- vi. The Management Company shall proceed to sell adequate assets of the Fund and/or arrange borrowing as it deems fit in the best interest of the Holders and shall determine the redemption requests based on such action. The request in excess of the ten percent shall be treated as redemption requests qualifying for being processed on the next business day at the price to be determined for such redemption requests. However, if the carried over requests and the fresh requests received on the next business day still exceed ten percent of the Units in issue, these shall once again be treated on first-come-first served basis and the process for generating liquidity and determining the redemption price shall be repeated and such procedure shall continue till such time the outstanding redemption requests come down to a level below ten percent of the Units then in issue.

In such an event, the queue system, if already invoked, shall cease to apply and all Holders shall be paid after selling the assets and determining the Final Redemption Price. However, interim distributions of the proceeds may be made to the Holders in proportion to their holding if the Management Company finds it feasible.
