The State Bank of Pakistan maintained the status quo by holding discount rate at 13.75% (SBP Policy Rate at 13.25%) under its latest monetary policy statement announced on November 22, 2019. The CPI inflation increased by 12.7% YoY for the month of November '19 on new base of 2015-016. While on a monthly basis, CPI increased by 1.3% MoM. The increase in CPI was mainly attributed to rise in prices of perishable food items.
