Diversity

Understanding the social, cultural and financial diversity in our country and coming up with innovative plans to cater distinctive needs

Company Profile

Atlas Asset Management Limited (AAML), an Atlas Group Company, was incorporated on 20th August, 2002 as an unlisted public limited company. AAML as a Non-Banking Finance Company (NBFC) is licensed & regulated by Securities & Exchange Commission of Pakistan to perform Asset Management and Investment Advisory Services as per the NBFC (Establishment and Regulations) Rules, 2003 & NBFC and Notified Entities Regulations, 2008 and as a Pension Fund Manager to manage voluntary pension funds (under Voluntary Pension System Rules, 2005). SECP also issued licenses to the Company to carry out REIT Management Services, Private Equity and Venture Capital Fund Management Services, under rule 5 of the Non-Banking Finance Companies (Establishment & Regulation) Rules, 2003. AAML manages assets on behalf of retirement funds, welfare organizations, insurance companies, multinationals, NBFCs and individuals.

AAML is a wholly owned subsidiary of Shirazi Investments (Pvt.) Limited (SIL). As the parent company, SIL sponsors Atlas Group projects. Atlas Group is a diversified group dealing in engineering, financial services, power generation, real estate & trading.

AAML strives to be a market leader in providing quality fund management services with customer satisfaction as its aim, and is consistently committed to offering its investors the best possible risk adjusted returns on a diverse range of products, meeting not only the customers' current requirements but also exceeding their future expectations. With its strong emphasis on systems and controls, quality human resource and backing of Atlas Group, AAML enjoys a distinct advantage.

Vision

To be a market leader in providing quality fund management services with customer satisfaction as our premier goal.

Mutual Funds | Pension Funds | Investment Advisory Services | Private Equity | REIT

Creativity

Chairman's Review

It is my pleasure to present you the Annual Reports of Atlas Money Market Fund (AMF), Atlas Liquid Fund (ALF), Atlas Sovereign Fund (ASF), Atlas Income Fund (AIF) and Atlas Stock Market Fund (ASMF) for the financial year ended June 30, 2023.

THE ECONOMY

The country is going through a correction phase to address long-standing structural challenges. To address the challenges and sustain macroeconomic stability, the authorities have recently reached a 9-month Staff Level Agreement (SBA) with IMF. However, the nation looks forward to a long-term sustainable plan to ensure financing needs are met in the years ahead.

On the external front, policy tightening, and adoption of stabilization strategies has yielded positive results. The current account deficit (CAD) has narrowed by 85.4% to USD 2.6 billion in FY23. The improvement in CAD was mainly driven through the reduction in the import bill from USD 80.1 billion to USD 55.3 billion. However, due to slowdown in global demand and an exchange rate peg, exports and workers' remittances declined by 14.1% and 13.6%, respectively. Despite positive development in CAD, foreign exchange reserves held by the Central Bank dipped below USD 5.0 billion for the first time in ten years. However, improvements are expected in the coming months with the receipt of bailout funds from IMF and substantial deposits from multilateral countries. The significant low level of forex reserves put extra ordinary pressure on the local currency. Accordingly, to maintain macroeconomic stability and regulate aggregate demand, the Central Bank increased the benchmark interest rate to 22%, representing 825 bps increase since July 2022. On the fiscal front, due to the slowdown in economic activity, revenue collection remained short of target. Total Rs. 7,000 billion was collected against the projection of Rs. 7,600 billion. Going forward, in order to narrow the fiscal deficit, the Government has recently passed Finance Act, 2023 which has imposed further taxes on targeted segments and withdrawal of certain tax credits. Many other macroeconomic factors including energy tariff adjustments resulted in slow growth and increased inflation. The GDP was 0.3% in FY23 compared to 6.1% in FY22.

The agriculture sector recorded a growth of 1.6% in FY23 as compared to 4.3% of last year. This is due to a heavy monsoon spell and floods which caused massive damage to the standing crops. To support the sector, the agriculture financial institutions disbursed Rs. 1,222 billion as compared to Rs. 958 billion last year. Further, with better input situation and water supply, Rabi crops performed better. This helped to improve farm incomes. As a result, demand for consumer durables remained stable in rural areas.

THE STOCK MARKET

The KSE-100 index declined 0.21% from 41,540.83 points as on June 30, 2022, to 41,452.69 points as on June 27, 2023. The daily average volume during FY23 declined by 34.26% to 192 million shares compared to daily average of 292 million shares traded in FY22. Net outflow of US \$1.53 million was recorded by Foreign Portfolio Investors during FY23 compared to net outflow of US \$297.51 million in FY22. On local investors' front, Companies, Individuals, Banks and Other Organizations were net buyers of US \$99.68 million, US \$83.96 million, US \$73.68 million, and US \$24.79 million. Mutual Funds, Insurance Companies and Broker Proprietary Trading remained net sellers of US \$144.49 million, US \$124.31 million, and US \$14.76 million, respectively.

During FY23, a new listing on the stock exchange was Globe Residency REIT. The amount raised through IPO by the company was Rs. 140 million. Whereas, during FY22, new listings on the stock exchange were Citi Pharma Limited, Pakistan Aluminum Beverage Cans Limited, Airlink Communication Limited, Octopus Digital Limited, and Adamjee Life Assurance Company Limited. The amounts raised through IPO by these companies were Rs. 2,326 million, Rs. 4,600 million, Rs. 6,435 million, Rs. 1,110 million and Rs. 700 million, respectively.

The outlay of budget FY24 stood at Rs. 14.5 trillion (up 30% compared to FY23 budget). The government's FY24 budget aims to increase tax collection in line with growing expenditures in order to maintain fiscal slippage, reiterate IMF program and move towards sustainable growth. The government targets a reduction in fiscal deficit from 7.0% of GDP in FY23 to 6.5% of GDP in FY24 on the back of increasing FBR tax collection by 27.80% along with 83.10% increase in non-tax revenues. Achieving revenue targets is entrusted with expanding the tax base, streamlining collection process, formalizing the economy and imposing super tax on high earning companies.

MUTUAL FUND INDUSTRY

The assets under management (AUMs) for the mutual funds industry increased by 29.11% to Rs. 1,621.21 billion as of June 30, 2023, from Rs. 1,255.70 billion as of June 30, 2022. In FY23, Money Market funds (both Conventional and Shariah Compliant) dominated in terms of AUMs representing 54.96% of total mutual fund industry AUMs (Rs. 891.01 billion) followed by Income funds (both Conventional and Shariah Compliant) representing 28.36% of total mutual fund industry AUMs (Rs. 459.78 billion) and Equity Funds representing 8.03% of total mutual fund industry AUMs (Rs. 130.18 billion). The AUM of VPS increased by 21.30% from Rs. 40.92 billion as on June 30, 2022, to Rs. 49.63 billion as on June 30, 2023. The share of Shariah Compliant VPS stood at Rs. 32.34 billion or 65.16% of total VPS.

MUTUAL FUND TAXATION

FEDERAL EXCISE DUTY (FED)

The Finance Act, 2013 imposed Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMC's) with effect from June 13, 2013 and this was withdrawn on June 30, 2016. On September 04, 2013, a constitutional petition was filed in SHC jointly by various AMCs, challenging the levy of FED. In a separate petition the Honorable Sindh High Court declared that the FED was unconstitutional and cannot be charged where provinces are collecting sales tax. FBR has challenged the decision of SHC in the Honorable Supreme Court of Pakistan (SCP). However, without prejudice, the mutual funds and pension funds have on prudent basis maintained the provision for FED till June 30, 2016.

FUND OPERATIONS - AMF

The Net Asset Value per unit of Atlas Money Market Fund increased by 16.40% to Rs. 509.39 as on June 30, 2023. The benchmark 30% of average 3-Month deposit rates of three scheduled banks (AA and above rated as selected by MUFAP) and 70% average 3 Month PKRV rate for the period stood at 17.02%. The AMF total exposure in T-Bills, Pakistan Investment Bonds, Short Term Sukuk, Bank Balances and Others stood at 71.12%, 12.62%, 8.46%, 0.60% and 7.20%, respectively. AMF presents a good investment opportunity for investors to earn attractive returns while maintaining high liquidity. The Net Assets of the Fund stood at Rs. 23.80 billion, with 46.71 million units outstanding as of June 30, 2023.

The Investment Committee of Atlas Asset Management Limited, the Management Company of Atlas Money Market Fund, under the authority delegated by the Board of Directors of Atlas Asset Management Limited has approved aggregated interim distribution of Rs 81.36 per unit for the period ended June 30, 2023 (16.27% on the face value of Rs. 500 per unit).

FUND OPERATIONS - ALF

The ALF provided 17.29% annual return as on June 30, 2023. The ALF total exposure in T-Bills, Sukuks, Pakistan Investment Bonds, Bank Balances, and Others are 72.94%, 14.77%, 10.23%, 0.47%, and 1.59% respectively. ALF presents a good investment opportunity for investors to earn attractive returns (with a periodic payout) while maintaining high liquidity. The Net Assets of the Fund stood at Rs. 3.89 billion, with 7.78 million units outstanding as of June 30, 2023.

The Investment Committee of Atlas Asset Management Limited, the Management Company of Atlas Liquid Fund, under the authority delegated by the Board of Directors of Atlas Asset Management Limited has approved aggregated interim distribution of Rs 80.54 per unit for the period ended June 30, 2023 (16.11% on the face value of Rs. 500 per unit).

FUND OPERATIONS - ASF

The Net Asset Value per unit of Atlas Sovereign Fund increased by 13.87% to Rs. 101.78 as on June 30, 2023. The benchmark average six months PKRV rate stood at 18.16% during the period under review. The ASF total exposure in Pakistan Investment Bonds, T-Bills, Sukuks, Bank Balances and Others, stood at 64.15%, 17.81%, 5.49%, 1.36%, and 11.19% respectively. ASF presents a good investment opportunity for investors to earn competitive returns with medium risk. The Net Assets of the Fund stood at Rs. 586 million, with 5.76 million units outstanding as of June 30, 2023.

The Investment Committee of Atlas Asset Management Limited, the Management Company of Atlas Sovereign Fund, under the authority delegated by the Board of Directors of Atlas Asset Management Limited has approved aggregated interim distribution of Rs. 13.52 per unit for the period ended June 30, 2023 (13.52% on the face value of Rs. 100 per unit).

The Scheme has held provision for FED liability that amounted to Rs. 905,341 up till June 30, 2023 (Rs. 0.16 per unit).

FUND OPERATIONS - AIF

The Net Asset Value per unit of Atlas Income Fund increased by 15.03% to Rs. 525.35 as on June 30, 2023. The benchmark average six months KIBOR rate stood at 18.30% during the period under review. AIF total exposure in T-Bills, Pakistan Investment Bonds, Term Finance Certificates/Sukuk, Bank Balances and Others stood at 65.53%, 17.44%, 13.79%, 0.92%, and 2.32% respectively. AIF presents a good investment opportunity for investors to earn competitive returns while taking medium risk. The Net Assets of the Fund stood at Rs. 3.49 billion with 6.65 million units outstanding as of June 30, 2023.

The Investment Committee of Atlas Asset Management Limited, the Management Company of Atlas Income Fund, under the authority delegated by the Board of Directors of Atlas Asset Management Limited has approved aggregated interim distribution of Rs 76.79 per unit for the period ended June 30, 2023 (15.36% on the face value of Rs. 500 per unit).

The Scheme has held provision for FED liability that amounted to Rs. 23,582,917 up till June 30, 2023 (Rs. 3.55 per unit).

FUND OPERATIONS - ASMF

The Net Asset Value per unit of Atlas Stock Market Fund decreased by 3.52% to Rs. 572.68 as on June 30, 2023. KSE-100 index declined 0.21% from 41,540.83 points as on June 30, 2022, to 41,452.69 points as on June 30, 2023. The ASMF equity portfolio exposure stood at 98.19% that mainly comprised of Commercial Banks, Oil & Gas Exploration, Cement and Fertilizer sectors. ASMF strategy will continue to focus on dividend plays and stocks which are trading at relatively cheap multiple with prospects of earnings growth. The Net Assets of the Fund stood at Rs. 8.04 billion, with 14.04 million units outstanding as of June 30, 2023.

The Investment Committee of Atlas Asset Management Limited, the Management Company of Atlas Stock Market Fund, under the authority delegated by the Board of Directors of Atlas Asset Management Limited has approved NIL profit distribution.

The Scheme has held provision for FED liability that amounted to Rs. 20,301,988 up till June 30, 2023 (Rs. 1.45 per unit).

RATINGS

- **Asset Manager Rating**

The Pakistan Credit Rating Agency Limited (PACRA) has maintained "AM2+" (AM Two Plus) asset manager rating for Atlas Asset Management Limited (AAML). The rating denotes high quality as the asset manager meets high investment management industry standards and benchmarks with noted strengths in several of the rating factors.

- **Fund Stability Rating - AMF**

PACRA has assigned a stability rating of "AA+ (f)" (Double A Plus fund rating) to the Fund. The Fund's rating denotes a very strong capacity to manage relative stability in returns and very low exposure to risks.

- **Fund Stability Rating - ALF**

PACRA has assigned a stability rating of "AA+ (f)" (Double A Plus fund rating) to the Fund. The Fund's rating denotes a very strong capacity to manage relative stability in returns and very low exposure to risks.

- **Fund Stability Rating - ASF**

PACRA has assigned a stability rating of "AA- (f)" (Double A Minus fund rating) to the Fund. The Fund's rating denotes a very strong capacity to manage relative stability in returns and very low exposure to risks.

- **Fund Stability Rating - AIF**

PACRA has assigned a stability rating of "AA- (f)" (Double A Minus fund rating) to the Fund. The Fund's rating denotes a very strong capacity to manage relative stability in returns and very low exposure to risk.

FUTURE OUTLOOK

In FY24, growth is expected to moderately recover around 3% taking support from better agricultural production and normalization of economic activity post IMF program. Inflation is expected to average at 21% in FY24 before falling to single digits by the end of FY25 subject to favorable base effect and softening of global commodity prices. On fiscal front, sharp monetary contraction have resulted in substantial fiscal/debt vulnerabilities that are likely to improve once interest rates start to taper off. The FY24 CAD is expected to remain contained around 2.00% of GDP. On the external side, the IMF (SBA) will support building foreign exchange buffers and meeting external financing needs. Going forward, government's focus towards averting fiscal slippage, measures to conserve energy, and policies to reinforce import substitution shall be instrumental in achieving economic and financial stability.

مشک آنست که خود پیو دنه که عطار بگوید
(Performance speaks itself)

ACKNOWLEDGEMENT

I would like to thank the Securities and Exchange Commission of Pakistan and other Regulatory Bodies, the Board of Directors, and the Group Executive Committee for their help and guidance. I also thank the financial institutions and the unit holders for their help, support and the confidence reposed in the Fund and the Chief Executive Officer, Mr. Muhammad Abdul Samad and his management team for their hard work, dedication, and sincerity of purpose.

Karachi: 11 September 2023

Iftikhar H. Shirazi
Chairman

REVOCATION OF ATLAS GOLD FUND

AGF has been revoked on November 3, 2017 and is no longer offered to investors. An amount of Rs.210.29 million has been paid to investors against final settlement.

During the month of August 2021, provisioning against Sindh Workers' Welfare Fund by AGF amounting to Rs.668,356 million has been reversed on the clarification received by Sindh Revenue Board vide letter No. SRB/TP/70/2013/8772 dated August 12, 2021, addressed to Mutual Fund Association of Pakistan. Since Atlas Gold Fund is a revoked Fund, therefore the said provision of Rs.668,356/- has been paid along with post revocation profit of Rs.719,612/- up till September 30, 2021 to the unit holder.

However, there is a claim for refund of tax amounting to Rs.0.33 million and also there is provision in the books for Federal Excise Duty amounting to Rs.1.32 million that has been made as an abundant precaution. Once these issues are resolved a further payment will be made to unit holders.

INCOME DISTRIBUTION - AMF

The Investment Committee of the Management Company of AMF, under the authority delegated to them by the Board of Directors, approved an aggregate interim distribution of Rs. 81.3624 per unit (2022: Rs. 49.80 per unit) for the FY 2022-23. The total payout for the year works out to 16.27% (2022: 9.96%) on the face value of Rs.500 per unit. There was nil final distribution for the outgoing year.

INCOME DISTRIBUTION - ALF

The Investment Committee of Atlas Asset Management Limited, the Management Company of Atlas Liquid Fund, under the authority delegated by the Board of Directors of Atlas Asset Management Limited has approved aggregated interim distribution of Rs. 80.54 per unit (2022: Rs 32.90 per unit) for the period ended June 30, 2023. The total payout for the year works out to 16.11% (6.58% on the face value of Rs. 500 per unit). There was nil final distribution for the outgoing year.

INCOME DISTRIBUTION - ASF

The Investment Committee of the Management Company of ASF, under the authority delegated to them by the Board of Directors, approved an interim distribution of Rs. 13.52 per unit (2022: Rs. 7.24 per unit) for the FY 2022-23. The total payout for the year works out to 13.52% (2022: 7.24%) on the face value of Rs.100 per unit. There was nil final distribution for the outgoing year.

INCOME DISTRIBUTION - AIF

The Investment Committee of the Management Company of AIF, under the authority delegated to them by the Board of Directors, approved an interim distribution of Rs. 76.79 per unit (2022: Rs. 43.10 per unit) for the FY 2022-23. The total payout for the year works out to 15.36% (2022: 8.62%) on the face value of Rs.500 per unit. There was nil final distribution for the outgoing year.

INCOME DISTRIBUTION - ASMF

The Investment Committee of the Management Company of ASMF, under the authority delegated to them by the Board of Directors, approved an interim distribution of Rs. Nil per unit (2022: Nil) for the FY 2022-23. The total payout for the year works out to 0% (2022: 0%) on the face value of Rs.500 per unit. Nil distribution was due to losses on account of the decrease in KSE 100-Index that stood at 41,540.83 points at June 30, 2022 and at 41,453.00 points as on June 30, 2023 reflecting a decrease of 0.21% during the year under review. There was nil final distribution for the outgoing year.

CHAIRMAN'S REVIEW

The review included in the Annual Report of AMF, ALF, ASF, AIF and ASMF deals inter alia with the performance of these Funds for the year and future prospects. The directors endorse the contents of the review.

CORPORATE GOVERNANCE

The Company strongly believes in following the highest standards of Corporate Governance, ethics, and good business practices, which are an integral part of the Atlas Group Culture. Fund Manager's Report

Atlas Money Market Fund (AMF) is an Open-ended Money Market Fund. The investment objective of AMF is to provide its unit-holders attractive returns from a portfolio of very low risk, short duration assets while maintaining high liquidity. The Fund will invest the entire assets in authorized short-term money market investment avenues with a maximum time to maturity of six months and weighted average time to maturity of ninety days. This is intended to reduce risk while maintaining liquidity. The Fund's investment strategy is based on fundamental credit analysis of counter parties. Specifically, the investment strategy will seek to invest in those money market instruments that offer attractive market returns and are issued by sponsors with good credit rating, strong financials and ability to repay.

The Benchmark for "Atlas Money Market Fund" is 30% of "3-Month deposit rates of three scheduled banks (AA and above rated) as selected by MUFAP" for the period of return; and 70% that would be an average of "3 Month PKRV rate".

The Monetary Policy Committee of SBP has increased its policy rate by 825 bps to 22.0% with the objective of moderating demand to a sustainable pace and reducing external pressures. The Consumer Price Index (CPI) Inflation averaged at 29.18% during FY23 compared to 12.15% in FY22. The increase in FY23 inflation was broad-based with energy, food and core inflation all rising significantly. The yields on secondary market instruments and cut off rates in government auctions remained elevated reflecting the apprehension of market participants regarding the impact of ongoing inflationary pressures. Going forward, frequency of local demand and impact of international commodity prices on domestic inflation will remain a major determinant towards any change in monetary policy stance.

The Net Asset Value per unit of Atlas Money Market Fund increased by 16.40% to Rs. 509.39 as on June 30, 2023. The benchmark 30% of average 3-Month deposit rates of three scheduled banks (AA and above rated as selected by MUFAP) and 70% average 3 Month PKRV rate for the period stood at 17.02%. The AMF total exposure in T-Bills, Pakistan Investment Bonds, Short Term Sukuk, Bank Balances and Others stood at 71.12%, 12.62%, 8.46%, 0.60% and 7.20%, respectively. AMF presents a good investment opportunity for investors to earn attractive returns while maintaining high liquidity. The Net Assets of the Fund stood at Rs. 23.80 billion, with 46.71 million units outstanding as of June 30, 2023.

The Investment Committee of Atlas Asset Management Limited, the Management Company of Atlas Money Market Fund, under the authority delegated by the Board of Directors of Atlas Asset Management Limited has approved aggregated interim distribution of Rs 81.36 per unit for the period ended June 30, 2023 (16.27% on the face value of Rs. 500 per unit).

Breakdown of Unit Holding by size:

Type of Investor	No. of Investors	Amount of Investment (Rs.)	Percentage (%)
Individuals	1404	4,476,618,400	18.81%
Associated Companies / Directors	16	11,721,321,800	49.25%
Insurance Companies	5	104,097,800	0.44%
Banks / DFIs	1	1,339,768,900	5.63%
Retirement Funds	42	1,355,922,800	5.70%
Others	42	4,800,663,421	20.17%
Grand total	1510	23,798,393,121	100.00%

The Scheme has held provision for FED liability that amounted to Rs. 20,428,502 up till June 30, 2023 (Rs. 0.44 per unit).

The Total Expense Ratio (TER) of the Fund is 0.86% including Government levy and SECP Fee of 0.10%.

During the year under review, the Investment Committee held fifty-one meetings to review investment of the Fund and the Risk Committee held twelve meetings to review risk management.

TRUSTEE REPORT TO THE UNIT HOLDERS

Report of the Trustee pursuant to Regulation 41(h) and Clause 8 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We, Central Depository Company of Pakistan Limited, being the Trustee of Atlas Money Market Fund (the Fund) are of the opinion that Atlas Asset Management Limited, being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2023 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund;
- (iii) The management fee, fee payable to Commission and other expenses paid from the Fund during the period are in accordance with the applicable regulatory framework; and
- (iv) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Karachi: 27 September 2023

Badiuddin Akber
Chief Executive Officer
Central Depository Company of Pakistan Limited

INDEPENDENT AUDITORS' REPORT

To the Unit holders of Atlas Money Market Fund Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Atlas Money Market Fund** (the Fund), which comprise the statement of assets and liabilities as at 30 June 2023, and the income statement, statement of comprehensive income, cash flows statement and statement of movement in unit holders' fund for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at 30 June 2023, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

Key audit matter	How our audit addressed the key audit matter
Investments in debt instruments	
<p>The investment of the Fund represents significant portion of the total assets of the Fund during the year and / or as at the year end. The Investments as at year end represents 92% of total assets of the Fund.</p> <p>In view of the above, we have considered this area as a key audit matter.</p> <p>For disclosure refer to note 5 to the financial statements.</p>	<p>We performed a combination of audit procedures focusing on the existence of the investment as at the year end and acquisition and disposal of investment including related income / gains that arose during the year. Our key procedure included the following:</p> <ul style="list-style-type: none">• We obtained an understanding of fund's process over acquisition, disposals and valuation of investment portfolio and evaluated / tested controls in those areas for the purpose of our audit.• We performed verification of acquisition and disposal of investments on sample basis.• Recalculated gain / (loss) on disposal of investments and markup income.• We performed verification of year-end balance portfolio of investment as at 30 June 2023 by circulating confirmations to custodians and reviewing Investment position summary (IPS) statements.

Key audit matter	How our audit addressed the key audit matter
	<ul style="list-style-type: none"> • We tested the valuation of investments by agreeing the prices with market yields and prices quoted by Mutual Fund Association of Pakistan (MUFAP). • We assessed the Fund's compliance with the requirements of Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the Regulations) in relation to the concentration of investment and exposure limits prescribed in such Regulations and the applicability of disclosures in this regard. • We also evaluated the adequacy of the overall disclosures in the financial statements with respect investment portfolio in accordance with the requirements of the Regulations and applicable financial reporting standards.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

-
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 and the Non-Banking Finance Companies and Notified Entities Regulation, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Arslan Khalid**.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Atlas Money Market Fund (the Fund) is an open-ended Fund constituted under a trust deed entered into on 4 December 2009 between Atlas Asset Management Limited (AAML) as the Management Company and the Central Depository Company of Pakistan Limited (CDC) as the trustee. The Trust Deed and Offering Document has been revised various times during 2015 to 2022 with its last amendment in 26 July 2021 and 6 June 2022, respectively. Further the Trust Deed has been registered under the Sindh Trust Act as disclosed in note 1.5. The registered office of AAML is situated at Ground Floor, Federation House, Shahrae Firdousi, Clifton, Karachi.
- 1.2 The Fund has been categorised as a 'money market scheme' by the Board of Directors pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund were initially offered for public subscription at a par value of Rs 500 per unit on 20 January 2010. Thereafter, the units are being offered for public subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.
- 1.3 According to the trust deed, the objective of the Fund is to provide its investors competitive returns from a portfolio of low risk, short duration assets while maintaining high liquidity. The Fund aims to deliver this objective mainly by investing in government securities, cash and near cash instruments which include cash in bank accounts, treasury bills, deposits with scheduled banks, certificates of deposit (CODs), certificates of Musharaka (COMs), commercial papers, and reverse repo; with a weighted average time to maturity of not more than 90 days and in case of a single asset, maximum time to maturity of six months. The investment objectives and policy are explained in the Fund's offering document.
- 1.4 The titles to the assets of the Fund are held in the name of the Central Depository Company Limited (CDC) as the Trustees of the Fund.
- 1.5 The Trust Act, 1882 has been repealed due to the promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" (the Sindh Trust Act) as empowered under the Eighteenth Amendment to the Constitution of Pakistan. The Fund is required to be registered under the Sindh Trust Act. Accordingly, on July 26, 2021 the above-mentioned Trust Deed has been registered under the Sindh Trust Act.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

2.2 New / Revised Standards, Interpretations and Amendments

There are certain new and amended standards, issued by International Accounting Standards Board (IASB), interpretations and amendments that are mandatory for the Fund's accounting periods beginning on or after July

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

01, 2022 but are considered not to be relevant or do not have any significant effect on the Fund's operations and therefore not detailed in these financial statements.

2.3 Standards, interpretations and amendments to approved accounting standards that are not yet effective

The following standards, amendments and interpretations with respect to the approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standard or interpretation:

Amendments	Effective date (annual periods beginning on or after)
Disclosure of Accounting Policies - Amendments to IAS 1 and IFRS Practice Statement 2	January 01, 2023
Definition of Accounting Estimates - Amendments to IAS 8	January 01, 2023
Deferred Tax related to Assets and Liabilities arising from a Single Transaction – Amendments to IAS 12	January 01, 2023
International Tax Reform – Pillar Two Model Rules - Amendments to IAS 12	January 01, 2023
Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants - Amendments to IAS 1	January 01, 2024
Lease Liability in a Sale and Leaseback – Amendments to IFRS 16	January 01, 2024
Disclosures: Supplier Finance Arrangements - Amendments to IAS 7 and IFRS 7	January 01, 2024
Sale or Contribution of Assets between an Investor and its Associate or Joint Venture - Amendment to IFRS 10 and IAS 28	Not yet finalized

2.4 Critical accounting estimates and judgements

The preparation of financial statements in accordance with the approved accounting standards as applicable in Pakistan requires the management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification, valuation and impairment of financial assets, and provision under uncertain circumstances such as taxes recoverable and Federal Excise Duty payable on remuneration of management company as disclosed in notes 6.1 and 7.3 respectively.

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention except certain investments are required to be carried at fair value.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

2.6 Functional and presentation currency

These financial statements are presented in Pakistani Rupees which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out as below. These policies have been applied consistently to all years and are set out below:

3.1 Financial instruments

a) Initial recognition and measurement

Financial assets and liabilities, with the exception of bank balances are initially recognised on the trade date, i.e., the date that the Bank becomes a party to the contractual provisions of the instrument. This includes regular way trades: purchases or sales of financial assets that require delivery of assets within the time frame generally established by regulation or convention in the market place. Bank balances are recognised when funds are transferred to the banks.

All financial instruments are measured initially at their fair value plus transaction costs, except in the case of financial assets and financial liabilities recorded at fair value through profit or loss.

b) Classification

Debt instruments

A debt instrument is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt instrument is measured at FVOCI only if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt instrument held for trading purposes or which does not meet the SPPI criterion is classified as measured at FVTPL. Given the objectives of the Fund, all investments have been classified as FVTPL.

In addition, on initial recognition, the Fund may irrevocably designate a debt instrument that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Business model assessment

The Fund's business model is not assessed on an instrument by instrument basis, but at a higher level of aggregated portfolios and is based on observable factors such as: the objectives for the portfolio; how the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

key management personnel; the risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way those risks are managed etc.

Assessments whether contractual cash flows are solely payments of principal and interest (SPPI)

As a second step of its classification process the Fund assesses the contractual terms of financial assets to identify whether they meet the SPPI criteria.

'Principal' for the purpose of this test is defined as the fair value of the financial asset at initial recognition and may change over the life of the financial asset (for example, if there are repayments of principal or amortisation of the premium/discount).

The most significant elements of interest within a lending arrangement are typically the consideration for the time value of money and credit risk. To make the SPPI assessment, the Fund applies judgement and considers relevant factors such as the currency in which the financial asset is denominated, and the period for which the interest rate is set.

In contrast, contractual terms that introduce a more than de minimize exposure to risks or volatility in the contractual cash flows that are unrelated to a basic lending arrangement do not give rise to contractual cash flows that are solely payments of principal and interest on the amount outstanding. In such cases, the financial asset is required to be measured at FVTPL.

c) Subsequent Measurement

Debt instruments at fair value through profit or loss

Debt instruments at FVTPL are recorded in the statement of financial position at fair value. Changes in fair value are recorded in profit and loss.

Interest earned on debt instruments designated at FVTPL is accrued in interest income, using the EIR, taking into account any discount/ premium and qualifying transaction costs being an integral part of instrument. Interest earned on assets mandatorily required to be measured at FVTPL is recorded using contractual interest rate.

Debt instruments at Amortised Cost

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest / markup income, foreign exchange gains and losses and impairment are recognised in income statement.

Debt instruments at FVOCI

FVOCI debt instruments are subsequently measured at fair value with gains and losses arising due to changes in fair value recognised in OCI. Interest income and foreign exchange gains and losses are recognised in profit or loss in the same manner as for financial assets measured at amortised cost. On derecognition, cumulative gains or losses previously recognised in OCI are reclassified from OCI to profit or loss. The Fund has not used this classification for its investment portfolio.

Financial liabilities

Financial liabilities measured at amortised cost

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. They are initially recognised at fair value and subsequently stated at amortised cost. A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

d) **Derecognition**

A financial asset (or, where applicable, a part of a financial asset or a part of a group of similar financial assets) is derecognised where the rights to receive cash flows from the asset have expired, or the Fund has transferred its rights to receive cash flows from the asset, or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement and the Fund has:

- (a) Transferred substantially all of the risks and rewards of the asset; or
- (b) Neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset."

When the Fund has transferred its right to receive cash flows from an asset (or has entered into a pass-through arrangement), and has neither transferred nor retained substantially all of the risks and rewards of the asset nor transferred control of the asset, the asset is recognised to the extent of the Fund's continuing involvement in the asset. In that case, the fund also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the fund has retained. The Fund derecognises a financial liability when the obligation under the liability is discharged, cancelled or expired.

e) **Reclassification of financial assets and liabilities**

From the application date of IFRS 9, the Fund does not reclassify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances in which the Fund acquires, disposes of, or terminates a business line.

f) **Regular way contracts**

Regular purchases and sales of financial assets are recognised on the trade date - the date on which the Fund commits to purchase or sell the asset.

g) **Impairment of financial assets**

IFRS 9 requires an expected credit loss model which requires an entity to account for expected credit losses and changes in those expected credit losses at each reporting date to reflect changes in credit risk since initial recognition. In other words, it is no longer necessary for a credit event to have occurred before credit losses are recognized.

However, SECP through its SCD/AMCW/RS/MUFAP/2017-148 dated November 21, 2017 have deferred the applicability of above impairment requirements in relation to debt securities for mutual funds and accordingly, basis defined in Circular No. 33 of 2012 dated, October 24, 2012 have been followed.

h) **Offsetting of financial assets and liabilities**

Financial assets and financial liabilities are offset and the net amount is reported in the statement of assets and liabilities if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

i) **Determination of fair value**

The fair value of financial assets are determined as follows:

i) **Debt securities (other than Government securities)**

The debt securities are valued on the basis of rates determined by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by SECP for valuation of debt securities vide its Circular No. 33 of

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

2012 dated 24 October 2012. In the determination of the rates, MUFAP takes into account the holding pattern of these securities and categorises them as traded, thinly traded and non-traded securities. The circular also specifies the valuation process to be followed for each category as well as the criteria for the provisioning of non-performing debt securities.

ii) **Debt securities (Government securities)**

The government securities not listed on a stock exchange and traded in the interbank market are valued at the average rates quoted on a widely used electronic quotation system (PKRV rates) which are based on the remaining tenure of the securities.

3.2 **Cash and cash equivalents**

Cash and cash equivalents include deposits with banks and other short term highly liquid investments with original maturities of three months or less.

3.3 **Provisions**

Provisions are recognised when the Fund has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.4 **Unit holders' Fund**

Unit holders' Fund representing the units issued by the Fund, is carried at the redemption amount representing the investors' right to a residual interest in the Fund's assets.

3.5 **Issue and redemption of units**

Units issued are recorded at the offer price, determined by the Management Company for the application received during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load and provision of any duties and charges if applicable. The sales load is payable to the Management Company / Distributors as processing fee.

Units redeemed are recorded at the redemption price applicable to units for which the Management Company receives redemption application during business hours of that day. The redemption price shall be equal to NAV as of the close of the business day, less an amount as the Management Company may consider to be an appropriate provision of duties and charges as processing fee.

3.6 **Distributions to unit holders**

Distribution to unit holders is recognised upon declaring and approval by the Distribution Committee of the Board of Directors of the Management Company under powers delegated to them by the Board of Directors of the Management Company or declaration and approval by the Board of Director of the Management Company.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the period in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.7 **Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed**

The Securities and Exchange Commission of Pakistan through its SRO 756(I)/2017 dated 03 August 2017 includes a definition and explanation relating to "element of income" and excludes the element of income from the expression

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

"accounting income" as described in regulation 63 (amount distributable to unit holders) of the NBFC Regulations. As per the notification, element of income represents the difference between net assets value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting period. Further, the revised regulations also specify that element of income is a transaction of capital nature and the receipt and payment of element of income shall be taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund will be refunded on units in the same proportion as dividend bears to accounting income available for distribution. MUFAP, in consultation with the SECP, specified methodology of determination of income paid on units redeemed under which such income is paid on gross element received and is calculated from the latest date at which the Fund achieved net profitability during the year.

3.8 Revenue recognition

- Dividend income is recognised when the right to receive the dividend is established.
- Mark up income on bank balances, placements and deposits is recognised on an accrual basis.
- Gains or losses on sale of investments are included in the Income Statement in the year in which it arises.
- Unrealised appreciation / (loss) in the value of investments classified as 'financial assets at fair value through profit or loss' are included in the Income Statement in the period in which they arise.

3.9 Expenses

All expenses chargeable to the Fund including remuneration of Management Company and Trustee and annual fee of the SECP are recognised in the income statement on an accrual basis.

3.10 Taxation

The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of the fund's accounting income available for distribution by the year end, as cash dividend, to the unitholders.

3.11 Net asset value per unit

The net asset value per unit disclosed in the statement of assets and liabilities is calculated by dividing the net assets of the Fund by the number of units in issue at the year end.

3.12 Earnings per unit

Earnings per unit (EPU) has not been disclosed as in the opinion of the management determination of cumulative weighted average number of outstanding units for calculation of EPU is not practicable.

6 OTHER RECEIVABLES

	Note	2023 Rupees	2022 Rupees
Deposit with Central Depository Company of Pakistan (CDC)		100,000	-
Tax recoverable		10,309,038	10,199,092
Total	6.1	10,409,038	10,199,092

- 6.1** As per clause 47(B) of part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to collective investment schemes (CISs) are exempt from withholding tax under section 151 and 150. However, withholding tax on profit on debt paid to the Fund was deducted by various withholding agents based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated 12 May 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholder. The tax withheld as at June 30, 2023 amounts to Rs. 10.409 million (2022: Rs 10.199 million).

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. On January 28, 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other Asset Management Companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgement of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on profit on debt has been shown as other receivables as at June 30, 2023 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

Had the Tax recoverable not been recorded in these financial statements of the Fund, the net asset value of the Fund as at 30 June 2023 would have been lower by Rs. 0.22 per unit (30 June 2022: Rs. 0.28 per unit).

Accounting and operational charges payable	13	2,612,383	-
		44,394,673	26,703,267

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

- 7.1 As per the amendments made in the NBFC Regulations, 2008 vide SRO 639 (I) / 2019 dated 20 June 2019, the Management Company shall set and disclose in the offering document the maximum rate of fee chargeable to Collective Investment Scheme within allowed expense ratio. The management company has set the maximum limit of 2% per annum of average annual net assets, within allowed expense in the offering document. The Management Company has charged its remuneration at the average rate of 0.53% of the average annual net assets of the Fund (2022: 0.15% of the average annual net assets of the Fund). The fee is payable to the Management Company monthly in arrears.
- 7.2 Sindh Sales Tax has been charged at 13% (2022: 13%) on remuneration of the Trustee levied through Sales Tax on Services Act, 2011 resulting in an amount of Rs. 14,753,456 (2022: Rs. 3,471,359). Furthermore, an amount of Rs. 13,217,822 (2022: Rs 3,747,521) was paid to the Management Company which acts as a collecting agent.
- 7.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16 percent on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by Non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended 30 June 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from 1 July 2016. However, as a matter of abundant caution the provision for FED made till 30 June 2016 amounting to Rs 23.551 million (30 June 2022: Rs 23.551 million) is being retained in the financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the said provision for FED not been maintained, the net asset value of the Fund as at 30 June 2023 would have been higher by Rs. 0.50 (30 June 2022: Rs. 0.65) per unit.

- 7.4 The SECP through its circular 11 dated July 5, 2019 has revised the conditions for charging of selling and marketing expenses to a fund. As per the revised guidelines, the maximum cap of 0.4% per annum has been lifted and now the Management Company is required to set a maximum limit for charging of such expense to the Fund and the same should be approved by the Board of Directors of the Management Company as part of the annual plan. Furthermore, the time limit of three years has also been removed in the revised conditions.

'Accordingly, the Management Company has charged selling and marketing expenses based on its discretion (duly authorised by the Board of Directors) while keeping in view the annual plan, overall return and the total expense ratio limit of the Fund as defined under the NBFC Regulations at the rate of 0.05% from April 27, 2023 to June 30, 2023 (June 30, 2022: Nil) of average daily net assets of the Fund.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

15 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2023 is 0.86% (2022: 0.25%) which includes 0.10% (2022: 0.05%) representing government levies on the Fund such as provision for Sindh Workers' Welfare Fund (if any), sales taxes, federal excise duties, annual fee to the SECP, etc. This ratio is within the maximum limit of 2% prescribed under the NBFC Regulations for a collective investment scheme categorised as a money market scheme.

16 TAXATION

The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its net accounting income available for distribution for the year derived from sources other than capital gains, to the unitholders. The Fund is also exempt from the provisions of Section 113 (minimum tax) under Clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Since the management has distributed the income earned by the Fund during the period to the unit holders in the manner as explained above, accordingly, no provision for taxation has been made in these financial statements.

17 EARNINGS PER UNIT

Earnings per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating earnings per unit is not practicable.

18 TRANSACTIONS WITH RELATED PARTIES / CONNECTED PERSONS

- 18.1** Connected persons include Atlas Asset Management Limited being the Management Company, the Central Depository Company of Pakistan Limited being the Trustee, other collective investment schemes managed by the Management Company, any person or company beneficially owning directly or indirectly ten percent or more of the capital of the Management Company or the net assets of the Fund, directors and their close family members and key management personnel of the Management Company.
- 18.2** Transactions with connected persons essentially comprise sale and repurchase of units, fee on account of managing the affairs of the Fund. The transactions with connected persons are in the normal course of business, at contracted rates and at terms determined in accordance with policies / regulatory requirements of collective investment schemes.
- 18.3** Remuneration to the Management Company and the Trustee of the Fund is determined in accordance with the provisions of the NBFC Regulations, 2008 and the Trust Deed.

20 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, Fund's constitutive documents and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

20.1 Market risk

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as interest rates, foreign exchange rates and equity prices.

Market risk comprises of three types of risks: yield / interest rate risk, currency risk, and price risk.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

(i) Yield / interest rate risk

Yield / interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in the market interest rates. As of 30 June 2023, the Fund is exposed to such risk in respect of balances with banks and investments in debt securities. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within acceptable limits.

a) Sensitivity analysis for variable rate instruments

As at 30 June 2023, the Fund holds balances with banks and has investments in debt securities which expose the Fund to cash flow interest rate risk. In case of 100 basis points increase / decrease in market interest rates as at 30 June 2023, with all other variables held constant, the net income for the year and net assets would have been higher / lower by Rs. 221,824,701 (2022: Rs 178,771,189).

b) Sensitivity analysis for fixed rate instruments

The sensitivity analysis for fixed rate instrument is not performed as the Fund does not hold investments in fixed interest rate instrument as at 30 June 2023. There will be no impact on net assets of the future movements in fixed interest rates.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at 30 June 2023 and 30 June 2022 can be determined as follows:

----- As at 30 June 2023 -----						
Effective yield / interest rate	Exposed to yield / interest rate risk			Not exposed to yield / interest rate risk	Total

(ii) Currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instruments will fluctuate because of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and, hence, is not exposed to such risk.

(iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Fund does not have any instrument as at 30 June 2023 which expose it to price risk.

20.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest a majority of its assets in short-term instruments in order to maintain liquidity.

The Fund can borrow in the short-term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

the Fund. The facility would bear interest at commercial rates. However, no borrowing was obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summaries the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity dates. However, assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

20.3 Credit risk

Credit risk arises from the inability of the issuers of the instruments or the counter party to fulfil their obligations. The Fund is exposed to credit risk with respect to its bank balances, profit receivable on bank deposits and investment in debt securities. The Fund's policy is to enter into financial contracts in accordance with the interest risk management policies and investment guidelines approved by the Investment Committee. As at 30 June 2023: 84.11% (2022: 0%) of Fund's net assets are invested in government securities, whereas 8.5% of Fund's net assets are invested in other than government securities (2022: 0%). Furthermore, the Fund's maximum exposure to credit risk as of 30 June 2023 amounts to Rs. 22,182,470,130 (2022: 17,877,118,873).

20.3.1 Credit quality of financial assets

The credit quality of financial assets that are neither past due nor impaired can be assessed by reference to external credit ratings or to historical information about counterparty default rates. The credit risk associated with government securities is limited as these are guaranteed by the Federal Government. Banks with which the Fund has maintained balances are rated as follows:

Rating	2023 %	2022 %
AA+	95.95	6.07
AAA	4.00	93.93
AA	0.05	-
	100.00	100.00

	(64,657,613,911)	(59,173,599,154)	(123,831,213,065)
Closing balance as at June 30, 2023	-	528,047	528,047

21 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The investments held as at the year end 30 June 2023 by the Fund have been carried at their respective fair values. For the remaining financial assets and financial liabilities, the Fund has not disclosed the fair values, as these are either short term in nature or repriced periodically. Therefore, their carrying amounts are reasonable approximation of fair value.

22 UNIT HOLDERS' FUND RISK MANAGEMENT

The unit holders' fund is represented by redeemable units. These units are entitled to distributions and to payment of a proportionate share based on the Fund's net asset value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restrictions on the subscription and redemption of units. As required under NBFC Regulations, every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirement of minimum fund size at all times.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 20, the Fund endeavours to invest the subscriptions received in appropriate investments while maintaining sufficient liquidity to meet redemption requests, such liquidity being augmented by short-term borrowings or disposal of investments where necessary.

23 UNIT HOLDING PATTERN OF THE FUND

Category	30 June 2023			30 June 2022

Fund Manager's Report

Atlas Liquid Fund (ALF) is an Open-ended Money Market Fund. The investment objective of ALF is to provide its unit-holders attractive returns from a portfolio of very low risk, short duration assets while maintaining high liquidity. The Fund will invest the entire assets in authorized short-term money market investment avenues with a maximum time to maturity of six months and weighted average time to maturity of ninety days. This is intended to reduce risk while maintaining liquidity. The Fund's investment strategy is based on fundamental credit analysis of counter parties. Specifically, the investment strategy will seek to invest in those money market instruments that offer attractive market returns and are issued by sponsors with good credit rating, strong financials and ability to repay.

The Benchmark for "Atlas Liquid Fund" is 30% of "3-Month deposit rates of three scheduled banks (AA and above rated) as selected by MUFAP" for the period of return; and 70% that would be an average of "3 Month PKRV rate".

The Monetary Policy Committee of SBP has increased its policy rate by 825 bps to 22.0% with the objective of moderating demand to a sustainable pace and reducing external pressures. The Consumer Price Index (CPI) Inflation averaged at 29.18% during FY23 compared to 12.15% in FY22. The increase in FY23 inflation was broad-based with energy, food and core inflation all rising significantly. The yields on secondary market instruments and cut off rates in government auctions remained elevated reflecting the apprehension of market participants regarding the impact of ongoing inflationary pressures. Going forward, frequency of local demand and impact of international commodity prices on domestic inflation will remain a major determinant towards any change in monetary policy stance.

The ALF provided 17.29% annual return as on June 30, 2023. The ALF total exposure in T-Bills, Sukuks, Pakistan Investment Bonds, Bank Balances, and Others are 72.94%, 14.77%, 10.23%, 0.47%, and 1.59% respectively. ALF presents a good investment opportunity for investors to earn attractive returns (with a periodic payout) while maintaining high liquidity. The Net Assets of the Fund stood at Rs. 3.89 billion, with 7.78 million units outstanding as of June 30, 2023.

The Investment Committee of Atlas Asset Management Limited, the Management Company of Atlas Liquid Fund, under the authority delegated by the Board of Directors of Atlas Asset Management Limited has approved aggregated interim distribution of Rs 80.54 per unit for the period ended June 30, 2023 (16.11% on the face value of Rs. 500 per unit).

Breakdown of Unit Holding by size:

Type of Investor	No. of Investors	Amount of Investment (Rs.)	Percentage (%)
Associated Companies	2	3,469,981,854	89.21%
Individual	21	7,128,844	0.18%
Retirement Funds	3	130,420,323	3.35%
Directors	1	52,313,353	1.34%
Others Corporates	2	223,741,615	5.75%
Insurance Companies	1	6,210,740	0.16%
Grand total	30	3,889,796,729	100.00%

The Total Expense Ratio (TER) of the Fund is 1.00% including Government levy and SECP Fee of 0.12%.

During the year under review, the Investment Committee held fifty-five meetings to review investment of the Fund and the Risk Committee held twelve meetings to review risk management.

TRUSTEE REPORT TO THE UNIT HOLDERS

Report of the Trustee pursuant to Regulation 41(h) and Clause 8 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We, Central Depository Company of Pakistan Limited, being the Trustee of Atlas Liquid Fund (the Fund) are of the opinion that Atlas Asset Management Limited, being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2023 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund;
- (iii) The management fee, fee payable to Commission and other expenses paid from the Fund during the period are in accordance with the applicable regulatory framework; and
- (iv) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

INDEPENDENT AUDITORS' REPORT

To the Unit holders of Atlas Liquid Fund Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Atlas Liquid Fund** (the Fund), which comprise the statement of assets and liabilities as at 30 June 2023, and the income statement, statement of comprehensive income, cash flows statement and statement of movement in unit holders' fund for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at 30 June 2023, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

Key audit matter	How our audit addressed the key audit matter
Investments in debt instruments	
<p>The investment of the Fund represents significant portion of the total assets of the Fund during the year and / or as at the year end. The Investments as at year end represents 98% of total assets of the Fund.</p> <p>In view of the above, we have considered this area as a key audit matter.</p> <p>For disclosure refer to note 5 to the financial statements.</p>	<p>We performed a combination of audit procedures focusing on the existence of the investment as at the year end and acquisition and disposal of investment including related income / gains that arose during the year. Our key procedure included the following:</p> <ul style="list-style-type: none">• We obtained an understanding of fund's process over acquisition, disposals and valuation of investment portfolio and evaluated / tested controls in those areas for the purpose of our audit.• We performed verification of acquisition and disposal of investments on sample basis.• Recalculated gain / (loss) on disposal of investments and markup income.• We performed verification of year-end balance portfolio of investment as at 30 June 2023 by circulating confirmations to custodians and reviewing Investment position summary (IPS) statements.

Key audit matter	How our audit addressed the key audit matter
	<ul style="list-style-type: none"> We tested the valuation of investments by agreeing the prices with market yields and prices quoted by Mutual Fund Association of Pakistan (MUFAP). We assessed the Fund's compliance with the requirements of Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the Regulations) in relation to the concentration of investment and exposure limits prescribed in such Regulations and the applicability of disclosures in this regard. We also evaluated the adequacy of the overall disclosures in the financial statements with respect investment portfolio in accordance with the requirements of the Regulations and applicable financial reporting standards.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

-
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 and the Non-Banking Finance Companies and Notified Entities Regulation, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Arslan Khalid**.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Atlas Liquid Fund (the Fund) is an open-ended Fund constituted under a trust deed registered dated 30 July 2021 under the Sindh Trust Act, 2020 entered into between Atlas Asset Management Limited (AAML) as the Management Company and the Central Depository Company of Pakistan Limited (CDC) as the trustee. The Offering Document has been revised through the First and Second Supplements dated 14 April 2022 and 19 April 2022 respectively with the approval of SECP. The investment activities and administration of the Fund are managed by AAML whose registered office is situated at Ground Floor, Federation House, Shahrah-e-Firdousi, Clifton, Karachi. The Securities and Exchange Commission of Pakistan (SECP) has authorized the offer of Units of the Fund and registered as a notified entity on 06 September 2021. SECP has approved this Offering Document on 07 September 2021.
- 1.2 The Fund has been categorised as a 'money market scheme' by the Board of Directors of the Management Company pursuant to the provision contained in Circular 07 of 2009. The units of the Fund were initially offered for public subscription at a par value of Rs 500 per unit. Thereafter, the units are being offered to the public for subscription on a continuous basis since 23 November 2021, and are transferable and redeemable by surrendering them to the Fund. The Fund is listed on the Pakistan Stock Exchange Limited.
- 1.3 The objective of Atlas Liquid Fund (ALF) is to provide competitive return to its investors (with a periodic payout) by investing in low risk, highly liquid and short duration portfolio consist of money market instruments.
- 1.4 The titles to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited (CDC) as the Trustee of the Fund.
- 1.5 As per the offering document of the Fund, an investor shall, at the time of opening an account, select the types of units in which the investor wishes to invest, i.e. Growth Unit and/or Income Unit. Furthermore, at the time of dividend distribution the unit holders receive additional units or cash dividend against Growth unit and Income unit, respectively.
- During the period all the units issued by the Fund are Growth units and dividend has been reinvested on daily basis.
- 1.6 As per the offering document of the Fund, the Management Company may decide to distribute all net profit (after deducting all expenses of the Fund) on a periodic basis (that is Daily, Weekly, Monthly, Quarterly and Yearly) as dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its net accounting income available for distribution for the year derived from sources other than capital gains, to the unitholders. During the period, the management has distributed all the net income earned by the Fund as Dividend to the unit holders which has been reinvested on daily basis.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

2.2 New / Revised Standards, Interpretations and Amendments

There are certain new and amended standards, issued by International Accounting Standards Board (IASB), interpretations and amendments that are mandatory for the Fund's accounting periods beginning on or after July 01, 2022 but are considered not to be relevant or do not have any significant effect on the Fund's operations and therefore not detailed in these financial statements.

2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective:

The following standards, amendments and interpretations with respect to the approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standard or interpretation:

Amendments	Effective date (annual periods beginning on or after)
Disclosure of Accounting Policies - Amendments to IAS 1 and IFRS Practice Statement 2	January 01, 2023
Definition of Accounting Estimates - Amendments to IAS 8	January 01, 2023
Deferred Tax related to Assets and Liabilities arising from a Single Transaction – Amendments to IAS 12	January 01, 2023
International Tax Reform – Pillar Two Model Rules - Amendments to IAS 12"	January 01, 2023
Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants - Amendments to IAS 1	January 01, 2024
Lease Liability in a Sale and Leaseback – Amendments to IFRS 16	January 01, 2024
Disclosures: Supplier Finance Arrangements - Amendments to IAS 7 and IFRS 7	January 01, 2024
Sale or Contribution of Assets between an Investor and its Associate or Joint Venture - Amendment to IFRS 10 and IAS 28	Not yet finalized

2.4 Critical accounting estimates and judgements

The preparation of financial statements in accordance with the approved accounting standards as applicable in Pakistan requires the management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the year of revision and future years if the revision affects both current and future years.

The estimates and judgements that have a significant effect on the financial statements of the Fund relate to classification, valuation and impairment of financial assets and provision under uncertain circumstances such as taxes recoverable as disclosed in note 8.1.

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention except that certain investments are required to be carried at fair value.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

2.6 Functional and presentation currency

These financial statements are presented in Pakistani Rupees which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted in the preparation of these financial statements are set out below:

3.1 Financial instruments

a) Initial recognition and measurement

Financial assets and liabilities, with the exception of bank balances are initially recognised on the trade date, i.e., the date that the Bank becomes a party to the contractual provisions of the instrument. This includes regular way trades: purchases or sales of financial assets that require delivery of assets within the time frame generally established by regulation or convention in the market place. Bank balances are recognised when funds are transferred to the banks.

All financial instruments are measured initially at their fair value plus transaction costs, except in the case of financial assets and financial liabilities recorded at fair value through profit or loss.

b) Classification

Debt instruments

A debt instrument is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt instrument is measured at FVOCI only if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt instrument held for trading purposes or which does not meet the SPPI criterion is classified as measured at FVTPL. Given the objectives of the Fund, all investments have been classified as FVTPL.

In addition, on initial recognition, the Fund may irrevocably designate a debt instrument that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Business model assessment

The Fund's business model is not assessed on an instrument by instrument basis, but at a higher level of aggregated portfolios and is based on observable factors such as: the objectives for the portfolio; how the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel; the risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way those risks are managed etc.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

Assessments whether contractual cash flows are solely payments of principal and interest (SPPI)

As a second step of its classification process the Fund assesses the contractual terms of financial asset to identify whether they meet the SPPI criteria.

'Principal' for the purpose of this test is defined as the fair value of the financial asset at initial recognition and may change over the life of the financial asset (for example, if there are repayments of principal or amortisation of the premium/discount).

The most significant elements of interest within a lending arrangement are typically the consideration for the time value of money and credit risk. To make the SPPI assessment, the Fund applies judgement and considers relevant factors such as the currency in which the financial asset is denominated, and the period for which the interest rate is set.

In contrast, contractual terms that introduce a more than de minimis exposure to risks or volatility in the contractual cash flows that are unrelated to a basic lending arrangement do not give rise to contractual cash flows that are solely payments of principal and interest on the amount outstanding. In such cases, the financial asset is required to be measured at FVTPL.

c) Subsequent Measurement

Debt instruments at fair value through profit or loss

Debt instruments at FVTPL are recorded in the statement of financial position at fair value. Changes in fair value are recorded in profit and loss. Given the objectives of the Fund, all investments have been classified as FVTPL.

Interest earned on debt instruments designated at FVTPL is accrued in interest income, using the EIR, taking into account any discount/ premium and qualifying transaction costs being an integral part of instrument. Interest earned on assets mandatorily required to be measured at FVTPL is recorded using contractual interest rate.

Debt instruments at amortized cost

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest / markup income, foreign exchange gains and losses and impairment are recognised in income statement.

Debt instruments at FVOCI

FVOCI debt instruments are subsequently measured at fair value with gains and losses arising due to changes in fair value recognised in OCI. Interest income and foreign exchange gains and losses are recognised in profit or loss in the same manner as for financial assets measured at amortised cost. On derecognition, cumulative gains or losses previously recognised in OCI are reclassified from OCI to profit or loss. The Fund has not used this classification for its investment portfolio.

Financial liabilities

Financial liabilities measured at amortised cost

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. They are initially recognised at fair value and subsequently stated at amortised cost. A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired.

d) Derecognition

A financial asset (or, where applicable, a part of a financial asset or a part of a group of similar financial assets) is derecognised where the rights to receive cash flows from the asset have expired, or the Fund has transferred its rights to receive cash flows from the asset, or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement and the Fund has:

- (a) Transferred substantially all of the risks and rewards of the asset; or

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

- (b) Neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Fund has transferred its right to receive cash flows from an asset (or has entered into a pass-through arrangement), and has neither transferred nor retained substantially all of the risks and rewards of the asset nor transferred control of the asset, the asset is recognised to the extent of the Fund's continuing involvement in the asset. In that case, the fund also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the fund has retained. The Fund derecognises a financial liability when the obligation under the liability is discharged, cancelled or expired.

e) Reclassification of financial assets and liabilities

From the application date of IFRS 9, the Fund does not reclassify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances in which the Fund acquires, disposes of, or terminates a business line.

f) Regular way contracts

Regular purchases and sales of financial assets are recognised on the trade date - the date on which the Fund commits to purchase or sell the asset.

g) Impairment of financial assets

IFRS 9 requires an expected credit loss model which requires an entity to account for expected credit losses and changes in those expected credit losses at each reporting date to reflect changes in credit risk since initial recognition. In other words, it is no longer necessary for a credit event to have occurred before credit losses are recognized.

However, SECP through its SCD/AMCW/RS/MUFAP/2017-148 dated November 21, 2017 have deferred the applicability of above impairment requirements in relation to debt securities for mutual funds and accordingly, basis defined in Circular No. 33 of 2012 dated, October 24, 2012 have been followed.

h) Offsetting of financial assets and liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the statement of assets and liabilities if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

i) Determination of fair value

a) Debt securities (other than Government securities)

The debt securities are valued on the basis of rates determined by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by SECP for valuation of debt securities vide its Circular No. 33 of 2012 dated 24 October 2012. In the determination of the rates, MUFAP takes into account the holding pattern of these securities and categorises them as traded, thinly traded and non-traded securities. The circular also specifies the valuation process to be followed for each category as well as the criteria for the provisioning of non-performing debt securities.

b) Debt securities (Government securities)

The government securities not listed on a stock exchange and traded in the interbank market are valued at the average rates quoted on a widely used electronic quotation system (PKRV rates) which are based on the remaining tenure of the securities.

c) Equity securities

The equity securities are valued on the basis of closing quoted market prices available at the Pakistan Stock Exchange (PSX).

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

3.2 Cash and cash equivalents

Cash and cash equivalents include deposits with banks and other short term highly liquid investments with original maturities of three months or less.

3.3 Provisions

Provisions are recognised when the Fund has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.4 Unit holders' Fund

Unit holders' Fund representing the units issued by the Fund, is carried at the redemption amount representing the investors' right to a residual interest in the Fund's assets.

3.5 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the application received during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the previous business day, plus the allowable sales load, transaction cost and provision of any duties and charges if applicable. The sales load is payable to the Management Company / Distributors as processing fee.

Units redeemed are recorded at the redemption price applicable to units for which the Management Company receives redemption application during business hours of that day. The redemption price shall be equal to NAV as of the close of the previous business day, less an amount as the Management Company may consider to be an appropriate provision of duties and charges as processing fee.

3.6 Distributions to unit holders

Distribution to unit holders is recognised upon declaring and approval by the Distribution Committee of the Board of Directors of the Management Company under powers delegated to them by the Board of Directors of the Management Company or declaration and approval by the Board of Director of the Management Company.

Distributions declared subsequent to the period end reporting date are considered as non-adjusting events and are recognised in the financial statements of the period in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.7 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

The Securities and Exchange Commission of Pakistan through its SRO 756(I)/2017 dated 03 August 2017 includes a definition and explanation relating to "element of income" and excludes the element of income from the expression "accounting income" as described in regulation 63 (amount distributable to unit holders) of the NBFC Regulations. As per the notification, element of income represents the difference between net assets value per unit on the issuance or redemption date, as the case may be, of units and the net assets value per unit at the beginning of the relevant accounting period. Further, the revised regulations also specify that element of income is a transaction of capital nature and the receipt and payment of element of income shall be taken to unit holders' fund. However, to maintain the same ex-dividend net asset value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in unit holders fund will be refunded on units in the same proportion as dividend bears to accounting income available for distribution. MUFAP, in consultation with the SECP, specified methodology of determination of income paid on units redeemed under which such income is paid on gross element received and is calculated from the latest date at which the Fund achieved net profitability during the period.

3.8 Revenue recognition

- Dividend income is recognised when the right to receive the dividend is established.
- Markup income on bank balances, placements and deposits is recognised on effective yield basis.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

- Gains or losses on sale of investments are included in the Income Statement in the period in which it arises.
- Unrealised appreciation / (loss) in the value of investments classified as 'financial assets at fair value through profit or loss' are included in the Income Statement in the period in which they arise.

3.9 Expenses

All expenses chargeable to the Fund including remuneration of Management Company and Trustee and annual fee of the SECP are recognised in the income statement on an accrual basis.

3.10 Taxation

The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the period as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its net accounting income available for distribution for the year derived from sources other than capital gains, to the unitholders. During the period, the management has distributed all the net income earned by the Fund as Dividend to the unit holders which has been reinvested on daily basis.

3.11 Net asset value per unit

The net asset value per unit disclosed in the statement of assets and liabilities is calculated by dividing the net assets of the Fund by the number of units in issue at the period end.

3.12 Earnings per unit

Earnings per unit (EPU) has not been disclosed as in the opinion of the management determination of cumulative weighted average number of outstanding units for calculation of EPU is not practicable.

3.13 Preliminary expenses and floatation costs

The Fund has recorded all expenses incurred in connection with the incorporation, registration, establishment and authorization of the Fund as preliminary expenses and floatation costs which are to be amortized by the Fund over a period of five years commencing from November 23, 2021 in accordance with the Trust Deed and the NBFC Regulations.

- 8.1** As per Clause 47(B) of part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to collective investment schemes (CISs) are exempt from withholding tax under sections 151. However, several banks deducted withholding tax on profit on bank deposits paid to the Fund based on the interpretation issued by FBR vide letter C. no. 1(43) DG (WHT) /2008-VOL.II-66417-R dated 12 May 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced by the withholders.

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favor of FBR. On 28 January 2016, the Board of Directors of the Management Company passed a resolution by circulation, authorising all CISs to file an appeal in the Honourable Supreme Court through their Trustees, to direct all persons being withholding agents, including share registrars and banks to observe the provisions of clause 47B of Part IV of the Second Schedule to the Income Tax Ordinance, 2001 without imposing any conditions at the time of making any payment to the CISs being managed by the Management Company. Accordingly, a petition was filed in the Supreme Court of Pakistan by the funds together with other CISs (managed by the Management Company and other Asset Management Companies) whereby the Supreme Court granted the petitioners leave to

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

appeal from the initial judgement of the SHC. Pending resolution of the matter, the cumulative amount of withholding tax deducted from profit on bank deposits by the banks has been shown as other receivable as at 30 June 2023 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

Had the Tax recoverable not been recorded in these financial statements of the Fund, the net asset value of the Fund as at 30 June 2023 would have been lower by Rs. 0.24 per unit.

9 PAYABLE TO THE ATLAS ASSET MANAGEMENT LIMITED - MANAGEMENT COMPANY - RELATED PARTY

	Note	2023 ----- Rupees -----	2022 ----- Rupees -----
Remuneration of the Management Company	9.1	3,161,902	571,210
Sindh Sales Tax on remuneration of the Management Company	9.2	410,849	74,058
Accounting and operational charges	9.3	474,247	-
Selling & Marketing fee Payable	9.4	679,317	-
Preliminary expenses and flotation cost		-	602,569
		4,726,315	1,247,837

9.1 As per the amendments made in the NBFC Regulations, 2008 vide SRO 639 (I) / 2019 dated 20 June 2019, the Management Company shall set and disclose in the offering document the maximum rate of fee chargeable to Collective Investment Scheme within allowed expense ratio. The management company has set the maximum limit of 2% per annum of average annual net assets, within allowed expense in the offering document. The Management Company has charged its remuneration at the average rate of 0.68% of the average annual net assets of the Fund (2022: 0.18% of the average annual net assets of the Fund). The fee is payable to the Management Company monthly in arrears.

9.2 Sindh Sales Tax has been charged at 13% (30 June 2022:13%) on management fee levied through Sales Tax on Services Act, 2011 during the year resulting in an amount of Rs. 3,171,505 (2022: Rs. 305,017). Furthermore, an amount of Rs. 2,834,714 (2022: Rs.230,958) has been paid to the Management Company which acts as the collecting agent.

9.3 The Management Company is allowed to charge actual expenses related to registrar services, accounting, operations and valuation services to the CIS with effect from 20 June 2019 as per SECP SRO 639 (I) /2019 dated 20 June 2019. Keeping in view, Management Company has accordingly charged expenses at the rate of 0.13% (2022: Nil) of the average annual net assets of the Fund.

9.4 The SECP through its circular 11 dated July 5, 2019 has revised the conditions for charging of selling and marketing expenses to a fund. As per the revised guidelines, the maximum cap of 0.4% per annum has been lifted and now the Management Company is required to set a maximum limit for charging of such expense to the Fund and the same should be approved by the Board of Directors of the Management Company as part of the annual plan. Furthermore, the time limit of three years has also been removed in the revised conditions.

Accordingly, the Management Company has charged selling and marketing expenses based on its discretion (duly authorised by the Board of Directors) while keeping in view the annual plan, overall return and the total expense ratio limit of the Fund as defined under the NBFC Regulations at the rate of 0.10% from April 27, 2023 to June 30, 2023 (June 30, 2022: Nil) of average daily net assets of the Fund.

10 PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN - TRUSTEE - RELATED PARTY

	Note	2023 ----- Rupees -----	2022 ----- Rupees -----

Sindh Sales Tax on remuneration of the Trustee	10.2	22,535	20,352
		195,882	176,911

10.1 The trustee is entitled to monthly remuneration for services rendered to the fund. The trustee charged 0.055% per annum (2022: 0.055%) of net assets.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

10.2 Sindh Sales Tax has been charged at 13% (30 June 2022:13%) on remuneration of the Trustee levied through Sales Tax on Services Act, 2011 resulting in an amount of Rs. 257,513 (2022: Rs. 95,600) charged during the year. Furthermore, an amount of Rs. 255,330 (2022: Rs. 75,247) was paid to the Trustee which acts as a collecting agent.

11 PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

	Note	2023 Rupees	2022 Rupees
Annual fees payable	11.1	720,280	267,413

11.1 In accordance with NBFC regulations, a collective investment scheme (CIS) is required to pay an annual fee to the Securities and Exchange Commission of Pakistan (SECP). With effect from 01 July 2019, the SECP vide SRO No.685(1) 2019 dated 28 June 2019 revised the rate of annual fee to 0.02% of net assets on all categories of CISs.

12 AUDITORS' REMUNERATION

	2023 Rupees	2022 Rupees

16 MARKUP INCOME

	Note	2023 Rupees	2022 Rupees
Markup income on:			
Profit on deposits with banks	4.1	33,422,406	52,403,776
Interest income on investments		569,538,567	90,925,727
Term deposit receipts		1,672,603	1,751,917
		604,633,576	145,081,420

17 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at 30 June 2023 is 1.00 % (2022: 0.21%) which includes 0.12% (2022: 0.03%) representing government levies on the Fund such as provision for Sindh Workers' Welfare Fund, sales taxes, annual fee to the SECP, etc. This ratio is within the maximum limit of 2% prescribed under the NBFC Regulations for a collective investment scheme categorised as a shariah compliant money market scheme.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

18 TAXATION

The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its net accounting income available for distribution for the year derived from sources other than capital gains, to the unitholders. The Fund is also exempt from the provisions of Section 113 (minimum tax) under Clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Since the management has distributed the income earned by the Fund during the period to the unit holders in the manner as explained above, accordingly, no provision for taxation has been made in these financial statements.

19 EARNINGS PER UNIT

Earning per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating earnings per unit is not practicable.

20 TRANSACTIONS WITH RELATED PARTIES / CONNECTED PERSONS

Connected persons include Atlas Asset Management Limited being the Management Company, the Central Depository Company Limited being the Trustee, other collective investment schemes managed by the Management Company, any person or company beneficially owning directly or indirectly ten percent or more of the capital of the Management Company or the net assets of the Fund, directors and their close family members and key management personnel of the Management Company. It also includes staff retirement benefit funds of the above connected person / related parties.

Transactions with connected persons essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund. The transactions with connected persons are in the normal course of business, at contracted rates and at terms determined in accordance with policies / regulatory requirements of collective investment schemes.

Remuneration to the Management Company and the Trustee of the Fund is determined in accordance with the provisions of the NBFC Regulations, 2008 and the Trust Deed.

The details of transactions carried out by the Fund with connected persons during the period and balances with them as at the period are as follows:

22. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

22.1 The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the management company, Fund's constitutive documents and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund may be exposed to market risk, credit risk and liquidity risk arising from the financial instruments it holds.

22.2 Market risk

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as profit rates, foreign exchange rates and equity prices.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

(i) Profit rate risk

Profit rate risk is the risk that the Fund's income will fluctuate due to changes in the market profit rates. As of 30 June 2023, the Fund is exposed to such risk in respect of bank balances and investments. The investment committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within acceptable limits.

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds balances with banks and sukuks which exposes the Fund to cash flow interest rate risk. In case of 100 basis points increase / decrease in market interest rates as at June 30, 2023, with all other variables held constant, the net income for the period and net assets would have been higher / lower by Rs. 38,388,813.

The composition of the Fund's investment portfolio and profit rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of 30 June 2023 is not necessarily indicative of the impact on the Fund's net assets of the future movements in profit rates.

Yield / profit rate sensitivity position for on balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off balance sheet instruments is based on settlement date.

The Fund's profit rate sensitivity related to financial assets and financial liabilities as at 30 June 2023 can be determined as follows:

----- As at 30 June 2023 -----						
Effective yield / profit rate	Exposed to yield / profit rate risk			Not exposed to yield / profit rate risk	Total	
	Upto three months	More than three months and upto one year	More than one year

--	----------------------	----------------------	----------------------	--	--

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

(iii) Equity price risk

Equity price risk is the risk that the fair value of equity instruments decreases as a result of changes in the level of equity indices and the value of individual stocks. The Fund does not have any investment in equity securities as of 30 June 2023.

22.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest a majority of its assets in short term instruments in order to maintain liquidity.

The Fund can borrow in the short term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was required to be obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

Net assets	3,142,856,768	-	300,000,000	-	3,442,856,768

22.4 Credit Risk

Credit risk arises from the inability of the issuers of the instruments or the counter party to fulfil their obligations. The Fund is exposed to credit risk with respect to its bank balances, profit receivable on bank deposits and debt securities. The Fund's policy is to enter into financial contracts in accordance with the interest risk management policies and investment guidelines approved by the Investment Committee. Furthermore, the Fund's maximum exposure to credit risk as of 30 June 2023 amounts to Rs. 620,933,276 (2022: Rs. 3,444,470,519).

22.5 Credit quality of financial assets

The Fund's significant credit risk arises mainly on account of its placements in banks. The credit rating profile of above mentioned is as follows:

		% of Financial assets exposed to risk	
Ratings of amounts placed with banks		2023	2022
AA+		100.00	0.24
AAA		-	99.76
		100.00	100.00
		% of Financial assets exposed to risk	
Ratings of amounts placed in Sukuk investments		2023	2022
AA		37.50	100.00
AA+		62.50	-
		100.00	100.00

Closing balance as at June 30, 2023	-	-	-

22.7 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable willing parties in an arm's length transaction. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

22.8 Fair value hierarchy

The Fund uses the following hierarchy for disclosure of the fair value of financial instruments by valuation technique:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.
- Level 3: techniques which use inputs which have a significant effect on the recorded fair value that are not based on observable market data.

As at June 30 2023, the Fund has investments 'at fair value through profit or loss' measured using level 2 valuation technique. For the remaining financial assets and financial liabilities, the Fund has not disclosed the fair values, as these are either short term in nature or repriced periodically. Therefore, their carrying amounts are reasonable approximation of fair value.

23 UNIT HOLDERS' FUND RISK MANAGEMENT

The Fund's objective when managing unit holders' funds is to safeguard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders, to maintain a strong base of assets to meet unexpected

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

losses or opportunities and to ensure reasonable safety of capital. The Fund manages its investment portfolio and other assets by monitoring return on net assets and makes adjustments to it in the light of changes in markets' conditions. The capital structure depends on the issuance and redemption of units.

The Fund has no restrictions on the subscription and redemption of units. As required under the NBFC Regulations, every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs.100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirement of minimum fund size at all times during the current year.

In accordance with the risk management policies as stated in note 22, the Fund endeavours to invest the subscriptions received in appropriate investments while maintaining sufficient liquidity to meet redemption requests, such liquidity being augmented by short-term borrowings or disposal of investments where necessary.

24 UNIT HOLDING PATTERN OF THE FUND

Fund Manager's Report

Atlas Sovereign Fund (ASF) is an Open-ended Income Fund. The objective of ASF is to provide unit holders competitive returns with medium risk and high liquidity by investing in Government Securities and Debt Instruments. The Fund's strategy is based on the conviction that economic environment drives long-term performance, and that active management of credit risk can produce consistently superior results. Fundamental and market analysis are used to identify overall portfolio, bond market sectors, yield curve and credit positioning to provide high and sustainable rates of return. The fund employs strategies such as overall portfolio duration and yield curve positioning to deal with market and reinvestment risks.

Atlas Sovereign Fund performance benchmark is average Six Months PKRV rates.

The Monetary Policy Committee of SBP has increased its policy rate by 825 bps to 22.0% with the objective of moderating demand to a sustainable pace and reducing external pressures. The Consumer Price Index (CPI) Inflation averaged at 29.18% during FY23 compared to 12.15% in FY22. The increase in FY23 inflation was broad-based with energy, food and core inflation all rising significantly. The yields on secondary market instruments and cut off rates in government auctions remained elevated reflecting the apprehension of market participants regarding the impact of ongoing inflationary pressures. Going forward, frequency of local demand and impact of international commodity prices on domestic inflation will remain a major determinant towards any change in monetary policy stance.

The Net Asset Value per unit of Atlas Sovereign Fund increased by 13.87% to Rs. 101.78 as on June 30, 2023. The benchmark average six months PKRV rate stood at 18.16% during the period under review. The ASF total exposure in Pakistan Investment Bonds, T-Bills, Sukuks, Bank Balances and Others, stood at 64.15%, 17.81%, 5.49%, 1.36%, and 11.19% respectively. ASF presents a good investment opportunity for investors to earn competitive returns with medium risk. The Net Assets of the Fund stood at Rs. 586 million, with 5.76 million units outstanding as of June 30, 2023.

The Investment Committee of Atlas Asset Management Limited, the Management Company of Atlas Sovereign Fund, under the authority delegated by the Board of Directors of Atlas Asset Management Limited has approved aggregated interim distribution of Rs. 13.52 per unit for the period ended June 30, 2023 (13.52% on the face value of Rs. 100 per unit).

Breakdown of Unit Holding by size:

Type of Investor	No. of Investors	Amount of Investment (Rs.)	Percentage (%)
Associated companies / Directors	121	60,804,928	10.38%
Individuals	4	34,623,302	5.91%
Retirement Funds	3	481,843,756	82.25%
Others	6	8,581,697	1.46%
Grand Total	134	585,853,683	100.00%

The Scheme has held provision for FED liability that amounted to Rs. 905,341 up till June 30, 2023 (Rs. 0.16 per unit).

The Total Expense Ratio (TER) of the Fund is 1.65% including expenses representing Government levy, SWWF and SECP Fee of 0.17%.

During the year under review, the Investment Committee held fifty-five meetings to review investment of the Fund and the Risk Committee held twelve meetings to review risk management.

TRUSTEE REPORT TO THE UNIT HOLDERS

Report of the Trustee pursuant to Regulation 41(h) and Clause 8 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We, Central Depository Company of Pakistan Limited, being the Trustee of Atlas Sovereign Fund (the Fund) are of the opinion that Atlas Asset Management Limited, being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2023 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund;
- (iii) The management fee, fee payable to Commission and other expenses paid from the Fund during the period are in accordance with the applicable regulatory framework; and
- (iv) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Karachi: 27 September 2023

Badiuddin Akber
Chief Executive Officer
Central Depository Company of Pakistan Limited

INDEPENDENT AUDITORS' REPORT

To the Unit holders of Atlas Liquid Fund Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Atlas Sovereign Fund** (the Fund), which comprise the statement of assets and liabilities as at June 30, 2023, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2023, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S.No.	Key audit matter	How our audit addressed the key audit matter
1.	Net Asset Value (Refer notes 4 and 5 to the financial statements)	
	<p>Investments and balances with banks constitute the most significant component of the net asset value. Investments of the Fund as at June 30, 2023 amounted to Rs 518.799 million and balances with banks aggregated to Rs 8.046 million.</p> <p>The existence and proper valuation of investments and existence of balances with banks for the determination of NAV of the Fund as at June 30, 2023 was considered a high risk area and therefore we considered this as a key audit matter.</p>	<p>Our audit procedures amongst others included the following:</p> <ul style="list-style-type: none">• Obtained independent confirmations for verifying the existence of the investment portfolio and balances with banks as at June 30, 2023 and traced it with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed;• Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; and• Obtained bank reconciliation statements and tested reconciling items on a sample basis.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the Management Company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.

-
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with board of directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Junaid Mesia**.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Atlas Sovereign Fund (the Fund) is an open ended Fund constituted by a trust deed entered into on August 19, 2014 between Atlas Asset Management Limited (AAML) as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The Trust Deed has been revised through the First and Second Supplemental Trust Deeds dated May 23, 2017 and September 3, 2018 respectively, with the approval of the Securities and Exchange Commission of Pakistan (SECP). The Offering Document has been revised through the First, Second, Third, Fourth, Fifth, Sixth, Seventh, Eighth, Ninth, Tenth, Eleventh and Twelfth Supplements dated March 24, 2015, August 3, 2015, June 23, 2016, October 13, 2016, June 2, 2017, April 18, 2018, August 20, 2018, October 2, 2019, October 30, 2019, April 1, 2020, November 12, 2021 and April 14, 2022 respectively, with the approval of the SECP. The registered office of AAML is situated at Ground Floor, Federation House, Shahrae Firdousi, Clifton, Karachi.
- 1.2 During the year ended June 30, 2021, The Trust Act, 1882 was repealed due to promulgation of the Provincial Trust Act namely "Sindh Trusts Act, 2020" as empowered under the Eighteenth Amendment to the Constitution of Pakistan. Various new requirements including registration under the Trust Act were introduced. The Management Company submitted the Collective Investment Scheme Trust Deed to the Registrar (acting under Sindh Trusts Act, 2020) to fulfil the requirement for registration of Trust Deed under Sindh Trusts Act, 2020. Accordingly on July 26, 2021, the Trust deed was registered under the Sindh Trusts Act, 2020.
- 1.3 The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP. The registered office of the Management Company is situated at Ground Floor, Federation House, Shahrah e Firdousi, Clifton, Karachi.
- 1.4 The Fund has been categorised as a 'Money Market Scheme' by the Board of Directors pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange. The units of the Fund are being offered for public subscription on a continuous basis from December 01, 2014 and are transferable and redeemable by surrendering them to the Fund.
- 1.5 According to the Trust Deed, the objective of the Fund is to provide unit-holders competitive returns with low risk and high liquidity. The Fund aims to deliver this objective by investing primarily in short term Government securities, bank deposits (excluding TDRs), treasury bills, money market placements, deposits, certificates of deposits (CoDs), certificate of musharikas (CoMs), commercial papers and reverse repo with weighted average time to maturity of net assets not exceeding 90 days and in case of a single asset, maximum time to maturity of six months. The investment objectives and policies are more fully defined in Fund's Offering document.
- 1.6 The Pakistan Credit Rating Agency (PACRA) Limited maintained the asset manager rating of the Management Company to AM2+ on December 23, 2022 [2022: AM2+ on December 24, 2021]. The rating reflects the Management Company's experienced management team, structured investment process and sound quality of systems and processes. Furthermore, Pakistan Credit Rating Agency (PACRA) Limited has maintained the stability rating of the Fund to "AA-(f)" (2021: "AA-(f)") on April 17, 2023.
- 1.7 Titles to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and requirements of the Trust Deed.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed differ from the IFRS, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance, 1984, the NBFC Rules, the NBFC Regulations and requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year

There are certain new standards, interpretations and amendments to the published accounting and reporting standards that are mandatory for the Fund's accounting period beginning on July 1, 2022. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

2.3 Standards, interpretations and amendments to published accounting and standards that are not yet effective

There are certain standards, amendments and interpretations that are mandatory for the Fund's accounting period beginning on or after July 1, 2023 but are considered not to be relevant or will not have any significant effect on the Fund's operations and are therefore not disclosed in these financial statements.

2.4 Critical accounting estimates and judgements

The preparation of financial statements in accordance with the accounting and reporting standards as applicable in Pakistan requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgements and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making judgements about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years of the revision affects both current and future years.

The estimates and judgments that have a significant effect on the financial statements of the Fund relate to classification, valuation and impairment of financial assets (notes 3.2 and 5), provision for Federal Excise Duty (note 8.3) and provision for taxation (note 16).

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention except that investments have been carried at fair value.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupees, which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented unless otherwise stated.

3.1 Cash and cash equivalents

These comprise balances with banks in savings and current accounts, cheques in hand and other short-term highly liquid investments with original maturities of three months or less.

3.2 Financial assets

3.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

3.2.2 Classification and subsequent measurement

Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are classified based on the business model of the entity as either:

- at amortised cost; or
- at fair value through other comprehensive income (FVOCI); or
- at fair value through profit or loss (FVPL).

IFRS 9 also provides an option for securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore, the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVPL.

Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective and are instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.

All equity investments are required to be measured in the Statement of Assets and Liabilities at fair value, with gains and losses recognised in the Income Statement, except where an irrevocable election has been made at the time of initial recognition to measure the investment at FVOCI.

The dividend income for equity securities classified under FVOCI are to be recognised in the Income Statement. However, any surplus / (deficit) arising as a result of subsequent movement in the fair value of equity securities classified as FVOCI is to be recognised in other comprehensive income and is not recycled to the Income Statement on derecognition.

The Fund can only invest in equity securities for the purpose of spread transactions.

3.2.3 Impairment

The Fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The Fund recognises a loss allowance for such losses at each reporting date. The measurement of ECL reflects:

- An unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- The time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecast of future economic conditions.

3.2.3.1 Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the Income Statement.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

3.2.4 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset. Regular way purchases / sales of assets require delivery of securities within two days from the transaction date as per the stock exchange regulations.

3.2.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the Income Statement.

3.2.6 Derivatives

Derivative instruments are initially recognised at fair value and subsequent to initial measurement each derivative instrument is remeasured to its fair value and the resultant gain or loss is recognised in the Income Statement.

3.3 Financial liabilities

3.3.1 Classification and subsequent measurement

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

3.3.2 Derecognition

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the Income Statement.

3.4 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.5 Net Asset Value per unit

The Net Asset Value (NAV) per unit as disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.6 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the application received by the Management Company / distributors during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load and provision of any duties and charges if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price applicable to units for which the Management Company / distributors receive redemption application during business hours of that day. The redemption price is equal to NAV as of the close of the business day, less an amount as the Management Company may consider to be an appropriate provision of duties and charges.

3.7 Distribution to unit holders

Distributions to unit holders are recognised upon declaration and approval by the Investment Committee of the Board of Directors of Management Company under powers delegated to them by the Board of Directors of the Management Company or declaration and approval by the Board of Directors of the Management Company. Based on Mutual

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the period in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.8 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income / (loss) represents the difference between the Net Asset Value per unit on the issuance or redemption date, as the case may be, of units and the Net Asset Value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to the Unit Holders' Fund. However, to maintain the same ex-dividend the Net Asset Value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in the Unit Holders' Fund will be refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.9 Revenue recognition

- Gains / (losses) arising on sale of investments are included in the Income Statement on the date at which the transaction takes place.
- Income from investments in government securities, term finance certificates, sukuk certificates and commercial papers is recognised on an accrual basis using effective interest method at the rate of return implicit in the instrument.
- Unrealised gains / (losses) arising on re-measurement of investments classified as 'financial assets at fair value through profit or loss' are included in the Income Statement in the period in which they arise.
- Mark-up income on bank balances, term deposits, letters of placement and commercial papers is recognised on an accrual basis.

3.10 Expenses

All expenses chargeable to the Fund including remuneration of Management Company, Trustee and annual fee of SECP are recognised in the Income Statement on an accrual basis.

3.11 Taxation

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders in cash.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

3.12 Earnings per unit

Earnings per unit is calculated by dividing the net income of the year before taxation of the Fund by the weighted average number of units outstanding during the year. The determination of earning per unit is not practicable as disclosed in note 17.

3.13 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

- 7.1 As per clause 47(B) of part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to collective investment schemes (CISs) are exempt from withholding tax under section 150 and 151. However, withholding tax on dividend and profit on bank deposits paid to the Fund has been deducted by various withholding agents based on the interpretation issued by the Federal Board of Revenue (FBR) vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated May 12, 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholders. The tax withheld on dividends and profit on bank deposits amounts to Rs. 0.495 million (June 30, 2022: 0.495 million).

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. A petition was filed in the Honourable Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other Asset Management Companies) whereby the Honourable Supreme Court granted the petitioners leave to appeal from the initial judgment of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on dividends and profit on bank deposits has been shown as other receivables as at June 30, 2023 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

8 PAYABLE TO ATLAS ASSET MANAGEMENT LIMITED MANAGEMENT COMPANY - RELATED PARTY

	Note	2023 ----- Rupees -----	2022 -----
Remuneration of the Management Company payable	8.1	553,251	711,669
Sindh Sales Tax payable on remuneration of the Management Company	8.2	210,775	231,352
Federal Excise Duty payable on remuneration of the Management Company	8.3	905,341	905,341
Accounting and operational charges payable	8.4	66,387	203,416
Selling and marketing expenses payable	8.5	94,524	-
		1,830,278	2,051,778

- 8.1 As per regulation 61 of the NBFC Regulations, the Management Company of the Fund is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the Total Expense Ratio limit. The remuneration is payable to the Management Company monthly in arrears. Keeping in view the maximum allowable threshold, the Management Company has charged its remuneration at the average rate of 1.04% (June 30, 2022: 0.55%) per annum of the average daily net assets of the Fund.
- 8.2 During the year, an amount of Rs. 1.235 million (June 30, 2022: Rs. 1.360 million) was charged on account of sales tax on remuneration of the Management Company levied through the Sindh Sales Tax on Services Act, 2011 at the rate of 13% (June 30, 2022: 13%).
- 8.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16% on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to the Provincial Sales Tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the SHC by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to the Provincial Sales Tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Honourable Supreme Court of Pakistan which is pending adjudication.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs. 0.905 million is being retained in the financial statements of the Fund as the matter is pending before the Honourable Supreme Court of Pakistan. Had the provision not been made, the Net Asset Value per unit of the Fund as at June 30, 2023 would have been higher by Re. 0.16 (June 30, 2022: Re. 0.08).

- 8.4** In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

During the year, the Management Company has charged expenses at the average rate 0.13% (June 30, 2022: 0.16%) per annum of the average daily net assets of the Fund .

- 8.5** The SECP has allowed the Asset Management Companies to charge selling and marketing expenses to all categories of open-end mutual funds (except fund of funds) initially for a period of three years (i.e. from January 1, 2017 till December 31, 2019). The maximum cap of selling and marketing expense was 0.4% per annum of the average daily net assets of the Fund or actual expenses whichever is lower.

During the year ended June 30, 2020, the SECP through its circular 11 dated July 5, 2019 has revised the conditions for charging of selling and marketing expenses to a fund. As per the revised guidelines, the maximum cap of 0.4% per annum has been lifted and now the Management Company is required to set a maximum limit for charging of such expense to the Fund and the same should be approved by the Board of Directors of the Management Company as part of the annual plan. Furthermore, the time limit of three years has also been removed in the revised conditions.

Accordingly, the Management Company has charged selling and marketing expenses based on its discretion (duly authorised by the Board of Directors) while keeping in view the annual plan, overall return and the Total Expense Ratio limit of the Fund as defined under the NBFC Regulations at the rate of 0.10% from April 27, 2023 to June 30, 2023 (June 30, 2022: Nil) of average daily net assets of the Fund.

9 PAYABLE TO THE CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE - RELATED PARTY

	Note	2023 ----- Rupees -----	2022 ----- Rupees -----
Trustee fee payable	9.1	24,334	55,944
Sindh Sales Tax payable on Trustee fee	9.2	3,171	7,453
		27,505	63,397

- 9.1** The Trustee is entitled to monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed. The Fund has charged Trustee Fee at the rate of 0.055% (2022: 0.065% from July 1, 2021 to September 30, 2021 and 0.055% from October 1, 2021 to June 30, 2022) of average daily net assets of the Fund during the year.

- 9.2** During the year, an amount of Rs. 0.065 million (June 30, 2022: Rs. 0.153 million) was charged on account of sales tax on remuneration of the Trustee levied through the Sindh Sales Tax on Services Act, 2011 at the rate of 13% (June 30, 2022: 13%).

10 PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

	Note	2023 ----- Rupees -----	2022 ----- Rupees -----
Annual fee payable	10.1	182,552	404,149

- 10.1** In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay annual fee to the Securities and Exchange Commission of Pakistan (SECP). In accordance with the SRO No. 685(I) / 2019 dated June 28, 2019 issued by SECP, the Fund has charged SECP fee at the rate of 0.02% (June 30, 2022: 0.02%) of average daily net assets of the Fund during the year.

15 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2023 is 1.65% (June 30, 2022: 0.91%) which includes 0.17% (June 30, 2022: 0.09%) on the Fund such as sales taxes, annual fee to the SECP etc. This ratio is within the maximum limit of 2.5% prescribed under the NBFC Regulations for a collective investment scheme categorised as an "Income Scheme".

16 TAXATION

The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unitholders. Since the management has distributed the required minimum

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

percentage of income earned by the Fund during the year ended June 30, 2023 to the unit holders in the manner as explained above, no provision for taxation has been made in these financial statements during the year.

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

17 EARNINGS PER UNIT

Earnings per unit has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating earnings per unit is not practicable.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

21 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, Fund's constitutive documents and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, credit risk and liquidity risk arising from the financial instruments it holds.

21.1 Market risk

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market prices. Market risk comprises of three types of risk; interest rate risk, price risk and currency risk.

(i) Yield / interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in the market interest rates. As of June 30, 2023, the Fund is exposed to such risk in respect of its investments and bank balances. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within acceptable limits.

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds bank balances, Pakistan Investments Bonds and Sukuk certificates which expose the Fund to cash flow interest rate risk. In case of 100 basis points increase / decrease in market interest rates as at June 30, 2023, with all other variables held constant, the net income for the year and net assets would have been lower / higher by Rs. 4.212 million (June 30, 2022: Rs. 4.960 million).

b) Sensitivity analysis for fixed rate instruments

Presently, the Fund holds Market Treasury Bills and Commercial paper which expose the Fund to fixed interest rate risk. In case of 100 basis points increase / decrease in market interest rates as at June 30, 2023, with all other variables held constant, the net income for the year and net assets would have been lower / higher by Rs. 1.057 million (June 30, 2022: Rs. 7.285 million).

The composition of the Fund's investment portfolio and interest rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2023 is not necessarily indicative of the impact on the Fund's net assets of the future movements in interest rates.

Yield / interest rate sensitivity position for on balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off balance sheet instruments is based on settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at June 30, 2023 can be determined as follows:

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

(ii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

(iii) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instruments will fluctuate because of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

21.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets in short-term instruments in order to maintain liquidity.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement the maximum limit of which is 15% of the net assets upto 90 days and would be secured by the assets of the Fund.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below 10% of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

21.3 Credit risk

Credit risk arises from the inability of the issuers of the instruments or the counter party to fulfil their obligations. The Fund is exposed to credit risk with respect to its bank balances, Commercial paper, Sukuk certificates and interest receivable thereon. The Fund's policy is to enter into financial contracts in accordance with the interest risk management policies and investment guidelines approved by the Investment Committee. As of June 30, 2023, 83.00% (June 30, 2022: 73.28%) of Fund's net assets are invested in government securities. The Fund's maximum exposure to credit risk (excluding government securities and their related outstanding mark-up) as of June 30, 2023 amounts to Rs. 44.837 million (June 30, 2022: Rs. 338.511 million).

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due. The table below analyses the Fund's maximum exposure to credit risk:

----- 2023 -----				----- 2022 -----			
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk		Balance as per statement of assets and liabilities	Maximum exposure to credit risk		
----- Rupees -----				----- Rupees -----			
Bank balances	8,045,934	8,045,934		43,498,607	43,498,607		
Investments	518,799,146	32,565,000		1,180,947,418	291,205,040		
Mark-up receivable	8,601,889	1,623,262		2,866,030	1,204,388		
Receivable against sale of investments	54,714,220	-		-	-		
Deposits and other receivable	3,097,602	2,602,825		3,097,602	2,602,825		
	593,258,791	44,837,021		1,230,409,657	338,510,860		

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

The maximum exposure to credit risk as at June 30, 2023 is the carrying amount of the financial assets. Investment in government securities and their accrued profit, however are not exposed to credit risk and have been excluded from the above analysis as these are guaranteed from the government of Pakistan.

21.3.1 Credit quality of financial assets

The Fund's significant credit risk (excluding credit risk relating to settlement of equity securities) arises mainly on account of its placements with banks and Sukuk certificates, and mark-up receivable thereon. The credit rating profile of bank balances and Sukuk certificates are as follows:

	% of financial assets exposed to credit risk	
	2023	2022
Bank balances		
AAA	0.30%	2.68%
AA+	1.04%	0.85%
A+	0.01%	0.01%
AA	0.00%	0.00%
AA-	0.00%	0.00%
	1.35%	3.54%
Sukuk certificates		
A+	5.76%	3.36%

Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial assets is mainly held with, diverse credit worthy counter parties.

22 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradeable in an open market are revalued at market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

22.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

As at June 30, 2023 and June 30, 2022, the Fund held the following financial instruments measured at fair value:

	2023			
	Level 1	Level 2	Level 3	Total
	Rupees			
ASSETS				
Financial assets 'at fair value through profit or loss'				
Government securities - Market Treasury Bills	-	105,653,646	-	105,653,646
Government securities - Pakistan Investment Bonds	-	380,580,500	-	380,580,500
Sukuk certificates	-	32,565,000	-	32,565,000
	-	518,799,146	-	518,799,146

	2022			
	Level 1	Level 2	Level 3	Total
	Rupees			
ASSETS				
Financial assets 'at fair value through profit or loss'				
Government securities - Market Treasury Bills	-	477,462,378	-	477,462,378
Government securities - Pakistan Investment Bonds	-	412,280,000	-	412,280,000
Commercial paper*	-	251,005,040	-	251,005,040
Sukuk certificates	-	40,200,000	-	40,200,000
	-	1,180,947,418	-	1,180,947,418

*The valuation of commercial paper has been done based on amortisation of commercial paper to its face value as per the guidelines given in Circular 33 of 2012 since the residual maturity of this investment is less than six months and they are placed with counterparties which have high credit rating.

23 UNIT HOLDERS FUND RISK MANAGEMENT

The Unit Holders' Fund is represented by redeemable units. They are entitled to distributions and to payment of a proportionate share based on the Fund's net asset value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund has no restrictions on the subscription and redemption of units. As required under NBFC Regulations, every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of scheme. The Fund has maintained and complied with the requirement of minimum fund size during the current year.

The Fund's objectives when managing unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 22, the Fund endeavours to invest the subscriptions received in appropriate investments while maintaining sufficient liquidity to meet redemption requests, such liquidity being augmented by short-term borrowings or disposal of investments where necessary.

Fund Manager's Report

Atlas Income Fund (AIF) is an Open-ended Income Fund. The objective of AIF is to achieve a good rate of current income (with medium risk) and provide investors with liquidity as well as the facility to join or leave the fund at their convenience. The Fund primarily invests in a diversified portfolio of long, medium and short-term fixed income instruments. The Fund's strategy is based on the conviction that economic environment drives long term performance, and that active management of credit risk can produce consistently superior results. Fundamental and market analysis are used to identify overall portfolio, bond market sectors, yield curve and credit positioning to provide high and sustainable rates of return. The fund employs strategies such as overall portfolio duration and yield curve positioning to deal with market and reinvestment risks.

Atlas Income Fund performance benchmark is average Six Months KIBOR (offer) rate.

The Monetary Policy Committee of SBP has increased its policy rate by 825 bps to 22.0% with the objective of moderating demand to a sustainable pace and reducing external pressures. The Consumer Price Index (CPI) Inflation averaged at 29.18% during FY23 compared to 12.15% in FY22. The increase in FY23 inflation was broad-based with energy, food and core inflation all rising significantly. The yields on secondary market instruments and cut off rates in government auctions remained elevated reflecting the apprehension of market participants regarding the impact of ongoing inflationary pressures. Going forward, frequency of local demand and impact of international commodity prices on domestic inflation will remain a major determinant towards any change in monetary policy stance.

The Net Asset Value per unit of Atlas Income Fund increased by 15.03% to Rs. 525.35 as on June 30, 2023. The benchmark average six months KIBOR rate stood at 18.30% during the period under review. AIF total exposure in T-Bills, Pakistan Investment Bonds, Term Finance Certificates/Sukuk, Bank Balances and Others stood at 65.53%, 17.44%, 13.79%, 0.92%, and 2.32% respectively. AIF presents a good investment opportunity for investors to earn competitive returns while taking medium risk. The Net Assets of the Fund stood at Rs. 3.49 billion with 6.65 million units outstanding as of June 30, 2023.

The Investment Committee of Atlas Asset Management Limited, the Management Company of Atlas Income Fund, under the authority delegated by the Board of Directors of Atlas Asset Management Limited has approved aggregated interim distribution of Rs 76.79 per unit for the period ended June 30, 2023 (15.36% on the face value of Rs. 500 per unit).

TRUSTEE REPORT TO THE UNIT HOLDERS

Report of the Trustee pursuant to Regulation 41(h) and Clause 8 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We, Central Depository Company of Pakistan Limited, being the Trustee of Atlas Income Fund (the Fund) are of the opinion that Atlas Asset Management Limited, being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2023 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund;
- (iii) The management fee, fee payable to Commission and other expenses paid from the Fund during the period are in accordance with the applicable regulatory framework; and
- (iv) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Karachi: 27 September 2023

Badiuddin Akber
Chief Executive Officer
Central Depository Company of Pakistan Limited

INDEPENDENT AUDITOR'S REPORT

To the Unit holders of Atlas Income Fund Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Atlas Income Fund** (the Fund), which comprise the statement of assets and liabilities as at June 30, 2023, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2023, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S.No.	Key audit matter	How our audit addressed the key audit matter
1.	Net Asset Value (Refer notes 4 and 5 to the financial statements)	
	<p>Investments constitute the most significant component of the net asset value (NAV). Investments of the Fund as at June 30, 2023 amounted to Rs 3,471.495 million.</p> <p>The existence and proper valuation of investments for the determination of NAV of the Fund as at June 30, 2023 was considered a high risk area and therefore we considered this as a key audit matter.</p>	<p>Our audit procedures amongst others included the following:</p> <ul style="list-style-type: none">• Tested the design and operating effectiveness of the key controls for valuation of investments;• Obtained independent confirmations for verifying the existence of the investment portfolio as at June 30, 2023 and traced balances in this confirmation with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed;• Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; and

Other Matter

The financial statements of the Fund for the year ended June 30, 2022 were audited by another firm of Chartered Accountants who had expressed an unmodified opinion thereon vide their report dated September 15, 2022.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the Management Company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

-
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with board of directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Junaid Mesia**.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Atlas Income Fund (the Fund) is an open ended mutual fund constituted under a Trust Deed entered into on February 20, 2003 between Atlas Asset Management Limited (AAML) as the Management Company and MCB Financial Services Limited (MCBFSL) as the Trustee. MCBFSL resigned on June 11, 2005 as the Trustee and the Central Depository Company of Pakistan Limited (CDC) was appointed in its place with effect from that date. The Trust Deed has been revised through the Deed of Change of Trustee and the First, Second, Third, Fourth and Fifth Supplemental Trust Deeds dated June 11, 2005, October 29, 2007, June 23, 2010, November 12, 2010, and May 23, 2017 respectively with the approval of the Securities and Exchange Commission of Pakistan (SECP). Furthermore, the Offering Document of the Fund has been revised through the First, Second, Third, Fourth, Fifth, Sixth, Seventh, Eighth, Ninth, Tenth, Eleventh, Twelfth, Thirteenth, Fourteen and Fifteen Supplements dated June 21, 2005, October 29, 2007, February 29, 2008, June 23, 2010, November 12, 2010, October 14, 2013, March 24, 2015, August 3, 2015, April 13, 2016, September 26, 2016, June 2, 2017, October 2, 2019, October 30, 2019, April 1, 2020 and November 12, 2021 respectively, with the approval of the SECP.
- 1.2 During the year ended June 30, 2021, the Trust Act, 1882 was repealed due to promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" as empowered under the Eighteenth Amendment to the Constitution of Pakistan. Various new requirements including registration under the Trust Act were introduced. The Management Company submitted the Fund's Trust Deed to the Registrar (acting under Sindh Trusts Act, 2020) to fulfil the requirement for registration of Trust Deed under Sindh Trusts Act, 2020. Accordingly on July 26, 2021, the Trust Deed was registered under the Sindh Trusts Act, 2020.
- 1.3 The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP. The registered office of the Management Company is situated at Ground Floor, Federation House, Shahrah e Firdousi, Clifton, Karachi.
- 1.4 The Fund has been categorised as an 'Income Scheme' by the Board of Directors of the Management Company pursuant to the provisions contained in Circular 7 of 2009 and is listed on the Pakistan Stock Exchange Limited. The units of the Fund were initially offered for public subscription at a par value of Rs. 500 per unit. Thereafter, the units are being offered for public subscription on a continuous basis from March 22, 2004 and are transferable and redeemable by surrendering them to the Fund.
- 1.5 According to the Trust Deed, the objective of the Fund is to provide investors one window facility to invest in a diversified portfolio offering good returns and consistent growth. The Fund aims to deliver this objective mainly by investing in Government securities, cash in bank accounts, Certificate of Investments (COIs), money market placements, deposits, Certificates of Deposits (CODs), Certificates of Musharakas (COMs), Term Deposit Receipts (TDRs), Commercial paper, reverse repos, Term Finance Certificates (TFCs) / Sukuks, transactions on Margin Trading System (MTS), spread transactions and any other instruments that may be allowed by the SECP. The investment objectives and policies are explained in the Fund's Offering Document.
- 1.6 The Pakistan Credit Rating Agency (PACRA) Limited maintained the asset manager rating of the Management Company to AM2+ on December 23, 2022 (2022: AM2+ on December 24, 2021). Furthermore, Pakistan Credit Rating Agency (PACRA) Limited has maintained the stability rating of the Fund to "AA- (f)" on April 17, 2023 (2022: "AA- (f)" on April 15, 2022).
- 1.7 Title to the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards applicable in Pakistan for financial reporting comprise of:

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

- International Accounting Standards (IFRS Standards) , issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- the Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year:

There are certain amendments to the accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2022. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

2.3 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain standards, amendments and interpretations that are mandatory for the Fund's accounting period beginning on or after July 1, 2023 but are considered not to be relevant or will not have any significant effect on the Fund's operations and are, therefore, not disclosed in these financial statements.

2.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with the accounting and reporting standards requires the management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgments and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The estimates and judgments that have a significant effect on the financial statements of the Fund relate to classification and valuation of financial assets (notes 3.2 and 5), provision for Federal Excise Duty (note 8.3) and provision for taxation (note 16).

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention except that investments have been carried at fair values.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupees, which is the Fund's functional and presentation currency.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, ACCOUNTING ESTIMATES, JUDGMENTS AND RISK MANAGEMENT POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented unless otherwise stated.

3.1 Cash and cash equivalents

These comprise balances with banks in savings and current accounts, cheques in hand and other short-term highly liquid investments with original maturities of three months or less.

3.2 Financial assets

3.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

3.2.2 Classification and subsequent measurement

Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are classified based on the business model of the entity as either:

- at amortised cost; or
- at fair value through other comprehensive income (FVOCI); or
- at fair value through profit or loss (FVPL).

IFRS 9 also provides an option for securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore, the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVPL.

3.2.3 Impairment

The Fund assesses on a forward-looking basis the expected credit losses (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The Fund recognises a loss allowance for such losses at each reporting date. The measurement of ECL reflects:

- An unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- The time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecast of future economic conditions.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

3.2.3.1 Impairment loss on debt securities

Provision for non-performing debt securities is made on the basis of time-based criteria as prescribed by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company in accordance with the guidelines issued by the SECP. Impairment losses recognised on debt securities can be reversed through the Income Statement.

3.2.4 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset. Regular way purchases / sales of assets require delivery of securities within two days from the transaction date as per the stock exchange regulations.

3.2.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the Income Statement.

3.2.6 Derivatives

Derivative instruments are initially recognised at fair value and subsequent to initial measurement each derivative instrument is remeasured to its fair value and the resultant gain or loss is recognised in the Income Statement.

3.3 Financial liabilities

3.3.1 Classification and subsequent measurement

Financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair values and subsequently stated at amortised cost.

3.3.2 Derecognition

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Any gain or loss on derecognition of financial liabilities is taken to the Income Statement.

3.4 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.5 Net Asset Value per unit

The Net Asset Value (NAV) per unit as disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

3.6 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the application received by the Management Company / distributors during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load and provision of any duties and charges if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price applicable to units for which the Management Company / distributors receive redemption application during business hours of that day. The redemption price is equal to NAV as of the close of the business day, less an amount as the Management Company may consider to be an appropriate provision of duties and charges.

3.7 Distributions to unit holders

Distributions to unit holders are recognised upon declaration and approval by the Investment Committee of the Board of Directors of Management Company under powers delegated to them by the Board of Directors of the Management Company or declaration and approval by the Board of Directors of the Management Company. Based on Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the period in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.8 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income represents the difference between the Net Asset Value per unit on the issuance or redemption date, as the case may be, of units and the Net Assets Value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to Unit Holders' Fund. However, to maintain the same ex-dividend Net Asset Value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in Unit Holders' Fund will be refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.9 Revenue recognition

- Gains / (losses) arising on sale of investments are included in the Income Statement on the date at which the transaction takes place.
- Income from investments in government securities, term finance certificates, sukuk certificates and commercial papers is recognised on an accrual basis using effective interest method at the rate of return implicit in the instrument.
- Unrealised gains / (losses) arising on re-measurement of investments classified as 'financial assets at fair value through profit or loss' are included in the Income Statement in the period in which they arise.
- Mark-up income on bank balances, term deposits, letters of placement and commercial papers is recognised on an accrual basis.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

3.10 Expenses

All expenses chargeable to the Fund including remuneration of the Management Company and Trustee and annual fee of the SECP are recognised in the Income Statement on an accrual basis.

3.11 Taxation

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders in cash.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

3.12 Earnings per unit

Earnings per unit is calculated by dividing the net income of the year before taxation of the Fund by the weighted average number of units outstanding during the year. The determination of earning per unit is not practicable as disclosed in note 17.

3.13 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

5.9 Details of non-performing investments

These securities have been classified as non-performing as per the requirements of the SECP's Circular 1 of 2009 read with the SECP's Circular 33 of 2012 and accordingly an aggregate provision of Rs. 87,625,727 (June 30, 2022: Rs. 88,759,125), has been made in accordance with provisioning requirements specified by the SECP.

Non-performing investments	Type of investment	Principal value	Valuation loss	Value of investment before Provision	Provision held	Value of investment after provision	As a percentage of		Suspended mark-up	Payments after declared NPA / financial structuring	Payments after June 30, 2022
							Net Assets	Gross Assets			
----- Rupees -----											

5.9.1 During the FY 2012-13, the Fund received Zero Coupon Term Finance Certificates of Azgard Nine Limited having face value of Rs. 5,375,000. These TFCs were received against outstanding mark-up of Azgard Nine Limited's TFCs payable as of March 31, 2012.

5.9.2 The Fund has opted for Option C (of Creditors' Scheme of Arrangement as approved by Lahore High Court (LHC) was implemented from April 29, 2021), which is no waiver of principal or mark-up amount amongst other options available i.e. Option A (waiver of principal and mark-up amount) and Option B (no waiver of principal and but waiver of mark-up amount). The Fund holds TFCs of Rs. 13,509,594 (fully provided for) at face value out of which TFCs valuing Rs. 5,375,000 are Zero Coupon TFCs received through conversion of overdue mark-up up till March 31, 2012. Furthermore, accrued mark-up as at April 29, 2021 stands at Rs. 8,479,650. Therefore, total accrued mark-up till April 29, 2021 stands at Rs. 13,854,650 that is to be converted into zero coupon PPTFC having maturity on the 10th anniversary as per the arrangement. Following are the details of the option selected by the Fund:

Settlement of accrued markup and zero coupon PPTFC: This amount will be converted into New Zero Coupon PPTFC with one-time bullet payment by Azgard Nine Limited (ANL) on the 10th anniversary.

Description	---- Rupees ----
Outstanding mark-up	8,479,650
Zero Coupon PPTFC	5,375,000
Payment received	(4,650)
New Zero Coupon PPTFC	13,850,000

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

Settlement of Principal Amount: Principal portion will be converted into Sub PPTFC with repayment period of 10 years while remaining amount will be paid against the sale of Muzaffargah unit, both accruing mark-up at the rate of 5% per annum.

Description	---- Rupees ----
Outstanding principal	8,134,593
Payment received by the Fund post settlement of mark-up for option A & B creditors and principal amount for option A creditors from cash proceeds of right issue and sale of Ferozepur property	(154,858)
Payment against sale of Muzaffargah Unit (within 2 years)	(1,735,255)
Payment to be made by ANL on future date from internal sources	(204,480)
Issuance of Sub PPTFC	<u>6,040,000</u>

The instrument will continue to remain non-performing as per the provisioning policy for non-performing exposure of collective investment scheme dated February 12, 2013 which states that "the terms and conditions of rescheduled/restructured debt security are fully met for a period of at least one year."

Advance tax	7.1	6,559,367	6,189,385
		<u>9,409,367</u>	<u>9,039,385</u>

- 7.1** As per clause 47(B) of part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to collective investment schemes (CISs) are exempt from withholding tax under section 151 and 150. However, withholding tax on mark-up on bank deposit paid to the Fund was deducted by various withholding agents based on the interpretation issued by the Federal Board of Revenue (FBR) vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated May 12, 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholders. The tax withheld on profit on bank deposits and debt securities amounts to Rs. 6.189 million (June 30, 2022: 6.189 million).

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. A petition was filed in the Honourable Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other Asset Management Companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgment of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on dividends and profit on bank deposits has been shown as other receivables as at June 30, 2023 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

		2023	2022
8	PAYABLE TO ATLAS ASSET MANAGEMENT LIMITED - MANAGEMENT COMPANY - RELATED PARTY	Note ----- Rupees -----	
	Remuneration of the Management Company payable	8.1	3,606,853
	Sindh sales tax payable on remuneration of the Management Company	8.2	3,991,568
	Federal Excise Duty payable on remuneration of the Management Company	8.3	23,582,971
	Accounting and operational charges payable	8.4	432,940
	Selling and marketing expenses payable	8.5	958,488
			32,572,820
			29,650,873

8.1 As per regulation 61 of the NBFC Regulations, 2008, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the total expense ratio limit. The remuneration is payable to the Management Company monthly in arrears. Keeping in view the maximum allowable threshold, the Management Company has charged its remuneration at the average rate of 0.56% (June 30, 2022: 0.63%) per annum of the average daily net assets of the Fund.

8.2 During the year, an amount of Rs. 5.340 million (June 30, 2022: Rs. 3.399 million) was charged on account of sales tax on remuneration of the Management Company levied through the Sindh Sales Tax on Services Act, 2011 at the rate of 13% (June 30, 2022: 13%).

8.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16% on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to provincial sales tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the Sindh High Court (SHC) by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to provincial sales tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Honourable Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company and sales load with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs. 23.583 million is being retained in these financial statements of the Fund as the matter is pending before the Supreme Court of Pakistan. Had the provision not been made, the Net Asset Value per unit of the Fund would have been higher by Rs. 3.55 (June 30, 2022: Rs. 4.63).

8.4 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

During the year, the Management Company based on its own discretion has charged such expenses at the average rate of 0.13% (June 30, 2022: 0.16%) per annum of the average annual net assets of the Fund.

8.5 The SECP has allowed the Asset Management Companies to charge selling and marketing expenses to all categories of open-end mutual funds (except fund of funds) initially for a period of three years (i.e. from January 1, 2017 till

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

December 31, 2019). The maximum cap of selling and marketing expense was 0.4% per annum of the net assets of the Fund or actual expenses whichever is lower.

During the year ended June 30, 2020, the SECP through its circular 11 dated July 5, 2019 has revised the conditions for charging of selling and marketing expenses to a fund. As per the revised guidelines, the maximum cap of 0.4% per annum has been lifted and now the Management Company is required to set a maximum limit for charging of such expense to the Fund and the same should be approved by the Board of Directors of the Management Company as part of the annual plan. Furthermore, the time limit of three years has also been removed in the revised conditions.

Accordingly, the Management Company has charged selling and marketing expenses based on its discretion (duly authorised by the Board of Directors) while keeping in view the annual plan, overall return and the Total Expense Ratio limit of the Fund as defined under the NBFC Regulations at the rate of 0.15% from April 27, 2023 to June 30, 2023 (June 30, 2022: Nil) of average daily net assets of the Fund.

		2023	2022
9	PAYABLE TO THE CENTRAL DEPOSITORY COMPANY OF PAKISTAN - TRUSTEE - RELATED PARTY	Note	Rupees
	Trustee fee payable	9.1	216,407
	Sindh Sales Tax payable on Trustee fee	9.2	28,355
			244,762
			182,226

9.1 The Trustee is entitled to monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed. The Fund has charged Trustee Fee at the rate of 0.075% (June 30, 2022: 0.075%) of average daily net assets of the Fund during the year.

9.2 During the year, an amount of Rs. 0.371 million (June 30, 2022: Rs. 0.434 million) was charged on account of sales tax on remuneration of the Trustee levied through the Sindh Sales Tax on Services Act, 2011 at the rate of 13% (June 30, 2022: 13%).

15 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2023 is 1.56% (June 30, 2022: 1.18%) which includes 0.17% (June 30, 2022: 0.10%) representing government levies on the Fund such as sales taxes, federal excise duties, annual fee to the SECP, etc. This ratio is within the maximum limit of 2.5% prescribed under the NBFC Regulations for a collective investment scheme categorised as a "Income Scheme".

16 TAXATION

The Fund's income is exempt from income tax as per clause (99) of part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income available for distribution for the year as reduced by capital gains whether realized or unrealised is distributed amongst the unit holders by way of cash dividend. Furthermore, as per regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute 90% of the net accounting income available for distribution other than capital gains to the unit holders. The Fund is also exempt from the provision of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Since the management intends to distribute atleast 90% of the income earned by the Fund for year ending June 30, 2023 to the unit holders in the manner as explained above, no provision for taxation has been made in these financial statements.

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

17 EARNINGS PER UNIT

Earnings per unit (EPU) has not been disclosed as, in the opinion of the management, the determination of the cumulative weighted average number of outstanding units for calculating EPU is not practicable.

21 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the management company, Fund's constitutive documents and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, credit risk and liquidity risk arising from the financial instruments it holds.

21.1 Market risk

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market prices. Market risk comprises of three types of risk; interest rate risk, price risk and currency risk.

(i) Yield / interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in the market interest rates. As of June 30, 2023, the Fund is exposed to such risk in respect of its investments and bank balances. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within acceptable limits.

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds KIBOR based bank balances, Pakistan Investments Bonds, Term Finance Certificates and Sukuks certificates which expose the Fund to cash flow interest rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the net income for the year and net assets of the Fund would have been lower / higher by Rs. 5.28 million (June 30, 2022: Rs.22.2 million).

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

b) Sensitivity analysis for fixed rate instruments

As at June 30, 2023, the Fund holds commercial papers, Pakistan investment bonds and treasury bills which are classified as financial assets at fair value through profit or loss' exposing the Fund to fair value interest rate risk. In case of 100 basis points increase / decrease in rates announced by the Financial Markets Association of Pakistan for market treasury bills, commercial papers and with all other variables held constant, the net income for the year and net assets of the Fund would have been lower / higher by Rs. 29.7 million (June 30, 2022: Rs. 4.77 million).

The composition of the fund's investment portfolio and interest rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2023 is not necessarily indicative of the impact on the Fund's net assets of the future movements in interest rates.

Yield / interest rate sensitivity position for on balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off balance sheet instruments is based on settlement date.

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at June 30, 2023 can be determined as follows:

----- 2023 -----						
Effective yield / interest rate	Exposed to yield / interest rate risk			Not exposed to yield / interest rate risk	Total

Cumulative interest rate sensitivity gap		1,542,296,936	1,542,296,936	1,794,297,210		

(ii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

(iii) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instruments will fluctuate because of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

21.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to redemptions of its redeemable units on a regular basis. The Fund's approach to managing

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is therefore to invest the majority of its assets in short-term instruments in order to maintain liquidity.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement the maximum limit of which is 15% of the net assets upto 90 days and would be secured by the assets of the Fund.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below 10% of the units then in issue. The Fund did not withhold any redemptions during the year.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

21.3 Credit risk

Credit risk arises from the inability of the issuers of the instruments or the counter party to fulfil their obligations. The Fund is exposed to credit risk with respect to its bank balances, Term Finance Certificates, Sukuk certificates, Commercial paper and interest receivable thereon. The Fund's policy is to enter into financial contracts in accordance with the interest risk management policies and investment guidelines approved by the Investment Committee. As of June 30, 2023, 83.00% (June 30, 2022: 73.28%) of Fund's net assets are invested in government securities. The Fund's maximum exposure to credit risk (excluding government securities and their related outstanding mark-up) as of June 30, 2023 amounts to Rs. 553.274 million (June 30, 2022: Rs. 2,499.58 million).

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due. The table below analyses the Fund's maximum exposure to credit risk:

	2023		2022	
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk
	Rupees		Rupees	
Bank balances	33,096,503	33,096,503	1,542,301,936	1,542,301,936
Investments	3,471,494,778	494,669,533	1,115,627,470	891,022,470

Deposits and other receivables	9,409,367	9,409,367	9,039,385	9,039,385
	3,587,923,324	553,273,974	2,686,836,717	2,460,972,919

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

The maximum exposure to credit risk as at June 30, 2023 is the carrying amount of the financial assets. Investment in government securities and their accrued profit, however are not exposed to credit risk and have been excluded from the above analysis as these are guaranteed from the government of Pakistan.

21.3.1 Credit quality of financial assets

The Fund's significant credit risk (excluding credit risk relating to settlement of equity securities) arises mainly on account of its placements with banks, Commercial paper, Term Finance Certificates, Sukuk certificates, and mark-up receivable thereon. The credit rating profile of balances with banks and term finance certificates / sukuk certificates is as follows:

Rating	% of financial assets exposed to credit risk	
	2023	2022
Bank balances / Commercial paper		
AAA	0.25%	51.68%
AA+	0.61%	5.60%
A+	0.00%	0.02%
AA-	0.08%	0.09%
	0.92%	57.40%
Term Finance Certificates / Sukuk certificates		
AA+	-	0.23%
AA	3.88%	0.83%
AA-	2.22%	0.32%
	6.10%	1.37%

Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial assets is mainly held with, diverse credit worthy counter parties.

22 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradeable in an open market are revalued at market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2023 and June 30, 2022, the Fund held the following financial instruments measured at fair value:

	2023			
	Level 1	Level 2	Level 3	Total
	Rupees			
Financial assets 'at fair value through profit or loss'				
Term finance certificates - unlisted	-	405,115,783	-	405,115,783
Sukuk certificates - listed	-	89,553,750	-	89,553,750
Government securities - Market Treasury Bills	-	2,351,272,745	-	2,351,272,745
Government securities - Pakistan Investment Bonds	-	625,552,500	-	625,552,500
	-	3,471,494,778	-	3,471,494,778
	2022			
	Level 1	Level 2	Level 3	Total
	Rupees			
Financial assets 'at fair value through profit or loss'				
Term finance certificates - listed	-	38,606,746	-	38,606,746
Term finance certificates - unlisted	-	350,472,196	-	350,472,196
Sukuk certificates - listed	-	110,550,000	-	110,550,000
Sukuk certificates - unlisted	-	178,000,000	-	178,000,000
Commercial papers *	-	252,000,274	-	252,000,274
Government securities - Pakistan Investment Bonds	-	224,605,000	-	224,605,000
	-	1,154,234,216	-	1,154,234,216

- * The valuation of commercial paper has been done based on amortisation of commercial paper to its face value as per the guidelines given in Circular 33 of 2012 since the residual maturity of this investment is less than six months and they are placed with counterparties which have high credit rating.

23 UNIT HOLDERS' FUND RISK MANAGEMENT

The Unit Holders' Fund is represented by redeemable units. They are entitled to distributions and to payment of a proportionate share based on the Fund's net asset value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

The Fund's objectives when managing the unit holders' funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 20, the Fund endeavours to invest the subscriptions received in appropriate investments while maintaining sufficient liquidity to meet redemption requests, such liquidity being augmented by short-term borrowings or disposal of investments where necessary.

TRUSTEE REPORT TO THE UNIT HOLDERS

Report of the Trustee pursuant to Regulation 41(h) and Clause 8 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We, Central Depository Company of Pakistan Limited, being the Trustee of Atlas Stock Market Fund (the Fund) are of the opinion that Atlas Asset Management Limited, being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2023 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund;
- (iii) The management fee, fee payable to Commission and other expenses paid from the Fund during the period are in accordance with the applicable regulatory framework; and
- (iv) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Karachi: 27 September 2023

Badiuddin Akber
Chief Executive Officer
Central Depository Company of Pakistan Limited

INDEPENDENT AUDITOR'S REPORT

To the Unit holders of Atlas Stock Market Fund Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Atlas Stock Market Fund** (the Fund), which comprise the statement of assets and liabilities as at June 30, 2023, and the income statement, statement of comprehensive income, statement of movement in unit holders' fund and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at June 30, 2023, and of its financial performance and its cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S.No.	Key audit matter	How our audit addressed the key audit matter
1.	Net Asset Value (Refer notes 4 and 5 to the financial statements)	
	<p>Investments and balances with banks constitute the most significant component of the net asset value. Investments of the Fund as at June 30, 2023 amounted to Rs 7959.118</p> <p>The existence and proper valuation of investments for the determination of NAV of the Fund as at June 30, 2023 was considered a high risk area and therefore we considered this as a key audit matter.</p>	<p>Our audit procedures amongst others included the following:</p> <ul style="list-style-type: none">• Tested the design and operating effectiveness of the key controls for valuation of investments;• Obtained independent confirmations for verifying the existence of the investment portfolio at June 30, 2023 and traced balance in this confirmation with the books and records of the Fund. Where such confirmations were not available, alternate audit procedures were performed;• Re-performed valuation to assess that investments are carried as per the valuation methodology specified in the accounting policies; and

Other Matter

The financial statements of the Fund for the year ended June 30, 2022 were audited by another firm of Chartered Accountants who had expressed an unmodified opinion thereon vide their report dated September 15, 2022.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of the Management Company for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting and reporting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Board of directors of the Management Company is responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

-
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with board of directors of the Management Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide board of directors of the Management Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with board of directors of the Management Company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

The engagement partner on the audit resulting in this independent auditor's report is **Junaid Mesia**.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Atlas Stock Market Fund (the Fund) is an open ended Mutual Fund constituted under a trust deed entered into on May 29, 2004 between Atlas Asset Management Limited (AAML) as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The Trust Deed has been revised through the First, Second, Third, Fourth, Fifth and Sixth Supplemental Trust Deeds dated June 21, 2005, July 24, 2006, October 29, 2007, March 6, 2008, December 4, 2009 and May 23, 2017 respectively, with the approval of the Securities and Exchange Commission of Pakistan (SECP). The Offering Document has been revised through the First, Second, Third, Fourth, Fifth, Sixth, Seventh, Eighth, Ninth, Tenth, Eleventh, Twelfth, Thirteen, Fourteen, Fifteen and Sixteen Supplements dated June 21, 2005, July 24, 2006, October 29, 2007, March 6, 2008, December 4, 2009, October 14, 2013, March 24, 2015, August 3, 2015, September 29, 2016, June 2, 2017, September 5, 2019, November 25, 2019, April 1, 2020, November 25, 2021 and April 14, 2022 respectively, with the approval of the SECP.
- 1.2 During the year ended June 30, 2021, the Trust Act, 1882 was repealed due to promulgation of Provincial Trust Act namely "Sindh Trusts Act, 2020" as empowered under the Eighteenth Amendment to the Constitution of Pakistan. Various new requirements including registration under the Trust Act were introduced. The Management Company submitted the Collective Investment Scheme Trust Deed to the Registrar (acting under Sindh Trusts Act, 2020) to fulfil the requirement for registration of Trust Deed under Sindh Trusts Act, 2020. Accordingly on July 26, 2021, the Trust deed was registered under the Sindh Trusts Act, 2020.
- 1.3 The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP. The registered office of the Management Company is situated at Ground Floor, Federation House, Shahrah e Firdousi, Clifton, Karachi.
- 1.4 The Fund has been categorised as an 'Equity Scheme'. The Fund is listed on the Pakistan Stock Exchange Limited. The units of the Fund are being offered to the public for subscription on a continuous basis and are transferable and redeemable by surrendering them to the Fund.
- 1.5 The objective of the Fund is to provide investors one window facility to invest in a diversified portfolio of equity securities offering consistent returns and growth. The investment objectives and policies are more fully defined in Fund's Offering Document.
- 1.6 The Pakistan Credit Rating Agency (PACRA) Limited maintained the asset manager rating of the Management Company to AM2+ on December 23, 2022 [2022: AM2+ on December 24, 2021]. The rating reflects the Company's experienced management team, structured investment process and sound quality of systems and processes.
- 1.7 Titles to the assets of the Fund are held in the name of the Central Depository Company of Pakistan Limited as the Trustee of the Fund.

2 BASIS FOR PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Companies Act, 2017 along with part VIIIA of the repealed Companies Ordinance, 1984; and
- the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and the requirements of the Trust Deed.

Where provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed differ from the

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

IFRS, the provisions of and directives issued under the Companies Act, 2017, part VIIIA of the repealed Companies Ordinance 1984, the NBFC Rules, the NBFC Regulations and the requirements of the Trust Deed have been followed.

2.2 Standards, interpretations and amendments to the published accounting and reporting standards that are effective in the current year

There are certain amendments to the published accounting and reporting standards that are mandatory for the Fund's annual accounting period beginning on July 1, 2022. However, these do not have any significant impact on the Fund's operations and, therefore, have not been detailed in these financial statements.

2.3 Standards, interpretations and amendments to the published accounting and reporting standards that are not yet effective

There are certain standards, amendments and interpretations that are mandatory for the Fund's accounting period beginning on or after July 1, 2023 but are considered not to be relevant or will not have any significant effect on the Fund's operations and are therefore not disclosed in these financial statements.

2.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with the accounting and reporting standards requires the management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates, judgments and associated assumptions are based on historical experience and various other factors including expectations of future events that are believed to be reasonable under the circumstances, the results of which form the basis of making judgments about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of revision and future years if the revision affects both current and future years.

The estimates and judgments that have a significant effect on the financial statements of the Fund relate to classification, valuation and impairment of financial assets (notes 3.2 and 5), provision for Federal Excise Duty (note 7.3) and provision for taxation (note 14).

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention except that investments have been carried at fair values.

2.6 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupees, which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented unless otherwise stated.

3.1 Cash and cash equivalents

These comprise balances with banks in savings and current accounts, cheques in hand and other short-term highly liquid investments with original maturities of three months or less.

3.2 Financial assets

3.2.1 Initial recognition and measurement

Financial assets are recognised at the time the Fund becomes a party to the contractual provisions of the instruments. These are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the Income Statement.

3.2.2 Classification and subsequent measurement

Debt instruments

IFRS 9 has provided a criteria for debt securities whereby these debt securities are either classified as:

- amortised cost
- at fair value through other comprehensive income (FVOCI)
- at fair value through profit or loss (FVTPL) based on the business model of the entity

IFRS 9 also provides an option for securities managed as a portfolio or group of assets and whose performance is measured on a fair value basis, to be recognized at FVPL. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. Therefore, the management considers its investment in debt securities as being managed as a group of assets and hence has classified them as FVPL.

Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective and are instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.

All equity investments are required to be measured in the Statement of Assets and Liabilities at fair value, with gains and losses recognised in the Income Statement, except where an irrevocable election has been made at the time of initial recognition to measure the investment at FVOCI.

The dividend income for equity securities classified under FVOCI are to be recognised in the Income Statement. However, any surplus / (deficit) arising as a result of subsequent movement in the fair value of equity securities classified as FVOCI is to be recognised in other comprehensive income and is not recycled to the Income Statement on derecognition.

3.2.3 Impairment

The Fund assesses on a forward looking basis the expected credit loss (ECL) associated with its financial assets (other than debt instruments) carried at amortised cost and FVOCI. The Fund recognises loss allowances for such losses at each reporting date. The measurement of ECL reflects:

- An unbiased and probability weighted amount that is determined by evaluating a range of possible outcomes;
- The time value of money; and
- Reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

3.2.4 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Fund commits to purchase or sell the asset. Regular way purchases / sales of assets require delivery of securities within two days from the transaction date as per the stock exchange regulations.

3.2.5 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership. Any gain or loss on derecognition of financial assets is taken to the Income Statement.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

3.3 Financial liabilities

All financial liabilities are recorded at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognised at fair value and subsequently stated at amortised cost. A financial liability is discharged when the obligation under the liability is discharged, cancelled or expired.

3.4 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.5 Net Asset Value per unit

The Net Asset Value (NAV) per unit as disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.6 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the application received by the Management Company / distributors during business hours on that day. The offer price represents the Net Asset Value (NAV) per unit as of the close of the business day, plus the allowable sales load and provision of any duties and charges if applicable. The sales load is payable to the Management Company / distributors.

Units redeemed are recorded at the redemption price applicable to units for which the Management Company / distributors receive redemption application during business hours of that day. The redemption price is equal to NAV as of the close of the business day, less an amount as the Management Company may consider to be an appropriate provision of duties and charges.

3.7 Distributions to unit holders

Distributions to unit holders are recognised upon declaration and approval by the Investment Committee of the Board of Directors of Management Company under powers delegated to them by the Board of Directors of the Management Company or declaration and approval by the Board of Directors of the Management Company. Based on Mutual Funds Association of Pakistan's (MUFAP) guidelines duly consented by the SECP, distribution for the year also includes portion of income already paid on units redeemed during the year.

Distributions declared subsequent to the year end reporting date are considered as non-adjusting events and are recognised in the financial statements of the period in which such distributions are declared and approved by the Board of Directors of the Management Company.

3.8 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

Element of income / (loss) represents the difference between the Net Asset Value per unit on the issuance or redemption date, as the case may be, of units and the Net Asset Value per unit at the beginning of the relevant accounting period. Further, the element of income is a transaction of capital nature and the receipt and payment of element of income is taken to the Unit Holders' Fund. However, to maintain the same ex-dividend the Net Asset Value of all units outstanding on the accounting date, net element of income contributed on issue of units lying in the Unit Holders' Fund will be refunded on units in the same proportion as dividend bears to accounting income available for distribution.

3.9 Revenue recognition

- Gains / (losses) arising on sale of investments are included in the income statement on the date at which the transaction takes place.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

- Unrealised gains / (losses) arising on re-measurement of investments classified as 'financial assets at fair value through profit or loss' are included in the income statement in the period in which they arise.
- Dividend income is recognised when the right to receive the dividend is established.
- Mark-up income on bank balances is recognised on an accrual basis.

3.10 Expenses

All expenses chargeable to the Fund including remuneration of Management Company, Trustee and annual fee of SECP are recognised in the Income Statement on an accrual basis.

3.11 Taxation

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed to the unit holders in cash.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

3.12 Loss per unit

Loss per unit is calculated by dividing the net income of the year before taxation of the Fund by the weighted average number of units outstanding during the year. The determination of loss per unit is not practicable as disclosed in note 15.

3.13 Foreign currency translation

Transactions denominated in foreign currencies are accounted for in Pakistani Rupees at the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates for monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

4	BANK BALANCES	Note	2023	2022
			----- Rupees -----	-----
	Balances with banks in:			
	- Saving accounts	4.1	125,442,968	51,291,361
	- Current accounts		5,000	5,000
			125,447,968	51,296,361

- 4.1 The rate of return on these balances during the year ranges from 12.25% to 19.75% (2022: 5.5% and 12.25%) per annum. The mark-up rates effective at the year end on these accounts ranges from 19.50% to 19.75% (June 30, 2022: 10.75% to 12.75%) per annum.

6 DEPOSITS AND OTHER RECEIVABLES

Security deposits with:

- National Clearing Company of Pakistan Limited
- Central Depository Company of Pakistan Limited

Advance tax

		2,500,000	2,500,000
		100,000	100,000
		2,600,000	2,600,000
6.1		11,025,620	10,930,225
		13,625,620	13,530,225

6.1 As per clause 47(B) of part IV of the Second Schedule to the Income Tax Ordinance, 2001, payments made to collective investment schemes (CISs) are exempt from withholding tax under section 150 and 151. However, withholding tax on dividend and profit on bank deposits paid to the Fund has been deducted by various withholding agents based on the interpretation issued by the Federal Board of Revenue (FBR) vide letter C. no. 1(43) DG (WHT)/2008-VOL.II-66417-R dated May 12, 2015 which requires every withholding agent to withhold income tax at applicable rates in case a valid exemption certificate under section 159(1) issued by the concerned Commissioner of Inland Revenue (CIR) is not produced before him by the withholders. The tax withheld on dividends and profit on bank deposits amounts to Rs. 11.026 million (June 30, 2022: Rs. 10.930 million).

For this purpose, the Mutual Funds Association of Pakistan (MUFAP) on behalf of various mutual funds (including the Funds being managed by the Management Company) had filed a petition in the Honourable Sindh High Court (SHC) challenging the above mentioned interpretation of the Federal Board of Revenue (FBR) which was decided by the SHC in favour of FBR. A petition was filed in the Honourable Supreme Court of Pakistan by the Funds together with other CISs (managed by the Management Company and other Asset Management Companies) whereby the Supreme Court granted the petitioners leave to appeal from the initial judgment of the SHC. Pending resolution of the matter, the amount of withholding tax deducted on dividends and profit on bank deposits has been shown as other receivables as at June 30, 2023 as, in the opinion of the management, the amount of tax deducted at source will be refunded.

7 PAYABLE TO ATLAS ASSET MANAGEMENT LIMITED - MANAGEMENT COMPANY - RELATED PARTY

	Note	2023 ----- Rupees -----	2022 ----- Rupees -----
Remuneration of the Management Company payable	7.1	16,565,755	18,863,973
Sindh Sales Tax payable on remuneration of the Management Company	7.2	5,122,359	5,421,127
Federal Excise Duty payable on remuneration of the Management Company	7.3	20,301,987	20,301,987
Accounting and operational charges payable	7.4	12,589,678	3,772,560
Selling and marketing expenses payable	7.5	7,318,141	-
		61,897,920	48,359,647

7.1 As per regulation 61 of the NBFC Regulations, the Management Company is entitled to a remuneration equal to an amount not exceeding the maximum rate of management fee as disclosed in the Offering Document subject to the Total Expense Ratio limit. Keeping in view the maximum allowable threshold, the Management Company has charged its remuneration at the rate of 2.5% (June 30, 2022: ranging from 2.4 to 2.5%) per annum of the average daily net assets of the Fund. The remuneration is payable to the Management Company monthly in arrears.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

7.2 During the year, an amount of Rs. 27.692 million (June 30, 2022: Rs. 32.301 million) was charged on account of Sales Tax on remuneration of the Management Company levied through the Sindh Sales Tax on Services Act, 2011 at the rate of 13% (June 30, 2022: 13%).

7.3 The Finance Act, 2013 enlarged the scope of Federal Excise Duty (FED) on financial services to include Asset Management Companies (AMCs) as a result of which FED at the rate of 16% on the remuneration of the Management Company and sales load was applicable with effect from June 13, 2013. The Management Company was of the view that since the remuneration was already subject to Provincial Sales Tax, further levy of FED would result in double taxation which did not appear to be the spirit of the law. Hence, on September 4, 2013 a constitutional petition was filed with the SHC by the Management Company together with various other asset management companies challenging the levy of FED.

With effect from July 1, 2016, FED on services provided or rendered by non-banking financial institutions dealing in services which are subject to the Provincial Sales Tax has been withdrawn by the Finance Act, 2016.

During the year ended June 30, 2017, the SHC passed an order whereby all notices, proceedings taken or pending, orders made, duty recovered or actions taken under the Federal Excise Act, 2005 in respect of the rendering or providing of services (to the extent as challenged in any relevant petition) were set aside. In response to this, the Deputy Commissioner Inland Revenue has filed a Civil Petition for leave to appeal in the Honourable Supreme Court of Pakistan which is pending adjudication.

In view of the above, the Fund has discontinued making further provision in respect of FED on remuneration of the Management Company with effect from July 1, 2016. However, as a matter of abundant caution the provision for FED made for the period from June 13, 2013 till June 30, 2016 amounting to Rs. 20.302 million is being retained in the financial statements of the Fund as the matter is pending before the Honourable Supreme Court of Pakistan. Had the provision not been made, the Net Asset Value per unit of the Fund as at June 30, 2023 would have been higher by Rs. 1.45 (June 30, 2022: Rs. 1.33).

7.4 In accordance with Regulation 60 of the NBFC Regulations, the Management Company is entitled to charge fees and expenses related to registrar services, accounting, operation and valuation services, related to a Collective Investment Scheme (CIS).

The Management Company based on its own discretion has charged expenses at the average rate of 0.63% (June 30, 2022: 0.5%) per annum of the average daily net assets of the Fund during the year ended June 30, 2023.

7.5 The SECP has allowed the Asset Management Companies to charge selling and marketing expenses to all categories of open-end mutual funds (except fund of funds) initially for a period of three years (i.e. from January 1, 2017 till December 31, 2019). The maximum cap of selling and marketing expense was 0.4% per annum of the daily average net assets of the Fund or actual expenses whichever is lower.

During year ended June 30, 2020, the SECP through its circular 11 dated July 5, 2019 has revised the conditions for charging of selling and marketing expenses to a fund. As per the revised guidelines, the maximum cap of 0.4% per annum has been lifted and now the asset management company is required to set a maximum limit for charging of such expense to the Fund and the same should be approved by the Board of Directors of the Management Company as part of the annual plan. Furthermore, the time limit of three years has also been removed in the revised conditions.

Accordingly, the Management Company has charged selling and marketing expenses based on its discretion (duly authorised by the Board of Directors) while keeping in view the annual plan, overall return and the Total Expense Ratio limit of the Fund as defined under the NBFC Regulations at the rate of 0.5% from April 27, 2023 to June 30, 2023 (June 30, 2022: Nil) of average daily net assets of the Fund.

8 PAYABLE TO THE CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE - RELATED PARTY

	Note	2023 ----- Rupees -----	2022 -----
Trustee fee payable	8.1	744,747	836,675
Sindh Sales Tax payable on Trustee fee	8.2	96,827	108,778
		841,574	945,453

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

- 8.1 The Trustee is entitled to monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed as follows:

Average Net Asset Value	Tariff per annum
Up to Rs. 1,000 million	Rs. 0.7 million or 0.20% per annum of Net Asset Value, whichever is higher
On an amount exceeding Rs. 1,000 million	Rs. 2.0 million plus 0.10% per annum of Net Asset Value

- 8.2 During the year, an amount of Rs. 1,237,670 (June 30, 2022: Rs. 1,435,474) was charged on account of Sales Tax on remuneration of the Trustee levied through the Sindh Sales Tax on Services Act, 2011 at the rate of 13% (June 30, 2022: 13%).

9 PAYABLE TO THE SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

	Note	2023 ----- Rupees -----	2022 ----- Rupees -----
Annual fee payable	9.1	1,704,072	2,008,397

- 9.1 In accordance with the NBFC Regulations, a Collective Investment Scheme (CIS) is required to pay an annual fee to the SECP. As per the guideline issued by the SECP vide their SRO no. 685(1)/2019 dated June 28, 2019. The Fund has recognised SECP Fee at the rate of 0.02% (June 30, 2022: 0.02%) of the average daily net assets of the Fund.

10 ACCRUED EXPENSES AND OTHER LIABILITIES

	2023 ----- Rupees -----	2022 ----- Rupees -----
Auditors' remuneration payable	542,160	480,763
NCCPL charges payable	25,000	-

Other payables	66,820	66,820
	3,299,769	2,129,217

11 CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments outstanding as at June 30, 2023 and June 30, 2022.

12 AUDITORS' REMUNERATION

	2023 ----- Rupees -----	2022 ----- Rupees -----
Annual audit fee	400,000	348,825
Half yearly review of condensed interim financial statements	250,000	174,500
Fee for other certifications	30,000	60,500
Out of pocket expenses	117,000	40,000
	797,000	623,825
Sindh Sales Tax on Services	63,760	49,907
Prior year adjustment	(35,756)	-
	825,004	673,732

13 TOTAL EXPENSE RATIO

The Total Expense Ratio (TER) of the Fund as at June 30, 2023 based on current year results is 3.89% (June 30, 2022: 3.56%) which includes 0.38% (June 30, 2022: 0.38%) representing government levies on the Fund such as sales tax, annual fee to the SECP etc. This ratio is within maximum limit of 4.5% prescribed under the NBFC Regulations for a collective investment scheme categorised as an 'Equity Scheme'.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

14 TAXATION

The income of the Fund is exempt from income tax under clause (99) of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders as cash dividend. Furthermore, as per Regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute not less than 90% of its accounting income for the year derived from sources other than capital gains as reduced by such expenses as are chargeable thereon to the unit holders. The Fund has not recorded any tax liability as the Fund has incurred a net loss during the year.

The Fund is also exempt from the provisions of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

15 LOSS PER UNIT

Loss per unit (LPU) has not been disclosed as, in the opinion of the management, the determination of cumulative weighted average number of outstanding units for calculating LPU is not practicable.

16 TRANSACTIONS AND BALANCES WITH CONNECTED PERSONS / RELATED PARTIES

- 16.1** Connected persons / related parties include Atlas Asset Management Limited being the Management Company, the Central Depository Company Limited being the Trustee, other collective investment schemes managed by the Management Company, any person or company beneficially owning directly or indirectly ten percent or more of the capital of the Management Company or the net assets of the Fund, entities under common management or directorships, directors and their close family members and key management personnel of the Management Company.
- 16.2** Transactions with connected persons are executed on an arm's length basis and essentially comprise sale and redemption of units, fee on account of managing the affairs of the Fund, sales load, other charges and distribution payments to connected persons. The transactions with connected persons are in the normal course of business, at contracted rates and at terms determined in accordance with market rates.
- 16.3** Remuneration to the Management Company and to the Trustee of the Fund is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed.
- 16.4** Accounting and operational charges are charged by the Management Company subject to the maximum prescribed Total Expense Ratio (TER).
- 16.5** The details of transactions carried out by the Fund with connected persons and related parties and balances with them at year end are as follows:

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

18 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, the constitutive documents of the Fund and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that the Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund. The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

18.1 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices.

The Management Company manages the market risk through diversification of the investment portfolio and by following the internal guidelines established by the Investment Committee.

Market risk comprises of three types of risks: yield / interest rate risk, currency risk, and price risk.

(i) Yield / interest rate risk

Yield / interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. As of June 30, 2023, the Fund is exposed to such risk on its balances held with banks. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that the risk is managed within the acceptable limits.

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds balances with banks which expose the Fund to cash flow interest rate risk. In case of 100 basis points increase / decrease in applicable rates on the last repricing date with all other variables held constant, the total comprehensive loss for the year would have been lower / higher and net assets of the Fund would have been higher / lower by Rs. 1.254 million (June 30, 2022: Rs. 0.513 million).

b) Sensitivity analysis for fixed rate instruments

As at June 30, 2023, the Fund does not hold any fixed rate instrument that may expose the Fund to fair value interest rate risk.

The composition of the Fund's investment portfolio and interest rates are expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2023 is not necessarily indicative of the impact on the Fund's net assets of the future movements in interest rates.

Yield / interest rate sensitivity position for on-balance sheet financial instruments is based on the earlier of contractual repricing or maturity date.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

The Fund's interest rate sensitivity related to financial assets and financial liabilities as at June 30, 2023 can be determined as follows:

determined as follows:

2023					
Effective yield / interest rate	Exposed to yield / interest rate risk			Not exposed to yield / interest rate risk	Total
	Up to three months	More than three months and up to one year	More than one year		
Percentage	Rupees

Cumulative interest rate sensitivity gap		170,036	170,036	170,036		

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

(ii) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

(iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Fund is exposed to equity price risk on investments held by the Fund and classified as 'at fair value through profit or loss'. To manage its price risk arising from investments in equity securities, the Fund diversifies its portfolio within the eligible stocks prescribed in the Trust Deed. The NBFC Regulations also limit individual equity securities to no more than 10% of net assets and issued capital of the investee company and sector exposure limit to 30% of the net assets.

In case of 5% increase / decrease in KSE 100 index on June 30, 2023, with all other variables held constant, the total comprehensive loss of the Fund for the year would decrease / increase by Rs. 397.956 million (June 30, 2022: Rs. 453.216 million) and the net assets of the Fund would increase / decrease by the same amount as a result of gains / losses on equity securities classified as 'financial assets at fair value through profit or loss'.

The analysis is based on the assumption that equity index had increased / decreased by 5% with all other variables held constant and all the Fund's equity instruments moved according to the historical correlation with the index. This represents management's best estimate of a reasonable possible shift in the KSE 100 Index, having regard to the historical volatility of the index. The composition of the Fund's investment portfolio and the correlation thereof to the KSE 100 Index, is expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2023 is not necessarily indicative of the effect on the Fund's net assets of future movements in the level of the KSE100 Index.

18.2 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily settlement of equity securities and daily redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Fund's policy is, therefore, to invest the majority of its assets in investments that are traded in an active market and can be readily disposed of and are considered readily realisable.

As per the NBFC Regulations, the Fund can borrow in the short-term to ensure settlement the maximum limit of which is 15% of the net assets upto 90 days and would be secured by the assets of the Fund.

In order to manage the Fund's overall liquidity, the Fund also has the ability to withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units in issue. The Fund did not withhold any redemptions during the year.

The table below summarises the maturity profile of the Fund's financial instruments. The analysis into relevant maturity groupings is based on the remaining period at the end of the reporting period to the contractual maturity date. However, the assets and liabilities that are receivable / payable on demand including bank balances have been included in the maturity grouping of one month.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

18.3 Credit risk

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Fund by failing to discharge its obligation as it falls due. The table below analyses the Fund's maximum exposure to credit risk:

The table below analyses the Fund's maximum exposure to credit risk:

	2023		2022	
	Balance as per statement of assets and liabilities	Maximum exposure to credit risk	Balance as per statement of assets and liabilities	Maximum exposure to credit risk
	Rupees		Rupees	
Bank balances	125,447,968	125,447,968	51,296,361	51,296,361
Investments	7,959,118,415	-	9,064,315,544	-
Deposits and other receivables	2,600,000	2,600,000	2,600,000	2,600,000
Mark-up receivable	17,800	17,800	2,750	2,750
Receivable against sale of investments	7,763,299	7,763,299	1,219,498	1,219,498
	8,094,947,482	135,829,067	9,119,434,153	55,118,609

The maximum exposure to credit risk before any credit enhancement as at June 30, 2023 is the carrying amount of the financial assets.

There is a possibility of default by participants or failure of the financial market / stock exchanges, the depositories, the settlements or clearing systems, etc. Settlement risk on equity securities is considered minimal because of inherent controls established in the settlement process. The Fund's policy is to enter into financial contracts in accordance with internal risk management policies and instruments guidelines approved by the Investment Committee.

18.3.1 Credit quality of financial assets

The Fund's significant credit risk (excluding credit risk relating to settlement of equity securities) arises mainly on account of its placements in banks and mark-up receivable thereon. The credit rating profile of bank balances is as follows:

Rating category	% of financial assets exposed to credit risk	
	2023	2022
AAA	1.43%	0.47%
AA+	0.11%	0.09%
	1.54%	0.56%

Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial assets is mainly held with, diverse credit worthy counter parties.

19 UNIT HOLDERS' FUND RISK MANAGEMENT

The Unit Holders' Fund is represented by redeemable units. These units are entitled to dividends and to payment of a proportionate share based on the Fund's Net Asset Value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit Holders' Fund'.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2023

The Fund has no restriction on the subscription and redemption of units. As required under the NBFC Regulations every open end scheme shall maintain fund size (i.e. net assets of the Fund) of Rs 100 million at all times during the life of the scheme. The Fund has historically maintained and complied with the requirement of minimum fund size at all times.

The Fund's objectives when managing the Unit Holders' Funds are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies as stated in note 17, the Fund endeavours to invest the subscriptions received in appropriate investment avenues while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by disposal of investments or short-term borrowings, where necessary.

20 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the statement of assets and liabilities date. The estimated fair value of all other financial assets and liabilities is considered not to be significantly different from the respective book values.

20.1 Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Fund to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at June 30, 2023 and June 30, 2022, the Fund held the following financial instruments measured at fair values:

----- 2023 -----				
	Level 1	Level 2	Level 3	Total
	----- Rupees -----			
ASSETS				
Financial assets 'at fair value through profit or loss'

تازہ ترین درجہ بندی:

اثاثہ جات فیچر کی درجہ بندی

پاکستان کریڈٹ ریٹنگ ایجنسی لمیٹڈ (پیکرا) نے مینجمنٹ کمپنی کی ایسٹ میجر درجہ بندی اے ایم ۲+ (اے ایم ٹوپلس) ترتیب دی ہے۔

(۲۰۲۲ء: اے ایم ۲+ (اے ایم ٹوپلس)) تاریخ ۲۳ دسمبر ۲۰۲۲ء کو یہ درجہ بندی کمپنی کی تجربہ کار ٹیم، منظم سرمایہ کاری نظام اور ہم آہنگ معیاری نظام اور طریقہ کار کی عکاسی کرتی ہے۔

- ☆ تمام فنڈز کے حساب کتاب کو مناسب طریقہ سے تیار کیا گیا ہے۔
- ☆ گوشواروں کی تیاری میں حساب داری کے اصولوں کو تسلسل کے ساتھ لاگو کیا جا رہا ہے اور گوشواروں کی تیاری میں احتیاط اور فہم فراست کا استعمال کیا جا رہا ہے۔
- ☆ گوشواروں کی تیاری میں وہ بین الاقوامی معیارات جو پاکستان میں لاگو ہوتے ہیں، کو مد نظر رکھا گیا ہے اگر کہیں انحراف ہوا ہے تو اسے مناسب طریقے سے ظاہر کر دیا گیا ہے۔
- ☆ اندرونی نظم و ضبط کا نظام مؤثر نگرانی میں مستحکم بنیادوں پر نافذ ہے۔
- ☆ فنڈز کے مستقبل بنیادوں پر جاری رہنے پر کوئی شبہ نہیں ہے۔
- ☆ مالی اعداد و شمار میں قانونی ادائیگی، ٹیکس، محصولات کا صحیح انکشاف کیا گیا ہے۔
- ☆ اہم مالیاتی اعداد و شمار / کارکردگی کے چارٹ، (اے ایم ایف)، (اے ایل ایف)، (اے ایس ایف)، (اے آئی ایف)، اور (اے ایس ایم ایف) کی سالانہ رپورٹس کے صفحات ۲۲، ۶۴، ۱۰۱، ۱۳۷ اور ۱۷۹ پر علی الترتیب شائع کئے گئے ہیں۔
- ☆ کفالتی فنڈ کی سرمایہ کاری کی قدر کے گوشوارے کا اطلاق میوچل فنڈ پر نہیں ہوتا کیوں کہ ملازمین کے ریٹائرمنٹ فوائد سے متعلق اخراجات منتظم کمپنی برداشت کرتی ہے۔
- ☆ نوٹس کی ملکیت کا انداز (اے ایم ایف)، (اے ایل ایف)، (اے ایس ایف)، (اے آئی ایف)، اور (اے ایس ایم ایف) کے مالیاتی گوشواروں کے علی الترتیب نوٹس نمبر ۲۳، ۲۴، ۲۵، ۲۶، ۲۷ میں دیا گیا ہے۔
- ☆ مینجمنٹ کمپنی اور کمیٹی کے بورڈ آف ڈائریکٹران
- ☆ اس عرصے کے دوران، اے ایم ایل کے بورڈ آف ڈائریکٹرز میں شامل ہیں۔ جناب افتخار ایچ شیرازی، چیئرمین، مسٹر فیصل علی خان، ڈائریکٹر، مسٹر ایم حبیب الرحمن، ڈائریکٹر، جناب طارق امین، آزاد ڈائریکٹر، مسٹر علی ایچ شیرازی، ڈائریکٹر، محترمہ ہرہ نقوی، آزاد ڈائریکٹر اور مسٹر محمد عبدالصمد، چیف ایگزیکٹو آفیسر۔

☆ ڈائریکٹرز کی موجودہ کل تعداد درج ذیل ہیں۔

مرد: ۶

عورت: ۱

☆ بورڈ کی موجودہ تشکیل مندرجہ ذیل ہیں۔

آزاد ڈائریکٹر: ۲*

غیر ایگزیکٹو ڈائریکٹر: ۴

ایگزیکٹو ڈائریکٹر: ۱

خواتین ڈائریکٹر: ۱ (* آزاد ڈائریکٹر)

۲۰۲۲-۲۳ء مالیاتی سال کے دوران سات بورڈ میٹنگ منعقد کی گئیں اور اس میں شرکت کی گئی۔ میٹنگز کی تاریخیں اور شریک ہونے والے ڈائریکٹران کی تفصیلات، جیسا کہ این بی ایف سی کے قواعد و ضوابط ۲۰۰۸ء کے تحت درکار ہے۔ اے ایم ایف، اے ایل ایف، اے ایس ایف، اے آئی ایف اور اے ایس ایم ایف کی مالیاتی تفصیلات کے نوٹس ۲۷، ۲۸، ۲۹ اور ۳۵ میں بالترتیب منسلک ہیں۔

تقسیم آمدنی۔ اے آئی ایف

منظوم کمپنی کی سرمایہ کاری کمیٹی برائے اے آئی ایف نے اپنے اجلاس کو برائے اختتام مالیاتی سال ۲۰۲۳-۲۲ء کیلئے ۷۹.۷۶ روپے فی یونٹ (۲۰۲۲:۱۰:۲۳ روپے فی یونٹ) پورے سال کیلئے تقسیم کا اعلان کیا۔ ۵۰۰ روپے فی یونٹ کی اصل قیمت پر ۱۵.۳۶ فیصد (۲۰۲۲ء: عبوری منافع ۸.۶۲ فیصد)۔ سبکدوش ہونے والے سال کے لئے کوئی حتمی تقسیم نہیں ہوئی۔

تقسیم آمدنی۔ اے ایس ایم ایف

منظم کمپنی کی سرمایہ کاری کمیٹی برائے اے ایس ایم ایف نے اپنے اجلاس کو برائے اختتام مالیاتی سال ۲۰۲۳-۲۰۲۲ کیلئے صفر روپے فی یونٹ (۲۰۲۲: صفر روپے فی یونٹ (پورے سال کیلئے) تقسیم کا اعلان کیا۔ ۵۰۰ روپے فی یونٹ کی اصل قیمت پر صفر فیصد۔ (۲۰۲۲ء: عبوری منافع صفر فیصد)، صفر تقسیم کی وجہ کے ایس سی ۱۰۰ انڈیکس کی تھی جو کہ ۳۰ جون ۲۰۲۲ تک ۸۳.۵۴۰، ۴۱ پوائنٹ پر تھا ۳۰ جون ۲۰۲۳ کو کم ہو کر ۴۱، ۴۵۳.۰۰ پر آ گیا زیر جائزہ کے ۲۱.۰ فیصد کی خاطر کرتا ہے۔ سبکدوش ہونے والے سال کے لئے کوئی حتمی تقسیم نہیں ہوئی۔

اٹلس گولڈ فنڈ کی منسوخی

اے جی ایف ۳ نومبر ۲۰۱۷ء کو منسوخ کر دیا گیا اور سرمایہ داروں کو اس میں مزید سرمایہ لگانے کی پیشکش نہیں کی جاتی۔ سرمایہ داروں کو ۲۹۔۲۱۰ ملین کی رقم حتمی ادائیگی کی جا چکی ہے۔ اگست ۲۰۲۲ء کے مہینے کے دوران، اے جی ایف نے سندھ ورکرز ویلفیئر فنڈ کی طرف سے ۳۵۶،۶۶۸ ملین روپے کی فراہمی کو سندھ ریونیو بورڈ کی طرف سے میوچل فنڈ ایسوسی ایشن آف پاکستان کو لکھے گئے خط نمبر ۸۷/۲۰۱۳/۷۰/۷۰ SRB/TP مورخہ ۱۲ اگست ۲۰۲۱ء کے ذریعے موصول ہونے والی وضاحت پر واپس کر دیا گیا ہے۔ چونکہ ٹالس گولڈ فنڈ ایک منسوخ شدہ فنڈ ہے، لہذا ایونٹ ہولڈرز کو ۳۰ ستمبر ۲۰۲۱ء تک ۶۱۲،۷۱۹ کے بعد منسوخی کے منافع کے ساتھ ۳۵۶،۶۶۸ روپے کی مذکورہ فراہمی ادا کر دی گئی ہے۔ تاہم، ۳۳۔۰ ملین روپے ٹیکس کے ریفرنڈم کلیم ہیں اور فیڈرل ایکسائز ڈیوٹی اور سندھ ورکرز ویلفیئر فنڈ کی مد میں ۳۲۔۰ ملین روپے ہیں جسکی بہت زیادہ محتاط پیش بندی کی گئی ہے۔ ایک باریہ مسائل حل ہو جائیں تو ایونٹ ہولڈرز کو مزید ادائیگی کی جائے گی۔

چیرمین کا جائزہ:

اے ایم ایف، اے ایل ایف، اے ایس ایف، اے آئی ایف، اور اے ایس ایم ایف کی سالانہ رپورٹ میں شامل جائزہ منجملہ طور پر اس سال کے فنڈز کی کارکردگی اور اسکے آئندہ لائحہ عمل سے متعلق ہے۔ ڈائریکٹر صاحبان اس جائزے کے مندرجات کی توثیق کرتے ہیں۔

کارپوریٹ نظم و ضبط:

کمپنی کارپوریٹ نظم و ضبط کے معیارات، ضابطہ اخلاق اور بہترین کاروباری طریقوں پر سختی سے عمل کرنے پر یقین رکھتی ہے۔ اور یہ سب اٹلس گروپ کی کاروباری تہذیب کا ایک جزو لاینفک ہے۔ جولائی ۲۰۱۲ء میں کارپوریٹ نظم و ضبط کے اصولوں کی منظوری دی گئی جس میں بورڈ کے ممبران، ملازمین اور کمپنی پر مختلف حلقوں، آپس کے معاملات اور معاشرے کی فلاح و بہبود کے سلسلے میں عائد کردہ فرائض اور ذمہ داریوں کو صراحت کے ساتھ بیان کر دیا گیا ہے۔ یہ ضابطہ اخلاق کمپنی کی ویب سائٹ پر دستیاب ہے۔

بورڈ کے ڈائریکٹران کی جانب سے توثیق نامہ

یورڈ آف ڈائریکٹر تصدیق کرتا ہے کہ (اے ایم ایف)، (اے ایل ایف)، (اے ایس ایف)، (اے آئی ایف) اور (اے ایس ایم ایف) کہ:

☆ منظم کمپنی کی جانب سے تیارہ کردہ مالیاتی گوشوارے تمام فنڈز کی کارکردگی، سالانہ آمدنی، کیش فلو اور یونٹ ہولڈرز کے سرمائے میں نقل و حرکت کی ایک منصفانہ تصویر پیش کرتے ہیں۔

ڈائریکٹر رپورٹ:

اٹلس ایسٹ مینجمنٹ لمیٹڈ (اے اے ایم ایل) کے بورڈ آف ڈائریکٹرز، منتظم برائے اٹلس منی مارکیٹ فنڈ (اے ایم ایف)، اٹلس لیکویڈ فنڈ (اے ایل ایف)، اٹلس سوورین فنڈ (اے ایس ایف)، اٹلس انکم فنڈ (اے آئی ایف) اور اٹلس اسٹاک مارکیٹ فنڈ (اے ایس ایم ایف)، کے ڈائریکٹر صاحبان مذکورہ فنڈز کی سالانہ رپورٹ کے ساتھ آڈٹ شدہ مالیاتی نتائج اور آڈیٹرز کی رپورٹس، برائے اختتام سال ۲۰۲۳ء باسرت پیش کرتے ہیں۔
