held-to-maturity and amortised cost) by the following classifications of Financial Assets:

- 1) Debt instruments at amortised cost
- 2) Debt instruments at Fair Value Through Other Comprehensive Income (FVOCI), with gains or losses recycled to profit or loss on derecognition
- 3) Equity instruments at FVOCI, with no recycling of gains or losses to profit or loss on derecognition
- 4) Financial assets at Fair Value through Profit or Loss (FVPL)

The accounting for financial liabilities remains largely the same as it was under IAS 39.

Under IFRS 9, the classification is based on two criteria, a) the entity's business model for managing the assets; and b) whether the instruments' contractual cashflows represent 'solely payments of principal and interest' on the principal amount outstanding (the 'SPPI criterion').

The classification and measurement requirements of IFRS 9 have been adopted retrospectively as of the date of initial application on 01 July 2018. However, the Fund has chosen to take advantage of the option not to restate comparatives. Therefore, the 2018 figures are presented and measured under IAS 39. The following table shows the original measurement categories in accordance with IAS 39 and the new measurement categories under IFRS 9 for the Fund's financial assets and financial liabilities as at 01 July 2018:

#### Financial assets

01 July 2018	IAS 39 Classification	IAS 39 Measurement	IFRS 9 Classification	IFRS 9 Measurement
Cash and bank balances	Loans and receivables	4,566,844,339	Amortised Cost	4,566,844,339
Investments	Held for trading*	2,077,435,737	Fair value through profit and loss*	2,077,435,737
Receivable against Margin Trading System	Loans and receivables	156,652,992	Amortised Cost	156,652,992
Interest / profit accrued	Loans and receivables	49,472,429	Amortised Cost	49,472,429
Deposits, prepayment and other receivables	Loans and receivables	11,140,036	Amortised Cost	11,140,036

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

\*The financial assets held for trading continue to be measured at fair value through profit and loss under IFRS 9.

## Financial liabilities

All Financial liabilities which were previously classified as 'other financial liabilities' at amortised cost under IAS 39 continue to be classified as 'financial liabilities at amortised cost' under IFRS 9.

## (b) Impairment

In relation to the impairment of financial assets, IFRS 9 requires an expected credit loss model, as opposed to an incurred credit loss model.

SECP vide its letter no. SCD/AMCW/RS/MUFAP/2017-148 dated 21 November 2017 has deferred the applicability of above impairment requirements in relation to debt securities for mutual funds and accordingly, basis defined in Circular No. 33 of 2012 dated 24 October 2012 will be followed.

The management has made an assessment of impairment under expected credit loss model of IFRS 9 for financial assets (other than debt securities) and concluded that impact is not material to the financial statements.

## 2.3 Standards, interpretations and amendments to approved accounting standards that are not yet effective

Standard or Interpretation	Effective date (annual periods beginning on or after)
IFRS 3 Definition of a Business (Amendments)	01 January 2020
IFRS 3 Business Combinations – Previously held interests in a joint operation	01 January 2019
IFRS Insurance Contracts – Applying IFRS 9 Financial Instruments with IFRS 4 Insurance Contracts (Amendments)	01 July 2019
IFRS 9 Financial instruments – Prepayment Features with Negative Compensation (Amendments)	01 January 2019
IFRS 10 Consolidated Financial Statements and IAS 28 Investment in Associates and Joint Ventures - Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendment)	Not yet finalized
IFRS 11 Joint Arrangements –Previously held interests in a joint operation	01 January 2019
IFRS 16 - Leases	01 January 2019
Definition of Material – Amendments to IAS 1 and IAS 8	01 January 2019
IAS 12 Income Taxes – Income tax consequences of payments on financial instruments classified as equity	01 January 2019
IAS 19 - Plan Amendment, Curtailment or Settlement (Amendments)	01 January 2019
IAS 23 Borrowing Costs - Borrowing costs eligible for capitalisation	01 January 2019
IFRIC 23 Uncertainty over Income Tax Treatments	01 January 2019
IAS 28 - Long-term Interests in Associates and Joint Ventures – (Amendments)	

---

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

The above standards and amendments are not expected to have any material impact on the Fund's financial statements in the period of initial application.

In addition to the above standards and amendments, improvements to various accounting standards have also been issued by the IASB in December 2017. Such improvements are generally effective for accounting periods beginning on or after 01 January 2019 respectively. The Fund expects that such improvements to the standards will not have any impact on the Fund's financial statements in the period of initial application.

The IASB has also issued the revised Conceptual Framework for Financial Reporting (the Conceptual Framework) in March 2018 which is effective for annual periods beginning on or after 01 January 2020 for preparers of financial statements who develop accounting policies based on the Conceptual Framework. The revised Conceptual Framework is not a standard, and none of the concepts override those in any standard or any requirements in a standard. The purpose of the Conceptual Framework is to assist IASB in developing standards, to help preparers develop consistent accounting policies if there is no applicable standard in place and to assist all parties to understand and interpret the standards.

Further, following new standards have been issued by IASB which are yet to be notified by the SECP for the purpose of applicability in Pakistan.

<b>Standards</b>	<b>IASB Effective date (annual periods beginning on or after)</b>
IFRS 14 - Regulatory Deferral Accounts	01 January 2016
IFRS 17 - Insurance Contracts	01 January 2021

## **2.4 Critical accounting estimates and judgments**

The preparation of financial statements in accordance with the accounting and reporting standards as applicable in Pakistan requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification, valuation and impairment of financial assets.

## **2.5 Accounting convention**

These financial statements have been prepared under the historical cost convention except that investments have been carried at fair value.

## **2.6 Functional and presentation currency**

These financial statements are presented in Pakistani Rupees, which is the Fund's functional and presentation currency.

## **3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years except for the changes in accounting policies as explained in note 3.1 below.

### **3.1 IFRS 9 - Financial instruments - Policy effective from 01 July 2018**

In the current period, the Fund has adopted IFRS 9 Financial Instruments. Comparative figures for the year ended 30 June 2018 have not been restated as allowed by IFRS 9. Therefore, financial instruments in the comparative period are still accounted for in accordance with IAS 39 Financial Instruments: Recognition and Measurement.

#### **a) Initial recognition and measurement**

Financial assets and liabilities, with the exception of bank balances are initially recognised on the trade date, i.e.,

---

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

the date that the Bank becomes a party to the contractual provisions of the instrument. This includes regular way trades: purchases or sales of financial assets that require delivery of assets within the time frame generally established by regulation or convention in the market place. Bank balances are recognised when funds are transferred to the banks.

All financial instruments are measured initially at their fair value plus transaction costs, except in the case of financial assets and financial liabilities recorded at fair value through profit or loss.

### **b) Classification**

In accordance with IFRS 9, the Fund classifies its financial assets and financial liabilities at initial recognition into the categories of financial assets and financial liabilities discussed below:

#### **Financial assets**

The Fund classifies its financial assets as subsequently measured at amortised cost or measured at fair value through profit or loss on the basis of both:

- The entity's business model for managing the financial assets; and
- The contractual cash flow characteristics of the financial asset.

#### **Business model assessment**

The Fund determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective.

The Fund's business model is not assessed on an instrument by instrument basis, but at a higher level of aggregated portfolios and is based on observable factors such as:

- the objectives for the portfolio, in particular, whether management's strategy focuses on earning contractual revenue, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of the liabilities that are funding those assets or realizing cash flows through the sale of the assets;
- How the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel;
- The risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way those risks are managed;
- How managers of the business are compensated (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected).

The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account. If cash flows after initial recognition are realised in a way that is different from the Fund's original expectations, the Fund does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

#### **Assessments whether contractual cash flows are solely payments of principal and interest (SPPI)**

As a second step of its classification process the Fund assesses the contractual terms of financial to identify whether they meet the SPPI test.

'Principal' for the purpose of this test is defined as the fair value of the financial asset at initial recognition and may change over the life of the financial asset (for example, if there are repayments of principal or amortisation of the premium/discount).

The most significant elements of interest within a lending arrangement are typically the consideration for the time value of money and credit risk. To make the SPPI assessment, the Fund applies judgement and considers relevant factors such as the currency in which the financial asset is denominated, and the period for which the interest rate is set.

---

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

In contrast, contractual terms that introduce a more than de minimis exposure to risks or volatility in the contractual cash flows that are unrelated to a basic lending arrangement do not give rise to contractual cash flows that are solely payments of principal and interest on the amount outstanding. In such cases, the financial asset is required to be measured at FVPL.

### i) **Financial assets (equity and debt instruments) measured at fair value through profit or loss (FVPL)**

A financial asset is measured at fair value through profit or loss if:

- (a) Its contractual terms do not give rise to cash flows on specified dates that are solely payments of principal and interest (SPPI) on the principal amount outstanding; or
- (b) It is not held within a business model whose objective is either to collect contractual cash flows, or to both collect contractual cash flows and sell; or
- (c) At initial recognition, it is irrevocably designated as measured at FVPL when doing so eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise from measuring assets or liabilities or recognising the gains and losses on them on different bases.

### ii) **Financial assets (debt instruments) measured at amortised cost**

A debt instrument is measured at amortised cost if it is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Fund includes in this category receivable against margin trading system, accrued income and other receivables.

### **Financial liabilities**

#### **Financial liabilities measured at amortised cost**

This category includes all financial liabilities, other than those measured at fair value through profit or loss.

### **c) Derecognition**

A financial asset (or, where applicable, a part of a financial asset or a part of a group of similar financial assets) is derecognised where the rights to receive cash flows from the asset have expired, or the Fund has transferred its rights to receive cash flows from the asset, or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement and the Fund has:

- (a) Transferred substantially all of the risks and rewards of the asset; or
- (b) Neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset."

When the Fund has transferred its right to receive cash flows from an asset (or has entered into a pass-through arrangement), and has neither transferred nor retained substantially all of the risks and rewards of the asset nor transferred control of the asset, the asset is recognised to the extent of the Fund's continuing involvement in the asset. In that case, the fund also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the fund has retained. The Fund derecognises a financial liability when the obligation under the liability is discharged, cancelled or expired.

---

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## **d) Impairment of financial assets**

The Fund only considers expected credit losses for bank balances, trade and other receivables. The Fund measures expected credit losses on bank balances using the probability of default (PD) and loss given default (LGD) estimates using the published information about these risk parameters.

For trade and other receivables with no financing component and which have maturities of less than 12 months at amortised cost and, as such, the Fund has chosen to apply an approach similar to the simplified approach for expected credit losses (ECL) under IFRS 9 to all its trade and other receivables. The Fund uses the provision matrix as a practical expedient to measuring ECLs on trade receivables, based on days past due for groupings of receivables with similar loss patterns. The provision matrix is based on historical observed loss rates over the expected life of the receivables and is adjusted for forward-looking estimates.

The expected credit losses in respect of debt securities are not considered since SECP vide its letter no. SCD/AMCW/RS/MUFAP/2017-148 dated 21 November 2017 has deferred the applicability of above impairment requirements in relation to debt securities for mutual funds and accordingly, basis defined in Circular No. 33 of 2012 dated 24 October 2012 will be followed.

## **e) Offsetting of financial assets and liabilities**

Financial assets and financial liabilities are offset and the net amount is reported in the statement of assets and liabilities if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

### **3.2 Financial instruments - Policy effective before 01 July 2018**

All financial assets and financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. Financial assets are derecognised when the contractual rights to receive cash flows related to the asset expire. Financial liabilities are derecognised when they are extinguished, that is, when the obligation specified in the contract is discharged, cancelled, or expires. Any gain or loss on derecognition of the financial assets and financial liabilities is taken to the income statement.

All regular way purchases of financial assets are recognised on a transaction date i.e. the date the Company receives the financial asset. All regular way sales of financial assets are recognized on the settlement date i.e. the date the asset is delivered to the counter party. Regular way purchases or sales of financial assets that require delivery of assets within the time generally established by regulation or convention the market place.

#### **Investments**

The investments of the Fund, upon initial recognition, are classified as investment at fair value through profit or loss or available-for-sale investment, as appropriate.

All investments are initially measured at fair value. In the case of investments classified as available for sale, transaction cost directly related to the acquisition is also added to the fair value of investment on initial recognition.

All regular way purchases / sales of investments are recognised on the trade date, i.e. the date on which the Fund commits to purchase / sell the investment.

Investments are categorised as follows:

#### **Investments at fair value through profit or loss**

These include held-for-trading investments and such other investments that, upon initial recognition, are designated under this category. Investments are classified as held-for-trading if they are acquired for the purpose of selling in the near term. After initial measurement, such investments are carried at fair value and gains or losses on revaluation are recognised in the income statement.

---

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

### **Available-for-sale**

Investments which are not classified as 'at fair value through profit or loss' are classified as available-for-sale investments. After initial measurement, such investments are measured at fair value with unrealised gain or loss recognised directly in the statement of comprehensive income until the investment is derecognised or determined to be impaired at which time the cumulative gain or loss previously recognised in the statement of comprehensive income is taken to the income statement. These are intended to be held for an indefinite period of time which may be sold in response to the needs for liquidity or change in price.

### **Loans and receivables**

These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market.

Subsequent to initial recognition financial assets classified as loans and receivables are carried at amortised cost using the effective interest method.

Gains or losses are also recognised in the income statement when financial assets carried at amortised cost are derecognised or are impaired.

### **Derivatives**

These are measured at fair value. Derivatives with positive fair values (unrealised gains) are included in other assets and derivatives with negative fair values (unrealised losses) are included in other liabilities in the statement of assets and liabilities. The resultant gains and losses are included in the income statement.

### **3.3 Cash and cash equivalents**

These comprise balances with banks with original maturities of three months or less.

### **3.4 Issue and redemption of units**

Units issued are recorded at the offer price, determined by the Management Company for the application received by the Management Company / distributors during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load and provision of any duties and charges if applicable. The sales load is payable to the distribution company and the management company as processing fee.

Units redeemed are recorded at the redemption price applicable to units for which the distribution company / management company / distributors receives redemption application during business hours of that day. The redemption price shall be equal to NAV as of the close of the business day, less an amount as the management company may consider to be an appropriate provision of duties and charges.

### **3.5 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed**

The Securities and Exchange Commission of Pakistan through its SRO 756(I)/2017 dated 03 August 2017 includes a definition and explanation relating to element of income and excludes the element of income from the expression accounting income as described in regulation 63 (amount distributable to unit holders) of the NBFC Regulations. As per the notification, element of income represents the difference between net assets value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting period. Further, the revised regulations also specify that element of income is a transaction of capital nature and the receipt and payment of element of income shall be taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund will be refunded on units in the same proportion as dividend bears to accounting income available for distribution. MUFAP, in consultation with the SECP, specified methodology of determination of income paid on units redeemed under which such income is paid on gross element received and is calculated from the latest date at which the Fund achieved net profitability during the year.

---

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## 3.6 Revenue recognition

- Income from investments in term finance certificates / sukuks and government securities is recognised on an accrual basis using effective interest method at the rate of return implicit in the instrument.
- Interest income on bank balances, term deposits and MTS transactions is recognised on an accrual basis.
- Gains / (losses) arising on sale of investments are included in the Income Statement on the date at which the transaction takes place.
- Unrealised appreciation / (loss) in the value of investments classified as 'financial assets at fair value through profit or loss' are included in the Income Statement in the period in which they arise.

## 3.7 Margin Trading System

Transactions of purchase under Margin Trading System (MTS) of marketable securities are entered into contracted rates for specified periods of time. Securities purchased under MTS are not recognised in the Statement of Assets and Liabilities. The amount paid under such agreements is recognised as receivable in respect of MTS. Profit is recognised on an accrual basis using the effective interest method. Cash releases are adjusted against the receivable as a reduction in the amount of receivable. The maximum maturity of an MTS contract is 60 calendar days out of which 25% exposure is automatically released at expiry of every 15th day from the day of contract.

## 3.8 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

## 3.9 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

## 3.10 Taxation

The income of the Fund is exempt from income tax under Clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed among the unit holders. The Fund intends to distribute such income by the year end in order to avail this tax exemption. Accordingly, no provision has been made for current and deferred taxation in these financial statements.

## 3.11 Distributions to unit holders

Distributions to the unit holders are recognised upon declaration and approval by the Distribution Committee of the Board of Directors of the Management Company under the powers delegated to them by the Board of Directors of the Management Company or declaration and approval by the Board of Directors of the Management Company. Based on Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the period in which such distributions are declared and approved by the Board of Directors of the Management Company.

## 3.12 Net asset value per unit

The net asset value per unit disclosed in the statement of assets and liabilities is calculated by dividing the net assets of the Fund by the number of units in issue at year end.

## 3.13 Earnings per unit

Earnings per unit is calculated by dividing the net income of the year before taxation of the Fund by the weighted average number of units outstanding during the year.

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

**5.7.2** The securities stated above have been classified as non-performing as per the requirements of SECP's Circular 1 of 2009 read with SECP's Circular 33 of 2012 dated 24 October 2012, and an aggregate provision of Rs. 81.63 million (30 June 2018: Rs 81.63 million), has been made in accordance with the provisioning requirements specified by the SECP.

**5.7.3** During the FY 2012-13, the Fund received zero coupon term finance certificates of Azgard Nine Limited having face value of Rs. 5,375,000. These TFCs were received against outstanding mark-up of Azgard Nine Limited's TFCs payable as of 31 March 2012.

			<b>11,372,859</b>	<b>11,140,036</b>

**7.1** As per clause 47(B) of part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to collective investment schemes (CISs) are exempt from withholding tax under section 151. However, during the year ended 30 June 2016, withholding tax on profit on bank deposits and debt securities paid to the Fund was deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated 12 May 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholders. The amount of tax withheld on profit on bank deposits and debt securities as at 30 June 2019 amounts to Rs. 2.82 million and Rs. 5.58 million (2018: Rs 2.80 million and Rs 5.37 million) respectively.

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On 28 January 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all Funds managed by the Company to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other Asset Management Companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit received by the Fund on bank deposits and debt securities has been shown as other receivables as at 30 June 2019 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

8 PAYABLE TO ATLAS ASSET MANAGEMENT LIMITED - MANAGEMENT COMPANY - RELATED PARTY	Note	2019	2018
		-----Rupees-----	
Remuneration of the Management Company	8.1	2,082,668	5,382,172
Sindh sales tax payable on remuneration of the Management Company	8.2	3,793,445	4,222,380
Federal excise duty payable on remuneration of the Management Company	8.3	23,582,971	23,582,971
Accounting and operational charges payable		260,334	672,780
		<b>29,719,418</b>	<b>33,860,303</b>

**8.1** In accordance with the provisions of the NBFC Regulations, 2008 vide SRO 1160(1)/2015 dated 25 November 2015, the Management Company is entitled to receive a remuneration at the rate not exceeding 1.50% of the average annual net assets in case of income schemes. Previously, the Management Company was entitled to receive a remuneration during the first five years of the Fund, at the rate not exceeding 3% of the average annual net assets of the Fund and, thereafter, at the rate of 2% of such assets. Accordingly, the Management Company has charged its remuneration at the rate of 0.80% (2018: 0.80%) per annum of the average annual net assets of the year. The fee is payable to the Management Company monthly in arrears.

**8.2** During the year, an amount of Rs. 4,459,673 (2018: Rs 10,213,525) was charged on account of sales tax on remuneration of the Management Company levied through sindh sales tax on Services Act, 2011, and an amount of Rs. 4,888,608 (2018: Rs. 10,236,876) has been paid to the Management Company which acts as a collecting agent.

**8.3** The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) with effect from 13 June 2013. As the asset management services rendered by the Management Company of the Fund were already subject to provincial sales tax on services levied by the Sindh Revenue Board (as explained in note 8.2 above) which is being charged to the Fund, the Management Company was of the view that further levy of FED was not justified.

On 04 September 2013, a Constitutional Petition was filed in the Honourable Sindh High Court (SHC) jointly by various asset management companies, together with their representative Collective Investment Schemes through their trustees, challenging the levy of FED.

During the previous year, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

With effect from 01 July 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from 01 July 2016. However, as a matter of abundant caution the provision for FED made for the period from 13 June 2013 till 30 June 2016 amounting to Rs 23.583 million (30 June 2018: Rs 23.583 million) is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the said provision for FED not been recorded in the financial statements of the Fund, the net asset value of the Fund as at 30 June 2019 would have been higher by Rs. 4.05 per unit (30 June 2018: Rs 1.88 per unit).

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

- 12.1** As a consequence of the 18th amendment to the Constitution of Pakistan, in May 2015 the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) was passed by the government of Sindh as a result of which every industrial establishment located in the Province of Sindh, the total income of which in any accounting year is not less than Rs 0.50 million, is required to pay Sindh Workers' Welfare Fund (SWWF) in respect of that year a sum equal to two percent of such income. The matter was taken up by the MUFAP with the Sindh Revenue Board (SRB) collectively on behalf of various asset management companies and their CISs whereby it was contested that mutual funds should be excluded from the ambit of the SWWF Act as these were not industrial establishments but were pass through investment vehicles and did not employ workers. The SRB held that mutual funds were included in the definition of financial institutions as per the Financial Institution (Recovery of Finances) Ordinance, 2001 and were, hence, required to register and pay SWWF under the SWWF Act. However, it may be stated that under the Companies Act, 2017 mutual funds are explicitly excluded from the definition of financial institution. Thereafter, MUFAP took up the matter with the Sindh Finance Ministry to have CISs / mutual funds excluded from the applicability of SWWF.

In view of the above developments regarding the applicability of WWF and SWWF on CISs / mutual funds, MUFAP has recommended the following to all its members on 12 January 2017:

- based on legal opinion, reverse the entire provision against WWF on 12 January 2017 held by the CISs till 30 June 2015; and
- as a matter of abundant caution, create provision in respect of SWWF on 12 January 2017 with effect from the date of enactment of the SWWF Act, 2014 (i.e. starting from 21 May 2015).

The above decisions were communicated to the SECP and the Pakistan Stock Exchange Limited on 12 January 2017 in response to which the SECP vide its letter dated 01 February 2017 advised MUFAP that the adjustments relating to the above should be prospective and supported by adequate disclosures in the financial statements of the CISs / mutual funds.

Accordingly, necessary adjustments in this respect were recorded in the books of the Fund on 12 January 2017 whereby the entire provision for WWF was reversed and the provision for SWWF was made for the period from 21 May 2015 to 12 January 2017. Thereafter, the provision for SWWF is being made by the Fund on a daily basis going forward.

Had the provision for SWWF not been recorded in these financial statements of the Fund, the net asset value of the Fund as at 30 June 2019 would have been higher by Rs 4.92 per unit (30 June 2018: Rs 1.81 per unit).

### 13 CONTINGENCIES AND COMMITMENTS

- 13.1.1** On October 26, 2018, a show cause notice under section 161 (1A) of the Income Tax Ordinance, 2001 was issued to the taxpayer in respect of monitoring of withholding taxes paid/deducted under various sections of the Income Tax Ordinance, 2001 for tax year 2017 along with reconciliation under rule 44(4) of the Income Tax Rules, 2002.

The Fund had filed an appeal before the Commissioner (Appeals) against the order contending that the Fund had duly deducted and deposited the tax from payments liable to withholding tax and accordingly there was no cause available to the department to pass recovery order for alleged default in withholding tax. It was further explained that the reply furnished including reconciliation of tax deduction on payment of expenses was not duly considered and instead an artificial default was made out by applying incorrect withholding rate on expenses recorded in profit and loss account which included accrual of expenses yet to be paid after year end.

The Commissioner (Appeals) has passed appellate order and upheld the action of Deputy Commissioner Inland Revenue (DCIR) in computing default of withholding tax on amounts inclusive of accruals yet to be paid instead of actual payment as required under section 158 of the Ordinance. He, however, has accepted the Fund's contention that the DCIR had worked out the default by applying incorrect withholding rates. Therefore, he has directed the DCIR to rework the alleged default. The Commissioner (Appeals) has further acknowledged the tax advisor's argument that default was erroneously computed without excluding dividends which were exempted from withholding tax. The DCIR has been directed to rework the default, if any, in respect of payment of dividend.

Furthermore, the Commissioner (Appeals) has not given specific findings on non-consideration of reconciliation of expenses furnished under rule 44(4) and non-application of withholding provisions on reimbursement of certain expenses to the Management Company. However, he remanded back the matter of non-deduction of tax on payments

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

of securities transaction cost which were subject to separate withholding of tax under section 233A by Pakistan Stock Exchange Limited. He has also set aside the default surcharge and penalty for re-adjudication by the tax officer. The effect to the appellate order of the Commissioner (Appeals) is pending.

An appeal has been filed before the Appellate Tribunal against the appellate order of the Commissioner (Appeals) which is pending for hearing. Based on consultation with the tax advisor, the Management Company of the fund is confident that the matter will be decided favorably and hence, no provision is considered necessary in the financial statements.

13.1.2 There were no contingencies outstanding as at 30 June 2018.

## 13.2 Commitments

Margin Trading System (MTS) transactions entered into by the Fund that have not been settled as at 30 June 2019

Purchase of securities

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## 17 ACCOUNTING AND OPERATIONAL CHARGES

Uptil 19 June 2019 in accordance with Regulation 60 of the NBFC Regulations, the Management Company was entitled to charge expenses related to registrar services, accounting, operations and valuation services, related to a Collective Investment Scheme (CIS) at the rate of 0.1% of the average annual net assets of the scheme or actual whichever is less. During the year, SECP vide SRO 639 dated 20 June 2019 has removed the maximum cap of 0.1%. Accordingly, the Management Company can now charge actual expenses related to registrar services, accounting, operations and valuation services to the CIS with effect from 20 June 2019.

However, the management continued to charge expenses at the rate of 0.1% of the average annual net assets of the Fund for both the periods i.e from 01 July 2018 to 19 June 2019 and from 20 June 2019 to 30 June 2019, being lower than actual expenses.

## 18 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at 30 June 2019 is 1.48% (30 June 2018: 1.34%) which includes 0.34% (30 June 2018: 0.29%) representing government levies on the Fund such as provision for Sindh Workers' Welfare Fund, sales taxes, annual fee to the SECP, etc. This ratio is within the maximum limit of 2% prescribed under the NBFC Regulations for a collective investment scheme categorised as an income scheme.

## 19 TAXATION

The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unitholders. Since the management has paid the required minimum percentage of income earned by the Fund during the year ended 30 June 2019 to the unit holders in the manner as explained above, no provision for taxation has been made in these financial statements during the year.

## 20 EARNINGS PER UNIT

Earnings per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating earnings per unit is not practicable.

## 21 TRANSACTIONS WITH RELATED PARTIES / CONNECTED PERSONS

- 21.1 Connected persons include Atlas Asset Management Limited being the Management Company, the Central Depository Company Limited being the Trustee, other collective investment schemes managed by the Management Company, any person or company beneficially owning directly or indirectly ten percent or more of the capital of the Management Company or the net assets of the Fund, directors and their close family members and key management personnel of the Management Company.
- 21.2 Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, sales load other charges and distribution payments to connected persons. The transactions with connected persons are in the normal course of business, at contracted rates and at terms determined in accordance with market rates.
- 21.3 Remuneration to the Management Company and the Trustee of the Fund is determined in accordance with the provisions of the NBFC Regulations, 2008 and the Trust Deed.
- 21.4 The details of transactions carried out by the Fund with connected persons during the year and balances with them as at year end are as follows:

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## 24 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, Fund's constitutive documents and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

### 24.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal guidelines established by the Investment Committee.

Market risk comprises of three types of risks: yield / interest rate risk, currency risk, and price risk.

#### (i) Yield / interest rate risk

Yield / interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. As of 30 June 2019, the Fund is exposed to such risk on its balances held with banks, investments in term finance and sukuk certificates and investments in government securities. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

#### a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds KIBOR based term finance and sukuk certificates and balances with banks which expose the Fund to cash flow interest rate risk. In case of 100 basis points increase/decrease in applicable rates on the last repricing date with all other variables held constant, the net income for the year and net assets of the Fund would have been higher/lower by Rs. 24.019 million (2018: Rs. 66.592 million).

#### b) Sensitivity analysis for fixed rate instruments

As at 30 June 2019, the Fund holds market treasury bills which are classified as financial assets at fair value through profit or loss' exposing the Fund to fair value interest rate risk. In case of 100 basis points increase in rates announced by the Financial Markets Association of Pakistan and with all other variables held constant, the net income for the year and net assets of the Fund would have been lower by Rs. 7.530 million (2018: Rs. 1.5 million). In case of 100 basis points decrease in those rates, the net income for the year and net assets of the Fund would have been higher by Rs. 7.530 million (2018: Rs. 1.5 million).

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

The composition of the Fund's investment portfolio, KIBOR rates and the rates announced by the Financial Markets Association of Pakistan are expected to change over time. Accordingly, the sensitivity analysis prepared as of 30 June 2019 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

Yield / interest rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at 30 June 2019 can be determined as follows:

----- As at 30 June 2019 -----					
Effective interest rate (%)	Exposed to yield / interest rate risk			Not exposed to yield / interest rate risk	Total
	Up to three months	More than three months and up to one year	More than one year

## (ii) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

## (iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

## 24.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. Its policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month:

## 24.3 Credit risk

**24.3.1** Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due. The table below analyses the Fund's maximum exposure to credit risk:

	2019	2018
Rupees		
Bank balances and term deposits	1,426,198,107	4,566,844,339
Investments in debt instruments	970,072,150	1,929,069,837
Receivable against Margin Trading System	4,041,602	156,652,992
Interest / profit accrued	59,934,706	49,472,429
Deposits, prepayment and other receivables	2,850,000	2,850,000
	<b>2,463,096,565</b>	<b>6,704,889,597</b>

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

The maximum exposure to credit risk before any credit enhancement as at 30 June 2019 is the carrying amount of the financial assets. Investment in government securities, however, are not exposed to credit risk and have been excluded from the above analysis as these are guaranteed by the Government of Pakistan.

There is a possibility of default by participants or failure of the financial market / stock exchanges, the depositories, the settlements or clearing systems, etc. Settlement risk on equity securities is considered minimal because of inherent controls established in the settlement process. The Fund's policy is to enter into financial contracts in accordance with internal risk management policies and instruments guidelines approved by the Investment Committee.

## 24.3.2 Credit quality of financial assets

The Fund's significant credit risk (excluding credit risk relating to settlement of equity securities) arises mainly on account of its placements with banks and investments in term finance and sukuk certificates. The credit rating profile of banks and issuers of TFCs is as follows:

Rating	% of financial assets exposed to credit risk	
	2019	2018
AAA	41.48	48.25
AA+	19.67	37.06
AA	24.87	1.62
AA-	12.09	12.25
A+	1.91	0.82
	<b>100.00</b>	<b>100.00</b>

The maximum exposure to credit risk before any credit enhancement as at 30 June 2019 is the carrying amount of the financial assets. None of these assets are impaired nor past due but not impaired.

All the balances with banks have investment grade rating and hence are classified as Stage 1 under IFRS 9.

## 24.3.3 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors affect the group of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's investments in term finance and sukuk certificates are broadly diversified thereby mitigating any significant concentration of credit risk. The table below analyses the Fund's concentration of credit risk by industrial distribution for its exposure in term finance and sukuk certificates:

	% of debt instruments	
	2019	2018
Banks	79.42	89.18
Fertilizers	20.58	10.82
	<b>100.00</b>	<b>100.00</b>

## 25 FAIR VALUE MEASUREMENT

Fair value is the amount for which an asset could be exchanged or a liability settled between knowledgeable willing parties in an arm's length transaction. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

### Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at 30 June 2019 and 30 June 2018, the Fund held the following financial instruments measured at fair values:

	Level 1	Level 2	Level 3
	Rupees		
<b>2019</b>			
At fair value through profit or loss	-	1,627,495,030	-
At fair value through other comprehensive income	-	-	-
	<b>-</b>	<b>1,627,495,030</b>	<b>-</b>
<b>2018</b>			
At fair value through profit or loss	-	2,077,435,737	-
Available-for-sale	-	-	-
	<b>-</b>	<b>2,077,435,737</b>	<b>-</b>

## 26 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. These units are entitled to dividends and to payment of a proportionate share based on the Fund's Net Asset Value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restriction on the subscription and redemption of units. As required under the NBFC Regulations, 2008 every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirement of minimum fund size at all times.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 24, the Fund endeavours to invest the subscriptions received in appropriate investment avenues while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by disposal of investments or short-term borrowings, where necessary.

## Fund Manager's Report

Atlas Stock Market Fund (ASMF) is an open-ended equity fund. The Fund aims to achieve appreciation in the value of amount invested along with modest income and to provide the investors with liquidity and the facility to join or leave the fund at their convenience. ASMF investment strategy is based on the belief that fundamental economic and sector analysis drives long term out performance, and that active portfolio management can produce consistently superior results than those produced through passive management. The Fund emphasizes medium to long-term investment views and involves the application of relative value analysis to industry sectors.

KSE- 100 Index serves as the performance benchmark of Atlas Stock Market Fund.

The KSE-100 index decreased from 41,910.90 points as on June 29, 2018 to 33,901.58 points as on June 28, 2019, decreasing by 19.11%. The average volumes during the year decreased by 11.07% to 155.21 million shares from 174.53 million shares traded last year. Net Foreign portfolio outflow during FY19 was recorded at US\$356 million compared to outflow of US\$289 million in FY18. On the local front Individuals, Insurance Companies and Companies were the most active participants investing US\$166 million, US\$150 million and US\$111 million during FY19. Mutual Funds and Broker Proprietary Trading Accounts were net sellers US\$146 million and US\$15 million, respectively.

During the period, the sectors that outperformed the market were Textile Composite, Fertilizer and Commercial Banks that posted 4.24%, -12.34% and -12.99% returns, respectively.

The Net Asset Value per unit of ASMF decreased by 18.83% to Rs.503.96 as on June 30, 2019. The benchmark KSE-100 index decreased by 19.11% during the same period. The KSE-100 index decreased from 41,910.90 points as on June 30, 2018 to 33,901.58 points as on June 30, 2019. The ASMF's equity portfolio exposure was mainly in Commercial Bank, Oil & Gas Exploration and Fertilizer sectors.

ASMF's strategy will continue to focus on dividend plays and stocks, which are trading at relatively cheap multiples with earnings growth prospects. The Net Assets of the Fund stood at Rs 5.04 billion, with 10.00 million units outstanding as of June 30, 2019.

#### The Administrative Plans:

## TRUSTEE REPORT TO THE UNIT HOLDERS

### **Report of the Trustee pursuant to Regulation 41(h) and Clause 9 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008**

We, Central Depository Company of Pakistan Limited, being the Trustee of Atlas Stock Market Fund (the Fund) are of the opinion that Atlas Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2019 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Karachi: 27 September 2019

Chief Executive Officer  
**Central Depository Company of Pakistan Limited**

# INDEPENDENT AUDITOR'S REPORT

## To the Unit holders of Atlas Stock Market Fund Report on the Audit of the Financial Statements

### Opinion

We have audited the financial statements of **Atlas Stock Market Fund** (the Fund), which comprise the statement of assets and liabilities as at 30 June 2019, and the income statement, statement of comprehensive income, cash flows statement and statement of movement in unit holders' fund for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at 30 June 2019, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No	Key Audit Matter	How our audit addressed the key audit matter
1	<b>Equity investments</b>	
	<p>As disclosed in note 5 to the accompanying financial statements of the Fund for the year ended 30 June 2019, the investments held by the Fund comprised of listed shares which represent significant portion of the total assets of the Fund as at the year end.</p> <p>Further, the adoption of IFRS 9: Financial Instruments also required the re-assessment of the classification of investments held by the Fund.</p> <p>In view of the above, we have considered this area as a key audit matter.</p>	<p>We performed a combination of audit procedures focusing on the existence, classification and valuation of investments. Our key procedures included the following:</p> <ul style="list-style-type: none"><li>• We tested controls over acquisition, disposals and periodic valuation of investment portfolio.</li><li>• We performed substantive audit procedures on year-end balance of portfolio including review of custodian's statement, related reconciliations and re-performance of investment valuations on the basis of quoted market prices at the Pakistan Stock Exchange Limited as at 30 June 2019.</li><li>• We assessed the Fund's compliance with the requirements of Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the Regulations) in relation to the concentration of investments and exposure limits prescribed in such Regulations and the applicability of disclosures in this regard.</li><li>• We evaluated the appropriateness of the new accounting policies for classification and measurement of equity investments adopted by the Fund in accordance with the requirements of IFRS 9.</li><li>• We also evaluated the adequacy of the overall disclosures in the financial statements in respect of the investment portfolio in accordance with the requirements of the Regulations and applicable financial reporting standards.</li></ul>

---

## Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Fund's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required

---

to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 and the Non-Banking Finance Companies and Notified Entities Regulation, 2008.

The engagement partner on the audit resulting in this independent auditor's report is Arslan Khalid.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## 1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Atlas Stock Market Fund (the Fund) is an open ended Mutual Fund constituted under a trust deed entered into on 29 May 2004 between Atlas Asset Management Limited (AAML) as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The Trust Deed has been revised through the First, Second, Third, Fourth, Fifth and Sixth Supplemental Trust Deeds dated 21 June 2005, 24 July 2006, 29 October 2007, 06 March 2008, 04 December 2009 and 23 May 2017 respectively, with the approval of the Securities and Exchange Commission of Pakistan (SECP). The Offering Document has been revised through the First, Second, Third, Fourth, Fifth, Sixth, Seventh, Eighth, Ninth, Tenth and Eleventh Supplements dated 21 June 2005, 24 July 2006, 29 October 2007, 06 March 2008, 04 December 2009, 14 October 2013, 24 March 2015, 03 August 2015, 29 September 2016, 02 June 2017 and 25 May 2018 respectively, with the approval of the SECP. The registered office of AAML is situated at Ground Floor, Federation House, Shahrae Firdousi, Clifton, Karachi.
- 1.2 The Fund has been categorised as an 'equity scheme' by the Board of Directors of the Management Company pursuant to the provisions contained in Circular 7 of 2009. The Fund is listed on the Pakistan Stock Exchange Limited. The units of the Fund were initially offered for public subscription at a par value of Rs. 500 per unit. Thereafter, the units are being offered to the public for subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.
- 1.3 According to the Trust Deed, the objective of the Fund is to provide investors one window facility to invest in a diversified portfolio of equity securities offering consistent returns and growth. The Fund aims to deliver this objective mainly by investing in equity securities of companies that are paying regular dividend, have growth prospects or are actively traded. Any amounts which have not been invested in equity securities may be invested in liquid instruments including bank deposits (excluding TDRs) and treasury bills not exceeding 90 days maturity. The investment objectives and policies are more fully defined in the Fund's Offering Document.
- 1.4 Titles to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.

## 2 BASIS FOR PREPARATION

### 2.1 Statement of compliance

"These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:"

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

### 2.2 New / Revised Standards, Interpretations and Amendments

The Fund has adopted the following accounting standard and the amendments and interpretation of IFRSs which became effective for the current year:

IFRS 2 Share-based Payments – Classification and Measurement of Share-based Payments Transactions (Amendments)

IFRS 4 Insurance Contracts: Applying IFRS 9 Financial Instruments with IFRS 4 Insurance Contracts – (Amendments)

IFRS 9 Financial Instruments

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

IFRS 15 – Revenue from Contracts with Customers

IFRIC 22 Foreign Currency Transactions and Advance Consideration

IAS 40 Investment Property: Transfers of Investment Property (Amendments)

The adoption of the above amendments to accounting standards and interpretations did not have any effect on the financial statements other than IFRS 9 Financial Instruments as disclosed below:

## 2.2.1 IFRS 9 Financial Instruments

### (a) Classification and measurement

Effective from 01 July 2018, the Fund has adopted IFRS 9: "Financial Instruments" which has replaced IAS 39: "Financial Instruments: Recognition and Measurement". The standard prescribes accounting and reporting requirements for recognition, classification, measurement and derecognition of financial assets and financial liabilities.

IFRS 9 has replaced current categories of financial assets (Fair Value Through Profit or Loss (FVPL), Available For Sale (AFS), held-to-maturity and amortised cost) by the following classifications of Financial Assets:

- 1) Debt instruments at amortised cost
- 2) Debt instruments at Fair Value Through Other Comprehensive Income (FVOCI), with gains or losses recycled to profit or loss on derecognition
- 3) Equity instruments at FVOCI, with no recycling of gains or losses to profit or loss on derecognition
- 4) Financial assets at Fair Value through Profit or Loss

The accounting for financial liabilities remains largely the same as it was under IAS 39.

Equity instruments that are not held for trading are required to be held at fair value through profit and loss unless an irrevocable election is made on initial recognition to present subsequent changes in fair value in other comprehensive income. However, the Fund has not made an irrevocable election upon adoption of IFRS 9 to present in other comprehensive income subsequent changes in the fair value of investments in equity instruments under IFRS 9 and accordingly all investments in equity instruments have been classified as fair value through profit or loss.

Under IFRS 9, the classification of debt instruments is based on two criteria, (a) the entity's business model for managing the assets; and (b) whether the instruments' contractual cashflows represent 'solely payments of principal and interest' on the principal amount outstanding (the 'SPPI criterion').

The classification and measurement requirements of IFRS 9 have been adopted retrospectively as of the date of initial application on 01 July 2018. However, the Fund has chosen to take advantage of the option not to restate comparatives. Therefore, the 2018 figures are presented and measured under IAS 39. The following table shows the original measurement categories in accordance with IAS 39 and the new measurement categories under IFRS 9 for the Fund's financial assets and financial liabilities as at 01 July 2018:

### Financial assets

01 July 2018	IAS 39 Classification	IAS 39 Measurement	IFRS 9 Classification	IFRS 9 Measurement
Cash and bank balances	Loans and receivables	503,609,049	Amortised Cost	503,609,049
Investments	Held for trading*	4,940,091,479	Fair value through profit and loss*	4,940,091,479
Dividend receivable	Loans and receivables	7,994,137	Amortised Cost	7,994,137
Profit receivable on bank balances	Loans and receivables	2,293,384	Amortised Cost	2,293,384
Receivable against sale of investments	Loans and receivables	1,483,060	Amortised Cost	1,483,060
Advances, deposits and other receivables	Loans and receivables	2,600,000	Amortised Cost	2,600,000

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

\*The financial assets held for trading continue to be measured at fair value through profit and loss under IFRS 9.

## Financial liabilities

All Financial liabilities which were previously classified as 'other financial liabilities' at amortised cost under IAS 39 continue to be classified as 'financial liabilities at amortised cost' under IFRS 9.

### (b) Impairment

In relation to the impairment of financial assets, IFRS 9 requires an expected credit loss model, as opposed to an incurred credit loss model.

SECP vide its letter no. SCD/AMCW/RS/MUFAP/2017-148 dated 21 November 2017 has deferred the applicability of above impairment requirements in relation to debt securities for mutual funds and accordingly, basis defined in Circular No. 33 of 2012 dated 24 October 2012 will be followed.

The management has made an assessment of impairment under expected credit loss model of IFRS 9 for financial assets (other than debt securities) and concluded that impact is not material to the financial statements.

## 2.3 Standards, interpretations and amendments to approved accounting standards that are not yet effective

The following standards, amendments and interpretations with respect to the approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standard or interpretation:

Standard or Interpretation	Effective date (annual periods beginning on or after)
IFRS 3 Definition of a Business (Amendments)	01 January 2020
IFRS 3 Business Combinations – Previously held interests in a joint operation	01 January 2019
IFRS Insurance Contracts – Applying IFRS 9 Financial Instruments with IFRS 4 Insurance Contracts (Amendments)	01 July 2019
IFRS 9 Financial instruments – Prepayment Features with Negative Compensation (Amendments)	01 January 2019
IFRS 10 Consolidated Financial Statements and IAS 28 Investment in Associates and Joint Ventures - Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendment)	Not yet finalized
IFRS 11 Joint Arrangements –Previously held interests in a joint operation	01 January 2019
IFRS 16 - Leases	01 January 2019
Definition of Material – Amendments to IAS 1 and IAS 8	01 January 2019
IAS 12 Income Taxes – Income tax consequences of payments on financial instruments classified as equity	01 January 2019
IAS 19 - Plan Amendment, Curtailment or Settlement (Amendments)	01 January 2019
IAS 23 Borrowing Costs - Borrowing costs eligible for capitalisation	01 January 2019
IFRIC 23 Uncertainty over Income Tax Treatments	01 January 2019
IAS 28 - Long-term Interests in Associates and Joint Ventures – (Amendments)	01 January 2019

The above standards and amendments are not expected to have any material impact on the Fund's financial statements in the period of initial application.

In addition to the above standards and amendments, improvements to various accounting standards have also been issued by the IASB in December 2017. Such improvements are generally effective for accounting periods beginning on or after 01 January 2019 respectively. The Fund expects that such improvements to the standards will not have any impact on the Fund's financial statements in the period of initial application.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

The IASB has also issued the revised Conceptual Framework for Financial Reporting (the Conceptual Framework) in March 2018 which is effective for annual periods beginning on or after 01 January 2020 for preparers of financial statements who develop accounting policies based on the Conceptual Framework. The revised Conceptual Framework is not a standard, and none of the concepts override those in any standard or any requirements in a standard. The purpose of the Conceptual Framework is to assist IASB in developing standards, to help preparers develop consistent accounting policies if there is no applicable standard in place and to assist all parties to understand and interpret the standards.

Further, following new standards have been issued by IASB which are yet to be notified by the SECP for the purpose of applicability in Pakistan.

<b>Standards</b>	<b>IASB Effective date (annual periods beginning on or after)</b>
IFRS 14 - Regulatory Deferral Accounts	01 January 2016
IFRS 17 - Insurance Contracts	01 January 2021

## 2.4 Critical accounting estimates and judgements

The preparation of financial statements in accordance with the approved accounting standards as applicable in Pakistan requires the management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification, valuation and impairment of financial assets.

## 2.5 Accounting convention

These financial statements have been prepared under the historical cost convention except that investments have been carried at fair value.

## 2.6 Functional and presentation currency

These financial statements are presented in Pakistani Rupees, which is the Fund's functional and presentation currency.

## 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out as below. These policies have been applied consistently to all years except for the changes in accounting policies as explained in the note 3.1 below.

### 3.1 Financial instruments - Policy effective from 01 July 2018

In the current period, the Fund has adopted IFRS 9 Financial Instruments. Comparative figures for the year ended 30 June 2018 have not been restated as allowed by IFRS 9. Therefore, financial instruments in the comparative period are still accounted for in accordance with IAS 39 Financial Instruments: Recognition and Measurement.

#### a) Initial recognition and measurement

Financial assets and liabilities, with the exception of bank balances are initially recognised on the trade date, i.e., the date that the Bank becomes a party to the contractual provisions of the instrument. This includes regular way trades: purchases or sales of financial assets that require delivery of assets within the time frame generally established

---

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

by regulation or convention in the market place. Bank balances are recognised when funds are transferred to the banks.

All financial instruments are measured initially at their fair value plus transaction costs, except in the case of financial assets and financial liabilities recorded at fair value through profit or loss.

### **b) Classification**

In accordance with IFRS 9, the Fund classifies its financial assets and financial liabilities at initial recognition into the categories of financial assets and financial liabilities discussed below:

#### **Financial assets**

"The Fund classifies its financial assets as subsequently measured at amortised cost or measured at fair value through profit or loss on the basis of both:

- The entity's business model for managing the financial assets; and
- The contractual cash flow characteristics of the financial asset."

#### **Business model assessment**

The Fund determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective.

The Fund's business model is not assessed on an instrument by instrument basis, but at a higher level of aggregated portfolios and is based on observable factors such as:

- the objectives for the portfolio, in particular, whether management's strategy focuses on earning contractual revenue, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of the liabilities that are funding those assets or realizing cash flows through the sale of the assets;
- How the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel;
- The risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way those risks are managed;
- How managers of the business are compensated (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected).

The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account. If cash flows after initial recognition are realised in a way that is different from the Fund's original expectations, the Fund does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

#### **Assessments whether contractual cash flows are solely payments of principal and interest (SPPI)**

As a second step of its classification process the Fund assesses the contractual terms of financial to identify whether they meet the SPPI test.

'Principal' for the purpose of this test is defined as the fair value of the financial asset at initial recognition and may change over the life of the financial asset (for example, if there are repayments of principal or amortisation of the premium/discount).

The most significant elements of interest within a lending arrangement are typically the consideration for the time value of money and credit risk. To make the SPPI assessment, the Fund applies judgement and considers relevant factors such as the currency in which the financial asset is denominated, and the period for which the interest rate is set.

---

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

In contrast, contractual terms that introduce a more than de minimis exposure to risks or volatility in the contractual cash flows that are unrelated to a basic lending arrangement do not give rise to contractual cash flows that are solely payments of principal and interest on the amount outstanding. In such cases, the financial asset is required to be measured at FVPL.

### **Financial assets (equity and debt instruments) measured at fair value through profit or loss (FVPL)**

A financial asset is measured at fair value through profit or loss if:

- (a) Its contractual terms do not give rise to cash flows on specified dates that are solely payments of principal and interest (SPPI) on the principal amount outstanding; or
- (b) It is not held within a business model whose objective is either to collect contractual cash flows, or to both collect contractual cash flows and sell; or
- (c) At initial recognition, it is irrevocably designated as measured at FVPL when doing so eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise from measuring assets or liabilities or recognising the gains and losses on them on different bases.

### **Financial assets (debt instruments) measured at amortised cost**

A debt instrument is measured at amortised cost if it is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Fund includes in this category accrued income and other receivables.

### **Financial liabilities**

#### **Financial liabilities measured at amortised cost**

This category includes all financial liabilities, other than those measured at fair value through profit or loss.

### **c) Derecognition**

A financial asset (or, where applicable, a part of a financial asset or a part of a group of similar financial assets) is derecognised where the rights to receive cash flows from the asset have expired, or the Fund has transferred its rights to receive cash flows from the asset, or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement and the Fund has:

- (a) Transferred substantially all of the risks and rewards of the asset; or
- (b) Neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset."

When the Fund has transferred its right to receive cash flows from an asset (or has entered into a pass-through arrangement), and has neither transferred nor retained substantially all of the risks and rewards of the asset nor

---

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

transferred control of the asset, the asset is recognised to the extent of the Fund's continuing involvement in the asset. In that case, the fund also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the fund has retained. The Fund derecognises a financial liability when the obligation under the liability is discharged, cancelled or expired.

### **d) Impairment of financial assets**

Policy effective from 01 July 2018 (IFRS 9)

"The Fund only considers expected credit losses for bank balances, trade and other receivables. The Fund measures expected credit losses on bank balance using the probability of default (PD) and loss given default (LGD) estimates using the published information about these risk parameters."

For trade and other receivables with no financing component and which have maturities of less than 12 months at amortised cost and, as such, the Fund has chosen to apply an approach similar to the simplified approach for expected credit losses (ECL) under IFRS 9 to all its trade and other receivables. The Fund uses the provision matrix as a practical expedient to measuring ECLs on trade receivables, based on days past due for groupings of receivables with similar loss patterns. The provision matrix is based on historical observed loss rates over the expected life of the receivables and is adjusted for forward-looking estimates.

The expected credit losses in respect of debt securities are not considered since SECP vide its letter no. SCD/AMCW/RS/MUFAP/2017-148 dated 21 November 2017 has deferred the applicability of above impairment requirements in relation to debt securities for mutual funds and accordingly, basis defined in Circular No. 33 of 2012 dated 24 October 2012 will be followed.

### **e) Offsetting of financial assets and liabilities**

Financial assets and financial liabilities are offset and the net amount is reported in the statement of assets and liabilities if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

## **3.2 Financial instruments - Policy effective before 01 July 2018**

### **3.2.1 Classification**

The Fund classifies its financial assets in the following categories: Financial assets at fair value through profit or loss, loans and receivables and available for sale. The classification depends on the purpose for which the financial assets were acquired. Management determines the classification of its financial assets at initial recognition.

#### **a) Financial assets at fair value through profit or loss**

These include held-for-trading investments and such other investments that, upon initial recognition, are designated under this category. Investments are classified as at fair value through profit or loss if they are acquired for the purpose of selling in the near term.

#### **b) Loans and receivables**

These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market.

#### **c) Available-for-sale**

Available for sale financial assets are those non-derivative financial assets that are designated as available for sale or are not classified as (a) financial assets at fair value through profit or loss or (b) loans and receivables. These are intended to be held for an indefinite period of time which may be sold in response to the needs for liquidity or change in price.

#### **Regular way contracts**

All regular way purchases / sales of investments are recognised on the trade date, i.e. the date on which the Fund

---

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

commits to purchase / sell the investment. Regular way purchases / sales of investments require delivery of securities within two days after transaction date as per the stock exchange regulations.

### 3.2.2 Initial recognition and measurement

Financial assets are initially recognised at fair value plus transaction costs except for financial assets carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value and transaction costs are expensed in the income statement.

### 3.2.3 Subsequent measurement

#### a) Equity securities

Subsequent to initial recognition, financial investment in equity securities is valued on the basis of closing quoted market prices available at the stock exchange.

Net gains and losses arising on such revaluation is taken to the income statement for securities carried at fair value through profit or loss.

Net gains and losses arising from changes in fair value of available for sale financial assets are taken to other comprehensive income until these are derecognised. At this time, the cumulative gain or loss, previously recognised in other comprehensive income, is shown as part of net income for the year.

#### b) Loans and receivables

Subsequent to initial recognition financial assets classified as loans and receivables are carried at amortised cost using the effective interest method.

Gains and losses are also recognised in the income statement when financial assets carried at amortised cost are derecognised or impaired.

### 3.2.4 Impairment

"The Fund assesses at each reporting date whether there is objective evidence that the financial asset or a group of financial assets is impaired. In case of equity securities classified as available for sale, a significant or prolonged decline in the fair value of the security below its cost is considered, among other indicators, as an indicator that the securities are impaired. If any such evidence exists for available for sale financial assets, the cumulative loss measured as the difference between the acquisition cost and the current fair value, less any impairment loss on that financial asset previously recognised in other comprehensive income is reclassified to 'income statement'. Impairment losses recognised on equity instruments are not reversed through the income statement. "

For financial assets classified as 'loans and receivables', a provision for impairment is established when there is objective evidence that the Fund will not be able to collect all amounts due according to the original terms. The amount of provision is determined based on the provisioning criteria specified by the SECP.

### 3.2.5 Financial liabilities

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. They are initially recognised at fair value and subsequently stated at amortised cost.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired.

#### Derecognition

Financial assets are derecognised when the rights to receive cash flows from the investments have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership.

#### Derivatives

Derivative instruments are initially recognised at fair value and subsequent to initial measurement each derivative instrument is remeasured to its fair value and the resultant gain or loss is recognised in the income statement.

---

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

Presently, the Fund does not have any derivative instrument.

### 3.3 Cash and cash equivalents

Cash and cash equivalents include deposits with banks and other short term highly liquid investments with original maturities of three months or less.

### 3.4 Provisions

Provisions are recognised when the Fund has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

### 3.5 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the application received during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load and provision of any duties and charges if applicable. The sales load is payable to the Management Company / Distributors as processing fee.

Units redeemed are recorded at the redemption price applicable to units for which the Management Company receives redemption application during business hours of that day. The redemption price shall be equal to NAV as of the close of the business day, less an amount as the Management Company may consider to be an appropriate provision of duties and charges as processing fee.

### 3.6 Distribution to unit holders

Distribution to unit holders is recognised upon declaring and approval by the Distribution Committee of the Board of Directors of the Management Company under powers delegated to them by the Board of Directors of the Management Company or declaration and approval by the Board of Director of the Management Company.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the period in which such distributions are declared and approved by the Board of Directors of the Management Company.

### 3.7 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

"The Securities and Exchange Commission of Pakistan through its SRO 756(I)/2017 dated 03 August 2017 includes a definition and explanation relating to ""element of income"" and excludes the element of income from the expression ""accounting income"" as described in regulation 63 (amount distributable to unit holders) of the NBFC Regulations. As per the notification, element of income represents the difference between net assets value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting period. Further, the revised regulations also specify that element of income is a transaction of capital nature and the receipt and payment of element of income shall be taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund will be refunded on units in the same proportion as dividend bears to accounting income available for distribution. MUFAP, in consultation with the SECP, specified methodology of determination of income paid on units redeemed under which such income is paid on gross element received and is calculated from the latest date at which the Fund achieved net profitability during the year."

### 3.8 Revenue recognition

- Dividend income is recognised when the right to receive the dividend is established.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

- Interest income on bank balances, placements and deposits is recognised on an accrual basis.
- Gains or losses on sale of investments are included in the Income Statement in the year in which it arises.
- Unrealised appreciation / (loss) in the value of investments classified as 'financial assets at fair value through profit or loss' are included in the Income Statement in the period in which they arise.

## 3.9 Expenses

All expenses chargeable to the Fund including remuneration of Management Company and Trustee and annual fee of the SECP are recognised in the income statement on an accrual basis.

## 3.10 Taxation

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed among the unit holders. The Fund intends to distribute such income at the year end in order to avail this tax exemption. Accordingly, no provision is made for current and deferred taxation in these financial statements.

## 3.11 Net asset value per unit

The net asset value per unit disclosed in the statement of assets and liabilities is calculated by dividing the net assets of the Fund by the number of units in issue at the year end.

## 3.12 Earnings per unit

Earnings per unit (EPU) has not been disclosed as in the opinion of the management determination of cumulative weighted average number of outstanding units for calculation of EPU is not practicable.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

5.2 The cost of listed equity securities as at 30 June 2019 is Rs. 5,857,406,669 (30 June 2018: Rs 4,911,177,095).

5.3 The above investments include following shares which have been pledged with the National Clearing Company of Pakistan Limited for guaranteeing settlement of the Fund's trades in accordance with Circular no. 11 dated 23 October 2007 issued by the SECP:

Name of Investee Company	Number of shares		Market value	
	2019	2018	2019	2018
			----- Rupees -----	
Pakistan Petroleum Limited	297,000	297,000	42,895,710	63,825,300
Engro Fertilizers Limited	425,000	425,000	27,187,250	31,836,750
United Bank Limited	100,000	100,000	14,738,000	16,898,000
	<b>822,000</b>	<b>822,000</b>	<b>84,820,960</b>	<b>112,560,050</b>

5.4 The investment in equity securities include the bonus shares having market value of Rs. 0.77 million withheld by the investee companies, as issuance of bonus shares has been made taxable through Finance Act, 2014.

The management of the Fund jointly with other asset management companies and Mutual Funds Association of Pakistan, have filed various petitions in Honorable Sindh High Court challenging the levy of withholding of income tax on Bonus shares received by mutual funds based on the principle that exemption is already given to mutual funds under clause 99 of Part I and clause 47B of Part IV of the Second Schedule of the Income Tax Ordinance, 2001. The Honorable Sindh High Court has granted stay orders while the matter is still pending adjudication.

The Honorable Supreme Court in its decision dated 27 June 2018 in a case held that the suits which are already pending or shall be filed in future, must only be maintained / entertained on the condition that a minimum of 50% of the tax calculated by the tax authorities is deposited with the authorities. In pursuance of said Supreme Court order, SHC issued notices of hearing for cases of tax related matters and held that Plaintiffs are directed to deposit 50% of amount claimed by the tax department, if the deposits are not made within time, the suits stand dismissed as not maintainable. Thereafter, the Fund alongwith other aggrieved Funds filed Constitutional Petition in the High Court of Sindh vide C.P No. D-4653 of 2019 through Mutual Funds Association of Pakistan on this issue and obtained stay order restraining the withholding agents to deposit the withheld tax.

6 ADVANCES, DEPOSITS AND OTHER RECEIVABLES	Note	2019	2018
		----- Rupees -----	
Security deposits with:			
- National Clearing Company of Pakistan Limited (NCCPL)		2,500,000	2,500,000
- Central Depository Company of Pakistan Limited (CDC)		100,000	100,000
Advances & other receivables	6.1	10,929,987	19,535,195
		<b>13,529,987</b>	<b>22,135,195</b>

6.1 As per clause 47(B) of part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to collective investment schemes (CISs) are exempt from withholding tax under sections 150 and 151. However, during the year ended 30 June 2016, several companies (including banks) deducted withholding tax on dividend and profit on bank deposits paid to the Fund based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated 12 May 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholders. The amount of tax withheld during the year on dividend and profit on bank deposits aggregates to Rs.10.269 million (30 June 2018: Rs. 10.269 million) and Rs. 0.661 million (30 June 2018: Rs. 0.641 million) respectively.

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On 28 January 2016, the Board of Directors of the Management Company passed a

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

resolution by circulation, authorising all Funds managed by the Company to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other Asset Management Companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted from dividend and profit received on bank deposits by the Fund has been shown as other receivables as at 30 June 2019 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

7	PAYABLE TO ATLAS ASSET MANAGEMENT LIMITED - MANAGEMENT COMPANY - RELATED PARTY	Note	2019	2018
			----- Rupees -----	
	Remuneration of the Management Company	7.1	8,940,042	9,023,232
	Sindh sales tax payable on remuneration of the Management Company	7.2	4,131,252	4,142,066
	Federal Excise Duty payable on remuneration of the Management Company	7.3	20,301,988	20,301,988
	Accounting and operational charges	13	447,002	451,011
			<b>33,820,284</b>	<b>33,918,297</b>

7.1 As per the amendments made in the NBFC Regulations, 2008 vide SRO 1160 (1) / 2015 dated 25 November 2015, the Management Company is entitled to a remuneration equal to an amount not exceeding 2% of the average annual net assets in case of equity schemes. Previously, the Management Company was entitled to receive a remuneration during the first five years of the Fund, at a rate not exceeding 3% of the average annual net assets of the Fund and thereafter, at a rate of 2% of such assets. Accordingly, the Management Company has charged its remuneration at a rate of 2% (2018: 2%) per annum of the average annual net assets of the Fund for the year. The fee is payable to the Management Company monthly in arrears.

7.2 During the year, an amount of Rs. 14,876,513 (2018: Rs. 13,971,239) was charged on account of sales tax on remuneration of the Management Company levied through Sindh Sales Tax on Services Act, 2011 and an amount of Rs. 14,887,327 (2018: Rs. 14,032,852) has been paid to the Management Company which acts as a collecting agent.

7.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) with effect from 13 June 2013. As the asset management services rendered by the Management Company of the Fund were already subject to provincial sales tax on services levied by the Sindh Revenue Board, which is being charged to the Fund, the Management Company was of the view that further levy of FED was not justified.

On 04 September 2013, a Constitutional Petition was filed in the Honourable Sindh High Court (SHC) jointly by various asset management companies, together with their representative Collective Investment Schemes through their trustees, challenging the levy of FED.

During the previous year, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

With effect from 01 July 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from 01 July 2016. However, as a matter of abundant caution the provision for FED made for the period from 13 June 2013 till 30 June 2016 amounting to Rs 20.302 million (30 June 2018: Rs

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

20.302 million) is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the said provision for FED not been recorded in the financial statements of the Fund, the net asset value of the Fund as at 30 June 2019 would have been higher by Rs. 2.03 (30 June 2018: Rs 2.34) per unit.

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

- 11.1** As a consequence of the 18th amendment to the Constitution of Pakistan, in May 2015 the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) had been passed by the government of Sindh as a result of which every industrial establishment located in the Province of Sindh, the total income of which in any accounting year is not less than Rs 0.50 million, is required to pay Sindh Workers' Welfare Fund (SWWF) in respect of that year a sum equal to two percent of such income. The matter was taken up by the MUFAP with the Sindh Revenue Board (SRB) collectively on behalf of various asset management companies and their CISs whereby it was contested that mutual funds should be excluded from the ambit of the SWWF Act as these were not industrial establishments but were pass through investment vehicles and did not employ workers. The SRB held that mutual funds were included in the definition of financial institutions as per the Financial Institution (Recovery of Finances) Ordinance, 2001 and were, hence, required to register and pay SWWF under the SWWF Act. Thereafter, MUFAP has taken up the matter with the Sindh Finance Ministry to have CISs / mutual funds excluded from the applicability of SWWF.

In view of the above developments regarding the applicability of WWF and SWWF on CISs / mutual funds, MUFAP has recommended the following to all its members on 12 January 2017:

- based on legal opinion, the entire provision against WWF held by the CISs till 30 June 2015 should be reversed on 12 January 2017; and
- as a matter of abundant caution, the provision in respect of SWWF should be made with effect from the date of enactment of the SWWF Act, 2014 (i.e. starting from 21 May 2015) on 12 January 2017.

The above decisions were communicated to the SECP and the Pakistan Stock Exchange Limited on 12 January 2017 in response to which the SECP vide its letter dated 01 February 2017 advised MUFAP that the adjustments relating to the above should be prospective and supported by adequate disclosures in the financial statements of the CISs / mutual funds.

Accordingly, necessary adjustments in this respect were recorded in the books of the Fund on 12 January 2017 whereby the entire provision for WWF was reversed and the provision for SWWF was made for the period from 21 May 2015 to 12 January 2017. Thereafter, the provision for SWWF is being made by the Fund on a daily basis going forward.

Had the provision for SWWF not been recorded in these financial statements, the net asset value of the Fund as at 30 June 2019 would have been higher by Rs. 3.88 per unit (30 June 2018: Rs. 4.49 per unit).

### 12 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at 30 June 2019 and 30 June 2018.

### 13 ACCOUNTING AND OPERATIONAL CHARGES

Uptil June 19, 2019 in accordance with Regulation 60 of the NBFC Regulations, the Management Company was entitled to charge expenses related to registrar services, accounting, operations and valuation services, related to a Collective Investment Scheme (CIS) at the rate of 0.1% of the average annual net assets of the scheme or actual whichever is less. During the year, SECP vide SRO 639 dated 20 June 2019 has removed the maximum cap of 0.1%. Accordingly, the Management Company can now charge actual expenses related to registrar services, accounting, operations and valuation services to the CIS with effect from 20 June 2019.

However, the management continued to charge expenses at the rate of 0.1% of the average annual net assets of the Fund for both the periods i.e from 01 July 2018 to 19 June 2019 and from 20 June 2019 to 30 June 2019, being lower than actual expenses.

### 14 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at 30 June 2019 is 2.76% (30 June 2018: 2.78%) which includes 0.40% (30 June 2018: 0.41%) representing government levies on the Fund such as sales taxes, annual fee to the SECP, etc. This ratio is within the maximum limit of 4% prescribed under the NBFC Regulations for a collective investment scheme categorised as an equity scheme.

## 16 SECURITIES TRANSACTION COST

This represents brokerage, federal excise duty, capital value tax and settlement charges.

## 17 TAXATION

**17.1** The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unitholders. Since the Fund has incurred net loss for the year hence, no distribution has been made by the Fund.

**17.2** During the year ended 30 June 2014, the Additional Commissioner Inland Revenue amended the return of income filed by the Fund in respect of Tax Years 2012 under Section 120 of the Income Tax Ordinance, 2001. The tax assessing officer concluded that bonus issues declared by the Fund should not have been considered as distribution of the accounting income while claiming exemption available under Clause 99 of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001, as the Fund had not deducted withholding tax from bonus distributions. Consequently, the tax assessing officer raised demands aggregating to Rs. 48.146 million (including Rs. 2.653 million relating to Workers' Welfare Fund) on the Fund. Similar amendments were made to returns filed by several mutual funds in the industry.

This industry issue was examined by legal experts and tax advisors and there was unanimity of view that under the provisions of Clause 99 applicable upto 30 June 2014, the tax department's contentions were primarily erroneous and not tenable under the law. Subsequently, through the Finance Act, 2014, an amendment was made in Clause 99, whereby issuance of bonus units would not be considered towards distribution of 90% of income, and only cash dividend would be taken into consideration for computation of 90% distribution to claim exemption. Appropriate appellate and executive remedies were adopted to resolve the matter.

During the year ended 30 June 2015, the Commissioner Inland Revenue - Appeals (CIR - Appeals) decided the matter in favour of the Fund and annulled the assessment order but maintained the levy of WWF. The Fund filed an appeal in the Appellate Tribunal Inland Revenue (ATIR) against the order of the CIR - Appeals with respect to the maintenance of levy of WWF. The tax assessing officer also filed an appeal in the ATIR against the order of annulment of assessment order passed by the CIR - Appeals. On March 14, 2017, ATIR upheld the decision of Commissioner (Appeals).

In respect of the levy of WWF, the Honourable Supreme Court had held the amendments made by the Finance Acts 2006 and 2008 to be unlawful and ultra vires the Constitution as detailed in note 11.1. Therefore, the ATIR has remanded back the matter to the Taxation Officer with the directions to decide the issue following the recent judgment of the Apex Court. Based on the opinion of the tax advisors of the Fund, the management believes that the levy of WWF will be deleted upon re-adjudication in light of the judgement of the Honourable Supreme Court.

## 18 LOSS PER UNIT

Loss per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating loss per unit is not practicable.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## 19 TRANSACTIONS WITH RELATED PARTIES / CONNECTED PERSONS

- 19.1** Connected persons include Atlas Asset Management Limited being the Management Company, the Central Depository Company Limited being the Trustee, other collective investment schemes managed by the Management Company, any person or company beneficially owning directly or indirectly ten percent or more of the capital of the Management Company or the net assets of the Fund, directors and their close family members and key management personnel of the Management Company.
- 19.2** Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, sales load and other charges and distribution payments to connected persons. The transactions with connected persons are in the normal course of business, at contracted rates and at terms determined in accordance with market rates.
- 19.3** Remuneration to the Management Company and the Trustee of the Fund is determined in accordance with the provisions of the NBFC Regulations, 2008 and the Trust Deed.
- 19.4** The details of transactions carried out by the Fund with connected persons during the year and balances with them as at year end are as follows:

## 21 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based

---

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

on limits established by the Management Company, Fund's constitutive documents and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, credit risk and liquidity risk arising from the financial instruments it holds.

### 21.1 Market risk

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as interest rates, foreign exchange rates and equity prices.

Market risk comprises of three types of risks: yield / interest rate risk, currency risk, and price risk.

#### (i) Yield / interest rate risk

Yield / interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in the market interest rates. As of 30 June 2019, the Fund is exposed to interest rate risk on its balances held with banks. The investment committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within acceptable limits.

#### a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds balances with banks which exposes the Fund to cash flow interest rate risk. In case of 100 basis points increase in market interest rates as at 30 June 2019, with all other variables held constant, the net income for the year and net assets would have been higher by Rs. 2,660,032 (2018: Rs 5,034,490). In case of 100 basis points decrease in market interest rates as at 30 June 2019, with all other variables held constant, the net income for the year and net assets would have been lower by Rs. 2,660,032 (2018: Rs 5,034,490).

#### b) Sensitivity analysis for fixed rate instruments

Presently, the Fund does not hold any fixed rate instrument that may expose the Fund to fair value interest rate risk.

As stated above out of the total financial assets of Rs. 5,311,358,847 (2018: Rs. 5,458,071,109), assets aggregating to Rs. 266,003,200 (2018: Rs. 503,449,049) are subject to yield / interest rate risk. These represent bank balances having effective yield of 6.00% to 13.50% (2018: 4.00% to 7.35%).

The composition of the Fund's investment portfolio and profit rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of 30 June 2019 is not necessarily indicative of the impact on the Fund's net assets of the future movement in profit rates.

#### (ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

#### (iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those

---

## NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Fund is exposed to equity price risk on investments held by the Fund and classified as 'at fair value through profit or loss'. To manage its price risk arising from investments in equity securities, the Fund diversifies its portfolio within the eligible stocks prescribed in the Trust Deed. The NBFC Regulations also limit individual equity securities to no more than 10% of net assets and issued capital of the investee company and sector exposure limit to 30% of the net assets.

In case of 5% increase / decrease in PSX 100 index on 30 June 2019, with all other variables held constant, net income of the Fund for the period would increase / decrease by Rs. 249,364,258 (2018: Rs. 247,004,574) and the net assets of the Fund would increase / decrease by the same amount as a result of gains / losses on equity securities at fair value through profit or loss.

The analysis is based on the assumption that equity index had increased / decreased by 5% with all other variables held constant and all the Fund's equity instruments moved according to the historical correlation with the index. This represents management's best estimate of a reasonable possible shift in the PSX 100 Index, having regard to the historical volatility of the index. The composition of the Fund's investment portfolio and the correlation thereof to the PSX 100 Index, is expected to change over time. Accordingly, the sensitivity analysis prepared as of 30 June 2019 is not necessarily indicative of the effect on the Fund's net assets of future movements in the level of the PSX 100 Index.

### 21.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to settlement of equity securities and to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is to invest the majority of its assets in investments that are traded in an active market and can be readily disposed of. The Fund's securities are considered readily realisable as these are listed on the Pakistan Stock Exchange Limited.

The Fund can borrow in the short term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was required to be obtained by the Fund during the current year. In addition, as required by SECP, the Fund has arranged committed credit lines from a financial institution equivalent to 10% of net assets of the Fund.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month:

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## 21.3 Credit risk

Credit risk arises from the inability of the issuers of the instruments or the counter party to fulfil their obligations. The Fund is exposed to credit risk with respect to its bank balances, dividend receivable, receivable against sale of investments, receivable against sale of units and security deposit. Credit risk also arises from the inability of the relevant brokerage house or the counter party to fulfil their obligations. There is a possibility of default by participants or failure of the financial markets / stock exchanges, the depositories, the settlements or clearing system, etc. The settlement risk of default on equity securities is considered minimal due to inherent systematic measures taken therein. The Fund's policy is to enter into financial contracts in accordance with internal risk management policies and instrument guidelines approved by the Investment Committee. The Fund's maximum exposure to credit risk as of 30 June 2019 amounts to Rs. 324,073,684 (2018: Rs. 517,979,630).

### 21.3.1 Credit quality of financial assets

The Fund's significant credit risk (excluding credit risk relating to settlement of equity securities) arises mainly on account of its placements in banks. The credit rating profile of balances with banks is as follows:

Ratings of amounts placed with banks	% of financial assets exposed to credit risk	
	2019	2018
AA	0.00	0.20
AA+	99.47	99.38
AAA	0.53	0.42
	<b>100.00</b>	<b>100.00</b>

The maximum exposure to credit risk before any credit enhancement as at 30 June 2019 is the carrying amount of the financial assets. Investments in equity securities, however, are not exposed to credit risk.

All the balances with banks have investment grade rating and hence are classified as Stage 1 under IFRS 9.

### Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial assets is mainly held with, diverse credit worthy counter parties.

## 22 FAIR VALUE MEASUREMENTS

Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable willing parties in an arm's length transaction. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not significantly different from book value.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2019

## 22.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: Quoted price (unadjusted) in an active market for identical assets or liabilities;
- Level 2: Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: Inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The Fund only invests in listed equity securities the fair values of which are based on level 1 valuation technique.

## 23 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. They are entitled to distributions and to payment of a proportionate share based on the Fund's net asset value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restrictions on the subscription and redemption of units. As required under NBFC Regulations, every open-end scheme shall maintain a fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has maintained and complied with the requirement of minimum fund size during the current year.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 21, the Fund endeavours to invest the subscriptions received in appropriate investments while maintaining sufficient liquidity to meet redemption requests, such liquidity being augmented by short-term borrowings or disposal of investments where necessary.

## 24 UNIT HOLDING PATTERN OF THE FUND

۳	جناب ایم حبیب الرحمن	نان ایگزیکٹو ڈائریکٹر	۴

● ہیومن ریسورس اینڈ ری مینوریشن کمیٹی (ایچ آراینڈ آری)۔ دو مینٹگز منعقد ہوئیں دوران سال اور شرکت کی گئی درج ذیل:

نمبر شمار	ڈائریکٹر کا نام	عہدہ	مینٹگ میں شرکت
۱	جناب فراہیم علی خان	نان ایگزیکٹو ڈائریکٹر	۲
۲	جناب علی ایچ شیرازی	نان ایگزیکٹو ڈائریکٹر	۲
۳	جناب ایم عبدالصمد	چیف ایگزیکٹو آفیسر	۲

● انویسٹمنٹ کمیٹی۔ انچاس مینٹگز منعقد ہوئیں دوران سال اور شرکت کی گئی درج ذیل:

نمبر شمار	ڈائریکٹر کا نام	عہدہ	مینٹگ میں شرکت
۱	جناب علی ایچ شیرازی	نان ایگزیکٹو ڈائریکٹر	۱۰
۲	جناب ایم عبدالصمد	چیف ایگزیکٹو آفیسر	۴۵
۳	جناب خالد محمود (ایگزیکٹو مینجمنٹ)	چیف انویسٹمنٹ آفیسر رکن آئی سی	۴۶

تقسیم آمدنی۔ اے آئی ایف

منتظم کمپنی کی سرمایہ کاری کمپنی برائے اے آئی ایف نے اپنے اجلاس منعقدہ ۴ جولائی ۲۰۱۹ء کو برائے اختتام مالیاتی سال ۳۰ جون ۲۰۱۹ء کیلئے ۳۶.۵۰ روپے فی یونٹ (۲۰۱۸ء: ۲۴.۰۰ روپے فی یونٹ پورے سال کیلئے) تقسیم کا اعلان کیا۔ ۵۰ روپے فی یونٹ کی اصل قیمت پر ۳۰ فیصد۔ (۲۰۱۸ء: ۲۴.۰۰ روپے فی یونٹ عبوری منافع، ۵۰ روپے فی یونٹ کی اصل قیمت پر ۸۰ فیصد)

تقسیم آمدنی۔ اے ایس ایم ایف

منتظم کمپنی کی سرمایہ کاری کمپنی برائے اے ایس ایم ایف نے اپنے اجلاس منعقدہ ۴ جولائی ۲۰۱۹ء کو برائے اختتام مالیاتی سال ۳۰ جون ۲۰۱۹ء کیلئے تقسیم صفر فی یونٹ (پورے سال کیلئے) فنڈ کو نقصان پہنچنے کی وجہ سے کسی منافع کا اعلان نہیں کیا۔ (۲۰۱۸ء: صفر روپے فی یونٹ)

چیز مین کا جائزہ:

اے ایس ایم ایف، اے ایس ایف، اے آئی ایف، اور اے ایس ایم ایف کی سالانہ رپورٹ میں شامل جائزہ منجملہ طور پر اس سال کے فنڈز کی کارکردگی اور اسکے آئندہ لائحہ عمل سے متعلق ہے۔ ڈائریکٹران اس جائزے کے مندرجات کی توثیق کرتے ہیں۔

کارپوریٹ نظم و ضبط:

کمپنی کارپوریٹ نظم و ضبط کے معیارات، ضابطہ اخلاق اور بہترین کاروباری طریقوں پر سختی سے عمل کرنے پر یقین رکھتی ہے۔ اور یہ سب اٹلس گروپ کی کاروباری تہذیب کا ایک جزو لا ینفک ہے۔ جولائی ۲۰۱۲ء میں کارپوریٹ نظم و ضبط کے اصولوں کی منظوری دی گئی جس میں بورڈ کے ممبران، ملازمین اور کمپنی پر مختلف حلقوں، آپس کے معاملات اور معاشرے کی فلاح و بہبود کے سلسلے میں عائد کردہ فرائض اور ذمہ داریوں کو صراحت کے ساتھ بیان کر دیا گیا ہے۔ یہ ضابطہ اخلاق کمپنی کی ویب سائٹ پر دستیاب ہے۔

مفاہک کو ارسال کردہ ایس ای سی پی لیٹر نمبر ایس سی ڈی / آر ایس / مفاہک / ۳۳۶ / ۲۰۱۸ء مورخہ ۱۸ اپریل ۲۰۱۸ء کے مطابق جس کے تحت غیر محدود مجموعی سرمایہ کاری منصوبہ نیز غیر مندرج مینجمنٹ کمپنیاں، جو اس طرح کے مجموعی سرمایہ کاری منصوبہ چلا رہی ہیں، نئی اسٹنگ کمپنیز (ضابطہ برائے انتظامی تشکیل) کے قواعد و ضوابط ۲۰۱۷ء کی ضروریات سے مستثنیٰ ہیں۔

بورڈ کے ڈائریکٹران کی جانب سے توثیق نامہ

بورڈ آف ڈائریکٹرز تصدیق کرتا ہے کہ (اے ایس ایم ایف)، (اے ایس ایف)، (اے آئی ایف) اور (اے ایس ایم ایف) کہ:

☆ منتظم کمپنی کی جانب سے تیار کردہ مالیاتی گوشوارے تمام فنڈز کی کارکردگی، سالانہ آمدنی، کیش فلو اور یونٹ ہولڈرز کے سرمائے میں نقل و حرکت کی ایک منصفانہ تصویر پیش کرتے ہیں۔

☆ تمام فنڈز کے کھاتوں کو مناسب طریقہ سے تیار کیا گیا ہے۔

☆ گوشواروں کی تیاری میں حساب داری کے اصولوں کو تسلسل کے ساتھ لاگو کیا جا رہا ہے اور گوشواروں کی تیاری میں احتیاط اور فہم فراست کا استعمال کیا جا رہا ہے۔

☆ گوشواروں کی تیاری میں وہ بین الاقوامی معیارات جو پاکستان میں لاگو ہوتے ہیں، کو مد نظر رکھا گیا ہے اگر کہیں انحراف ہوا ہے تو اسے مناسب طریقے سے ظاہر کر دیا گیا ہے۔

☆ اندرونی نظم و ضبط کا نظام مؤثر نگرانی میں مستحکم بنیادوں پر نافذ ہے۔

☆ فنڈز کے مستقبل بنیادوں پر جاری رہنے پر کوئی شبہ نہیں ہے۔

## ڈائریکٹر رپورٹ:

اٹلس ایسٹ مینجمنٹ لمیٹڈ (اے اے ایم ایل) کے بورڈ آف ڈائریکٹرز، منتظم برائے اٹلس منی مارکیٹ فنڈ (اے اے ایم ایف)، اٹلس سویرن فنڈ (اے اے ایس ایف)، اٹلس اکم فنڈ (اے آئی ایف) اور اٹلس اسٹاک مارکیٹ فنڈ (اے اے ایس ایف ایف)، مذکورہ فنڈز کی سالانہ رپورٹ، آڈٹ شدہ مالیاتی نتائج برائے اختتام سال ۲۰۱۹ء کے ہمراہ پیش کرتے ہوئے دلی مسرت محسوس کرتے ہیں۔

اٹلس گولڈ فنڈ کی منسوخی

اے جی ایف ۳ نومبر ۲۰۱۷ء کو منسوخ کر دیا گیا اور سرمایہ داروں کو اس میں مزید سرمایہ لگانے کی پیشکش نہیں کی جاتی۔ سرمایہ داروں کو ۲۹.۲۹ ملین کی رقم حتمی ادائیگی کی جا چکی ہے۔ تاہم، ۳۳.۳۳ ملین روپے ٹیکس کے ریفرنڈم کلیم ہیں اور فیڈرل ایکسائز ڈیوٹی اور سندھ ورکرز ویلفیئر فنڈ کی مد میں ۲.۱۹ ملین روپے ہیں جسکی بہت زیادہ محتاط پیش بندی کی گئی ہے۔ ایک باریہ مسائل حل ہو جائیں تو یونٹ ہولڈرز کو مزید ادائیگی کی جائے گی۔

تقسیم آمدنی - اے اے ایم ایف

منتظم کمپنی کی سرمایہ کاری کمیٹی برائے اے اے ایم ایف کے بورڈ آف ڈائریکٹرز نے اپنے اجلاس کو برائے اختتام مالیاتی سال ۲۰۱۹ء کیلئے ۴۲.۵۵ روپے فی یونٹ (۲۰۱۸ء: ۲۷ روپے فی یونٹ پورے سال کیلئے) تقسیم کا اعلان کیا۔ ۵۰ روپے فی یونٹ کی اصل قیمت پر ۸.۵۱ فیصد (۲۰۱۸ء: عبوری منافع، ۵۰ روپے فی یونٹ کی اصل قیمت پر ۵.۴۰ فیصد)

تقسیم آمدنی - اے اے ایس ایف

منتظم کمپنی کی سرمایہ کاری کمیٹی برائے اے اے ایس ایف کے بورڈ آف ڈائریکٹرز نے اپنے اجلاس منعقدہ ۴ جولائی ۲۰۱۹ء کو برائے اختتام مالیاتی سال ۲۰۱۹ء کیلئے ۷.۵۰ روپے فی یونٹ (۲۰۱۸ء: ۴.۷۵ روپے فی یونٹ پورے سال کیلئے) تقسیم کا اعلان کیا۔ ۱۰۰ روپے فی یونٹ کی اصل قیمت پر ۷.۵۰ فیصد (۲۰۱۸ء: ۷.۵۰ فیصد) فی یونٹ کی اصل قیمت پر ۳.۷۵ روپے، ۱۰۰ روپے فی یونٹ کی اصل قیمت پر ۴.۷۵ فیصد)
